▶ But actually, this unity is very strong, and as NATO council said as well, that we are behind our members and also Article 5 is solid.

▶ And also what we saw was first time ever such a scale of violation of the airspace and NATO reacted on military level in the very, very proper ways.

🎧 When you are talking about the unity of the response, though, and you listen to President Trump in the chamber this morning, not condemning President Putin for what he is doing, not condemning him at all, actually.

 00:05:54

▶ But for us as a member of NATO is important that the US is committed to NATO, and we saw it as well yesterday, when we called as well, the United Nations Security Council, that the US representative Ambassador said very clearly that Article 5 is there.

欧洲在军事援乌方面做得更多。

▶ Actually, Europe is buying military equipment from the US to deliver it to Ukraine, but also now we adopt very soon the 19th package of the sanctions already, which will be really strong, and as well against the third countries, so the tariffs are there and so on.

实际上欧洲正从美国采购军备援乌，同时即将通过第十九轮制裁方案，力度空前且针对第三国，关税等措施也已到位。

▶ So I don't believe in this kind of competition who is doing more and not, because I can be responsible what Europe is doing as a member of the European Union and NATO in this part.

我不认同这种比较谁做得更多的竞争，因为我能为欧洲作为欧盟和成员国在此方面的行动负责。

bilibili 00:08:03

这就是现实。

▶ So that's why we need to show the unity and also bring more deterrence to our borders, but I don't believe in full scale of innovation, because we don't see it the other side of the border.

▶ Gaza City, the largest city in the Gaza Strip under intense bombardment now for a full week, and reports of major destruction from inside that city, reports of the tanks having reached very close to the center.

🎧 Well, we've been talking here about the meeting between President Trump and President Zelensky earlier and the post that President Trump followed that up with shortly afterwards.

我们一直在讨论特朗普总统与泽连斯基总统先前的会晤，以及特朗普会后随即发布的帖子。

🎧 So let's talk about that now with our US State Department correspondent Tom Bateman.

现在请我们美国国务院#记者#汤姆·贝特曼来谈谈此事。

 00:17:25

🎧 Tom, we've discussed many times on this program over the last eight months.

汤姆，过去八个月我们在这个节目中多次讨论过。

🎧 President Trump swings and randomets approaching away to Russia and to Ukraine and where his support lies.

特朗普总统在对待俄罗斯和乌克兰问题上的立场摇摆不定。

🎧 But this latest post after that meeting with President Zelensky would seem that he has come fully around to supporting Ukraine and its chances of success.

但此次与泽连斯基总统会晤后的最新帖子似乎表明他已完全转向支持乌克兰及其获胜可能。

 00:17:45

🎧 Yeah, I mean, it absolutely appears to be a very significant shift of position by Donald Trump.

是的，这绝对像是唐纳德·特朗普立场的一次重大转变。

🎧 So he never really heard him say before that he thinks Ukraine could be in a position to win back all the territory occupied by Russia and more he suggested in that post.

此前我们从未真正听他说过认为乌克兰有能力夺回所有被占领土，而他在帖子中甚至暗示能收复更多。

🎧 Alongside that, he was asked before the meeting with Mr. Zelensky whether NATO countries should shoot down Russian jets if they invade their hair space, said yes they should.

此外，在与泽连斯基会晤前被问及若俄罗斯战机侵入领空北约国家是否应击落时，他给出了肯定答复。

 00:18:15

▶ So very bellicose language from Mr. Trump.

可见特朗普先生的言辞非常强硬。

▶ And I think this has been grabbed by Vladimir Zelensky who said that he believed the Americans were ready to give meaningful security guarantees to Ukraine in the event of a truce and an end to the war.

我认为泽连斯基抓住了这一点，他表示相信美国已准备在停战结束时向乌克兰提供有意义的安全保障。

▶ That is significant as well.

这一点也很重要。

▶ But I have to say Katrina, we have seen Donald Trump wax and wane when it comes to his sympathies over Ukraine compared to Russia over the course of the last eight or nine months.

但卡特里娜，我必须说过去八九个月我们看到特朗普在同情乌克兰还是俄罗斯问题上反复无常。

 00:18:47

▶ And here he says we are lurching back to what is appearing to be on the side of the Ukrainians.

而此刻他的言论又突然摆向支持乌克兰的立场。

▶ But remember, what he is saying here is what would win them back that territory is time and patience and the funding and weapons supply from NATO who are now in a deal with the US where they are buying American weapons themselves and sending them to the Ukrainians.

