 Israel's security cabinet has been meeting for the past few hours to decide whether to order a complete military takeover of the Gaza Strip.

以色列安全内阁过去几小时一直在开会，决定是否下令全面军事接管加沙地带。

 A move the UN says would risk catastrophic consequences and would be illegal under international law.

联合国表示，此举可能带来灾难性后果，并且根据国际法是非法的。

 Israel's military says it already has operational control of around 75% of Gaza, but under the proposed plan it would occupy the entire territory moving into areas where more than two million Palestinians are now concentrated.

以色列军方表示，它已经控制了加沙约75%的地区，但根据提议的计划，它将占领整个领土，进入目前有200多万巴勒斯坦人集中的地区。

 00:02:15

 There are concerns that an expanded Israeli military operation would endanger more Palestinians and jeopardize the survival of the 20 Israeli hostages believed to still be alive.

有人担心，以色列扩大军事行动会危及更多巴勒斯坦人，并威胁据信仍活着的20名以色列人质的生存。

 Israeli media say Prime Minister Netanyahu sees this escalation as the only way to destroy Hamas and free hostages still held by the group following the breakdown of ceasefire talks.

以色列媒体称，总理内塔尼亚胡认为，在停火谈判破裂后，这种升级是摧毁哈马斯并释放该组织仍扣押的人质的唯一途径。

 In the last hour, the Israeli army has told Palestinians in the Al-Darage and Al-Tufa neighborhood of Gaza cities old town to evacuate immediately.

▶ Hamas added that Netanyahu's plans show his aim is to sacrifice Israel's own hostages to serve his personal interests.

哈马斯补充说，内塔尼亚胡的计划表明，他的目标是牺牲以色列自己的人质来为他的个人利益服务。

在过去的半小时里，Tommy Piggett向国务院询问了美国对内塔尼亚胡全面占领加沙计划的立场，以及美国是否认为这有助于释放人质和援助流动。

▶ Here's what he said.

以下是他的说法。

▶ Our three focuses as the Secretary outlined yesterday remain getting humanitarian aid into Gaza without it being alluded by Hamas.

正如国务卿昨天概述的那样，我们的三个重点仍然是在哈马斯不干预的情况下将人道主义援助送入加沙。

bilibili 00:04:31

▶ Hugo and Rishi, thanks for joining me.

Hugo和Rishi，感谢你们的加入。

▶ Hugo, I come to you first.

Hugo，我先问你。

▶ Just we've seen protests into the night in Jerusalem by the families of those hostages saying they don't want this action to go ahead.

我们刚刚看到在耶路撒冷，人质家属通宵抗议，表示他们不希望这一行动继续进行。

 00:05:08

▶ But just give us a sense of how much support there is in Israel for this path that Benjamin Netanyahu wants to go down.

但请告诉我们，以色列国内对内塔尼亚胡想要走的这条路有多少支持。

▶ Well, Steve, we've seen that there have been differences between the political leadership and the military leadership of the country with the chief of staff of the army, telling the Prime Minister that an expansion of military activity and the full occupation of Gaza would be a trap for Israel.

Steve，我们看到该国的政治领导层和军事领导层之间存在分歧，军队参谋长告诉总理，扩大军事活动和全面占领加沙对以色列来说是一个陷阱。

▶ He said that any kind of expansion of the offensive would endanger the lives of the hostages and also the lives of soldiers.

他表示，任何形式的进攻扩大都会危及人质和士兵的生命。

 00:05:48

▶ And this expansion of activity would see the military acting in parts of Gaza City and also in the central camps of the street where the hostages are believed to be held.

这次活动扩大将使军队在加沙城部分地区以及据信关押人质的街道中央营地行动。

▶ And there has been also opposition from the families of the hostages who remain in captivity because they say that the only way to guarantee the release of the hostages is through a negotiated deal with Hamas.

