▶ Obviously, everybody is wondering why Putin, without any concessions, has received this invitation and this total breakout of the international Western isolation.

🎧 Obviously, we can not understand how the ultimatum on the unconditional ceasefire has turned into now discussion about the popping of the Ukrainian lens for getting the ceasefire, not even in any discussions with regard to the end of war and security guarantees for Ukraine.

我们无法理解为何无条件停火的最后通牒变成了现在讨论乌克兰让步以换取停火，甚至没有关于结束战争和乌克兰安全保障的讨论。

 00:07:40

🎧 Any future for Europe and European security, including implications for global security.

欧洲和欧洲安全的任何未来，包括对全球安全的影响。

🎧 It's interesting that President Zelensky has said that having this meeting in the United States is already a win for President Putin.

有趣的是，泽连斯基总统表示在美国举行这次会晤已经是普京总统的胜利。

🎧 Why does he say that?

他为什么这么说？

🎧 Why is that an achievement of President Putin to be on U.S. soil like that?

为什么登上美国土地对普京总统来说是成就？

 00:08:04

🎧 Well, definitely I can imagine how Putin is going down from his residential airplane on the American soil is being written by the American counterparts right there and he is going to present as to his citizens and to his accomplices from other rogue countries like Iran or North Korea.

我当然可以想象普京从专机走下踏上美国土地的场景将被美国同行记录，他将向本国公民及伊朗或朝鲜等流氓国家的同伙展示。

🎧 As a victory that by going and pursuing your goals and killing the citizens of another country that is sovereign and that is independent, you can actually be dealt with as a big leader and it can be listened to by the leader of the free world which America used to be.

作为胜利展示：通过追求目标并杀害一个主权独立国家的公民，你实际上可以被视为重要领导人，并得到曾经是自由世界领袖的美国的倾听。

▶ Let's talk a little bit about how this meeting has been described by President Trump.

让我们谈谈特朗普总统如何描述这次会晤。

 00:08:59

▶ He said, didn't he, that Friday's summit with Russia is a feel-out meeting and then Caroline Levitt today has described it as a listening session for the president.

他说过周五与俄罗斯的峰会是试探性会晤，而卡罗琳·莱维特今天称这是总统的倾听会议。

▶ Do you hold any hope that we're going to get something concrete out of Friday?

您是否希望周五能取得具体成果？

▶ You know, I actually do hope that we don't because if we will get something concrete out of that meeting, that means that Ukrainians and Europeans have been left out of that conversation.

实际上我希望不会，因为如果会晤取得具体成果，那意味着乌克兰人和欧洲人被排除在对话之外。

 00:09:28

▶ And if we have something concrete, that means that actually all of our efforts have been disregarded.

如果有具体成果，那实际上意味着我们所有的努力都被忽视。

▶ So if it's a listening exercise, I don't think that you need a meeting for that listening exercise to happen.

如果是倾听行动，我认为不需要通过会晤来实现。

▶ And I thought that such a reward for Putin for such a meeting would be meaning that he already is pressured to give up on his sick idea of extinguishing the country of Ukraine and Ukrainian nation from the map of the world.

我认为给予普京这样的会晤奖励意味着他已迫于压力放弃从世界地图上抹去乌克兰国家和民族的病态想法。

 00:10:04

▶ But that's not what is the case at this point.

但目前情况并非如此。

▶ Okay, Evanna Klin push since our day.

好的，埃文娜·克林波日-津萨泽。

▶ Thank you very much indeed for to give us on the world today.

长期干旱在全国引发其他问题，比如这场周五开始至今仍在扑救的大规模草地火灾。

▶ The warm sunny weather is welcome too, especially for those on school holidays, but as take adventure, the Smith and Brill families were taking advantage of the morning session at the Aqua Park, but being wary too about overexposure.

温暖晴朗的天气也受到欢迎，尤其对学校假期的人来说，但史密斯和布里尔家庭在Aqua公园享受上午时段时也警惕过度暴晒。

▶ We ladder up before we go and just leave the time to soak in and then enjoy the sun.

我们出发前涂好防晒霜，留出吸收时间，然后享受阳光。

 00:12:16

▶ Just make sure they're hydrated, make sure they've got plenty of water and try and keep some sun clean on them and keep them out of the sun, ironically, but also enjoy it.

确保他们补充水分，有充足饮水，涂防晒霜并避免阳光直射，同时也享受阳光。

▶ Yeah, absolutely.

是的，没错。

▶ If it's too hot outside, spare a thought for those whose jobs keep them indoors.

如果外面太热，请想想那些工作必须在室内的人。

▶ It was 35 degrees when Francesco was getting ready for service, but when the restaurants full, it will get even hotter.

