你能详细谈谈我们今天对泽连斯基与特朗普之间的会谈了解多少吗？

 00:01:49

▶ It's just one of a number of bilateral meetings that the president is having on the side of the UN General Assembly happening today in New York, presencing down with President Zelensky of Ukraine.

这只是总统在纽约举行的联合国大会期间进行的一系列双边会晤之一，今天与乌克兰总统泽连斯基进行了会面。

▶ And of course, this comes just weeks after that huge meeting that happened here in Washington between Zelensky and the coalition of the willing, which is about seven countries that are focused on an end to the war in Ukraine and preserving Ukrainian sovereignty.

当然，这是在泽连斯基与意愿联盟在华盛顿举行那次重要会议仅仅几周之后，该联盟大约由七个国家组成，专注于结束乌克兰战争和维护乌克兰主权。

▶ Now, of course, President Trump sitting there with Zelensky.

现在，当然，特朗普总统与泽连斯基坐在一起。

 00:02:16

▶ You see it there on the screen.

🎧 I'm talking about how to get an end to this war, especially after President Trump had that meeting with President Putin back in August that really has not come to fruition as far as ending the war.

我正在讨论如何结束这场战争，特别是在特朗普总统八月份与普京总统会晤之后，就结束战争而言，那次会晤确实并未取得成果。

🎧 The president also said today during his speech to the entire assembly that it's embarrassing that Europeans are still buying Russian oil and products, energy products, I should say, that is helping fund the war in Ukraine.

总统今天在向全体大会发表的演讲中还表示，欧洲人仍在购买俄罗斯的石油和产品，能源产品，我应该说，这令人尴尬，因为这正在助长资助乌克兰战争。

 00:02:43

🎧 Now, before he met with Zelensky, the president sent down with President Erska Vonderlain of the European Commission.

在他与泽连斯基会晤之前，总统会见了欧盟委员会主席厄萨·冯德莱恩。

🎧 And she said he's right, and that they need to stop purchasing those products, find a way out or an alternative to help stop funding this war in Ukraine.

她表示他是对的，他们需要停止购买这些产品，找到出路或替代方案，以帮助停止资助乌克兰的这场战争。

🎧 So, expecting perhaps some news out of that today is the two leaders meet, and especially as the president continues to send Secretary Rubio and his special envoy Steve Wyckoff to the region to try to negotiate some type of an end to this war.

因此，预计两位领导人今天的会晤可能会传出一些消息，尤其是总统继续派遣鲁比奥部长和他的特使史蒂夫·怀科夫前往该地区，试图谈判某种形式的战争结束。

 00:03:13

🎧 All right, Olivia Ranaldi joining us there from Washington, B.C., Olivia, thank you.

▶ And CBS News Middle East correspondent, Courtney Kile, joins us here on set to discuss the impacts of Trump's speech.

CBS新闻中东#记者#考特尼·凯尔加入我们演播室，讨论特朗普演讲的影响。

▶ Courtney, I know that the idea of recognizing a policy in the state is a major issue here at this UN General Assembly.

考特尼，我知道承认巴勒斯坦国政策是本次联合国大会的一个主要议题。

 00:03:30

▶ President Trump said today recognizing a palliating city in state would be too much of a reward for Hamas, as you well know.

特朗普总统今天表示，承认巴勒斯坦国对哈马斯的奖励太过丰厚，正如你熟知。

▶ Five countries, including France, have recently done so.

包括法国在内的五个国家最近已经这样做了。

▶ What does a formal recognition really mean at this point?

在这一点上，正式承认究竟意味着什么？

▶ Well, this is an evolution.

嗯，这是一个#演变#。

▶ This isn't just happening now with this war and this president and these leaders.

这不只是现在随着这场战争、这位总统和这些领导人才发生的。

 00:03:50

▶ This has started in 1988, Palestinian Declaration of Independence.

这始于1988年，巴勒斯坦的独立#宣言#。

▶ 2012, there was a lot of recognition by about 147 member states of the UN as a, as Palestine is a non-member state.