仍被扣押的人质家属也表示反对，因为他们表示，保证人质获释的唯一途径是通过与哈马斯谈判达成协议。

▶ They say that this policy of putting pressure, military pressure on Hamas has failed, hasn't really guaranteed the release of the hostages.

他们表示，这种对哈马斯施加军事压力的政策已经失败，并没有真正保证人质的释放。

 00:06:21

⏮ And recent polls in Israel have been consistent in showing that the vast majority of the population in favor of a negotiated deal with Hamas for the release of the hostages and they also want to see the end of the war.

以色列最近的民意调查一致显示，绝大多数人支持与哈马斯谈判达成释放人质的协议，他们也希望看到战争结束。

⏮ And for quite some time, people have been saying that the Prime Minister is only prolonging the conflict for political purposes to guarantee the survival of his governing coalition, which relies on the support of hard-line ministers who have been saying for quite some time.

相当长一段时间以来，人们一直在说，总理只是为了政治目的延长冲突，以保证他的执政联盟的生存，该联盟依赖于强硬派部长的支持，这些部长已经说了相当长一段时间。

⏮ That they will quit the government if there is any kind of deal with Hamas and itta Mabingha, Veer, Bitsala, Smoltrich have also been talking about expelling Palestinians from Gaza and resettling Gaza with Jews.

如果与哈马斯达成任何协议，他们将退出政府，而Itta Mabingha、Veer、Bitsala、Smoltrich也一直在谈论将巴勒斯坦人驱逐出加沙，并用犹太人重新安置加沙。

 00:07:04

⏮ So it was very interesting to see that the Prime Minister today, ahead of the meeting, dismissed the idea that Israel is trying to annex Gaza and occupy Gaza indefinitely.

因此，非常有趣的是，总理今天在会议前驳斥了以色列试图吞并加沙并无限期占领加沙的想法。

⏮ The criticism coming from internally but also internationally as well.

批评不仅来自内部，也来自国际社会。

⏮ Can you tell us a bit about that, although we have heard that the US doesn't really look like they are going to have any sort of opinion on this.

你能告诉我们一些这方面的情况吗，尽管我们听说美国似乎不会对此发表任何意见。

▶ Exactly.

确实。

▶ See, Vendor, according to reports in Israel, the President Trump has given the green light to Israel to continue to operate militarily in Gaza.

Vendor, 根据以色列的报道, 特朗普总统已经给以色列开了绿灯, 允许其继续在加沙进行军事行动。

▶ But I think any kind of expansion of military activity in Gaza is likely to spark a very strong reaction from a number of countries that have been very angry with Israel because of the humanitarian situation in Gaza.

但我认为, 加沙任何形式的军事活动扩大都可能引发一些国家的强烈反应, 这些国家因加沙的人道主义状况对以色列非常愤怒。

▶ And we've seen warnings from the United Nations, from aid organizations saying that any expansion of military activity in Gaza is likely to worsen the humanitarian situation that the United Nations has said that these reports are deeply concerning.

我们已经看到联合国和援助组织的警告, 称加沙任何形式的军事活动扩大都可能恶化人道主义状况, 联合国表示这些报告令人深感担忧。

▶ So I think there is the potential here that if this plan does go ahead that Israel could face growing international isolation.

因此, 我认为, 如果这一计划真的实施, 以色列可能会面临日益严重的国际孤立。

▶ But we can also say that this could be part of a plan here by the Israeli authorities to put pressure on Hamas to make concessions in these stone negotiations for a deal that could see the hostages being freed.

但我们也可以说, 这可能是以色列当局计划的一部分, 目的是向哈马斯施压, 使其在这些艰难的谈判中做出让步, 达成释放人质的协议。

▶ Hugo, thanks very much for that.

Hugo, 非常感谢。

▶ We'll let you go Hugo Bishegar there in Jerusalem.