弗朗西斯科准备服务时气温35度，但餐厅满座后会更加炎热。

bilibili 00:12:45

▶ In a kitchen like this where ovens go up to 340 degrees, cooks always on, especially on a busy day can go up to 4 to 445 degrees and there's kitchen.

在这样的厨房里，烤箱温度可达340度，炉灶一直开着，尤其在繁忙的日子里，温度可能升至4到445度，这就是厨房的环境。

▶ How hard is that to work in?

在这样的环境下工作有多难？

▶ Very hard, especially when we're dealing with 250, 300 people, can be a lot of pressure and a lot of exhaustion.

非常困难，尤其是当我们面对250到300人时，压力很大，人也非常疲惫。

▶ Back at Bennett's farm is it's still worth being a dairy farmer after a succession of floods and heatwaves?

回到班尼特的农场，在经历了一系列洪水和热浪之后，做奶农还值得吗？

bilibili 00:13:16

▶ Certainly, we are starting to question it.

当然，我们开始质疑这一点。

▶ I think a lot of farmers and again with the political wind that seems to be blowing against us every way we turn at the moment, it certainly makes it very hard.

我认为很多农民，再加上目前似乎处处与我们作对的政治风向，这确实让事情变得非常困难。

▶ But there was one happy surprise, a new car for I had unexpectedly, but had to be quickly rescued from the heat.

现在让我们与英国皇家气象学会的气候科学家克洛伊·布里米库姆博士交谈。

▶ Thank you so much for joining us.

非常感谢您的参与。

▶ Let me ask you first of all to talk me through how normal it is to see these levels of high temperatures, not only in the UK, but across Europe as well.

首先，请您谈谈在英国乃至整个欧洲看到如此高温是否正常。

▶ So I think it's something that we're becoming quite normal to.

我认为我们已经开始对此习以为常。

 00:14:18

▶ So we see this happening in consecutive summers across Europe.

我们看到这种情况在欧洲连续几个夏天发生。

▶ What makes this year particularly of concern is that compounding of very dry weather.

今年特别令人担忧的是极度干燥天气的叠加。

▶ So the drought conditions across the UK and Europe co-occurring with the heat waves, but then also these wildfires moving across swaves of southern Europe and also wildfires hitting parts of the UK.

英国和欧洲的干旱条件与热浪同时发生，同时野火席卷南欧大片地区，甚至波及英国部分地区。

 00:14:44

▶ And so that's concerning because we're seeing all of these hazards coming together in the summer and really raising the risk to parts of our society in a way that we're just not prepared for yet.

这令人担忧，因为我们看到所有这些灾害在夏季同时发生，并以我们尚未准备好的方式对社会部分群体构成风险。

▶ And so this is something that we're suggesting will continue with climate change and we know this from climate projections from modelling.

因此，我们认为这种情况会随着气候变化持续下去，我们从气候模型预测中已经知道这一点。

▶ Yeah, I want to ask you about climate change because you know what role do that play in the intensity and the frequency of these heat waves?

是的，我想问您关于气候变化的问题，因为您知道它在这些热浪的强度和频率中扮演了什么角色？

 00:15:13

▶ So we know that with every heat wave we're pretty confident that we can link it back now to climate change and that's because we see a baseline level of temperatures warming and this is like when you have a pile of sand and you push it over, the tail of that sand is where we're seeing the heat waves.

我们知道，对于每一次热浪，我们现在可以相当自信地将其归因于气候变化，因为我们看到气温基线水平上升，就像你推倒一堆沙子时，沙子的尾部就是我们看到热浪的地方。

▶ So we know, as you said, they're increasing in intensity.

正如您所说，我们知道它们的强度在增加。

▶ We've broken records across southern Europe in terms of temperature records this year.

今年南欧的气温记录已被打破。

bilibili 00:15:40

▶ They're increasing in duration.

它们的持续时间也在增加。

▶ More people are affected every time they occur in Europe and also they occur more frequently.

每次在欧洲发生时，受影响的人更多，而且发生的频率也更高。

▶ So in parts of England and Wales this is the fourth heat wave of this summer.

因此，在英格兰和威尔士的部分地区，这是今年夏天的第四次热浪。

▶ Okay, Chloe, thank you very much for joining us.

好的，克洛伊，非常感谢您的参与。

🎵 Joe Black has the story.

乔·布莱克带来报道。

🎵 Resembling a scene from a film hit woman Amy Betro was a nikkab to disguise her face as she tries to kill Sir Candar Ali.

