

Trump's Unconventional UN Address: Criticisms, Conflicts, and Controversies

【CBC News 20250924 特朗普联大演讲：批多国认巴勒斯坦、斥欧洲购俄油、谴责多国承认巴勒斯坦国】

Summary: In his first UN address since 2020, President Trump spoke for nearly an hour, far exceeding the typical 15-minute limit. He criticized member nations and the UN itself, accusing the organization of funding uncontrolled migration. On the Middle East, he condemned countries recognizing Palestinian statehood, calling it a reward for Hamas, and emphasized a ceasefire and hostage release. Regarding Ukraine, he criticized European nations for purchasing Russian oil, which he said funds the war. He also spent significant time stressing national security and border control, asserting his effectiveness in these areas.

▶ And that is the formal recognition of statehood for Palestine by so many nations and also the conflict in Ukraine right now involving Russia.

即多国正式承认巴勒斯坦国以及当前俄乌冲突。

▶ And what the U.S. President had to say about that.

看看美国总统对此有何表态。

▶ Well, of course, we knew that the United States was likely to condemn in President Trump's speech the recognition of Palestine because that has been its message consistently since the first announcements a couple of months ago that some more European countries would recognize Palestine.

其实我们早有预料特朗普总统会在演讲中谴责承认巴勒斯坦国的行为，因为自数月前首批欧洲国家宣布承认以来美方始终持此立场。

 00:02:55

🎧 It responded the same way in 2024 when countries like Spain, Ireland and Norway recognized Palestine.

2024年西班牙、爱尔兰和挪威等国承认巴勒斯坦国时美国反应如出一辙。

🎧 You know, yesterday we had, of course, the high-level summit, which was attended by Prime Minister Karinnny, presided over by Francis Emmanuel Macron, but also co-hosted by Saudi Arabia and the United States and Israel both refused to attend that session.

昨日的高级别峰会由沙特共同主办，卡琳尼总理出席，马克龙总统主持，但美以两国均拒绝参会。

🎧 They've taken the view that it won't stop the war.

 00:03:18

🎧 That's one thing that they say.

这是其公开表态之一。

🎧 They also have said that it's a reward for Hamas.

🎧 Israel has also gone further now, of course, with Israel, saying that it will never allow a Palestinian state west of the Jordan River.

以色列更进一步宣称绝不允许在约旦河西岸建立巴勒斯坦国。

🎧 So essentially saying that the peace process is over and there won't be a two-state solution.

实质宣告和平进程终结且不会有两国方案。

🎧 And so the U.S. and Israel remain very closely aligned on that issue.

 00:03:41

▶ On the Ukraine, perhaps his comments might have been a little bit more surprising in the sense that he did criticize, and in a way almost mock Russia a little bit there,

在乌克兰问题上他的言论或许更令人意外——他确实以近乎嘲讽的方式批评了俄罗斯，

▶ he talked about how the Russians expected everything to be over in the space of three days.

▶ He thought it would be the easiest of all the wars that he says that he solves and brought peace to.

本以为这会是他所解决的所有战争中最轻松的一次。

▶ And it has not turned out that way.

但事与愿违。

▶ He also criticized European allies for continuing to buy oil and natural gas from Russia and to put some pressure on them to back up their more sort of determined position against Russia with actions that would cut off the flow of funds that Russia uses to buy arms.

他还批评欧洲盟友继续购买俄油气，施压要求其采取切断俄军购资金流的行动来支撑反俄决心。

 00:04:33

▶ So on those two issues, he was really restating, you know, conventional U.S. policy on those under the Trump administration that we've heard before.

可见在这两个议题上他基本重述了特朗普政府时期的既定美国政策。

▶ Thanks for this, Evan.

谢谢埃文。

▶ That is the CBC's Evan Dyer from outside the UN in New York.

▶ U.S. President Donald Trump was harshly critical in his address of the growing list of countries that are supporting Palestinian statehood.

特朗普总统在演讲中严厉批评了日益增多的支持巴勒斯坦建国国家。

 00:04:55

▶ He says that support represents a reward for Hamas.

称这种支持是对哈马斯的奖励。

▶ CBC's senior correspondent Sasha Petrusik is in Jerusalem watching that part of the story for us and taking in reaction.

加拿大广播公司资深#记者#萨沙·佩特鲁西克正在耶路撒冷关注事态进展并收集反响。

▶ How are Trump's comments being received where you are?

当地对特朗普言论有何反应？

▶ Well, Arthi, they're not being received at the moment.