2012年，大约有147个联合国成员国承认巴勒斯坦为非成员国观察员国。

▶ And then you had big European countries along with Australia and Canada doing this now, almost in, in a way, to reject the war in Gaza and the ongoing annexation of the West Bank or informal annexation.

然后你现在看到大的欧洲国家以及澳大利亚和加拿大现在这样做，几乎是以一种方式，来拒绝加沙战争和正在进行的吞并西岸或非正式吞并。

bilibili 00:04:17

▶ So now at the UN, 81% of member states approximately recognize Palestine as an independent non-member state.

所以现在在联合国，大约81%的成员国承认巴勒斯坦为独立的非成员国观察员国。

▶ So, does the UN have any leverage here?

那么，联合国在这里有任何#影响力#吗？

▶ Good question and not really.

好问题，但并非如此。

▶ They can write resolutions.

他们可以起草决议。

▶ They can have UN Security Councils, but we have seen in the past that this might be inert and not really affect change.

他们可以召开联合国安理会，但我们在过去看到这可能#无效#，并不能真正带来改变。

bilibili 00:04:38

▶ It does set a precedent.

它确实树立了一个#先例#。

▶ It does set a world leadership while President Trump's administration and Mark Rubio said this was irrelevant.

它确实树立了世界领导地位，而特朗普政府和马克·鲁比奥曾称这#无关紧要#。

▶ One could argue it's irrelevant for the U.S. and U.S. policy in Israel, but it's not irrelevant for the world leaders and the rest of the world.

有人可能争辩说这对美国美国的以色列政策无关紧要，但对世界领导人和世界其他地区来说并非无关紧要。

▶ Especially as you see so many countries jumping onto that list now, too.

尤其是当你看到现在这么多国家也加入这个名单。

bilibili 00:04:59

▶ Courtney, I also want to ask about Israel pushing forward now with attacks in Gaza City.

考特尼，我还想问问以色列现在在加沙城推进攻击的情况。

▶ What do we know about the situation inside the enclave at this point?

目前我们对这个#飞地#内部的情况了解多少？

▶ And what is the latest on a possible ceasefire?

关于可能的停火有什么最新消息？

▶ President Trump said ceasefire now.

特朗普总统说现在停火。

▶ He said release all the hostages, not one by one, but now.

他说释放所有人质，不是一个一个地，而是现在。

▶ And the hostages and missing families forum did react to what he said at the UN, saying that it was regrettable that the Israeli leadership wasn't also calling for a ceasefire and wasn't also calling for a release of hostages this taking place on the Jewish New Year of Russia-Shana.

人质与失踪者家属论坛确实对他联合国所言做出了反应，称令人遗憾的是以色列领导层没有同时呼吁停火，也没有在犹太新年罗什哈沙纳之际呼吁释放人质。

bilibili 00:05:34

▶ And we'll have to see what we're hearing from Netanyahu and the Palestinian leadership, but the war grinds on.

我们将不得不关注从内塔尼亚胡和巴勒斯坦领导层那里听到什么，但战争在持续。

▶ And many Israeli leaders in intelligence and military have not been okay with this military onslaught happening in Gaza.

许多以色列情报和军事领导人并不赞同在加沙发生的这场军事#猛攻#。

▶ And many, we've seen several more than a dozen international groups, including two Israeli human rights groups called this a genocide.

而且许多，我们已经看到十几个以上的国际组织，包括两个以色列人权组织，称此为种族灭绝。

 00:05:57

▶ Courtney Keely, thank you very much for joining us here on set.

考特尼·基利，非常感谢你加入我们演播室。

▶ The Secret Service revealed it has dismantled a plot targeting senior U.S. government officials that had the potential to cause major disruptions to the UN meetings here in Washington, or here in New York, I should say this week.

特勤局透露已挫败一起针对美国高级政府官员的阴谋，该阴谋有可能对本周在华盛顿，或者说在纽约这里举行的联合国会议造成重大干扰。

▶ CBS News Homeland Security Correspondent Nicole Skenga is in Washington with more on the investigation surrounding this possible threat.

