▶ And what's really interesting about the State Library of Victoria is that it's actually the third busiest library in the world, the third busiest public library in the world, I think they recorded about three million visitors just last year, which really puts it on the global literary map.

维多利亚州立图书馆最有趣的是——它去年接待了约300万访客，是全球第三繁忙的公共图书馆，这真正让它登上了世界文学版图。

▶ But the top place was given to the Trinity College Dublin Library and it goes, it's just an orbiter, it looks everything like you would think of, when you think of beautiful library, beautiful old library you see, this beautiful rounded arches, old wood, old books.

但第一名颁给了都柏林圣三一学院图书馆——它完美符合人们对美丽古老图书馆的想象：圆拱顶、古木架、老书籍。

🎥 It looks something straight out of a Harry Potter movie and I think that's why it was voted number one because it just looks so magical and so unreal, whereas it is actually a real place that people can visit.

它就像直接从《哈利波特》电影里走出来——这种魔幻得不真实的质感让它夺冠，而它确实是真实可访之地。