目前尚未形成具体反响。

▶ It's hard to tell because it's New Year's Day here and people have only now, if they were paying attention, gotten that information.

因正值新年假期，关注时事的民众此刻刚获悉相关内容。

 00:05:23

▶ But in general, I think that most of the people who are in charge of Israel right now would probably be pretty pleased to hear what they did from Trump.

但总体而言以色列现任领导层应对特朗普表态感到满意。

▶ He was quite encouraging.

他的言论颇具鼓舞性。

▶ And if anything, this is probably going to embolden this government.

这反而可能助长现政府的底气。

▶ The words he used in terms of criticizing countries, chastising countries for recognizing a Palestinian state are very much the phrases, in fact, that the Israeli government has used, that you are rewarding Hamas, that this is basically Hamas asking for a ransom and you have paid for it.

他批评各国承认巴勒斯坦国的措辞与以政府如出一辙——"你们在奖励哈马斯""这相当于向哈马斯缴纳赎金"。

 00:06:06

▶ These are exactly the kind of phrases that we have heard from the Israeli government.

这些正是我们常从以政府听到的表述。

▶ What he didn't address at all was any of the concerns in that room, in the General Assembly of the United Nations, over what Israel is doing in Gaza, over the problems with aid delivery, which is something that Trump himself has said that he was going to fix, and didn't mention that at all, and didn't mention anything about the sort of veiled suggestions by Israel that it was going to be annexing more and more of the occupied West Bank.

他只字未提联合国大会现场对以色列加沙行动、援助输送问题的担忧（这曾是特朗普承诺解决的），也未回应以方关于逐步吞并被占西岸的暗示。

▶ So those things, if that's his position that he's going to take into meetings with Israeli Prime Minister Benjamin Netanyahu later this week and next week, then that is really going to leave Israel with the impression that the United States is not going to stand in the way of Israel doing pretty much whatever it wants to do, which is sort of what it's been doing for quite some time.

若他本周及下周与内塔尼亚胡会谈时持此立场，将强化以色列"美国不会阻挠其任意行动"的认知——这其实已持续相当长时间。

 00:07:10

⌂ And especially when it comes to the occupied West Bank, where there's a lot of voices here that are pushing for annexation and annexation in different forms, expanding settlements, reclassifying certain parts of the territory, so that Israel has more military control, it may not be annexation in those terms, but it is going to be something that gives Israel more control over the occupied West Bank.

尤其在被占西岸地区，许多声音正推动以不同形式吞并：扩建定居点、重新划分区域以强化军事控制——虽非名义上的吞并，但确实将扩大以色列控制权。

⌂ And a lot of the people who are the hard-right coalition members of Netanyahu have been seeing Trump as an ally, and I'm not sure that anything in the speech today, any of the signals that he sent out, will change their mind.

内塔尼亚胡阵营中许多强硬派一直视特朗普为盟友，今日演讲中的任何信号恐难改变其看法。

⌂ So this is probably as close as they could have hoped for for some kind of a green light.

这或许是他们能期待的最接近"开绿灯"的表态了。

 00:07:58

⌂ Again, if that is what he says in private to Netanyahu, if that's the impression that Netanyahu comes back to Israel with when he said he will announce what Israel's next step is going to be in retaliation for all these countries recognizing Palestinian state, and then Israel pretty much looks like it probably is free to do whatever it wants to do.

再次，如果这就是他私下对内塔尼亚胡所言，如果内塔尼亚胡带着这种印象返回以色列——即当他宣布以色列将采取何种步骤来报复这些国家承认巴勒斯坦国时，以色列看起来几乎可以随心所欲地行动。

⌂ To then and what is the latest when we're discussing what's happening on the ground in Gaza?

那么，当我们讨论加沙地面局势时，最新进展是什么？

⌂ Well in Gaza, the operation to take Gaza City has continued.

在加沙，夺取加沙城的军事行动仍在持续。

 00:08:37

▶ We're hearing from people inside the city that tanks and troops are moving closer and closer to the center of Gaza, and that operation is in fact if anything ramping up.

我们从城内民众处获悉，坦克和部队正越来越靠近加沙中心地带，而且行动实际上正在升级。

▶ Israel has suffered its first military loss in Gaza and first soldier to be killed in this operation, and that compares to Palestinians, some 38 at least to have been killed in the last 24 hours or more.