我们让在耶路撒冷的Hugo Bishegar离开。

▶ Let's speak with Rushdi then who is actually in Istanbul, not Cairo as I mentioned earlier.

然后让我们与Rushdi交谈，他实际上在伊斯坦布尔，而不是我之前提到的开罗。

▶ Rushdi, get your thoughts on Hamas in just a moment as Hugo was talking about.

Rushdi, 稍后请谈谈你对哈马斯的看法，正如Hugo刚才提到的。

▶ But first, the humanitarian situation in Gaza is already incredibly dire.

但首先，加沙的人道主义状况已经非常严峻。

 00:09:02

▶ And if there was to be even more military coming into it or more extensive occupation by Israel, that would only get worse, wouldn't it?

如果以色列有更多军队进入或更广泛的占领，情况只会变得更糟，不是吗？

▶ Yes, indeed, you know about the entire population now are like squeezed in three different small tiny bit of land in Gaza City in the middle and in the south and about 65% of Gaza is already under fully Israeli occupation, but Israeli security control and there is active troop in different places.

是的，确实，你知道现在整个人口就像被挤在加沙城中部和南部的三个不同的小块土地上，加沙约65%的地区已经完全被以色列占领，但以色列安全控制，不同地方都有活跃的部队。

▶ So imagine if Israel is to expand this operation where there is about 900,000 people to a million people in Gaza City squeezed into the eastern part and the coastal side because all of the other area like Northern Gaza, Bethan, and would be like a Jabalya, Jabalya refugee camp, the neighborhood of Zayton, Daraj and every neighborhood in the eastern side of Gaza, all of the people are now squeezed in this tiny bit of land.

所以想象一下，如果以色列扩大行动，加沙城大约90万到100万人被挤到东部和沿海地区，因为所有其他地区，如北加沙、Bethan，以及Jabalya难民营、Zayton社区、Daraj和加沙东部的每

个社区，所有人都被挤在这小块土地上。

 00:10:03

▶ And what the people in Gaza feel the most is another displacement order.

加沙人民最担心的是又一次的撤离命令。

▶ People in this part of Gaza were displaced for over a year in the south.

加沙这一地区的人们已经在南部流离失所一年多。

▶ And what among them when we were told force to leave the Northern Gaza and to the south, and I live the suffering with the people and things get much, much worse after I lived to the people who knew what's the meaning of displacement.

当我们被告知被迫离开北加沙前往南部时，他们中的一些人，我与他们一起经历了苦难，在我与那些知道流离失所意味着什么的人们生活后，情况变得更加糟糕。

 00:10:29

▶ And this is what everybody I spoke to since is early in the morning is mentioning the displacement more than the the fellow occupation, maybe the new generation, they don't know exactly what's the meaning of military occupation, but the like the middle and old generation, they experienced the full occupation of Gaza to 1994 when the Palestinian Authority came and Israel was drawn from the city.

这就是我从早上开始与每个人交谈时提到的流离失所，而不是占领，也许新一代人不知道军事占领的确切含义，但中老年一代人经历过加沙的全面占领，直到1994年巴勒斯坦权力机构到来，以色列从该市撤出。

▶ So they are all eyes on this meeting, the Israeli cabinet meeting to see the outcome, the result of this.

因此，他们都关注这次以色列内阁会议，看看结果如何。

▶ We are watching it closely as well.

我们也在密切关注。

 00:11:04

▶ Thanks very much, Rusty, for that.

 00:11:21

▶ Do you think that it is going to go through?

你认为会议会通过吗？

▶ Yes, I think that's good.

是的，我认为这很好。

▶ Netanyahu is going to get what he wants and and activate this full blown occupation.

内塔尼亚胡将得到他想要的，并启动全面占领。

▶ Absolutely.

绝对。

▶ He wouldn't have been so optimistic in his interview before if he didn't think he had the votes as your reporters have indicated.

