今天是日本的庄严日子，Karoshema市纪念二战期间美国投下原子弹80周年。

For Karoshema, Jonathan Head is in Karoshema for us.

▶ Can you give us a sense of the feeling there?

你能给我们描述一下那里的感受吗？

▶ I think among the Japanese who take part in this memorial, it's a very important way to try to keep alive what this city represents.

我认为对于参加纪念活动的日本人来说，这是保持这座城市所代表意义的重要方式。

▶ They do it every year, but obviously 80 years is a particularly poignant anniversary, because in terms of big ones every decade, this may be one of the last, where there are still significant numbers of people alive who experience what happened here.

他们每年都这样做，但显然80周年是一个特别令人心酸的纪念日，因为每十年的大纪念日，这可能是最后一个仍有大量亲历者在世的周年纪念。

bilibili 00:03:17

▶ Now the point I'm standing on here is almost literally the point where the bomb detonated about 600 meters above in the air.

现在我站的地方几乎就是炸弹在600米高空爆炸的确切位置。

▶ So everything around here was completely obliterated.

所以周围的一切都被彻底摧毁了。

▶ Apart from one of two buildings, the one behind me is of course the famous dome that's become a World Heritage Site, symbolizing what this city went through.

除了一两座建筑外，我身后的就是著名的圆顶建筑，已成为世界遗产，象征着这座城市所经历的苦难。

bilibili 00:03:35

▶ It's a well-worn formula.

这是一个老套的流程。

▶ They read out the names of the survivors who died in the last year, each year those who survived, who died, their names get read out.

他们宣读去年去世的幸存者名字，每年那些幸存者去世后，他们的名字都会被宣读。

▶ And then there's that moment of silence and then bringing up the bell and then the speeches and the song.

然后是默哀时刻，接着敲钟，然后是演讲和歌曲。

▶ Attended by ambassadors from countries all over the world, the UN Secretary General Antony Guterres is there as well, because the UN has a very strong commitment shared by Japan to try and to rid the world of nuclear weapons.

来自世界各国的大使参加了活动，联合国秘书长安东尼奥·古特雷斯也在场，因为联合国与日本共同致力于消除世界上的核武器。

 00:04:04

▶ So that message was put out again, but of course possibly in the least sympathetic environment of recent years.

所以这一信息再次被传达，但当然可能是在近年来最不友好的环境中。

▶ We've got a global order that's unraveling a far more transactional, hard-headed approach to international relations, and more countries developing the possibility of nuclear weapons.

我们有一个正在瓦解的全球秩序，国际关系变得更加交易化和强硬，更多国家正在发展核武器的可能性。

▶ I mean the last country to give up nuclear weapons was Ukraine, which then found itself being invaded by Russia, so that lessons not been lost.

我的意思是，最后一个放弃核武器的国家是乌克兰，随后它发现自己被俄罗斯入侵，所以这个教训没有被遗忘。

 00:04:29

▶ The laws that go out from here every year, that the Japanese hope are being heard of perhaps carrying less weight than they did.

▶ You've been covering this for many years.

你已经报道这件事多年了。

▶ Is there a sense now given these escalating tensions that we talked about globally?

考虑到我们讨论的全球紧张局势升级，现在是否有这种感觉？

▶ Is there a sense that some of these lessons are being forgotten?

是否有感觉这些教训正在被遗忘？

 00:04:47

▶ I think there's no doubt that they're not just being forgotten because of the long passage of time, and the disappearance of those who experienced it, but also simply because there's still a huge amount of debate over what lessons we draw from the catastrophe that was visited on this city.

我认为毫无疑问，它们不仅因为时间的流逝和亲历者的消失而被遗忘，还因为关于我们从这场降临在这座城市的灾难中吸取什么教训仍存在大量争论。

▶ I mean some people argue that the bomb was necessary, some say it was used by the United States was completely unjustified in immoral.

我的意思是，有些人认为炸弹是必要的，有些人说美国使用炸弹是完全不合理的，是不道德的。

▶ Some argue that Japan is the ultimate victim, some say Japan has used victimhood to avoid confronting its own sort of atrocities during the militarism during the Second World War.

