我们设法让更多卡车进入加沙，但无法通过自有系统分发。

current situation.

我们担心的是，如果我们不能确保每天至少有100辆卡车进入加沙——我很抱歉总是谈论卡车——我们将无法避免当前的局势。

 00:11:55

⏮ This is why we've been asking for it to have proper safe passages, making sure that like it was in the beginning of this week where our team was taking more than 20 hours just to bring 19 trucks.

这就是为什么我们一直要求建立安全通道，确保像本周初那样，我们的团队花了20多个小时才运进19辆卡车。

请记住，加沙地带只有12%是安全区，而且大部分人口集中在那里。

 00:14:15

▶ How an air drop will be done where there's such small space safe space for population high probability you will put put some of these population at risk with drops.

在如此狭小的安全空间进行空投，很可能会让部分民众面临风险。

▶ A final question because aid agencies like yourselves have been making this point with ever growing alarm for weeks and months and you've been ignored.