如果他不是像你的记者所暗示的那样认为自己有足够的票数，他在之前的采访中不会如此乐观。

▶ The command is very concerned about this because of the number of troops and issues such as how does this all end?

指挥部对此非常担忧，因为涉及大量部队以及如何结束等问题。

 00:11:48

 Netanyahu is going forward.

内塔尼亚胡正在推进。

 Of course, big surprises that he has said this is temporary and it will be turned over to an Arab government security force at the end, which is moving in a direction that I and others, the Emirates have been trying to persuade these really so for now the better part of two years.

当然，令人惊讶的是，他说这是暂时的，最终将移交给阿拉伯政府安全部队，这朝着我和其他人、阿联酋一直在努力说服的方向发展，现在已经有两年的大部分时间了。

 So this is a pretty big development.

所以这是一个相当大的进展。

 00:12:12

 Who do you think he was talking about when he said Arab forces?

你认为他在提到阿拉伯部队时指的是谁？

 Just checking you can hear me.

只是想确认你能听到我说话。

 Just asking who you think he was, Netanyahu was referring to when he mentioned Arab forces that it would be handed over to.

只是想问问你认为内塔尼亚胡提到将移交的阿拉伯部队指的是谁。

 That's a very good point.

这是一个非常好的观点。

 The Emirates, the Egyptians and others have talked about scenarios.

阿联酋、埃及和其他国家已经讨论过一些方案。

 00:12:33

▶ The sticking point up to now and we don't know how Netanyahu is going to handle this is the Arabs won't go in if there isn't some Palestinian authority presence in Gaza.

目前的症结在于，我们不知道内塔尼亚胡将如何处理阿拉伯国家不愿在没有巴勒斯坦权力机构存在的情况下进入加沙的问题。

▶ As you know, they were there until Hamas violently threw them out in 2007.

如你所知，他们曾在那里，直到2007年哈马斯暴力将他们驱逐出去。

▶ And it's very, very important for these Arab states to have legitimacy from the Palestinians.

对这些阿拉伯国家来说，获得巴勒斯坦人的合法性非常重要。

 00:12:58

▶ These Israelis will have to accept that if they want Arabs to come in.

如果以色列人希望阿拉伯国家介入，他们必须接受这一点。

▶ And if we are assuming that Netanyahu is serious about this, and I think that's one reason why the Trump administration is relatively positive on this plan, because they also do want to see an end to this occupation and an end to the fighting.

如果我们假设内塔尼亚胡对此是认真的，我认为这也是特朗普政府相对支持这一计划的原因之一，因为他们也希望看到占领和战斗的结束。

▶ Then we'll have to see how these Israelis are going to approach this both with the Arabs with Hamas and with the Palestinian authority.

然后我们将看到以色列人如何与阿拉伯国家、哈马斯以及巴勒斯坦权力机构接触。

 00:13:25

▶ All three will have to be consulted one way or another to the extent you can consult Hamas.

这三方都必须以某种方式被咨询，尽管与哈马斯的协商可能有限。

▶ You mentioned the legitimacy there and of who Palestinians would accept.

你提到了合法性以及巴勒斯坦人会接受谁的问题。

▶ Who do you think that would be?

你认为会是谁？

▶ Well, I think that.

嗯，我认为。

▶ Um.

呃。

▶ Very reluctant and this is unusual for me on the least things to predict how the Palestinian authority will react to anything because it has a totally deprept, totally corrupt and ineffective leadership.

我非常不愿意预测巴勒斯坦权力机构会对任何事情做出什么反应，因为它的领导层完全腐败且无能。

 00:13:59

▶ It is under a great deal of influence and pressure from Arab states.

它受到阿拉伯国家的巨大影响和压力。

▶ If they are ready to go in but need an impromptu from the Palestinian authority, I'm pretty sure that they will be able to get that in the end, but it will have to require some presence of the Palestinians, kind of the Palestinian authority not just Palestinians inside Gaza to make this work both for the Arabs and frankly for practical purposes.

