🎧 Today marks the end of this partnership and the end of a saga where her departure looked increasingly inevitable.

⏮ She was advised that meant she could pay the normal rate of stamp duty on her new place on the South Coast.

有人建议她，这意味着她可以为她在南海岸的新住所支付正常的印花税税率。

⏮ But as she acknowledged the other day, she later realised she ought to have paid the higher rate, charged to those with more than one home.

但正如她前几天承认的那样，她后来意识到自己本应支付更高的税率，这是针对拥有不止一套住房的人收取的。

⏮ As soon as I knew that that was the case, I have alerted and referred myself to the independent adviser on the ministerial code to ensure that they can look transparently at what happened.

我一知道情况如此，就立即提醒并将自己提交给部长守则的独立顾问，以确保他们能够透明地调查所发生的事情。

 00:04:29

⏮ Today, Celery Magnus, the independent adviser, said Angeliraina has acted with integrity, but she believed that she relied on the legal advice she had received, but unfortunately did not heed the caution contained within it, which acknowledged that it did not constitute expert tax advice and which suggested that expert advice be sought.

今天，独立顾问塞勒里·马格努斯表示，安吉拉·雷纳行事正直，但她相信了自己收到的法律建议，但不幸的是没有注意到其中包含的警告，该警告承认这不构成专业的税务建议，并建议应寻求专家意见。

▶ All like the Deams are harrow you have to resign from the Tory party as chair because he owed the HMRC £5 million.

也不像（此处原文“Deams are harrow”疑为名字听写错误，可能指某人）那样，他因为欠英国税务海关总署500万英镑而不得不辞去保守党主席的职务。

bilibili 00:08:00

▶ She made a mistake about in very complex circumstances around her personal situation at the moment going through a divorce and trying to protect her disabled son.

不幸的是，所有这一切都被公之于众，让她和她的家人都暴露在公众视线之下。

▶ I have a lot of sympathy with her, but I think she probably did make the correct decision to resign because her position was very difficult.

我很同情她，但我认为她辞职可能是正确的决定，因为她的处境非常艰难。

bilibili 00:08:21

▶ If you are going to uphold the highest standards in government and when an independent person pointed to look over ethics by government ministers says, I am afraid you know, although you acted with integrity, you probably could have done more and therefore didn't meet the high threshold we expect from people in high office.

如果你要维护政府的最高标准，那么当一位负责审查政府部长道德操守的独立人士表示，恐怕，尽管你行事正直，但你本可以做得更多，因此没有达到我们对高层官员期望的高标准。

▶ Then she has to abide by that.

那么她就必须遵守这一点。

▶ I think if she hadn't unfortunately kissed, I would have had to sack her.

我认为，如果她没有不幸地亲吻，我将不得不解雇她。

 00:08:44

▶ So she is acted with integrity as I think she has throughout and it is a shame she has gone because I think it unbalances a Labour government that is increasingly dominated by one faction of the Labour right and that is reflecting in its misjudgment.

所以她行事正直，我认为她一贯如此，她的离开很可惜，因为我认为这打破了一个工党政府的平衡，这个政府正日益被工党右翼的一个派别所主导，而这正体现在其错误的判断上。

▶ We will come back to that in a second.

我们稍后会再谈这一点。

▶ Andrew, Henry, let me get your response to that.

安德鲁，亨利，让我听听你们对此的回应。

▶ It is not like Nadim Zahawi who was invading tax to a much higher order.

这不像纳迪姆·扎哈维那样，他的税务问题要严重得多。

▶ What do you think to that?

你们对此怎么看？

▶ I mean, it is obviously something on a completely different magnitude and I don't believe, although I don't want to, it is obviously an actual legal term.

我的意思是，这显然是完全不同量级的事情，虽然我不想，但这显然是一个实际的法律术语。

▶ I don't believe this would qualify as tax evasion or if it would she is going to set it right.

我不认为这能算作逃税，或者即使是，她也会去纠正它。

bilibili 00:09:26

▶ Obviously this still presumably some kind of HMRC investigation to be done into the final points of it.

显然，这大概仍然需要英国税务海关总署就其中的最后几点进行调查。

▶ I think she had to go politically because but in part that is because of the way that we treat the ministerial code which I think is actually slightly problematic because this has been repeatedly emphasised during previous crises and routes.

我认为她在政治上必须下台，但部分原因在于我们对待部长守则的方式，我认为这实际上有点问题，因为在以前的危机和路线中这一点被反复强调。

▶ The ministerial code covers all behaviour from great to small and something can be a breach of the ministerial code without being a resigning matter.