但要注意，他声称夺回领土的关键在于时间、耐心以及北约的资金武器供应——目前北约与美国达成协议，由北约采购美制武器送往乌克兰。

▶ But of course that key point about American weapons supply, that hasn't changed at all.

但关于美国武器供应这个关键点其实毫无变化。

 00:19:12

▶ A Republican conqueror under Donald Trump is not about to appropriate millions of dollars worth of new weapons supply for Ukraine.

特朗普领导下的共和党#征服者#不会为乌克兰拨付价值数百万美元的新武器供应。

▶ The Biden era appropriations and supply will start to run dry into next year.

拜登时期的拨款和供应将在明年逐渐枯竭。

▶ That is a key problem for the Ukrainians.

这对乌克兰来说是个关键问题。

▶ So it is unclear what the strategy is by which Mr. Trump thinks the Ukraine can suddenly win back all of its territory.

因此不清楚特朗普认为乌克兰能突然夺回全部领土的战略依据何在。

 00:19:34

▶ And that has been the fundamental issue here, but there has been something of a strategic vacuum when it comes to Donald Trump and the way he says he wants to win this world.

这一直是根本问题，但特朗普宣称要赢得这场战争的方式却存在战略真空。

▶ Okay Tom, Bateman there on the other side of the United Nations headquarters here in New York.

好的汤姆，贝特曼在纽约联合国#总部#另一侧的报道。

▶ Thank you for that.

谢谢。

▶ Well let's stick with that issue of Ukraine and the Russian invasion of it.

我们继续关注乌克兰及俄罗斯#入侵#相关议题。

bilibili 00:19:55

▶ I am joined by the Latvian Foreign Minister by Bagraja Minister.

现在连线拉脱维亚外交部长巴格拉贾阁下。

▶ Thank you very much for joining us here on BBC News.

非常感谢您接受BBC新闻采访。

▶ Thank you for calling me.

谢谢邀请。

▶ What interested in your thoughts on what we have heard from President Trump today, I mean first of all if his speech this morning, he was quite critical of the European Union on a number of levels, a body that is supposed to be a close ally of his.

想请教您对特朗普总统今日言论的看法——今早演讲中他在多个层面批评本应是紧密盟友的欧盟。

bilibili 00:20:17

▶ What did you make of what he said?

您如何解读他的言论？

▶ He is a very close ally of President Trump of the United States.

我们是美国特朗普总统的紧密盟友。

▶ We are most of us are in NATO, plus Turkey and Norway and others.

我们大多都是北约成员，还包括土耳其、挪威等国。

▶ So the closest allies they are, it doesn't mean that we can criticize each other.

既然是最亲密盟友，不代表不能相互批评。

▶ So there is a freedom of speech everywhere, so not only in the US.

世界各地都有言论自由，不只美国。

▶ And President Trump expresses his opinions, so very clearly.

特朗普总统只是清晰表达了他的观点。

 00:20:43

▶ In the same time there were very clear messages both on Russia's war against Ukraine, on Middle East, on Gaza, on recognition of Palestine, on number of other issues.

同时他在俄罗斯对乌战争、中东、加沙、承认巴勒斯坦等诸多问题上也传递了明确信息。

▶ And we just maybe take the first one there, Russia and Ukraine specifically and I have just been talking about with my colleague there, this post after the meeting with President Zelensky, where he seems to be backing Ukraine to a point that he hadn't before and said it's up to the European Union to be with Ukraine.

我们不妨先谈俄乌问题——刚才我与同事讨论过特朗普见泽连斯基后的帖子，他支持乌克兰的程度似乎前所未有，还称欧盟应该与乌克兰站在一起。

▶ I'll also call for European member countries to impose tariffs and sanctions further sanctions on Russia and its partners.

他还呼吁欧盟成员国对俄罗斯及其伙伴加征关税和进一步制裁。

 00:21:21

▶ Do you see a shift there?

您认为这是立场转变吗？

▶ That has been our position, that we shouldn't be buying Russian oil or gas, that we shouldn't be stopping Russia's exports maximum so that they don't get money in the budgets, they finance the war from the budgets, so we shouldn't be supporting that.

这原本就是我们的立场：不应购买俄罗斯油气，应最大限度遏制俄罗斯出口以切断其战争预算来源，我们不该资助战争。

▶ And we stopped as the Baltic states, we stopped buying all Russian energy sources from 22 right after the war started.

我们波罗的海国家自2022年开战后就停止购买所有俄罗斯能源。

 00:21:45

▶ So it's possible to do that?

这样做可行吗？

▶ Yes, it's more expensive.