如果他们准备介入但需要巴勒斯坦权力机构的临时支持，我相当确定他们最终会得到支持，但这需要巴勒斯坦权力机构的存在，而不仅仅是加沙内部的巴勒斯坦人，这对阿拉伯国家和实际目的都是必要的。

▶ Very complicated indeed, but thank you for giving us your perspective to help us understand it better.

确实非常复杂，但感谢你提供你的观点帮助我们更好地理解。

我们听到内塔尼亚胡总理表示，他不希望无限期占领加沙地带。

▶ He wants to hand over the reins to Arab forces.

他希望将控制权移交给阿拉伯部队。

bilibili 00:16:28

▶ What's your interpretation of who he's talking about?

你对他指的是谁有什么解读？

▶ Well, I think it's intentionally vague because that's been a key issue ever since this war began is that he's never really been clear about what kind of a vision he has for what will be Israel's relationship to the Gaza Strip.

我认为这是故意含糊其辞，因为自战争开始以来，关键问题是他从未真正明确以色列与加沙地带的关系愿景。

▶ He still talks about keeping troops there, although he's trying to pull back from that now.

他仍然谈到在那里驻军，尽管他现在试图撤回这一点。

bilibili 00:16:49

▶ He's never really been clear about what kind of Palestinian control he would want.

他从未真正明确他希望什么样的巴勒斯坦控制。

▶ In fact, he, the only enthusiasm he showed us for the plan that President Trump suddenly pulled out of his hat about a mid-river era where everyone could come to the Gaza Strip and Palestinians would voluntarily leave.

事实上，他对特朗普总统突然提出的“mid-river”计划表现出的唯一热情是，所有人都可以来到加沙地带，而巴勒斯坦人会自愿离开。

🎧 So we're just not clear.

所以我们并不清楚。

 00:17:10

🎧 And if Arab forces refer to Jordanians or Egyptians, they from the beginning have said they're willing to work with Israel, but they have made it clear that they will not go into Gaza on the back of an Israeli occupation.

如果阿拉伯部队指的是约旦或埃及，他们从一开始就表示愿意与以色列合作，但他们明确表示不会在以色列占领的基础上进入加沙。

🎧 In other words, if Israeli forces are still there and there's no Palestinian leadership, they want to have no part in it.

🎧 The Security Cabinet usually does take a very long time.

🎧 So it indicates that there is a lot of perhaps dispute there, although Prime Minister Netanyahu is certain to get the support of the far right ministers who are part of the Security Cabinet because they've made it clear they want to expel all of the Palestinians from the Gaza Strip.

所以这表明可能存在很多争议，尽管内塔尼亚胡总理肯定会得到安全内阁中极右部长的支持，因为他们明确表示希望将所有巴勒斯坦人驱逐出加沙地带。

 00:18:00

 They want the war to go on as he has said.

他们希望战争继续，正如他所说。

 There was one comment from the Ynet Israeli website which says that the Prime Minister Netanyahu is indicating that it could be reversible if Hamas comes to the table and accepts Israel's conditions, but we're not completely clear what those conditions are now.

以色列Ynet网站的一条评论称，内塔尼亚胡总理表示，如果哈马斯来到谈判桌并接受以色列的条件，这可能是可逆的，但我们并不完全清楚这些条件是什么。

 Do you think this is a negotiating tactic?

你认为这是一种谈判策略吗？

 00:18:22

 That's one school of thought.

这是一种观点。

 He's threatening this for occupation just to try and get Hamas back to the table because there are still hostages up to 20 hostages that could still be alive in Gaza.

他以占领为威胁，只是为了试图让哈马斯回到谈判桌，因为仍有最多20名人质可能在加沙活着。

 Well, it's quite a big big big ship isn't it?

嗯，这是一艘非常大的船，不是吗？

在你进入安全内阁前一天，用英语在福克斯新闻上接受采访，直接提交给你的内阁，安全内阁。

 00:18:43

 It's quite an elaborate deception.