有些人认为日本是最终的受害者，有些人说日本利用受害者的身份来回避面对自己在二战期间军国主义时期的暴行。

 00:05:22

▶ And then of course there are those who argue that the existence of nuclear weapons during the Cold War may well have actually prevented catastrophic collisions between the superpowers because of the risks of nuclear annihilation.

当然，还有一些人认为冷战期间核武器的存在实际上可能阻止了超级大国之间的灾难性冲突，因为存在核毁灭的风险。

▶ Those debates go on, they've not been settled.

这些争论仍在继续，尚未解决。

🎧 And at the same time there's just a more cynical view about how much can be achieved through international cooperation these days, very little.

与此同时，人们对当今通过国际合作能取得多少成果持更加怀疑的态度，认为成果很少。

 00:05:44

🎧 And that's what would be required to get what people always call for every year from here, both peace, which of course we don't see in the world.

而这正是人们每年从这里呼吁的和平所需要的，当然我们在世界上看不到和平。

🎧 But in particular, an inter-nuclear weapons.

🎧 Now the United Nations says it's deeply alarmed by reports that Israel plans to expand its military operations throughout the Gaza Strip, saying the move could have catastrophic consequences.

现在联合国表示，对以色列计划在整个加沙地带扩大军事行动的报道深感震惊，称此举可能带来灾难性后果。

 00:06:10

🎧 Israel's Prime Minister Benjamin Netanyahu is reportedly going to push ahead plans to fully occupy Gaza when he meets with the security cabinet this week.

据报道，以色列总理本雅明·内塔尼亚胡将在本周与安全内阁会面时推进完全占领加沙的计划。

🎧 Israel says it's already controlling three quarters of Gaza.

以色列表示已经控制了加沙的四分之三。

▶ The red on this map shows the areas the IDF currently controls.

地图上的红色区域显示以色列国防军目前控制的地区。

▶ Netanyahu's plans would see the IDF move into densely populated areas, raising concerns for the strips two million residents.

内塔尼亚胡的计划将让以色列国防军进入人口密集地区，引发对加沙地带200万居民的担忧。

bilibili 00:06:35

▶ Our correspondent Hugo Bachega has more from Jerusalem.

我们的记者雨果·巴切加从耶路撒冷带来更多报道。

▶ The Israeli Prime Minister Benjamin Netanyahu held a meeting with senior security officials and there have been reports in Israeli media suggesting a tense exchange between the Prime Minister and the chief of staff of the military who is against the idea of expanding military operations in Gaza and also the idea of fully occupying Gaza.

以色列总理本雅明·内塔尼亚胡与高级安全官员举行了会议，以色列媒体报道称，总理与反对扩大加沙军事行动和完全占领加沙的军方参谋长之间发生了紧张的交锋。

▶ Apparently he told the Prime Minister that this would be a trap and that this would endanger the lives of the hostages who remain in captivity in Gaza.

显然，他告诉总理这将是一个陷阱，并将危及仍被扣押在加沙的人质的生命。

bilibili 00:07:09

▶ And this is very much the position of the families of the hostages.

这也是人质家属的立场。

▶ They say that any expansion of activities in Gaza would mean that the military would enter parts of Gaza where the hostages are believed to be held and that this would put their lives at risk.

他们说，任何在加沙扩大行动都意味着军方将进入据信关押人质的加沙部分地区，这将危及他们的生命。

⏮ Now the Prime Minister has been accused by his critics of prolonging the conflict for political purposes to guarantee the survival of his governing coalition.

现在，批评者指责总理出于政治目的延长冲突，以确保其执政联盟的生存。

🎵 00:07:36

⏮ He's obviously supported by ultra-nationalist ministers who have been threatening to quit his government if there is any kind of deal with Hamas, if the war ends.

他显然得到了极端民族主义部长的支持，这些部长威胁说，如果与哈马斯达成任何协议或战争结束，他们将退出政府。

⏮ They've been talking about expelling Palestinians from Gaza and also resettling it with Jews.

