🎧 So how seriously John are you taking his comments that the safety or the security of Ukraine needs to be secured?

 00:09:51

🎧 How do you think President Trump and President Putin will be feeling about how today is going to end?

你认为两位总统对今日结果作何感想？

🎧 Well I think that that was Vladimir Putin throwing a bone to Donald Trump saying oh yes we must ensure the security of Ukraine but at the same time as he said that Russian missiles continue to be fired into Ukraine.

我认为普京是在敷衍特朗普，口头承诺保障乌克兰安全，实则继续导弹袭击。

🎧 Innocent men and women and children continue to be killed by Russian missiles and in fact in recent weeks after they have had a conversation Vladimir Putin and Donald Trump.

无辜民众持续伤亡，而近几周普京与特朗普通话后，

 00:10:22

🎧 Vladimir Putin has increased Russian attacks on Ukraine and in fact Donald Trump said the other day that his wife Melania said to him you keep saying you have these nice conversations with Vladimir Putin and then that afternoon he increases his attacks.

俄军攻势反而加剧。特朗普曾说，妻子梅拉尼娅质问他："你总说与普京谈得好，可他当天下午就加强攻击。"

梅拉尼娅都看出问题，而今日特朗普完全被压制。

🎧 He was played like a fiddle.

他被玩弄于股掌之间。

 00:10:48

▶ Yeah John that sort of goes to my next question I suppose Donald Trump referred to Vladimir Putin in that press conference by his first name a few times.

约翰，这引出了我的下一个问题——特朗普在记者会上多次直呼普京其名。

▶ We saw President Putin appear to sort of flatter the US president.

普京似乎也在奉承特朗普。

▶ He said the war wouldn't have started if Donald Trump was president.

他说若特朗普在任战争就不会爆发。

▶ What has this meeting today shown about the relationship between Vladimir Putin and Donald Trump do you think?

▶ And I think that what we've seen today is that Donald Trump doesn't really know how to handle Vladimir Putin.

今日可见特朗普根本不懂如何应对普京。

 00:11:43

▶ President after President here has seen, has come into office and decided they will try to tame the bear, the Russian bear Vladimir Putin.

历任美国总统上任后都想驯服普京这头“俄罗斯熊”。

▶ And in fact George Bush, Jr. had him to his ranch in Texas and then said the next that day I've seen into his soul, Vladimir's soul, he's a trustworthy man and a good man.

小布什曾邀普京到得州牧场，次日便宣称"我看透了他的灵魂，他是个可信赖的好人"。

▶ And of course a year or two later George Bush had complete contempt for Vladimir Putin because Putin said to him, I will invade Ukraine and went ahead with plans to do it.

结果一两年后小布什对普京充满蔑视，因普京明确告知要入侵乌克兰并付诸行动。

 00:12:15

▶ Now we've seen here, I don't think Donald Trump knows how to handle Vladimir Putin, I think he's been outsmarted.

如今特朗普显然也被普京智取。

▶ And it was crucial when Vladimir Putin said, our next meeting, you know, we're getting on well should be in Moscow, come to Moscow.

关键的是普京说"下次应在莫斯科会晤"，这暗示要绕过泽连斯基。

▶ What that means of course is that's code for cutting out Vladimir Zelensky, completely cutting him out.

这完全排除了泽连斯基。

 00:12:36

▶ Donald Trump was prepared to have Vladimir Zelensky here for this meeting and Putin said no and now Putin is saying the war will continue not even a conditional ceasefire.

特朗普原想邀请泽连斯基参会，被普京拒绝。现在普京连有条件停火都不提，直言战争继续。

▶ The war will continue, we must eliminate.

"战争继续，必须消除（威胁）"——欧洲各国听到这种冷酷直白的表态会不寒而栗。

▶ So the Europeans would be quite chilled by the coldness and the brutal simplicity with which Vladimir Putin said the war will continue.

