作为回应，哈马斯表示同意一项全面协议，释放所有人质，以换取战争结束和以色列军队从加沙地带撤军。

▶ However, Prime Minister Netanyahu's office has called this statement by Hamas, spin, saying that the war will only end if Hamas signs up to all the conditions laid out by the Israeli government, which includes the disarmament of Hamas and Israel retaining security control over the Gaza Strip.

然而，内塔尼亚胡总理办公室称哈马斯的这一声明是夸大其词，并表示只有哈马斯同意以色列政府提出的所有条件，战争才会结束，这些条件包括解除哈马斯的武装以及以色列保留对加沙地带的安全控制。

▶ But despite these conditions being laid out by the Israeli government, we're not really seeing much activity by the Israeli government in trying to get the ceasefire negotiations going again.

但尽管以色列政府提出了这些条件，我们并没有真正看到以色列政府有多少行动来试图重启停火谈判。

 00:15:01

▶ We know UN officials and Palestinians have said that there is nowhere safe in Gaza for them to go, including areas Israel designates as humanitarian zones.

我们知道，联合国官员和巴勒斯坦人都说过，在加沙，他们没有安全的地方可去，包括以色列指定的人道主义区。

▶ And there will be some who decide to stay in Gaza City.

而且会有些人决定留在加沙城。

▶ What will they be facing if they don't go south?

如果他们不向南走，他们将面临什么？

 00:18:04

▶ So look, we've seen a playbook that the Israeli government has used.

你看，我们已经见识过以色列政府使用的一套策略。

▶ We saw it happen in Rafa a year ago, more than a year ago, when Israel launched a military operation there.

一年多以前，我们在拉法就见过，当时以色列在那里发动了军事行动。

▶ And we see the results.

我们也看到了结果。

▶ Rafa has been ethnically cleansed.

拉法遭到了种族清洗。

▶ It's been raised to the ground.

它被夷为平地。

▶ There are almost nothing standing.

几乎没有任何建筑矗立。

▶ There are almost no people that are living there.

几乎没有人住在那里。

 00:18:24

▶ Israel has treated these areas that it attacks as basically free fire zones.

以色列基本上将其攻击的这些地区视为自由开火区。

▶ And we've seen again and again, unlawfully in discriminant airstrikes and other attacks on the population.

我们一次又一次地看到，对平民进行非法、无差别的空袭和其他攻击。

▶ They seem to record anyone who doesn't evacuate.

他们似乎将任何不撤离的人都视为（合法）目标。

▶ And again, people have many reasons for not evacuating.

再说一次，人们有很多不撤离的理由。

▶ Some aren't able to, right?

有些人没有能力撤离，对吧？

 00:18:43

▶ People with disabilities, older people.

残疾人，老年人。

▶ Many folks have nowhere to go.

许多人无处可去。

▶ I mean, it's not only there's nowhere safe in Gaza, but more than 80% of Gaza is now under Israeli displacement orders.

我的意思是，不仅在加沙没有安全的地方，而且加沙超过80%的地区现在都处于以色列的疏散命令之下。

▶ There simply are no locations to go to.

根本无处可去。

▶ And because of the nature of airstrikes everywhere, some people just say I'd rather live in the ruins of my former home and try to forge on somewhere else, especially again, when Israel considers all of Gaza in essence to be an area of military theater two years in.

而且由于到处都可能遭到空袭，有些人就说我宁愿住在我以前家的废墟里，也不愿去别处挣扎求生，尤其是当以色列实质上将整个加沙都视为军事战区两年之久的情况下。

bilibili 00:19:12

⌂ So it is a combination of deliberate mass starvation, mass force displacement, killing, you know, it's a toxic combination that is sparing nobody.

所以这是蓄意的大规模饥饿、大规模强制流离失所、杀戮的结合，你知道，这是一种有毒的组合，没有人能幸免。

⌂ And these are all things, of course, that the Israeli government has denied repeatedly.

当然，所有这些事情，以色列政府都一再否认。

⌂ I'm curious what you do with your research at Human Rights Watch.

我好奇你们在人权观察组织的研究成果用来做什么。

⌂ Who are you hoping will see your reports on the condition people are living in in Gaza?

你希望谁能看到你们关于加沙人民生活状况的报告？

bilibili 00:19:36

⌂ Look, it's very clear that the only hope we have for ending further mass atrocities is concrete and immediate international action.