部长守则涵盖所有行为，无论大小，有些事情可能违反了部长守则，但并非需要辞职的事由。

bilibili 00:09:56

▶ That came up famously during a previous Conservative Home Secretary who tried to get a driving test done privately or privately in order not to get press attention and it was she asked the civil service was reordered breach the ministerial code but not a resigning offense.

这一点在前任保守党内政大臣身上就很出名，她为了避开媒体关注而试图私下安排驾驶考试，她询问公务员这是否违反了部长守则，但结果这并非需要辞职的过错。

▶ I think if you didn't have that frame and we were here discussing the actual facts of the case she allegedly appears to have honestly made a mistake.

我认为，如果没有那个框架，而我们在这里讨论案件的实际事实，据称她似乎是诚实地犯了一个错误。

▶ Admittedly there was clear advice in the comments.

无可否认，评论中有明确的建议。

 00:10:27

▶ She said Angela Rainer is finally gone and it is only because of Sikir Starmer's weakness that she wasn't gone three days ago.

她说安吉拉·雷纳终于走了，而仅仅是因为基尔·斯塔默的软弱，她才没有在三天前离开。

▶ Is that fair because the picture you paint is that actually it wasn't black and white and there was a sort of grey area.

这公平吗？因为你描绘的情况是，实际上这并不是非黑即白的，而是存在某种灰色地带。

▶ It is a grey area.

这是一个灰色地带。

▶ We need to maintain a proportionate language about these things.

我们需要对这些事情保持相称的措辞。

 00:10:51

▶ She has obviously been a mass looting and she has not engaged in that.

她显然是一场大规模抢劫，而她并没有参与其中。

▶ You can read the letter or you can read the letter and there will presumably be more details to come.

你可以读读那封信，或者你可以读读那封信，估计还会有更多细节公布。

▶ I think that politically she had to go because you don't want to prime it.

我认为在政治上她必须离开，因为你不想让它成为焦点。

▶ It wasn't weak as she suggests.

这并不像她暗示的那样是软弱。

▶ You had to give time for the investigation to take place.

你必须给调查留出时间来进行。

bilibili 00:11:11

▶ Yes, I was saying I do have a problem with that whole mechanism because I think we end up talking about whether or not somebody who released the ministerial code and then that becomes a resigning matter effectively.

是的，我刚才说的是我对那整个机制确实有意见，因为我认为我们最终谈论的是某人是否违反了部长守则，然后这实际上就变成了需要辞职的事由。

▶ Celery Magnus made this decision about the future of a secretary of state.

塞莱里·马格努斯就一位国务大臣的去留做出了这个决定。

▶ I think Sikir Starmer probably should have made that decision himself.

我认为基尔·斯塔默可能应该自己做出那个决定。

bilibili 00:11:28

▶ Maybe if we didn't have that rubber stamp of this is officially bad he might have made a different one.

也许如果我们没有那个“这官方认定很糟糕”的橡皮图章，他可能会做出不同的决定。

▶ Andrew, you have hinted at the problem here for the soft left of the party.

安德鲁，你暗示了党内软左翼这里存在的问题。

▶ She was very much an anchor really with the grassroots and particularly the northern grassroots of the party.

她确实是基层，特别是党内北部基层的一个非常重要的支柱。

▶ Is there a risk that her departure changes the tilt of the cabinet and do you think that that voice is there in the reshuffle that has been announced this afternoon?

她的离开是否有改变内阁倾向的风险？你认为今天下午宣布的重组名单中有那种声音吗？

 00:11:56

🎧 Well, it's definitely not there in the reshuffle that's been announced this afternoon, but if you look at the mistakes, this Labour government has made over the cuts to winter fuel payments that have now been partially you turned on the cuts to disability benefits that were partially you turned on.

嗯，在今天下午宣布的重组名单中肯定没有，但如果你看看这个工党政府所犯的错误，比如在冬季燃料补贴削减上的错误（现已部分扭转），在残疾福利削减上的错误（也已部分扭转）。

🎧 It's a pausing response to the situation in Gaza and a number of other things as well.

还有对加沙局势的软弱回应以及其他一些事情。

🎧 I think it has made massive miscalculations and that's because it is a very narrow cabinet.

我认为它犯了巨大的错误判断，那是因为它是一个非常狭隘的内阁。

 00:12:25

🎧 If you look back at you know just historically to the cabinets of Harold Wilson or to Clement Ali, they had a breadth of opinion in their robustuous debate and I think that makes for better policy.