这是一个相当复杂的欺骗。

▶ If that is the case, we have heard reports and not surprising that the Egyptians, the Qataris, the Turkish, all of them having connections with Hamas are telling Hamas you've got to come back to the table, but as you reported earlier there's been a very defiant statement from Hamas saying, you know, accusing Israel of trying to extend the occupation.

如果是这样，我们听到的报告并不令人惊讶，埃及、卡塔尔、土耳其等与哈马斯有联系的国家都在告诉哈马斯必须回到谈判桌，但正如你早些时候报道的那样，哈马斯发表了一份非常挑衅的声明，指责以色列试图延长占领。

▶ So there's a lot in this mix and you know, we heard earlier from our colleague, Rishyab Oaloo, for about the despair of Palestinians, 2.1 million Palestinians living in absolute desperate situation.

所以这里面有很多因素，你知道，我们早些时候从同事里什亚布·奥卢那里听到了巴勒斯坦人的绝望，210万巴勒斯坦人生活在绝对绝望的境地。

 00:19:22

▶ And of course, cries of alarm around the world about this possibility of more military activities in an utterly ruined Gaza strip.

当然，全世界对这种在完全被摧毁的加沙地带可能发生更多军事活动的可能性发出了警报。

 00:19:42

▶ Do you get a sense that they still have a strong support within Gaza for the position that they're taking with this?

你是否感觉到他们在加沙内部仍然对他们所采取的立场有强烈支持？

▶ The general assessment seems to be that they are significantly weakened as a military organization, but we do hear reports that they still have a presence on the ground, civilian leadership, although many would make no distinction between the military wing and the Palestinian political leadership.

普遍评估认为，他们作为一个军事组织已经大大削弱，但我们确实听到报告称他们仍然在地面存在，有平民领导层，尽管许多人不会区分军事派别和巴勒斯坦政治领导层。

▶ Prime Minister Netanyahu has talked about destroying, dismantling Hamas, not ready to accept any part of Hamas, but of course they, in some ways they're so integrated into the society.

内塔尼亚胡总理谈到摧毁、解散哈马斯，不准备接受哈马斯的任何部分，但当然他们在某种程度上已经融入了社会。

 00:20:18

▶ But as we heard earlier from our colleague Rishyab Oaloo, who is in contact with people in Gaza, they blame both Israel and Hamas for their ordeal and for their desperate circumstances.

但正如我们早些时候从与加沙人保持联系的同事里什亚布·奥卢那里听到的，他们将他们的苦难和绝望境地归咎于以色列和哈马斯。

▶ And that also plays into the part of the problem, this distinction between Hamas and Palestinian people, because Israel is using their activities and their attacks on the Gaza strip and saying that they are going after Hamas.

这也成为问题的一部分，即哈马斯和巴勒斯坦人民之间的区别，因为以色列利用他们的活动和对加沙地带的攻击，并声称他们是在追捕哈马斯。

▶ But yet so many thousands of people and Palestinian people have been caught up in all of this.

然而，成千上万的人和巴勒斯坦人民被卷入了这一切。

 00:20:50

▶ Yes, the rules have seemed to have been loosened in the sense of Israel always says they're going after military targets, but in almost every case civilians also die, children, women.

是的，规则似乎已经放宽，以色列总是说他们在追捕军事目标，但几乎在每种情况下，平民也会死亡，包括儿童和妇女。

⏮ And this has been condemned by human rights organizations, the world over.

这受到了全世界人权组织的谴责。

⏮ And even more and more by voices inside Israel, we've been reporting, of course, about that letter earlier this week addressed to President Trump from 600 former security chiefs, former heads of the United States.

甚至以色列内部越来越多的声音也在谴责，我们当然报道了本周早些时候600名前安全负责人、前美国领导人给特朗普总统的信。

 00:21:19

⏮ Heads of these heads of the army, basically saying the war has to stop the military objectives have been achieved.

