我还不至于贫困潦倒，但对于那些确实贫困的人来说，这一定非常困难。

🎧 I don't know how they manage.

🎧 Despite all the raises, our pension here is still less generous than in many other countries and at the same time, the cost the taxpayer is rising rapidly.

尽管有所有这些增长，我们这里的养老金仍然没有许多其他国家慷慨，同时，纳税人的成本正在迅速上升。

 00:21:38

🎧 Some estimates say that cost could be 50% higher as a proportion of our economy in 50 years time.

一些估计表明，50年后，这项成本占我们经济的比例可能会高出50%。

🎧 We expect that spending on the state pension to increase by about £80 billion in today's terms by 2070 and about half of that coming from the triple lock.

我们预计，到2070年，国家养老金的支出按今天的价值计算将增加约800亿英镑，其中约一半来自三重锁。

🎧 Now, of course, that will have to mean either we pay higher taxes.