你看，非常清楚的是，我们阻止进一步大规模暴行的唯一希望是具体而立即的国际行动。

⌂ So what we're calling for states to do, and it's not just as a matter of political choice, it's a legal duty under the genocide convention is to use all means and all leverage available to them to stop further atrocities, right?

因此，我们呼吁各国做的，这不仅仅是一个政治选择问题，而是《防止及惩治灭绝种族罪公约》规定的法律义务，就是利用一切可用的手段和影响力来阻止进一步的暴行，对吧？

⌂ I mean, the international court of justice issued binding orders on Israel to take steps to prevent, you know, mass starvation.

我的意思是，国际法院已向以色列发出具有约束力的命令，要求其采取措施防止大规模饥饿。

bilibili 00:20:04

⌂ And now we have a famine recently declared in Gaza City.

而现在我们最近又宣布加沙城出现饥荒。

🎧 So they should be using their leverage to impose sanctions on Israeli officials to suspend preferential trade agreements to impose an arms embargo to support prosecutions at the international criminal court.

因此，他们应该利用其影响力对以色列官员实施制裁，暂停优惠贸易协定，实施武器禁运，支持在国际刑事法院提起诉讼。

🎧 Netanyahu is wanted for crimes against humanity and war crimes in Gaza by the international court.

国际法院已因内塔尼亚胡在加沙犯下的反人类罪和战争罪而对他发出逮捕令。

 00:20:22

🎧 State should execute those arrest warrants against him and all others that have been issued warrants by the court.

各国应执行针对他以及法院已对其发出逮捕令的所有其他人的逮捕令。

🎧 The reality here is we're, you know, we're tens of thousands have been killed.

现实情况是，你知道，已有数万人被杀。

🎧 There's a growing consensus on the genocidal campaign by the Israeli government.

关于以色列政府的种族灭绝行动，正形成越来越广泛的共识。

🎧 It's only going to stop with real international action.

只有通过真正的国际行动才能阻止它。

 00:20:39

🎧 Literally the international laws being shredded in the ruins of Gaza and the only chance we have, you know, the lives of the people there hanging in the balance and it needs action today.

国际法简直就是在加沙的废墟中被撕碎，而我们唯一的机会，你知道，那里人民的生命危在旦夕，今天就需要采取行动。

🎧 Omar Shakir with Human Rights Watch.

▶ Thank you so much for speaking with us on BPC News.

非常感谢您接受BPC新闻的采访。

▶ We're going to turn now to some other news.

我们现在转向其他一些新闻。

 00:20:58

▶ Washington, D.C.'s local attorney general is suing the Trump administration over their deployment of the National Guard in the U.S. Capitol.

华盛顿特区的本地司法部长正在就特朗普政府在美国国会大厦部署国民警卫队一事提起诉讼。

▶ An attorney general Brian Schwab is accusing President Trump of violating the U.S. Constitution and federal law by deploying the Guard without the consent of local leaders.

司法部长布莱恩·施瓦布指控特朗普总统在未经地方领导人同意的情况下部署警卫队，违反了美国宪法和联邦法律。

▶ But the move comes two days after the city's mayor, Muriel Bowser, issued an order that would formalize cooperation with federal forces and claiming that violent crime in Washington has decreased since the federal deployment.

但此举是在该市市长穆里尔·鲍泽发布一项命令两天后发生的，该命令旨在正式化与联邦部队的合作，并声称自联邦部署以来，华盛顿的暴力犯罪已经减少。

 00:21:31

▶ Mr. Schwab is an elected official independent from the mayor's office.

施瓦布先生是一位独立于市长办公室的民选官员。

▶ And here to break down the latest developments, I'm very pleased to welcome Martin Ulster Mule, a reporter for the D.C. local news site, the 51st Welcome Martin.

为了解析最新进展，我们很高兴邀请到DC本地新闻网站“第51位”的记者马丁·阿尔斯特·穆尔。欢迎马丁。

▶ Thanks for having me.

谢谢邀请。

▶ So a lot to unpick here, what do you make of the fact that Mayor Bowser has struck something of a conciliatory tone toward having the National Guard in Washington, D.C. and yet we now see the D.C. attorney general seemingly taking this head on?