如果你回顾一下历史，看看哈罗德·威尔逊或者克莱门特·艾德礼的内阁，他们在激烈的辩论中拥有广泛的观点，我认为这能制定出更好的政策。

🎧 I think you know in some cases this reshuffle was probably there's somebody probably in Downing Street saying this is a really a stupide time to do reshuffle.

我认为，你知道，在某些情况下，这次改组可能——可能在唐宁街有人在说这真是一个愚蠢的改组时机。

🎧 It gets you back in control of the narrative.

它能让你重新掌控叙事。

 00:12:45

▶ It's you know it moves the conversation on from Angela Rainer to some extent and the tax and housing issues that that blows up.

你知道，它在某种程度上将话题从安吉拉·雷纳以及由此引发的税务和住房问题上转移开。

▶ But actually I don't think anybody out there much cares whether it's a vet Cooper or David Lamy who's foreign secretary or even you know Liz Kendall or Pat McFadden who's work and pension secretary most people have never heard of these people.

但实际上，我认为外面没多少人关心外交大臣是伊维特·库珀还是戴维·拉米，或者甚至工作和养老金大臣是莉兹·肯德尔还是帕特·麦克法登，大多数人从未听说过这些人。

▶ What matters is the policies that Labour's putting forward and the opinion polls tell us.

重要的是工党提出的政策，而民意调查告诉我们。

 00:13:09

▶ People are not happy with how this Labour government is.

人们对这个工党政府的表现并不满意。

▶ Lord Falks who's been on in the last half an hour he took issue with me characterizing this as a battle this contest for the part and soul of the party.

福尔克斯勋爵刚才半小时前上节目时，对我将其描述为一场争夺党的核心和灵魂的战斗提出了异议。

▶ Do you think that the contest to replace her as the deputy leader of the party is that serious.

你认为接替她担任党副领袖的竞争有那么严重吗？

▶ I mean it seems to it seems from what you're saying that you that you think it does need to be a battle for ideas.

我的意思是，从你所说的来看，你似乎认为这确实需要是一场思想上的斗争。

 00:13:37

▶ It does look I think Labour's in an existential crisis it was elected with just 33.7% of the vote.

看起来工党确实面临生存危机，它当时只以33.7%的得票率当选。

🎧 It was elected because the Tories were massively unpopular if you look at Labour's opinion poll ratings now a carestime as personal ratings.

它之所以当选是因为保守党极不受欢迎，如果你看看工党现在的民意调查评级，其支持率和个人评级都很低。

🎧 They're worse than Rishi soon acts were a year ago when he was booted out of office with the worst ever result for the Tories since in history of British democracy.

它们比一年前里希·苏纳克被赶下台时的支持率还要差，而那是保守党自英国民主历史以来最糟糕的结果。

 00:14:00

🎧 Labour's in a really really bad state they're polling at about 20% at the moment they've lost over a third of their vote in a year.

工党的状态非常非常糟糕，他们目前的民意调查支持率约为20%，在一年内失去了超过三分之一的选票。

🎧 And that's consistent this isn't just a blip this has been a consistent trend.

而且这是持续性的，这不仅仅是一个小波动，而是一个持续的趋势。

🎧 And I think there really has to be a very open and honest debate in this deputy leadership election where people do stand from different wings of the party and put forward their case.

我认为在这次副领袖选举中，真的必须进行非常开放和诚实的辩论，让来自党内不同派别的人站出来提出他们的主张。

 00:14:21

🎧 And that would be a very healthy thing it might be quite difficult in the short term for Labour but in the long term it will be the healthiest thing it could do and I hope that's allowed to happen.

这将是一件非常健康的事情，短期内对工党来说可能相当困难，但从长远来看，这将是它能做的最健康的事情，我希望这能被允许发生。

▶ Henry the change of foreign secretary at a time when we are trying to maintain a close relationship with the White House and David Lam to some extent has been very successful at that.

亨利，在我们正试图与白宫保持密切关系的时候更换外交大臣，而戴维·拉米在某种程度上在这方面非常成功。

▶ He courted the Trump administration before Labour came to power.

他在工党上台前就曾向特朗普政府示好。

bilibili 00:14:48

▶ He recently had JD Vance over here as a visitor.

他最近还邀请了JD·万斯来访。

▶ Do you think it's a wise idea to replace him with a vet Cooper?