他们一直在谈论将巴勒斯坦人驱逐出加沙，并用犹太人重新安置。

⏮ So any kind of expansion of military activity in Gaza would also raise concerns about the humanitarian crisis in Gaza.

因此，任何在加沙扩大军事行为都会引发对加沙人道主义危机的担忧。

🎵 00:08:00

⏮ And it's likely to be criticized by some of Israel's allies who have been urging the government to strike a deal with Hamas for the release of the hostages and to end the war in Gaza.

这可能会遭到以色列一些盟友的批评，他们一直敦促政府与哈马斯达成协议，释放人质并结束加沙战争。

▶ If Israel does choose to do this, is it likely to be a complete walkover given that we already understand it controls three quarters of the territory?

如果以色列确实选择这样做，鉴于我们已经知道它控制了四分之三的领土，这是否可能完全轻而易举？

▶ Well, there's no question that there's been a long-term plan of Prime Minister Nakanyahu in some of his extremist ministers to occupy the whole of Gaza.

嗯，毫无疑问，内塔尼亚胡总理和他的一些极端主义部长们有一个长期计划，要占领整个加沙。

▶ And I think now they've really made their move at the time of when some of Israel's friends or friendly states have broken ranks with Israel and also broken ranks with the United States to recognize the state of Palestine.

我认为现在他们真的采取了行动，正值以色列的一些朋友或友好国家与以色列和美国分道扬镳，承认巴勒斯坦国的时候。

 00:08:59

▶ And some of them have already done it and some of them intend to do it in September.

其中一些国家已经这样做了，还有一些国家打算在九月这样做。

▶ And I think this is also a premise and Nakanyahu's response to this development.

我认为这也是内塔尼亚胡对这一事态发展的回应前提。

▶ Garsens, of course, already starved on clay, has been devastated.

当然，加沙已经饱受饥荒之苦，遭受了毁灭性打击。

▶ What are the impacts likely to be on them if this expansion does occur?

如果这种扩张确实发生，对他们可能产生什么影响？

▶ Well, I think as the United Nations said, it's going to be catastrophic coming to our own.

嗯，我认为正如联合国所说，这将对我们自己造成灾难性后果。

 00:09:22

▶ Also, the plan is to put all the Palestinians into Rafa City, which is a very tiny part of Gaza.

此外，计划是将所有巴勒斯坦人安置到拉法市，这是加沙非常小的一部分。

▶ The Nakanyahu government is called a humanitarian zone, but the former Israeli Prime Minister, Haudet Alman, has called it a concentration camp.

内塔尼亚胡政府称之为“人道主义区”，但以色列前总理哈德特·阿尔曼称之为“集中营”。

▶ And of course, it also amounts to ethnic cleansing and this is what has been criticized very widely around the world.

当然，这也相当于种族清洗，这在世界各地受到了广泛批评。

bilibili 00:09:53

▶ What are we likely to see Washington's response to all of this being?

我们可能会看到华盛顿对此做出什么反应？

▶ Will we see the US support Israel in this?

我们会看到美国在这件事上支持以色列吗？

▶ Well, the Trump administration has got a lot of leverage.

嗯，特朗普政府有很大的影响力。

▶ And of course, the main leverage is the supply of arms to Israel.

当然，主要的影响力是对以色列的武器供应。

▶ If President Trump indicates to Mr Nakanyahu tomorrow that the American aid will dramatically reduce or will be cut off, I don't think that the Prime Minister, Nakanyahu, or for that matter is extremely small, it will be able to really push for implementing their plans.

如果特朗普总统明天向内塔尼亚胡先生表示美国援助将大幅减少或切断，我不认为内塔尼亚胡总理或极端小集团能够真正推动实施他们的计划。

bilibili 00:10:26

▶ But I think at this stage there seems to be some sort of undersigning between Washington and Jerusalem.

但我认为在现阶段，华盛顿和耶路撒冷之间似乎有某种默契。

🎧 And therefore, I think that Nakanyahu would not have made this move or will not make this move unless he had some sort of consent or that does the support of from Washington.