CBS新闻国土安全#记者#妮可·斯肯加在华盛顿为我们带来更多关于这项围绕潜在威胁的调查信息。

 00:06:22

▶ The investigation began earlier this year when a number of unidentified White House officials, including some protected by the U.S. Secret Service, started receiving anonymous threats over the phone.

调查于今年早些时候开始，当时一些身份不明的白宫官员，包括一些受美国特勤局保护的人员，开始接到匿名电话威胁。

▶ That led to the Secret Service discovering and dismantling a sprawling network of servers, a SIM farm that included more than 100,000 SIM cards at abandoned apartment buildings across the New York City area, more than five sites.

这导致特勤局发现并捣毁了一个庞大的服务器网络，一个SIM卡农场，在纽约市各地的废弃公寓楼中有超过10万张SIM卡，涉及超过五个地点。

▶ Now federal law enforcement says this telecommunications network was so powerful, it was capable of sending 30 million text messages per minute, could text the whole country within 12 minutes, potentially overwhelming and shutting down New York City's cellular network.

现在联邦执法部门表示，这个电信网络非常强大，每分钟能够发送3000万条短信，可以在12分钟内向全国发送短信，有可能压垮并导致纽约市的蜂窝网络瘫痪。

 00:07:05

▶ Now at the site's investigators also found a trove of computers and phones, illegal firearms, and 80 grams of cocaine, officials say multiple foreign governments use the network to communicate with individuals known to U.S. law enforcement, including members of organized crime gangs, and even drug cartels.

在现场，调查人员还发现了大量电脑和手机、非法枪支以及80克可卡因，官员称多个外国政府利用该网络与美国执法部门已知的个人进行通信，包括有组织犯罪团伙成员，甚至毒品卡特尔。

▶ But they wouldn't reveal the specifics here, investigators called this operation well organized and well-funded.

但他们不会透露具体细节，调查人员称这次行动组织严密、资金充足。

▶ No arrests have been announced so far, but the investigation is ongoing, and the special agent in charge of the Secret Service says the device is no longer, pose a threat to New York City, but he believes they will find more targets as the investigation continues.

目前尚未宣布任何逮捕，但调查仍在进行中，特勤局负责此案的特别探员表示，该设备不再对纽约市构成威胁，但他相信随着调查继续，他们会发现更多目标。

 00:07:49

▶ Nicole Skanga in Washington, send it back to you.

华盛顿的妮可·斯肯加，交还给你。

▶ All right, Nicole, thank you.

好的，妮可，谢谢你。

▶ President Trump now says he will not meet with Democrats to discuss a short-term funding plan unless they revise their demands.

▶ And earlier, he slammed that decision claiming Republicans are creating a health care crisis that is devastating America.

此前他曾抨击该决定，指责共和党人正在制造一场摧残美国的医疗保健危机。

《吉米·坎摩尔直播秀》将于今晚重返深夜档，但仍有数百万人无法收看。

bilibili 00:08:28

▶ Next star, and Sinclair, which together control about a quarter of all ABC affiliates, say they will not air the show after Disney reversed its decision to bench Kimmel.

拥有近四分之一ABC附属台的Nextstar和辛克莱集团表示，在迪士尼撤销雪藏坎摩尔的决定后，他们仍将拒绝播出该节目。

▶ That was because of his political commentary about Charlie Kirk's assassin in the fallout from it.

这源于坎摩尔对查理·柯克#刺杀事件#余波所发表的政治#评论#。

▶ The suspension has prompted protests, boycotts, and debates over free speech across the country.

此次#停播#事件已引发全国范围内的抗议、抵制以及关于言论自由的辩论。

bilibili 00:08:51

▶ Let's bring it now, Peter Koffke.

现在有请彼得·科夫克。

▶ He is chief correspondent for Business Insider.

他是商业内幕网的首席#记者#。

▶ Thank you very much for joining us here, Peter, to talk about all this.

非常感谢您今天参与讨论，彼得。

▶ First, for people who are not familiar, can you talk about why these affiliate stations aren't obligated to broadcast what the network is airing and who holds the ultimate authority here?