以色列在加沙遭遇了此次行动中首次军事损失，首位士兵阵亡，而相比之下，巴勒斯坦人在过去24小时或多一点时间内至少有约38人丧生。

▶ So this has been a big issue.

因此这已成为一个重大议题。

 00:09:10

▶ It's been a big crisis.

这是一场严重危机。

▶ The situation, the humanitarian situation in Gaza City is getting worse.

加沙城的#人道主义#局势正在恶化。

▶ We've been told and aid groups are saying in the south it's getting worse too, as hundreds of thousands of people have left the city.

我们获悉且援助组织表示南部局势也在恶化，因为数十万人已逃离该市。

▶ Perhaps as many as 600,000 based on Israeli numbers, but that still leaves more than 300,000 probably in the Gaza City area, and they are suffering not only because of the military operation, but because of the lack of aid.

按以色列数据可能达60万，但估计仍有超过30万人留在加沙城地区，他们不仅因军事行动而受苦，更因援助匮乏而挣扎。

 00:09:42

▶ Thanks for the Sasha.

谢谢萨沙的报道。

▶ Jimmy Kimmel live is back on the air tonight less than a week after ABC suspended the late night talk show.

在ABC停播这档深夜脱口秀不到一周后，《吉米·坎摩尔直播秀》将于今晚复播。

▶ That suspension generated a major public backlash against the network and its parent company, Disney.

此次#停播#引发了公众对该电视台及其母公司迪士尼的强烈反弹。

▶ I haven't seen a poll yet, but I think if you ask Americans if the president should be dictating what TV hosts can and can't say, you get about 3% positive and 97% negative.

我尚未看到民调，但若询问美国人总统是否应规定电视主持人能说什么不能说什么，预计支持率约3%，反对率97%。

bilibili 00:10:14

▶ Now ABC pulled Kimmel off the air after comments he made about the murder of US far-right activists Charlie Kirk.

ABC此前停播坎摩尔是因他就美国极右翼活动人士查理·柯克遇害事件发表的言论。

▶ The suspension set off a national discussion about freedom of speech, and today we're learning Kimmel's show will not be airing on dozens of ABC affiliate stations.

停播事件引发了全国范围关于言论自由的讨论，而今日我们得知坎摩尔的节目将不会在数十家ABC附属电视台播出。

▶ Steve Fetterman brings us the latest developments from Los Angeles.

史蒂夫·费特曼从洛杉矶为我们带来最新进展。

bilibili 00:10:35

▶ Now shortly before Disney and ABC announced that Kimmel was coming back around 400 entertainment figures released a letter that they signed attacking ABC and Disney for removing Kimmel last week among those signing the document, the letter Robert De Niro, Martin Short and Neral Streep.

就在迪士尼和ABC宣布坎摩尔复播前夕，约400名娱乐界人士联署信件抨击ABC及迪士尼上周撤播坎摩尔的行为，签署者包括罗伯特·德尼罗、马丁·肖特和梅丽尔·斯特里普。

▶ Now although Jimmy Kimmel will be back on ABC tonight, a significant number of ABC affiliates are not going to air the show.

尽管吉米·坎摩尔今晚将在ABC复播，但大量ABC附属台仍拒绝转播该节目。

▶ There are two major broadcast groups, one of them called Next Star, the other called Sinclair.

有两家大型广播集团——其一名为Next Star，另一家名为辛克莱。

 00:11:06

▶ They control maybe around 20% of the ABC affiliates, more than 60 ABC affiliates, and they say they're not going to put Kimmel back.

它们控制着约20%的ABC附属台（超过60家），并表示不会恢复坎摩尔的节目。

▶ This is a statement yesterday from the Sinclair broadcast group, basically saying that they will replace Kimmel with an extended late night newscast.

这是辛克莱广播集团昨日的声明，称将用延长版深夜新闻取代坎摩尔节目。

▶ They do say though that talks with ABC are ongoing, so it seems like they may just want to wait a day or two to see how it goes and then maybe make another decision.

但他们表示与ABC的谈判仍在进行中，似乎想观望一两天后再作决定。

 00:11:33

▶ Meanwhile we do expect some comments from Jimmy Kimmel tonight.

与此同时，我们预计吉米·坎摩尔今晚将作出回应。

▶ He wants to have these stations air his show at the same time.

他希望这些电视台能同步播出他的节目。

🎵 It does not watch a link which is comic independence if you will.

因此预计他的表态将带有安抚性，理解部分观众的不满，同时强调其喜剧人身份及玩笑话的职业属性。

 00:11:57