你认为用伊维特·库珀取代他是一个明智的想法吗？

▶ I think in general we have far too many reshuffles in this country.

我认为总的来说，我们国家的内阁改组过于频繁。

▶ It takes a long time and we've been about a year for a minister to just get to grips with a very big sprawling important department.

这需要很长时间，一位部长大约需要一年时间才能刚刚掌握一个非常庞大、复杂的重要部门。

bilibili 00:15:08

▶ And every time that you chop and change that senior leadership team a lot of clocks in that department will be set back to zero on foreign policy.

而每次你更换那个高级领导团队，该部门在外交政策上的许多进程都会被重置归零。

▶ It's difficult because the UK is trying to thread a very very very fine needle here which is on the one hand they want to stay close to the United States.

这很困难，因为英国正试图在这里穿一根非常非常非常细的针，一方面他们想与美国保持密切关系。

▶ They want to try and keep the United States engaged in Ukraine, serve as that bridge between European and American interests and so on.

他们想努力让美国继续参与乌克兰事务，充当欧洲和美国利益之间的桥梁等等。

bilibili 00:15:30

▶ And the other hand Labour is making potentially a very big pivot away from American policy on the Middle East with its position on Palestine.

另一方面，工党凭借其在巴勒斯坦问题上的立场，可能正在大幅转向偏离美国的中东政策。

▶ And that's going to be quite a difficult balancing act and it may simply be that the prime minister thought that on balance if he is going to affect this substantive shift towards recognizing a Palestinian state and so on.

这将是一个相当困难的平衡行动，也许首相只是认为，总的来说，如果他打算实现这种承认巴勒斯坦国等的实质性转变。

▶ Maybe he needed somebody else at the helm, but overall I think that most of these moves probably we'd have been better off if they weren't made.

也许他需要换别人来掌舵，但总的来说，我认为如果这些变动大部分没有发生，情况可能会更好。

bilibili 00:15:57

▶ And move was doing excellent work at justice.

而穆夫在司法部的工作非常出色。

▶ For example, if that Cooper seemed to be getting a grip, it's a very difficult department on the home office.

例如，如果说库珀似乎已经掌控了内政部——那是一个非常难管理的部门。

▶ And with the best will in the world, no matter how good they all are in their new briefs, they are going to have an awful lot of catching up to do.

即使怀着世界上最良好的意愿，无论他们在新职位上多么优秀，他们都将有大量的工作要去追赶适应。

🎧 It's interesting to hear someone who writes for conservative home Andrews say that Shabbana Mammud was doing an excellent job at justice, which she was effective.

有趣的是，听到为保守党之家撰稿的安德鲁斯说莎巴娜·马穆德在司法部的工作非常出色，她确实很有效率。

 00:16:18

🎧 And it will be that her biggest job in the department was freeing criminals to free up the space in the jails when we were at crisis point.

她在该部门最大的工作是在我们处于危机点时释放罪犯，以腾出监狱空间。

🎧 So she was very effective at that.

所以她在这方面非常有效。

🎧 Do you think she can be more effective on a brief that for Labour with Nigel Farage there rising in the polls is now crucially important?

你认为她能在对工党至关重要的简报上更有效率吗？尤其是奈杰尔·法拉奇在民调中支持率上升的情况下。

 00:16:37

🎧 Well, let me say I think the policy that perhaps hasn't got enough air time actually, which was about getting rid of short sentences, which means people jowed from minor non violent crimes or relatively minor non violent non sexual crimes would be given other sentences other than Joe because we don't want to be letting out criminals, you know, like murderers and rapists and terrorists from our jails because they're overcrowded.

嗯，我认为有一项政策可能没有得到足够的关注，那就是取消短期刑期，这意味着犯有轻微非暴力犯罪或相对轻微的非暴力非性犯罪的人将被判处除监禁外的其他刑罚，因为我们不想因为监狱人满为患而释放罪犯，比如杀人犯、强奸犯和恐怖分子。

🎧 We want to be jailing people who are serious threat to society, but we also don't need to be clogging up our jails with innocent protesters or people have made minor infringements or you know a late with fines or whatever.

我们想要监禁那些对社会构成严重威胁的人，但我们也不需要让无辜的抗议者或犯有轻微侵权行为的人，或者拖欠罚款之类的人塞满我们的监狱。

🎧 You know, so I think that's quite a sensible policy and I hope that carries on under the new justice secretary, but in terms of her brief, I think Labour's response to the rise of reform has been completely counterproductive and what it's managed to do is alienate its own base, electrically by not standing up for the rights of migrants and and standing up for the decency of having a side.