首先为不熟悉的观众解释一下，为何这些附属台没有义务转播电视网内容？最终决定权在谁手中？

bilibili 00:09:11

▶ It's actually a bit of a debate.

这其实存在争议。

▶ The broadcast affiliates have the right in some circumstances to say they don't want to carry a particular piece of programming, usually because they feel that it somehow offends their community standards.

广播附属台有权在某些情况下拒绝转播特定节目，通常因认为内容违反当地社区标准。

▶ That's different than saying on an ongoing basis, we're not going to take ABC programming.

这与宣称将长期拒绝ABC#节目#有本质区别。

▶ They're more or less in a contract that says, we have this license, we're going to work with ABC, we are going to show what ABC shows us.

它们与ABC存在合约关系：持有播出许可，与ABC合作，转播ABC提供的内容。

 00:09:37

▶ Brendan Carr, who runs the FCC, has been pushing local broadcasters to push back against the folks like Disney.

联邦通信委员会负责人布伦丹·卡尔一直施压地方电视台抵制迪士尼等机构。

▶ A lot of this is up for debate right now.

目前诸多环节尚存争议。

▶ It seems like we just heard of this, had this daytime, where for now, next hour in St. Clair, I'm just simply not going to show the Kimmel show, and I don't know that Disney is going to do anything about that.

就像圣克莱尔电视台临时决定停播坎摩尔秀，迪士尼短期内可能无计可施。

 00:09:57

▶ What does this reinstatement mean for Disney, especially if a huge chunk of its affiliates still refuses to air the show?

节目复播对迪士尼意味着什么？尤其当大量附属台仍拒绝转播时？

▶ Can you give us just a broader picture of what's at stake here?

能否从更宏观角度分析当前的#利害关系#？

▶ How does this all really play out?

事态将如何发展？

▶ There's the dollars and cents of it are interestingly fairly small at the moment.

有趣的是，当前直接经济损失其实很小。

🎧 Jimmy Kimmel's late night show, like all late night programming, whether it's on broadcast or cable, just doesn't get that many viewer these days.

与所有深夜#节目#一样，无论广播还是有线电视，坎摩尔秀如今观众量本就不高。

 00:10:23

🎧 It's about a million people a day per show, watch that show, which is not nothing, but it's certainly, we're certainly going to talk about the Carson days of 30, 40 years ago.

每期约百万观众虽不可忽视，但远不及三四十年前卡森时代的盛况。

🎧 On top of that, lots of people watch, and most people watch Jimmy Kimmel, who do watch Jimmy Kimmel, are watching online in some way.

更重要的是，多数观众通过流媒体平台或次日短视频片段收看。

🎧 They're either watching them through a streamer like Hulu, which again is not dependent on those affiliates, or most likely they're watching him the next day on clips, on YouTube and TikTok.

他们要么通过Hulu等不依赖附属台的流媒体观看，要么在YouTube和TikTok上看次日剪辑版。

 00:10:51

🎧 So, it's hard to say that a meaningful number of people won't be able to see Jimmy Kimmel if they want to, at least tonight in the next couple of days.

因此很难说有多少真正想看的观众会无法收看，至少近期内如此。

🎧 That's a really interesting point.

这个观点很有意思。

🎧 Peter, I know that part of this conversation has also included other media companies.

彼得，我知道讨论还涉及其他媒体公司。

🎧 President Trump has attacked in all this.

特朗普总统也对此发表抨击。

▶ Is there any real threat against their broadcast licenses?

广播牌照是否面临真实威胁？

bilibili 00:11:13

▶ In an earlier era, you'd say, no, this is not an issue where the federal government's going to remove someone's broadcast licenses.

换作早年，联邦政府绝不会因这类问题吊销牌照。

▶ But Donald Trump has been talking about this for years, and his first presidency after he was out of the office, and now that he's back in.

但特朗普多年来持续强调这点，离任后乃至当前重返政坛仍坚持此论调。

▶ This time around, he's got an FCC commissioner, Brendan Carr, who seems very willing to have those discussions, or at least to hold that out as a possible stick to get media companies to do what they want.