因此，我认为内塔尼亚胡不会采取这一行动，除非他得到华盛顿的某种同意或支持。

🎧 Why haven't we, after all of this time, been able to see a ceasefire here?

为什么经过这么长时间，我们仍未能在这里看到停火？

 00:10:51

🎧 Mainly because I think Hamas has proved to be somewhat more resilient than had been expected.

主要是因为我认为哈马斯比预期的更具韧性。

🎧 I mean, it's still really operating.

我的意思是，它仍在运作。

🎧 And Nakanyahu's plan is to really eliminate Hamas altogether.

而内塔尼亚胡的计划是彻底消灭哈马斯。

🎧 But at the same time, as I mentioned earlier, the Prime Minister Nakanyahu had planned to really take over Gaza.

但与此同时，正如我之前提到的，内塔尼亚胡总理计划真正接管加沙。

🎧 It's just will be waiting for the right moment.

只是在等待合适的时机。

 00:11:12

🎧 And I think they think that now it is the right moment and defines of the international community in defines of the international humanity in an organization and so on.

我认为他们认为现在是合适的时机，并定义了国际社会和联合国等组织的人道主义立场。

🎧 I think it's just sort of a there is a saying that it really doesn't matter whether once you're drowned, doesn't matter whether the water is three feet above you or 300 feet above you.

我认为这就像有句话说，一旦你淹死了，水是在你上方三英尺还是三百英尺都无所谓。

▶ I think no, the Prime Minister Nakanyahu and his supporters think that they are sort of in a tech office and therefore they should really go ahead with it.

我认为不，内塔尼亚胡总理和他的支持者认为他们处于某种技术优势地位，因此他们应该继续推进。

bilibili 00:11:44

▶ But at the same time, it's going to have seriously precautions for a still of Israel itself.

但与此同时，这将对以色列本身产生严重的后果。

▶ I'm encycl, thank you for joining me on the program and giving us your insights.

我是百科全书，感谢你参加节目并分享你的见解。

▶ Now to the US, where the House Oversight Committee has issued subpoenas for former President Bill Clinton.

现在转向美国，众议院监督委员会已向前总统比尔·克林顿发出传票。

▶ And he's why of the former Secretary of State Hillary Clinton to provide testimony in the Jeffrey Epstein investigation.

这就是为什么前国务卿希拉里·克林顿被要求在杰弗里·爱泼斯坦调查中提供证词。

bilibili 00:12:06

▶ The Clintons are among multiple former government officials.

克林顿夫妇是多名前政府官员中的一员。

▶ Some and by investigators in a major escalation of the controversy surrounding the investigation into the disgraced financier who died in 2019 awaiting trial for sex trafficking.

一些调查人员在对这位2019年死于性交易审判等待中的声名狼藉金融家的调查中，争议大幅升级。

▶ After leaving office, President Clinton took multiple troops on Epstein's private jet, but is now is knowing anything of the crimes he committed.

卸任后，克林顿总统多次乘坐爱泼斯坦的私人飞机，但现在声称对他的罪行一无所知。

bilibili 00:12:28

▶ The subpoenas came amid rising pressure on President Trump to release more information about the convicted sex offender.

传票发出之际，特朗普总统面临越来越大的压力，要求他公布更多关于这名已被定罪的性犯罪者的信息。

▶ An North America correspondent David Willis has more.

北美记者大卫·威利斯带来更多报道。

▶ It's the scandal that simply won't go away much as Donald Trump would very much like it to.

这是一桩不会轻易消失的丑闻，尽管唐纳德·特朗普非常希望如此。

▶ And he, of course, promised on the campaign trail that all of the documents relating to the Jeffrey Epstein scandal would be released to the public.

当然，他在竞选时承诺，与杰弗里·爱泼斯坦丑闻有关的所有文件都将向公众公开。

bilibili 00:12:55

▶ But then in July of this year, his own Justice Department said that that would not in fact be happening, basically saying to the public nothing to see here.

