 That is where Vladimir Putin has not been for the better part of three and a half years, really even longer than that.

这是普京在过去三年半甚至更长时间里未曾达到的地位。

 So it's unclear, obviously, what will come out of this if it will be a win for Putin, but going into it, it is a win for Putin because he is having a meeting.

因此，尚不清楚这是否会是普京的胜利，但就目前而言，这已经是他的胜利，因为他正在举行会议。

 The question here is, as the Kremlin is explaining this, of Vladimir Putin is interested in expanding the agenda of the meeting, almost trying to normalize this, if you will, talking about the economy, talking about trade, nuclear weapons.

问题是，克里姆林宫解释说，弗拉基米尔·普京有兴趣扩大会议议程，几乎试图将其正常化，比如讨论经济、贸易、核武器。

▶ The reality is none of that could really happen until there is a settlement or some type of a deal with Ukraine.

现实是，除非与乌克兰达成某种协议，否则这些都无法实现。

▶ So that will be a choice and a question, President Trump will have to answer if he believes that Putin is serious about stopping the bombing campaign, if they can come to some type of agreement about what Ukraine will give up, what Putin will give up.

因此，这将是一个选择和问题，特朗普总统必须回答他是否相信普京真的愿意停止轰炸行动，双方是否能就乌克兰和普京各自让步的内容达成协议。

▶ The whole idea of having this meeting without a doubt is a win for Vladimir Putin.

毫无疑问，举行这次会议本身就是普京的胜利。

 00:15:08

▶ And it's been interesting watching the President.

观察总统的反应很有趣。

▶ We've really seen this long arc and evolution.

我们确实看到了这一漫长的演变过程。

▶ He was long fond and friendly toward Vladimir Putin much to the Shigerin and Dismay, really, of many of his advisors.

他长期以来对弗拉基米尔·普京的喜爱和友好让许多顾问感到震惊和沮丧。

▶ I'm thinking back to that Helsinki summit.

我回想起赫尔辛基峰会。

▶ And I think that is what is hanging over all of this meeting.

我认为这正是笼罩这次会议的阴影。

 00:15:27

▶ Tomorrow, of course, the circumstances have changed.

当然，明天的情况已经改变。

▶ We're three and a half years into the war here.

这场战争已经持续了三年半。

▶ But even though Trump has soured on Putin, he truly is disappointed that he was not able to negotiate it an early end to this, he clearly still wants to use some of his charm and hope he falls into line.

但尽管特朗普对普京的态度变冷，他确实对自己未能通过谈判早日结束战争感到失望，他显然仍想利用自己的魅力，希望普京能配合。

▶ It's hard to imagine that happening.

很难想象这会实现。

 00:15:47

▶ So there are, at once, lowering expectations that another respects raising expectations.

因此，一方面降低期望，另一方面又提高期望。

▶ The President earlier is saying today he said it's a 25 percent failure rate.

总统早些时候说失败率是25%。

▶ That means a 75 percent success rate.

这意味着成功率是75%。

▶ It's hard to imagine that's possible.

很难想象这是可能的。

▶ It really is.

确实如此。

▶ 75 percent success rate.

75%的成功率。

▶ We will see how this plays out tomorrow.

我们明天会看到结果如何。

▶ We're going to stand this story for now.

我们暂时先到这里。

并指出他认为与泽连斯基的下一次会议将更加重要。

▶ Just take us through the view there.

请为我们梳理那里的观点。

▶ Yeah, I mean, it was interesting to hear Donald Trump go in a matter of hours from hoping that there would be a follow-on meeting with President Zelensky, unprovocably Russian President Vladimir Putin, something Putin rejected back in May to sounding in that recent press appearance like it was something that was going to happen.

是的，听到唐纳德·特朗普在几小时内从希望与泽连斯基总统举行后续会议（当时普京在5月拒绝了），到最近在新闻发布会上听起来像是即将发生的事情，这很有趣。

bilibili 00:16:55

现在，有时很难弄清楚这里的准确流程是什么。

▶ If these things are arranged, if it's aspirational, it sounds aspirational.

如果这些事情是安排好的，或者只是愿望，听起来像是愿望。

▶ It sounds like the U.S. President is trying to, as Jeff was saying, simultaneously keep expectations high as in maintaining the pressure upon Russian President Vladimir Putin, who is White House's set.

听起来美国总统正试图，正如杰夫所说，同时保持高期望，即对俄罗斯总统弗拉基米尔·普京施加压力。

bilibili 00:17:25

▶ He's there to engage it within a listening exercise, essentially to be a passive recipient of what Putin wants to propose as a deal, having told his European allies that he won't be negotiating Ukrainian territory without Ukraine being there, and then hold fast on the demand for a ceasefire, kind of limiting his agency for flexibility during that meeting.

他在那里参与倾听，本质上是被动接受普京提出的协议，同时告诉欧洲盟友他不会在乌克兰不在场的情况下谈判乌克兰领土，并坚持要求停火，这限制了他在会议中的灵活性。

🎧 It is quite hard to see how this meeting necessarily will emerge with something that's palatable for Ukraine.

很难看出这次会议如何能产生对乌克兰有利的结果。

🎧 At the same time too, we are now into multiple days of European allies expressing the same consistent position of support for Ukraine.

与此同时，欧洲盟友已连续多天表达对乌克兰的一致支持立场。

 00:18:05

🎧 Zelensky in London, seeing UK Prime Minister Kier Stama hearing a game that there will be potentially security guarantees if there is indeed some kind of peace or even some kind of ceasefire.

泽连斯基在伦敦会见英国首相基尔·斯塔默，听说如果实现某种和平甚至停火，可能会有安全保障。

🎧 But I think deep concerns here about the unpredictability of this, the constant change in the words Trump is using ahead of it and even the scheduling of meetings and quite what that might mean for what he emerges from that one-on-one with Putin with.

但我认为这里存在对不可预测性的深切担忧，特朗普在会前不断变化的言辞，甚至会议安排，以及这可能对他与普京一对一会议的结果意味着什么。