艾米·贝特罗像电影中的女杀手一样戴着尼卡布遮脸，试图杀害坎达尔·阿里爵士。

 00:20:17

🎵 As her gun jams, he seizes the opportunity to escape.

当她的枪卡壳时，他抓住机会逃脱。

🎵 The distance between the firearm and the victim there will be little to no chance to survive multiple discharge.

在那个距离，枪械与受害者之间几乎没有机会在多次射击中幸存。

🎵 That's sort of distance with what would have been a 9mm handgun.

那种距离下，如果是一把9毫米手枪的话。

▶ I have no doubt that was a live and viable firearm that on that occasion didn't do what it's designed to do.

我毫不怀疑那是一把真实且可用的枪械，只是那次没有发挥其设计功能。

bilibili 00:20:43

▶ Hours later, this is Betro ordering a taxi so she can return to the scene.

几小时后，贝特罗叫了一辆出租车返回现场。

▶ And in the darkness of the early hours, her second attempt.

在凌晨的黑暗中，她进行了第二次尝试。

▶ She shoots at Ali's house but no one is home.

她向阿里的房子开枪，但没人在家。

▶ The would-be assassin flew to the UK as part of a plot orchestrated by these two men.

这位未遂刺客飞往英国是这两名男子策划的阴谋的一部分。

▶ Muhammad Aslam and his son Muhammad Nabil Nazir wanted to attack a rival family.

穆罕默德·阿斯拉姆和他的儿子穆罕默德·纳比勒·纳齐尔想攻击一个敌对家族。

bilibili 00:21:24

▶ The court heard they were involved in a feud with Sir Candar Ali's father, Aslacht Mahmud, and wanted to kill him or a member of his family.

法庭获悉他们与坎达尔·阿里爵士的父亲阿斯拉赫特·马哈茂德有纠纷，并想杀害他或他的家人。

▶ In her evidence, Betro suggested it was a coincidence that minutes after the attempted assassination, she was near the area and the perpetrator was another American woman who sounded like her used the same phone and wore the same sort of trainers.

贝特罗在证词中称，刺杀未遂几分钟后她在附近是巧合，行凶者是另一个声音像她、使用相同手机、穿同款运动鞋的美国女性。

▶ This isn't an off-the-cuff moment of madness.

这不是一时冲动的疯狂行为。

▶ This is pre-planning with other people in another continent.

这是与另一个大陆的人预先策划的。

▶ So I'd say she's extremely dangerous.

因此我认为她极其危险。

▶ An extremely motivated to cause the very worst harm to people.

极度热衷于对他人造成最严重的伤害。

▶ Like Airco conspirators, Betro has now been convicted.

与艾尔科共谋者一样，贝特罗现已被定罪。

▶ She'll be sentenced next week.

她将于下周被判刑。

▶ Joe Black reporting there.

乔·布莱克报道。

▶ 27 countries, including Britain, Canada, France and Australia, have called on Israel to allow aid into the Palestinian enclave, saying the crisis in Gaza has reached unimaginable levels.

包括英国、加拿大、法国和澳大利亚在内的27个国家呼吁以色列允许援助进入巴勒斯坦飞地，称加沙的危机已达到难以想象的程度。

▶ Famine is unfolding before our eyes.

饥荒正在我们眼前发生。

▶ The foreign ministers' signatory country said in a joint statement.

签署国的外交部长们在联合声明中表示。

▶ They also said urgent action is needed now to halt and reverse starvation.

他们还表示，现在需要采取紧急行动来阻止和扭转饥饿。

🎧 So what is happening politically?

那么政治层面正在发生什么？

🎧 Let's get the assessment of Frank Loestine, former US Special Envoy for his very palestine negotiations and assigned statement there from 27 countries, Frank.

让我们听听美国前中东和平特使弗兰克·洛斯坦的评估，关于27个国家的联合声明，弗兰克。

bilibili 00:22:53

🎧 But what kind of pressure will that actually put on Israel?

但这实际上会对以色列施加什么样的压力？

🎧 Well, I think that we've seen the results of the international campaign to get Israel to out working humanitarian assistance in.

我认为我们已经看到国际社会推动以色列允许人道主义援助进入的成果。

🎧 There have been some improvements in that regard.

在这方面已有一些改善。

🎧 I think there's been pauses during the day when they're allowing aid in.

我认为白天有一些暂停时段允许援助进入。

🎧 They've opened up some humanitarian corridors.

他们开放了一些人道主义走廊。

bilibili 00:23:13

🎧 Obviously, much more work needs to be done.

显然，还需要做更多工作。

🎧 But I do think that campaign is bearing food.