那么这里有很多需要剖析的地方，你如何看待鲍泽市长对国民警卫队进驻华盛顿特区采取了某种和解的语气，然而我们现在看到特区司法部长似乎正面反对此事？

bilibili 00:22:00

▶ Well, to be honest, if you're Mayor Bowser, if you're the mayor of Washington, D.C., you don't have any good options right now.

嗯，说实话，如果你是鲍泽市长，如果你是华盛顿特区的市长，你现在并没有什么好的选择。

▶ I mean, I'm sure many people know that Washington, D.C. is not a state.

我的意思是，我相信很多人都知道华盛顿特区不是一个州。

▶ It's a city that is locally governed, but the president and Congress have enormous control over the city.

它是一个实行地方治理的城市，但总统和国会对该市拥有巨大的控制权。

bilibili 00:22:16

▶ And this is a situation that the mayor is now facing.

这就是市长现在面临的局面。

▶ She realizes that the president has control.

她意识到总统拥有控制权。

▶ He's deployed the National Guard.

他部署了国民警卫队。

▶ He's controlling the local police department.

他控制了当地警察部门。

▶ He has federal agents all over the city.

他的联邦特工遍布全城。

▶ She wants all that to end, but she doesn't have a lot of tools to use.

她希望这一切结束，但她没有太多工具可以使用。

▶ So she has to be as conciliatory as possible.

所以她必须尽可能地采取和解态度。

 00:22:30

▶ She has to speak his language.

她必须用他（能接受）的语言说话。

▶ Say, listen, crime is down.

说，听着，犯罪率下降了。

▶ The city is more beautiful than ever.

城市比以往任何时候都更美丽。

▶ And it's all because of you and hope that he essentially looks somewhere else.

这都是因为您，并希望他基本上能把注意力转移到别处。

▶ He finds something else to do to occupy his attention.

他找点别的事情来做以占据他的注意力。

▶ And that's essentially the approach that she's taken.

这基本上就是她采取的方法。

▶ That he moves on somewhere else.

让他转移到别处去。

 00:22:44

▶ Exactly.

正是。

▶ The Attorney General, would he have perhaps been in any way in contact with Bowser or is that something that's coming independently?

司法部长，他是否可能以任何方式与鲍泽联系过，还是这是独立进行的？

▶ This move was independent.

此举是独立的。

▶ I mean, both of them work together because the Attorney General does represent the city and does represent the mayor in certain cases, but the Attorney General also can file lawsuits on it by himself, like he did today.

我的意思是，他们两人确实会合作，因为司法部长确实代表城市，并在某些案件中代表市长，但司法部长也可以自己提起诉讼，就像他今天做的那样。

 00:23:04

▶ And his argument was basically that President Trump is violating the Constitution, like you said, with this deployment of the National Guard.

他的论点基本上是，正如你所说，特朗普总统部署国民警卫队违反了宪法。

▶ Now, there is word that Mayor Bowser was not very comfortable with this lawsuit being filed because she recognizes it goes against her desire to kind of be friendly, be conciliatory and kind of play nice with Trump.

现在，有消息称，鲍泽市长对提起这一起诉讼感到不太舒服，因为她认识到这违背了她想要表现得友好、和解、与特朗普搞好关系的愿望。

▶ Yeah, do you think she might be worried now that in fact, this will absolutely get the president's attention and that there could be more troops sent into Washington, DC?

是的，你认为她现在可能会担心，事实上，这绝对会引起总统的注意，并可能导致更多部队被派往华盛顿特区吗？

 00:23:31

▶ That's a huge concern because next week there's a big 30-day deadline.

这是一个巨大的担忧，因为下周有一个重要的30天期限。

⏮ And that 30-day deadline, that's a legal point at which Trump can no longer control the city's local police.

那个30天的期限，是一个法律节点，届时特朗普将不能再控制该市的当地警察。

⏮ He has to either ask Congress for an extension or he just revert to city control.

他要么必须请求国会延长，要么就只能将控制权交还给城市。

⏮ And there's concern now that if this anger is the president, he could pursue extending that control over the city's police.

现在人们担心，如果这激怒了总统，他可能会寻求延长对该市警察的控制权。

 00:23:52

⏮ Now, Trump has also looked to cities like Chicago.

现在，特朗普也关注了像芝加哥这样的城市。

⏮ He's already sent the National Guard to cities

他已经向一些城市派遣了国民警卫队。

⏮ Like Los Angeles.

