▶ A ruling in that case, which involves a six-year-old law banning public sector workers from wearing religious symbols on the job, will determine how courts deal with every use of the clause across the country and if they can rule that laws are infringing upon protected rights, even if they can't take the law down.

该案的裁决涉及一项六年前的法律，禁止公共部门工作人员在工作时佩戴宗教标志，这将决定法院如何处理全国范围内该条款的每一次使用，以及他们是否可以裁定法律侵犯受保护权利，即使他们不能废除法律。