但今年7月，他自己的司法部表示这实际上不会发生，基本上告诉公众“这里没什么可看的”。

▶ The no signs of a private sort of client list, a secret clients list and concluding that to Jeffrey Epstein died by suicide.

没有发现任何私人客户名单或秘密客户名单的迹象，并认定杰弗里·爱泼斯坦死于自杀。

▶ Now that, of course, caused uproar on the part not only of Democrats, but some in Donald Trump's own party.

这当然引起了民主党人以及特朗普自己党内一些人的强烈抗议。

bilibili 00:13:22

▶ And they in Congress vowed to press for the release of those FBI files.

国会中的一些人誓言要推动这些FBI文件的公开。

🎧 What today we have seen, a subpoena issued to the U.S. Justice Department calling for precisely that.

今天我们看到的是，向美国司法部发出的传票正是要求这一点。

🎧 And individual subpoenas issued to various officials among them as you say Katie, the former president Bill Clinton and his wife, the former Secretary of State Hillary Clinton.

还有向多位官员发出的个人传票，其中包括前总统比尔·克林顿和他的妻子、前国务卿希拉里·克林顿。

 00:13:48

🎧 Now Bill Clinton has acknowledged flying on Jeffrey Epstein's private jets at least four times.

比尔·克林顿承认至少四次乘坐过杰弗里·爱泼斯坦的私人飞机。

🎧 But it said that he had no knowledge whatsoever of Mr. Epstein's criminality.

但他表示对爱泼斯坦的犯罪行为一无所知。

🎧 But what this does do, of course, is it heightens the tension over the Clinton's have been asked to testify before Congress in October of this year.

但这当然加剧了紧张局势，因为克林顿夫妇被要求在今年10月向国会作证。

 00:14:13

🎧 And it's clearly a scandal that is going to run and run much to the shagran of the current president Donald Trump.

这显然是一桩会持续发酵的丑闻，让现任总统唐纳德·特朗普非常恼火。

🎧 Yeah, you mentioned there appearing in front of court in October.

是的，你提到他们将在10月出庭。

🎧 What else are we expecting to see from here?

我们还期待看到什么？

▶ And what might all of this mean for President Trump?

这一切对特朗普总统可能意味着什么？

▶ Well, it's an interesting question to ponder whether or not the Clinton's will end up giving evidence to this congressional committee.

嗯，克林顿夫妇最终是否会向这个国会委员会提供证据，这是一个值得思考的有趣问题。

 00:14:39

▶ And if they do, will it be behind closed doors or will it be out in public?

如果他们作证，会是闭门进行还是公开进行？

▶ And it's not unprecedented this.

这并非没有先例。

▶ Four former US presidents have been subpoenaed in the past.

过去曾有四位美国前总统被传唤。

▶ And two of them ended up giving evidence to Congress.

其中两位最终向国会提供了证词。

▶ But it is, of course, highly unusual.

但这当然非常罕见。

▶ And it will be very interesting for all of us to hear what those people have to say.

对我们所有人来说，听听这些人会说什么将非常有趣。

 00:15:06

该报告首次全面记录了2024年初由海洋高温引发的大规模珊瑚白化事件的破坏性影响。

 00:19:40

🎧 Over the past two years, life from more than 80% of the world's coral reefs have been depleted due to coral bleaching.

过去两年，全球80%以上的珊瑚礁因白化而生命枯竭。

▶ It occurs when water temperatures rise, forcing coral to expel the colorful, microscopic algae embedded in their tissues.

当水温升高时，珊瑚会排出嵌入其组织中的彩色微观藻类。

▶ If high temperatures persist, the coral will eventually turn white and die.

如果高温持续，珊瑚最终会变白并死亡。

▶ So we have time for it.

所以我们有时间关注它。

▶ Now time to turn our focus on to business news.

现在把焦点转向商业新闻。

▶ 24 hours.

24小时。

▶ That's how long President Trump has given India to stop buying Russian oil.

这是特朗普总统给印度停止购买俄罗斯石油的最后期限。

▶ Before he says higher tariffs will come into effect.

