

Trump's UK State Visit: Pomp, Protests, and Policy Divergences

【BBC News 20250918 特朗普对英国展开第二次国事访问 | 微软、英伟达等美国科技巨头宣布对英重大投资】

Summary: President Donald Trump's second state visit to the UK culminated in a lavish Windsor Castle banquet hosted by King Charles, who emphasized defense ties and support for Ukraine. While Trump celebrated the "special relationship," thousands protested in London against his visit, resulting in arrests. The trip also featured major tech investments from US firms like Microsoft and Nvidia, though policy divergences on Ukraine and trade loom over upcoming Trump-Starmer talks. Separately, Brazil's President Lula declared "no relationship" with Trump following tariff impositions, and the US Federal Reserve announced its first interest rate cut of the year.

您如何看待目前我们所见的一切？

▶ That's right.

▶ So, I mean, look, a couple of thoughts.

我有几点看法。

▶ One is, of course, the Brits have done, again, an extraordinary job of laying on the pump and circumstance in the flattery that is really the way to Donald Trump's heart.

首先是英国人再次出色地展现了盛大排场与隆重仪式——这种奉承方式确实能赢得特朗普的欢心。

▶ It was a smart move to host him for a second visit and they've done it extraordinarily well.

邀请他进行第二次访问是明智之举，而且他们做得#格外#出色。

bilibili 00:09:01

▶ The other commonality with its first visit to the UK and as well as his first state visit is the fact that they have managed schedule events in such a way that the public is kept far away from President Trump.

与其首次访英及首次国事访问的另一个共同点是：活动日程安排始终让公众与特朗普总统保持距离。

▶ They have made a real effort, successfully, I think, to keep Donald Trump away from any protesters and to allow him to enjoy the visit without that disruption, but also, in a sense, to keep the public far away from the President and unable to express their views in a way that will reach his ears.

他们确实成功确保了特朗普远离抗议人群，使其不受干扰地享受访问过程，同时也在某种意义上隔绝了公众与总统的接触，让民众无法将意见传达至他耳中。

▶ So on the security side and the pomp and circumstance side, again, the Royal family has knocked it out of the game park.

▶ I mean, some of the biggest titans of the tech industry are there, the CEOs of India, Apple, OpenAI, but to name a few very serious business talks that would appear going on as well.

科技界巨头纷纷到场，包括印度、苹果、OpenAI的首席执行官等，可见重要商业会谈也将同步进行。

bilibili 00:10:03

▶ Yeah, look, I mean, normally a state visit would include a pretty robust mix of business people and also cultural figures, entertainers, movie stars, musicians.

通常国事访问会邀请商界人士、文化名人、演艺明星、电影演员及音乐家等多元群体。

▶ I think the fact that this guest list seems to be much more heavily focused on the business community reflects the President's approach to his presidency.

本次名单明显更侧重商界，这反映了总统的执政风格。

▶ He is, after all, a businessman was a businessman before he became President.

他毕竟在成为总统前就是商人。

bilibili 00:10:28

▶ That is the kind of crowd that he is more comfortable with.

这个群体更让他感到自在。

▶ So I think the guest list reflects his natural comfort zone, but also the fact that there are some serious trade and business discussions to be had alongside the pomp and circumstance of this visit.

因此名单既体现其舒适圈，也说明在盛大仪式之外确实存在重要的贸易与商业议题。

▶ Nick Faldo, the star golfer, was there.

著名高尔夫球手尼克·法尔顿也在场。

▶ I did spot him amongst the diners at one point.

我确实在用餐者中瞥见了他的身影。

bilibili 00:10:48

▶ Also interesting to look at the seating plan, the secretary of state, Mark Rubio, seated beside the king, Steve Whitkopf at the table as well, signaling some of the perhaps more difficult conversations that will be held tomorrow between the President and the Prime Minister, where there are diverging opinions and positions between the two nations on some foreign policy matters.

座次安排也值得关注——国务卿马克·卢比奥与国王邻座，史蒂夫·惠特克普夫也在席，这预示着明日总统与首相可能就某些外交政策分歧进行艰难对话。

▶ Well, there are indeed, and I suspect that the readout from tomorrow may not be quite as positive as the readout from this very, from this first day of ceremony.

确实如此，我认为明日会谈纪要可能不会像首日仪式这般积极。

▶ There are difficult issues around trade.

bilibili 00:11:23

⌂ There are difficult issues around Ukraine and aligning not just the U.S. and the U.K., but the U.S. and the rest of Europe more broadly on an approach to Russia and the Ukraine.

乌克兰议题同样艰难，需要协调的不仅是美英两国，更是美国与更广泛欧洲阵营对俄乌问题的立场。

⌂ So there are some difficult issues, and I think there are some real disagreements between the two countries on those.

这些议题上两国存在实质性分歧。

⌂ I think those discussions will be, again, very much behind closed doors, and they will probably project at the end of the day a feeling of progress and cooperation.

相关讨论将严格闭门进行，最终可能会释放出进展与合作的气氛。

bilibili 00:11:51

⌂ But I do think there are some difficult issues to be tackled tomorrow, and probably they will not all be tackled successfully.

但我认为明日某些难题未必能全部妥善解决。

⌂ OK, you can add the Middle East to that as well, very different positions from the U.S. and the U.K. in terms of support for Israel at the moment as well.

中东问题也需纳入考量——当前美英在支持以色列的立场上存在显著差异。

⌂ There was only one voice of dissent in this and that came from Mr. Miron, Stephen Miron, who is a Trump appointee who just joined the board and who pushed for that deeper cut that his boss wants.

唯一反对声来自特朗普任命的新任理事斯蒂芬·迈伦，他主张实施其上司期望的更大幅度降息。

⌂ That obviously has raised some eyebrows and raised some questions about whether or not the Fed is independent.

⌂ But broadly speaking, it was the economy that was driving the decision here and that is sort of cracks appearing in the labour market.

但总体而言，经济状况是决策主因——劳动力市场正显现裂痕。

 00:19:28

⌂ That's really what drove the Fed today and is what is likely to drive it going forward because officials indicated that they're probably likely to cut rates two more times this year in October and December.

这既是今日降息动因，也将影响未来决策：官员暗示可能在10月和12月再降息两次。

⌂ Again, two more quarter point rate cuts is what we're now looking for.

也就是说，我们预计还将迎来两次25基点的降息。

⌂ Thank you for that, Michelle.

谢谢米歇尔。