但我确实认为这场运动正在取得成果。

🎧 And I also think President Trump probably said something quietly behind the scenes to the Israelis that he did not want to see starving children any longer.

我还认为特朗普总统可能在幕后向以色列人表示，他不想再看到饥饿的儿童。

🎧 So there's a long way to go, but I think we're better than we're in a better place than we were a week or two ago.

因此还有很长的路要走，但我认为我们比一两周前的情况要好。

 00:23:29

🎧 And where are we in terms of any kind of ceasefire negotiation and plan right now?

目前在停火谈判和计划方面我们处于什么阶段？

🎧 Do you feel?

您觉得呢？

🎧 Yeah, well, the headline I had to visit last week was that the security cabinet had approved an expansion of the IDF invasion of Gaza.

是的，我上周了解到的情况是安全内阁批准了以色列国防军扩大对加沙的入侵。

🎧 But that's a little bit misleading.

但这有点误导性。

🎧 They did not approve the TNP proposal for a phone and definite occupation.

他们并未批准TNP提出的全面占领提案。

 00:23:49

🎧 In fact, it was a much more limited mission just to take over Gaza City that won't even begin for six weeks.

实际上，这是一个更有限的任务，只是接管加沙城，而且六周内甚至不会开始。

🎧 And that's because the IDF does not believe that military action is the way to free the hostages or to defeat Hamas.

这是因为以色列国防军不相信军事行动是解救人员或击败哈马斯的途径。

▶ They would like to see a negotiated settlement that ended the war and brought all the hostages on.

他们希望看到通过谈判达成结束战争并释放所有人质的协议。

bilibili 00:24:05

▶ Which is the position of the vast majority of Israelis as well.

这也是绝大多数以色列人的立场。

▶ So good to see how that plays out over the next few weeks.

因此，看看未来几周如何发展会很有趣。

▶ So if that is the vast position of a majority of Israelis and the IDF want it, why is it not happening?

既然这是大多数以色列人和以色列国防军的立场，为什么没有实现？

▶ Because Netanyahu is in charge there and he is still beholden to an extreme group of Messianic cabinet members who really want to see Gaza depopulated.

因为内塔尼亚胡掌权，他仍然受制于一群极端弥赛亚主义内阁成员，他们真的希望加沙人口减少。

bilibili 00:24:27

▶ They want to see all the Palestinians driven out.

他们希望所有巴勒斯坦人被驱逐。

▶ And then they want to annex it and build settlements there.

然后他们想吞并那里并建立定居点。

▶ And Netanyahu is in a delicate position politically.

内塔尼亚胡在政治上处于微妙位置。

▶ So he keeps trying to split the difference between what the IDF wants and what his extremist coalition partners want it.

因此他一直在试图折中以色列国防军和他的极端主义联盟伙伴的诉求。

▶ Right now, he's pleased just about nobody.

目前，他几乎无法让任何人满意。

bilibili 00:24:42

▶ We know on Friday, there's going to be a meeting between President Putin, President Trump.

我们知道周五普京总统和特朗普总统将举行会晤。

▶ So realistically, President Trump's mind now, if you like, is focusing on Ukraine.

因此实际上，特朗普总统现在的注意力集中在乌克兰。

▶ What does that mean?

这意味着什么？

▶ What's happening in Israel?

以色列的情况如何？

▶ Yeah, that's a great question.

是的，这是个很好的问题。

▶ I think that there's a legitimate issue as to whether the Israelis really intend to allow more humanitarian assistance in on a going forward basis or whether they're just doing the minimum they need to do right now to get the United States and the rest of the world off of their back.

我认为存在一个合理的问题，即以色列人是否真的打算在未来允许更多的人道主义援助进入，还是他们现在只是在做最低限度的事情以摆脱美国和世界其他国家的压力。

bilibili 00:25:08

▶ I mean, they're talking about building 12 more Gazi Manitaran Foundation, Food Distribution Centers.

我的意思是，他们正在谈论再建12个加齐·马尼塔里安基金会食品分发中心。

▶ We'll see if they follow through on that.

我们将看看他们是否会兑现这一承诺。

▶ But I do think it's important that the world keep their attention focused on this issue.

但我确实认为，全世界继续关注这个问题很重要。

▶ You can see the only way to get the Israelis to do the minimum required to, to, for the people of Gaza to survive.

你可以看到，要让以色列人做最低限度的事情以确保加沙人民生存的唯一方法。

 00:25:24

▶ Okay, Frank Lonestein, former U.S. Special Envoy for Middle East peace.

好的，弗兰克·洛恩斯坦，美国前中东和平特使。

▶ It's been so good to have you on the show.

很高兴你能参加节目。