否则他将提高关税。

▶ It comes just under a week after he announced a 25% tax on India's exports to the U.S., which he threatened to increase if Russian energy imports continued.

此前不到一周，他宣布对印度出口到美国的商品征收25%的税，并威胁如果印度继续进口俄罗斯能源，将进一步提高关税。

bilibili 00:20:27

▶ New Delhi has dismissed Trump's tariffs as unjustified and vowed to protect its economic interest.

新德里认为特朗普的关税不合理，并誓言保护其经济利益。

⏮ Earlier I spoke to Nisha Biswale, a senior adviser at the Asia Group and formally the U.S. Assistant Secretary of State for South and Central Asia.

早些时候，我采访了亚洲集团高级顾问、前美国南亚和中亚事务助理国务卿尼莎·比斯瓦尔。

⏮ She told me Trump's tariff threats are disrupting U.S. relations with India.

她告诉我，特朗普的关税威胁正在破坏美国与印度的关系。

 00:20:45

⏮ Certainly I think President Trump has wielded tariffs in a much more aggressive way than has been the case in the past.

当然，我认为特朗普总统使用关税的方式比过去更加激进。

⏮ He's achieved some gains, I think some would say, for the United States.

我认为有些人会说，他为美国取得了一些成果。

⏮ But also as we've seen in the case of India has also created some disruption in important relationships.

但正如我们在印度案例中看到的，这也对一些重要关系造成了破坏。

⏮ Will India stop buying Russian oil do you think so far?

你认为印度会停止购买俄罗斯石油吗？

 00:21:08

⏮ So I think you have to look at this in the context of kind of the long history that the United States has had with India.

所以我认为你必须从美国和印度长期历史的角度来看待这个问题。

⏮ We've seen U.S. India two-way trade go from 50 billion about 12, 15 years ago to nearly 200 billion in two-way trade.

我们看到美印双边贸易从大约12到15年前的500亿美元增长到如今的近2000亿美元。

⏮ As it stands today.

就目前而言。

▶ And through that relationship we've had many difficult conversations on areas of divergence, including where India gets its energy.

通过这种关系，我们在分歧领域进行了许多艰难的对话，包括印度的能源来源。

bilibili 00:21:36

▶ We've had those conversations through successive administrations.

我们通过历届政府进行了这些对话。

▶ India has minimized its use of Iranian oil, for example, in dialogue with the United States.

例如，印度在与美国的对话中减少了对伊朗石油的使用。

▶ And so having conversations with India on its use of or reliance on Russian oil, I think is an entirely appropriate conversation to have.

因此，我认为与印度就其使用或依赖俄罗斯石油进行对话是完全合适的。

▶ But it's also one that has largely been done through private discussions and with some understanding of the glide path that India would need to be able to safeguard its economy.

但这也主要是通过私下讨论进行的，并对印度需要保护其经济的过渡路径有所理解。

bilibili 00:22:10

▶ How damaging would these tariffs likely be to India?

这些关税对印度的损害可能有多大？

▶ The tariffs, of course, would also have quite a negative impact on the Indian economy, on Indian consumers.

当然，这些关税也会对印度经济和印度消费者产生相当大的负面影响。

▶ But it would also have a negative impact on the U.S. economy and American businesses, American investment, which has really surged in recent years.

但它也会对美国经济、美国企业和近年来大幅增长的美国投资产生负面影响。

▶ And so I think it's a lose-lose proposition for both countries to be entering into a confrontational dynamic on tariffs, particularly because everything we had been hearing was

a huge deal.

因此，我认为两国在关税问题上进入对抗状态对双方都是双输的局面，特别是因为我们之前听到的一切都是关于一项重大协议。

 00:22:43

▶ And so what was really important was that the U.S. and India were on the cusp of a historic and unprecedented trade agreement, that the Indians had come forward on more ambitious levels of tariff reduction than ever before, and on a larger segment of Indian imports than ever before.