普京以残酷的直白宣称战争继续，欧洲各国必将感到寒意。

bilibili 00:13:00

▶ And there are his editor John Lyons in Anchorage, Alaska there for us.

这是他的编辑约翰·莱昂斯在阿拉斯加的安克雷奇为我们报道。

▶ Thanks so much for your insights and analysis this morning.

▶ Yes, thanks so much for having me.

是的，非常感谢邀请我。

▶ There's very little that we know really about what was discussed behind those closed doors but based on that meeting and the press briefing afterwards, how do you expect this will be received in Ukraine?

我们对闭门会议的内容知之甚少，但根据那次会议和之后的新闻发布会，你预计乌克兰会如何接受这一结果？

▶ Yes, so this was a much shorter meeting than expected.

是的，这次会议比预期的要短得多。

▶ It looks like both presidents spent just five hours on the Alaska soul there to discuss things.

看起来两位总统在阿拉斯加只花了五个小时讨论问题。

bilibili 00:13:48

▶ We don't know exactly what they have discussed.

我们不知道他们具体讨论了什么。

▶ They're afraid they're afraid from the comments to publicly didn't take even Q&A.

他们害怕公开评论，甚至没有接受问答。

▶ What I've heard just now, I was watching Fox News interview with Trump.

我刚才听到的是，我在看福克斯新闻对特朗普的采访。

▶ He was talking about how he feels, you know, how the things went and he said that they'll be meeting which will be organized between Putin and Zelensky and he is going to be there too.

他谈到了他的感受，事情进展如何，并说他们将组织普京和泽连斯基之间的会议，他也会参加。

 00:14:12

▶ So it looks like there are some movements.

所以看起来有一些进展。

▶ Yes, there were no deal made as a result of the summit.

是的，峰会没有达成任何协议。

▶ They didn't even agree on cease firing Ukraine but at least, you know, there are some moves, you know, hopefully to to peace in Ukraine.

他们甚至没有同意在乌克兰停火，但至少有一些行动，希望朝着乌克兰和平的方向发展。

▶ So Donald Trump made his attempt to move ahead, you know, to make Russia make the deal.

所以唐纳德·特朗普试图推动俄罗斯达成协议。

 00:14:35

▶ I mean, the steps taken.

我指的是采取的步骤。

▶ So it looks like they'll be a meeting which is great.

所以看起来会有一场会议，这很好。

▶ So Ukraine will be at the table and what will be discussed to, you know, I think we'll hear more in next even couple of hours, possibly what will be planned and when and how.

因此，乌克兰将参与谈判，讨论的内容，我想我们会在接下来的几个小时里听到更多，可能会知道计划、时间和方式。

▶ So I feel there would be, you know, at least some positivity that they'll be a meeting where Ukraine will be at the table, will be asked what they can accept, what, you know, what they can't and the movement towards the peace hopefully will happen.

所以我觉得至少有一些积极因素，乌克兰将参与会议，被问及他们能接受什么，不能接受什么，希望和平的进程会发生。

 00:15:04

▶ So I try to be optimistic.

所以我尽量保持乐观。

▶ Yeah, there is, as you say, obviously a lot more probably still to come to light over the next few hours.

是的，正如你所说，显然在未来几个小时还会有更多消息。

▶ From what we heard there, the Russian president referred to the root causes of the war.

从我们听到的内容来看，俄罗斯总统提到了战争的根源。

▶ Obviously, Russia invaded Ukraine in 2022.

显然，俄罗斯在2022年入侵了乌克兰。

▶ So what's your interpretation of what Vladimir Putin means by that?

那么你对弗拉基米尔·普京的这番话有何解读？

 00:15:29

▶ Yeah. So as, as remember, you know, what he put as a root causes is that Ukraine should not join, you know, close to NATO anywhere and there should be a denotification as, you know, Russia put about Ukraine.

是的，正如你所记得的，他提出的根源是乌克兰不应靠近北约，并且应该像俄罗斯对乌克兰那样进行非军事化。

⏮ Again, how we can measure if the results will be achieved or, you know, anything can be achieved in that direction.