此次他获得FCC委员布伦丹·卡尔支持，后者似乎乐于推动相关讨论，至少将其作为制约媒体的潜在手段。

bilibili 00:11:38

▶ We're nowhere near that level yet, but part of the reason this is such an interesting story, we never thought we'd be at this place a year or two ago, where the president and his top media regulator are openly calling on ABC and the affiliates to punish a particular program and programmer.

虽然远未到实施阶段，但此事之所以引人关注，是因为一两年前无人能想象总统与最高媒体监管官员会公开要求ABC及附属台封杀特定节目和主持人。

▶ Certainly going to be a lot of people watching tonight.

今晚注定会有大量观众关注。

▶ Peter Kaka, thank you very much.

彼得·卡卡，非常感谢。

🎧 It's just one of a number of bilateral meetings that the president is having on the side of the UN General Assembly happening today in New York, presencing down with President Zelensky of Ukraine.

这仅是总统在纽约联合国大会期间举行的一系列双边会晤之一，此次是与乌克兰总统泽连斯基面对面交谈。

🎧 And of course, this comes just weeks after that huge meeting that happened here in Washington between Zelensky and the coalition of the willing, which is about seven countries that are focused on an end to the war in Ukraine and preserving Ukrainian sovereignty.

当然，此次会晤距离泽连斯基在华盛顿与"意愿联盟"（约七个致力于结束乌克兰战争、维护乌主权国家）举行重大会议仅隔数周。

🎧 Now, of course, President Trump sitting there with Zelensky, you see it there on the screen.

此刻特朗普总统正与泽连斯基会谈，画面已呈现在屏幕上。

 00:27:19

🎧 I'm talking about how to get an end to this war, especially after President Trump had that meeting with President Putin back in August that really has not come to fruition as far as ending the war.

双方正在探讨如何结束战争，特别是考虑到特朗普总统八月与普京总统的会晤在止战方面并未取得实质成果。

🎧 The president also said today during his speech to the entire assembly that it's embarrassing that Europeans are still buying Russian oil and products, energy products, I should say, that is helping fund the war in Ukraine.

总统今日在全体演讲中还指出，欧洲仍在购买俄罗斯石油和能源产品（准确而言）资助乌克兰战争，这令人难堪。

🎧 Now, before he met with Zelensky, the president sent down with President Erza Von der Leyen of the European Commission, and she said he's right, and that they need to stop purchasing those products, find a way out or an alternative to help stop funding this war in Ukraine.

在与泽连斯基会晤前，总统与欧盟委员会主席乌尔苏拉·冯德莱恩进行了交流，她认同总统观点，表示需停止购买这些产品，寻找替代方案以切断对乌克兰战争的资金支持。

 00:28:00

▶ So expecting, perhaps some news out of that today is the two leaders meet, especially as the president continues to send Secretary Rubio and his special envoy Steve Wyckoff to the region to try to negotiate some type of an end to this war.

因此预计两位领导人今日会晤可能传出消息，尤其是总统持续派遣鲁比奥部长及其特使史蒂夫·威克夫前往该地区协商某种形式的战争终结方案。

▶ All right, Olivia Ranaldi joining us there from Washington, B.C., Olivia, thank you.

好的，奥利维亚·雷纳尔迪从华盛顿特区带来的报道，奥利维亚，谢谢。

▶ And CBS News Middle East correspondent, Courtney Kiley, joins us here on set to discuss the impacts of Trump's speech.

现在有请CBS新闻中东#记者#考特尼·凯利加入演播室，探讨特朗普演讲的影响。

 00:28:25

▶ Courtney, I know that the idea of recognizing a policy in the state is a major issue here at this UN General Assembly.

考特尼，我知道在此次联合国大会上，承认巴勒斯坦国政策是重要议题。

▶ President Trump said today, recognizing a palliating city in state would be too much of a reward for Hamas, as you well know.

特朗普总统今日表示，承认巴勒斯坦国是对哈马斯的过度奖励，这您也清楚。

▶ Five countries, including France, have recently done so.