真正重要的是，美国和印度即将达成一项历史性、前所未有的贸易协议，印度人提出了比以往更雄心勃勃的关税削减水平，并涵盖了更大范围的印度进口商品。

▶ It's quite disheartening to find ourselves instead of being on the cusp of a historic agreement to be at a point where not only might this blow up the U.S. and the trade relationship, but it could have very lasting damage to the strategic partnership as well.

令人沮丧的是，我们发现自己不仅可能破坏美印贸易关系，还可能对战略伙伴关系造成持久的损害，而不是即将达成一项历史性协议。

▶ President Trump is trying to ramp up the pressure on India.

特朗普总统正试图加大对印度的压力。

▶ How likely is he to succeed?

他成功的可能性有多大？

▶ Well, for now it seems that India is not backing down.

就目前而言，印度似乎没有让步。

🔍 In fact, it's also signaling that it is quite keen on its steady and time-tested relationship is how it defines it with Russia.

事实上，印度还表示非常重视与俄罗斯的稳定且久经考验的关系。

🔍 So we are seeing that India's national security adviser is in Moscow and he will be going ahead with talks about racial cooperation and security ties.

因此，我们看到印度国家安全顾问正在莫斯科，并将继续就种族合作和安全关系进行会谈。

 00:23:57

🔍 And this was a visit that was scheduled much earlier, but the fact that he's gone ahead with it just shows that the timing of it, the India is keen to project that it is not going to be under any sort of pressure when it comes to its trade relationships with different countries.

这次访问早就计划好了，但他继续进行的事实表明，印度急于表明在与不同国家的贸易关系上不会受到任何压力。

🔍 Now, even President Trump has threatened to yesterday additional levies on farmer products which is going to hit India even more.

昨天，特朗普总统甚至威胁对农产品征收额外关税，这将进一步打击印度。

🔍 And this comes on the back of 25 percent tariffs that you spoke about earlier, Katie, which go into effect on the seventh August of Indian goods entering the American market and then those reciprocal tariffs as India continues to buy crude from Russia.

这紧随你之前提到的25%关税之后，这些关税将于8月7日对进入美国市场的印度商品生效，而如果印度继续从俄罗斯购买原油，还将面临报复性关税。

 00:24:34

🔍 India has said that it is essential that it purchases this oil from Russia because it's one of the largest countries which is importing oil and it's for its own energy security if it's own people to keep fuel prices low.

印度表示，从俄罗斯购买石油至关重要，因为它是最大的石油进口国之一，这是为了其自身的能源安全，以保持国内燃料价格低廉。

🎵 For now, India has also talked about double standards when it comes to purchases from Russia saying even countries like the US and the EU are also making up resources, are also buying resources from Russia like palladium and uranium.

目前，印度还谈到了从俄罗斯购买资源的双重标准，称即使是美国和欧盟等国家也在购买俄罗斯的资源，如钯和铀。

🎵 So India should not be singled out, but it's going to be a while before the two sides can agree on a larger trade deal.

因此，印度不应被单独挑出来，但双方要达成更大的贸易协议还需要一段时间。

 00:25:10

🎵 To be in a good deal, thanks for your reporting there.

为了达成一项好协议，感谢你的报道。

🎵 Now, it's not just India, but Brazil also is facing some of the steepest US tariffs which are set to take effect in just a few minutes.

现在，不仅是印度，巴西也面临一些最高的美国关税，这些关税将在几分钟内生效。

🎵 Latin America's largest economy is looking at a 50 percent tariff on many of the products it sends to the United States.

拉丁美洲最大的经济体正面临对其出口到美国的许多产品征收50%的关税。

🎵 It will impact some of Brazil's biggest exports, including coffee and beef.

这将影响巴西的一些最大出口产品，包括咖啡和牛肉。

 00:25:29

🎵 Trump has attributed the tariffs to the trial of his ally and former Brazilian president, Jair Bolsonaro, who faces allegations of involvement in an attempted coup.

特朗普将这些关税归因于其盟友、巴西前总统贾伊尔·博索纳罗的审判，后者被指控参与未遂政变。

🎵 Trump has called this a witch hunt.

特朗普称这是一场政治迫害。