是的，成本更高。

▶ But in the same time you become much more economic with not having a cheap energy, you could have more expensive, but then you do save on what you do think, what you do, you do think how you spend that.

但不用廉价能源反而促使经济转型，虽然能源价格更高，但你会更注重节约和效率。

▶ So we have gone more renewable, so there is a whole set of issues that come as a positive side effect from that.

因此我们转向更#可再生#的能源，这带来一系列积极连锁效应。

 00:22:12

▶ So we encourage others who still buy Russian oil and gas to do the same.

我们鼓励仍购买俄油俄气的国家效仿。

▶ When you see the Russian incursions into Estonia, near space, Poland, Romania, does that make you fearful in that, yeah?

看到俄罗斯侵犯爱沙尼亚、波兰、罗马尼亚临近空域的行为，是否让您感到#担忧#？

▶ We have seen the Russian drone incursions or airspace violations across the whole Russian Western border from Norway to Finland to the Baltic states, Poland, down to Romania and Bulgaria.

我们目睹俄罗斯无人机入侵或侵犯从挪威、芬兰、波罗的海国家到波兰、罗马尼亚和保加利亚的整个西部边境空域。

 00:22:39

▶ So this is what Russia has been doing.

这就是俄罗斯的一贯行径。

⌂ Sometimes it's negligence because indeed Russia's war in Ukraine means that they are sending hundreds of drones into Ukraine.

有时是#疏忽#所致，毕竟俄乌战争中俄方向乌克兰发射数百架无人机。

⌂ If they hadn't done so, those jammed drones wouldn't land in other countries.

若非如此，受干扰的无人机不会坠落别国。

⌂ But these last two occasions that you mentioned, they were indeed intentional.

但您提到的最近两次事件确实是#蓄意#行为。

⌂ 00:23:02

⌂ Russia did launch those drones very clearly with the dangerous trajectories.

俄方明显以危险轨迹发射这些无人机。

⌂ So they did go into Polish airspace.

它们确实进入了波兰领空。

⌂ And the planes, the jets, they mix, that flew into Estonian airspace, so there have been also similar cases.

还有战机混合编队飞入爱沙尼亚领空的类似案例。

⌂ They were testing NATO's reactions, they were testing, they were clearly messaging, so it smokes, it's a deliberate action.

这是在试探北约反应，是在传递明确信号，这是精心策划的行动。

⌂ 00:23:29

⌂ It doesn't happen by any coincidence.

绝非#偶然#发生。

⌂ And if I can just ask you another brief question, much of the focus here this week is on recognizing the state of Palestine.

能否再简短请教：本周焦点是承认巴勒斯坦国。

▶ Latvia has not done that.

拉脱维亚尚未承认。

▶ Are you planning to or what's your thinking there?

是否有相关计划或考量？

▶ It's not on the agenda currently.

目前未列入#议程#。

▶ We take it very seriously in terms of we do support the two state solutions, with two states living side by side, Israel and the state of Palestine.

我们严肃对待此事，支持两国方案——以色列与巴勒斯坦国和平共处。

 00:23:55

▶ But we also stick to the principles of Montevideo's, the effective control of the territories, effective government and so on and so forth.

但我们仍遵循蒙特维多公约原则，即对领土的有效控制、有效治理等#要素#。

▶ But also the UN Security Council resolutions both from 2012 and 24 are pretty clear.

此外，联合国安理会2012年和第24号决议都表述得非常明确。

▶ The release of hostages, getting rid of Hamas, disarmament Hamas, Hamas giving up basically ideas of having power in Gaza or other territories.

释放人质、清除#哈马斯#、解除#哈马斯#武装、#哈马斯#基本放弃在加沙或其他领土掌权的想法。

 00:24:20

▶ And in the same time, indeed recognizing Israel as a Jewish state.

同时必须真正承认以色列作为犹太国家的地位。

▶ Israel has the right to exist.

以色列拥有生存权。

▶ It is a country.

它是一个国家。

▶ So we would recognize Palestine under certain conditions as a state.

因此我们将在特定条件下承认巴勒斯坦为国家。

▶ Currently it's not on the agenda.

目前这不在#议程#之上。

▶ So there are security council resolutions.

既然存在安理会决议。

▶ We need those fulfilled.

我们需要这些决议得到落实。

▶ Okay.

好的。

 00:24:47

▶ All right, Latvia and Foreign Minister of Biber-Berraja.

好的，拉脱维亚及比伯-贝拉亚外长。

▶ Thank you very much for joining us here.

非常感谢您接受我们的采访。

▶ Thank you very much.

非常感谢。

▶ Thank you very much.

十分感谢。