就像洛杉矶一样。

⏮ Could you just remind our international audience what makes DC a different case than what we've seen in those two cities?

您能再提醒一下我们的国际观众，是什么让华盛顿特区成为一个不同于我们在那两个城市所见的案例吗？

⏮ So, yeah, like I said before, I mean, Chicago is a city inside the state of Illinois.

所以，是的，就像我之前说的，芝加哥是伊利诺伊州内的一个城市。

 00:24:06

⏮ Los Angeles is a city inside the state of California.

洛杉矶是加利福尼亚州内的一个城市。

▶ Those are states.

那些都是州。

▶ Those are states that have governors who have a lot of power over their own jurisdictions.

那些州都有州长，州长在其管辖范围内拥有很大权力。

▶ Washington, DC is not that.

华盛顿特区不是那样。

▶ It's not a state.

它不是一个州。

▶ It does, it's for 50 years, the Tadets own locally elected officials, but they have limited powers.

确实，50年来，特区有自己的地方民选官员，但他们的权力有限。

▶ And at the end of the day, the president has a ton of control over Washington, DC.

而归根结底，总统对华盛顿特区拥有极大的控制权。

 00:24:24

▶ And so does Congress, which is not controlled by Republicans.

国会也是如此，而国会并非由共和党控制。

▶ So, again, like I said before, locally elected officials always have to tread carefully, especially when the people in power are of the opposite party.

所以，再次地，就像我之前说的，地方民选官员总是必须谨慎行事，尤其是当掌权者属于对立党派时。

▶ And Democrats tend to run the city of Washington, but Republicans run federal Washington.

民主党往往管理华盛顿市，但共和党管理联邦层面的华盛顿。

▶ And just briefly before I let you go, how do people in Washington, DC feel about this new surge of federal troops on their streets?

在我让你离开之前，简单说一下，华盛顿特区的人们对街道上新增的联邦部队有什么感受？

 00:24:46

▶ There's a lot of anger because they see it as an intervention interference in their local affairs.

有很多愤怒情绪，因为他们认为这是对其地方事务的干预和干涉。

▶ They think, you know, honestly, crime is a concern, but this is just pushing it too far.

他们认为，说实话，犯罪确实是一个令人担忧的问题，但这样做太过分了。

▶ This is not necessary.

这是没有必要的。

▶ This is something local officials and local police department, the local police department could handle.

这是地方官员和地方警察局，地方警察局能够处理的事情。

 00:25:00

▶ So there's a lot of frustration.

所以有很多挫败感。

▶ I think there is some kind of morbid humor around it all because this deployment of the National Guard has been somewhat comical because it's not that we're seeing, you know, it's not this sort of military deployment that you kind of imagine when you hear, read this in the news.

我认为这其中有一种病态的幽默感，因为这次国民警卫队的部署有些滑稽，因为我们看到的并不是，你知道，并不是你在新闻中听到或读到时想象到的那种军事部署。

▶ These are National Guardsmen who are standing around tourist sites.

这些国民警卫队队员只是站在旅游景点周围。

 00:25:16

▶ They're standing in metro stations.

他们站在地铁站里。

▶ They're cleaning up trash.

他们在清理垃圾。

▶ I mean, I don't think people, I think people appreciate the work that they're doing, but also recognizing that they're not really here to fight crime.

我的意思是，我不认为人们，我认为人们感谢他们所做的工作，但也认识到他们并不是真的来这里打击犯罪的。

▶ They're not really here for public safety.

他们并不是真的为了公共安全而来。

▶ They're here essentially for show.

他们来这里基本上是为了作秀。

▶ And they were doing some gardening as well, right?

而且他们还在做一些园艺工作，对吧？

bilibili 00:25:30

▶ Yeah, exactly.

是的，没错。

▶ And imagine you're a National Guard member.

想象一下你是一名国民警卫队成员。

▶ You have a day job.

你有一份日常工作。

▶ You have a normal life, but you're deployed to Washington, DC in theory to promote, to protect public safety.

你过着正常的生活，但你被部署到华盛顿特区，理论上是为了促进、保护公共安全。

▶ And then you're told, well, here's a garbage bag.

然后有人告诉你，嗯，给你一个垃圾袋。

▶ Go pick it from trash or go clean up some gardens and some parks.

去捡垃圾或者去打扫一些花园和公园。
