🎧 Stephanie Baker is a journalist and author of the book Punishing Putin inside the global economic war to bring down Russia.

记者斯蒂芬妮·贝克是《惩罚普京：扳倒俄罗斯的全球经济战》作者。

🎧 I spoke to her and she told me how she believes the sanction threats could hit the Russian economy.

她认为制裁威胁将重创俄罗斯经济。

🎧 I do think the Russian economy is being squeezed and is the best pressure point that Trump can use by ramping up the sanctions on Russia, particularly on Russian oil, which has not really been effectively sanctioned since the beginning of the war.

俄罗斯经济正受挤压，最佳施压点是加强对其石油制裁（开战以来未真正有效制裁）。

[Back to Top](#)

🎧 There have been restrictions put in place on Russian oil, but they have not been effectively enforced and I think that they could go much harder to drive down Russia's revenues from oil, which it uses for about a third of its budget revenue.

现有俄油限制未严格执行，应加大力度削减其占预算三分之一的石油收入。

🎧 But the proposal that Trump just outlined these tariffs, secondary tariffs on countries, I believe he was not very specific, secondary tariffs on countries that do business with Russia.

特朗普提出的次级关税（对与俄贸易国家）不够具体。

🎧 That could have huge global economic consequences, so I have doubts about whether or not that will stick.

这可能引发巨大全球经济后果，因此怀疑其可行性。

现在连线2003-2006年美国驻乌克兰大使约翰·赫布斯特。

 John, thanks so much for joining us.

约翰，感谢参与。

 We heard there from Stephanie talking about the impact of those tariffs of sanctions, but then I spoke to another guest who was a former Russia analyst within the CIA who said, look, economic sanctions are going to make no difference to Russia.

斯蒂芬妮谈制裁影响，但前CIA俄分析师认为经济制裁对俄无效。

[Back to Top](#)

 00:08:13

 Where do you stand?

您怎么看？

 I think that economic sanctions have an important role to play.

我认为经济制裁有重要作用。

 I also believe that weapons are more important.

但武器更重要。

▶ Okay, go on in what sense and what kind of weapons are key here?

请具体说明关键武器类型？

▶ Well, Patriots are important to prevent the death of Ukrainian civilians, and it's good that Trump is taking that seriously.

爱国者系统对保护乌平民很重要，特朗普重视这点很好。

▶ But he only mentioned the Patriots, while he spoke of advanced weapons, roots that's talked about, other things like missiles.

但他只提到爱国者，未具体说明其他先进武器如导弹。

[Back to Top](#)

▶ He's hoping that the United States weapons will stop flowing to Ukraine.

他希望美国停止对乌军援。

[Back to Top](#)

若乌获得能挫败俄进攻的武器，普京或会认真考虑和谈。

▶ You really think that?

您真这么认为？

▶ You think it's about weaponry?

您认为关键在于武器？

▶ You think that that is the way forward here, that he's going to get worried about what it is?

这是解决途径吗？他会因此担忧？

▶ If Trump won since substantial weapons, albeit paid for by the Europeans, or by Ukrainian critical minerals, to Ukraine, so that Russia's small advances on the battlefield turn into no-advances on the battlefield.

若特朗普向乌提供大量武器（欧洲支付或用乌关键矿产交换），俄战场小进展将停滞。

[Back to Top](#)

 00:09:51

▶ And if at the same time, sanctions, perhaps these tariffs, secondary sanctions, reduce Russia's revenues, the stuttering Russian economy, which is supporting the war effort, will be far more hard-pressed to do that.

同时次级制裁削减俄收入，其本已艰难的战时经济将更难支撑。

▶ That could drive Putin to negotiations.

这可能迫使普京谈判。

▶ But this only works, if what we heard today, which is very positive, is part of a sustained effort to make it impossible for Putin to achieve his objectives by war.

但前提是今日积极表态需成为持续行动，使普京无法通过战争实现目标。

[Back to Top](#)

 00:10:21

▶ That's what's needed.

这才是关键。

▶ A long-term effort, clear to the Kremlin that it's a long-term effort, of weapons that Ukraine needs, and reduced revenues that Ukraine's economy depends upon.

需长期提供乌所需武器并削减俄经济收入，且让克宫明白这是长期行动。

▶ We heard a change, haven't we, in tone, from President Trump?

特朗普语气有所转变？

▶ Where do you think that's come from?

您认为原因何在？

▶ Has he had enough?

他受够了吗？

▶ I think it comes from the fact that the Kremlin has turned down numerous proposals for cease-fire that Ukraine accepted.

我认为是因克宫多次拒绝乌方接受的停火提议。

[Back to Top](#)

 00:10:51

▶ That Putin has been stringing him along, but also the impact of the completely barbaric strikes on Ukrainian maternity hospitals, like in Harkiv, after the Trump phone call.