同样，我们如何衡量是否会取得成果，或者在这方面是否能取得任何成果。

⏮ That's a big question.

这是一个大问题。

 00:15:51

⏮ So I feel this is just a figure of speech, you know, when he says that, you know, something else should be done for the war to finish.

所以我觉得这只是他的措辞，他说需要采取其他措施来结束战争。

⏮ So he's using it as a, you know, as an explanation to what is happening probably from, from Russian sides to what's Ukraine.

所以他用它作为一种解释，可能是从俄罗斯的角度来解释乌克兰的情况。

⏮ Again, you know, I really hope that there was at least some steps done into the right direction that peace will be achieved.

再次，我真的希望至少有一些朝着正确方向的步骤，以实现和平。

 00:16:16

⏮ We know that Donald Trump tries to make peace to every war in this world.

我们知道唐纳德·特朗普试图为世界上的每一场战争带来和平。

⏮ He, I think, successfully have achieved peace in nine conflicts in the last, you know, four months.

我认为他在过去四个月里成功地在九场冲突中实现了和平。

⏮ So hopefully that would be as well achieved here in Ukraine, Russia, or again, you know, I really hope that there's more to this to follow some positivity.

所以希望这也能在乌克兰和俄罗斯实现，我真的希望接下来会有更多积极进展。

 00:16:42

⌂ And plus, you know, it's, I think it's good news that they'll be meeting where Ukraine is part of it because Ukraine has to be part of it when it's, it's destiny has been decided in a way.

另外，我认为乌克兰能参与会议是个好消息，因为乌克兰的命运在某种程度上被决定时，它必须参与其中。

⌂ So Ukraine needs to now accept, you know, or decline the proposal that we're probably discussed at the closed doors between Trump and Putin.

所以乌克兰现在需要接受或拒绝特朗普和普京在闭门会议上可能讨论的提议。

⌂ And Putin also said there that the security of Ukraine needs to be insured.

普京还表示，乌克兰的安全需要得到保障。

 00:17:12

⌂ What do you make of that statement from the Russian president?

你对俄罗斯总统的这一声明有何看法？

⌂ So of course, you know, security guarantees for Ukraine is one of the main things that Zelensky was trying to achieve in this deal that Russia, sorry, in Ukraine and US made on the minerals.

当然，乌克兰的安全保障是泽连斯基在这项协议中试图实现的主要目标之一，抱歉，是乌克兰和美国在矿产方面达成的协议。

⌂ So if Ukraine, the main cause was to get, you know, some security guarantees that Russia will not, you know, invade Ukraine again, that the territory will be kept as hopefully returned to, to the state of pre-ord 2014 before even the Donbass started the war started and Donbass in 2014.

所以如果乌克兰的主要目标是获得一些安全保障，确保俄罗斯不会再次入侵乌克兰，领土将保持或有望恢复到2014年顿巴斯战争开始前的状态。

 00:17:51

▶ So Ukraine needs security guarantees.

所以乌克兰需要安全保障。

▶ We don't want, as Zelensky said, they don't want a peace, a fragile peace, you know, we need a stable peace in the region, we need to know what Ukraine can rely on.

正如泽连斯基所说，我们不想要脆弱的和平，我们需要该地区的稳定和平，我们需要知道乌克兰可以依靠什么。

▶ And we need guarantees that will never happen again.

我们需要保证这种情况永远不会再发生。

▶ So that's probably what Putin is what referring to, you know, he also wants to achieve some guarantees, but in his favor, probably.

所以这可能是普京所指的，他也想获得一些保证，但可能是对他有利的。

 00:18:17

▶ Yes, a lot more to come on this story.

是的，关于这一事件还会有更多消息。

▶ No doubt, Olga Lina Kovar, thank you so much for your insights and time today.

毫无疑问，奥尔加·莉娜·科瓦尔，非常感谢你今天的时间和见解。

▶ Yes, thank you.

是的，谢谢。