包括法国在内的五个国家近期已采取承认行动。

▶ What does a formal recognition really mean at this point?

目前阶段正式承认究竟意味着什么？

 00:28:45

▶ Well, this is an evolution.

这是一个#演变过程#。

▶ This isn't just happening now with this war and this president and these leaders.

这并非仅因当前战争、这位总统或这些领导人而突然发生。

▶ This has started in 1988, Palestinian Declaration of Independence.

它始于1988年巴勒斯坦《独立#宣言#》。

▶ In 2012, there was a lot of recognition by about 147 member states of the UN as Palestine is a non-member state.

2012年，约147个联合国成员国承认巴勒斯坦为非会员观察员国。

▶ And then you had big European countries along with Australia and Canada doing this now, almost in a way to reject the war in Gaza and the ongoing annexation of the West Bank or informal annexation.

如今更多欧洲大国与澳大利亚、加拿大相继承认，某种程度上是为反对加沙战争及持续发生的西岸吞并或事实吞并。

 00:29:18

▶ So now at the UN, 81% of member states, approximately, recognize Palestine as an independent non-member state.

目前联合国约81%成员国承认巴勒斯坦为独立的非会员观察员国。

▶ So, does the UN have any leverage here?

那么联合国在此是否具有#影响力#?

▶ Good question and not really.

问得好，但实际并无太大作用。

▶ They can write resolutions.

他们可以起草决议。

▶ They can have UN Security Councils, but we have seen in the past that this might be inert and not really affect change.

可以召开联合国安理会，但过往经验表明这可能#收效甚微#，难以真正推动改变。

bilibili 00:29:39

▶ But it does set a precedent.

但这确实树立了#先例#。

▶ It does set a world leadership while President Trump's administration and Mark are Rubio said this was irrelevant.

这确立了全球领导态势，尽管特朗普政府与马克·鲁比奥称此举#无关紧要#。

▶ One could argue it's irrelevant for the U.S. and U.S. policy in Israel, but it's not irrelevant for the world, leaders and the rest of the world.

或许有人认为这对美国及其中东政策无足轻重，但对世界格局、各国领导人及国际社会而言绝非小事。

▶ Especially as you see so many countries jumping onto that list now too.

尤其是当下越来越多国家加入承认行列。

bilibili 00:30:01

▶ Courtney, I also want to ask about Israel pushing forward now with attacks in Gaza City.

考特尼，我还想询问以色列目前对加沙城推进攻击的情况。

▶ What do we know about the situation inside the enclave at this point?

目前我们对这座#飞地#内部状况了解多少？

▶ And what is the latest on a possible ceasefire?

停火谈判有何最新进展？

▶ Prime President Trump said ceasefire now.

特朗普总统强调立即停火。

▶ He said release all the hostages, not one by one, but now.

要求立即释放全部人质，而非逐个进行。

▶ And the hostages and missing families forum did react to what he said at the UN, saying that it was regrettable that the Israeli leadership wasn't also calling for a ceasefire and wasn't also calling for a release of hostages this taking place on the Jewish New Year of Russia Shana.

人质与失踪者家属论坛对其联合国言论作出回应，表示遗憾以色列领导层未在犹太新年罗什哈沙纳期间同样呼吁停火及释放人质。

 00:30:35

▶ And we'll have to see what we're hearing from Netanyahu and the Palestinian leadership, but the war grinds on.

我们尚需关注内塔尼亚胡及巴勒斯坦领导层的表态，但战争仍在持续。

▶ And many Israeli leaders and intelligence and military have not been okay with this military onslaught happening in Gaza.

许多以色列领导人、情报及军事人员并不认可当前在加沙的军事#猛攻#。

▶ And many, we've seen several more than a dozen international groups, including two Israeli human rights groups called this a genocide.

包括两个以色列人权组织在内的十余个国际团体指责此为种族灭绝。

 00:30:58

▶ Courtney Keely, thank you very much for joining us here on set.

考特尼·凯利，非常感谢您来到演播室。