所以我认为这是一项相当明智的政策，我希望在新任司法大臣的领导下能继续下去，但就她的简报而言，我认为工党对改革党崛起的回应完全适得其反，它所做的是疏远了自己的基本盘，因为没有捍卫移民的权利，没有捍卫作为一个体面国家应有的立场。

 00:17:28

🎧 Seekers in this country and being a welcoming nation that does accept and welcome people fleeing persecution and instead it's kind of got all this sort of tough rhetoric and people, you know rightly, I think on more on the left or liberal kind of wing of politics have been quite a pull by that and you've seen the Labour vote shift to the Greens to the Liberal Democrats and elsewhere on that and actually it's just reinforced Nigel Farage's message.

在这个国家寻求庇护，成为一个接纳和欢迎逃离迫害的人的热情好客的国家，但相反，它却采用了所有这些强硬的言辞，我认为，更左翼或更自由派的政治人士对此感到相当反感，你已经看到工党的选票因此流向了绿党、自由民主党和其他党派，而这实际上只是强化了奈杰尔·法拉奇的信息。

🎧 So I hope we see a reset of the approach on asylum and migration because let's face it, this country is a better country for the migration we've had to it, we are, you know, a better country than some of the stuff that's been happening in towns and cities up and down the country in recent days and we need a government that leads not just on policy, but morally as well and puts a good solid case for migration and being a tolerant, welcoming society that does integrate and support migrants and people here.

所以我希望我们看到在庇护和移民问题上的方法能重新调整，因为说实话，这个国家因为我们所经历的移民而变得更好，我们是一个比最近全国上下城镇中发生的某些事情更好的国家，我们需要一个不仅在政策上，而且在道德上也发挥领导作用的政府，为移民和成为一个宽容、好客、能够融合并支持移民和这里的人的社会提出充分有力的理由。

🎧 And does more to challenge the tough things that people are facing in the cost of living crisis.

并更多地应对人们在生活成本危机中面临的困难。

▶ Henry, just a quick final thought, do you think this was a good day for Nigel Farage?

亨利，最后简单说一下，你认为这对奈杰尔·法拉奇来说是好的一天吗？

▶ He dragged the speech forward to one o'clock so that he he wasn't drowned out by the reshuffle which I suspect he knew was coming later in the day.

他把演讲提前到一点钟，这样他就不会被内阁改组淹没，我猜他知道改组会在当天早些时候进行。

▶ He didn't get the detail right he referred to council tax rather than stamp duty but that aside obviously Sir Keir Starmer has reshuffled at the Home Office immigration as Andrew suggests is front and centre even for the Labour Party.

他没有说对细节，他提到了市政税而不是印花税，但除此之外，显然基尔·斯塔默爵士已经对内政部进行了改组，正如安德鲁所说，移民问题甚至对工党来说也是核心问题。

▶ Are they are they parking the tanks on his lawn and does it play to Nigel Farage's strengths?

他们是不是把坦克开到了他的草坪上，这是否发挥了奈杰尔·法拉奇的优势？

▶ I mean Nigel Farage is one an extraordinarily gifted political campaigner whatever you think of his views and two the issue upon which he is most salient immigration is simply going to be the defining issue of British politics for the next at least five, ten years assuming that somebody sorts it.

我的意思是，奈杰尔·法拉奇第一是一个非常有天赋的政治活动家，不管你对他的看法如何；第二，他最突出的移民问题，假设有人能解决它，至少在未来五到十年内将成为英国政治的决定性问题。

▶ So Labour, no governing party has any choice but to respond.

所以工党，任何执政党都别无选择，只能做出回应。

▶ We had this debate with the Conservatives when David Cameron was accused of pandering to UKIP.

我们与保守党有过这样的辩论，当时大卫·卡梅伦被指责迎合英国独立党。

▶ UKIP came second in a hundred seats in 2015 if he hadn't panned it to them they'd have done a lot better sometimes you do simply need to move to where the voters are going otherwise you just let Nigel Farage get their ahead of you.

英国独立党在2015年的一百个席位中排名第二，如果他没有迎合他们，他们会做得更好，有时你确实需要转移到选民所在的地方，否则你就让奈杰尔·法拉奇领先于你。

▶ Really interesting conversation Andrew Fisher Henry Hill always a pleasure thank you for coming on.

非常有趣的对话，安德鲁·费舍尔，亨利·希尔，总是很愉快，谢谢你们参加。