这些军队的负责人基本上说战争必须停止，军事目标已经实现。

⏮ Now is the time to prioritize hostages coming home before it's too late, and that is the fear of their loved ones and to look at other ways to try to ensure Israel's security.

现在是优先让人质回家的时候了，以免为时已晚，这是他们亲人的恐惧，并寻找其他方式来确保以色列的安全。

⏮ Yes, not just security officials that are raising those concerns.

是的，不仅仅是安全官员提出了这些担忧。

 00:21:41

⏮ We've seen as well families of hostages out protesting today.

我们今天也看到人质家属出来抗议。

⏮ We've just seen as well on the live page that families have chained themselves outside the cabinet meeting.

我们刚刚在直播页面上看到，家属将自己锁在内阁会议外。

▶ So they feel very strongly about this as it could jeopardize the return of those people still are captive.

所以他们对此感到非常强烈，因为这可能会危及那些仍被扣押的人的返回。

▶ For those two shocking videos of two of the hostages recently showing the emaciated when the families saw that, they said, and many must have thought that these people are, these hostages don't have long to live.

最近有两段令人震惊的人质视频显示他们瘦弱不堪，家属看到后表示，许多人一定认为这些人质活不了多久了。

 00:22:12

▶ Of course, of Israel, the Israeli government accused Hamas of shameless propaganda and, of course, of abusing the hostages.

当然，以色列政府指责哈马斯进行无耻的宣传，当然还有虐待人质。

▶ But the hostages seem to be starving too in these conditions.

但人质在这些条件下似乎也在挨饿。

▶ And that is the fear.

这就是恐惧。

▶ The hostage families in more and more Israelis have been protesting week after week after week, saying now is the time to bring them home.

 00:22:33

对他们来说，这确实非常情绪化。

▶ Just very quickly, at least what are we looking out for next?

非常快地说，至少我们接下来要关注什么？

许多以色列人表示，唯一有可能阻止这一切的人是特朗普总统。

是的，非常感谢。

▶ We have to wait and see what he says.

我们必须等待，看看他说什么。

▶ At least he said to our chief international correspondent.

至少他是这样对我们的首席国际记者说的。

 00:23:14

▶ And some breaking news here in the UK, Roshanara Ali, has resigned as homeless and as minister after she increased the rent on a house she owns within weeks of the previous tenants' contracts ending.

英国这边有一些突发新闻，罗珊娜拉·阿里在提高她拥有的房子的租金后辞去了无家可归事务部长的职务，此前租户的合同在几周前结束。

现在她一直表示她没有做错任何事。

▶ She followed the law at all times.

她始终遵守法律。

▶ But given that legislation going through Westminster now will make it harder for landlords to do what she's accused of doing, she has to like tendered her resignation within the last few moments.

但鉴于现在正在威斯敏斯特通过的立法将使房东更难做她被指控的事情，她不得不在最近几分钟内提出辞职。

这就是她辞职的原因。

▶ Yeah, the optics certainly are challenging aren't they?

是的，舆论形势确实很棘手，不是吗？

bilibili 00:24:53

▶ Has there been any reaction?

有什么反应吗？

▶ I know this has only happened just recently.

我知道这件事刚刚发生不久。

▶ But has there been any reaction to this?

但对此有什么反应吗？

▶ The only reaction I've seen so far has been from the prime minister himself who has sent her a polite reply thanking her for the work she'd done in government.

到目前为止，我看到的唯一反应来自首相本人，他给她发了一封礼貌的回复，感谢她在政府中所做的工作。

▶ He will be relieved that she said that she will continue to support his government.

他会松一口气，因为她表示将继续支持他的政府。

 00:25:15

▶ It's fair to say that opposition parties have been calling for her resignation since this story was first broken by the I newspaper.
