Summary: The first face-to-face meeting between U.S. President Trump and Russian President Putin since 2022 extended over three hours, focusing on ending the Ukraine war. Trump emphasized demands for a ceasefire, while Putin's pre-summit attacks on Ukraine cast doubt on his willingness to compromise. The White House framed the talks as "pursuing peace," but Ukrainian officials expressed skepticism, citing exclusion from negotiations and ongoing Russian aggression.

⏮ However, Donald Trump's attitude to Vladimir Putin has altered in the last couple of months.

然而，特朗普对普京的态度在过去几个月发生了变化。

⏮ He's been hacked off.

他感到恼火。

⏮ Let's put it that way by warm words from Putin on the phone.

可以这么说，因为普京在电话中的热情言辞。

⏮ Only for Putin, as he puts it, to Lengar and bomb cities afterwards and rest homes and things like that.

结果普京，正如他所说，之后又发动袭击，轰炸城市和养老院等。

 00:04:38

⏮ He doesn't like that and doesn't like being tapped along as he puts it.

他不喜欢这样，也不喜欢被敷衍。

⏮ The other thing I would say is that – and this came out in an interview I did with President Trump a couple of weeks ago – his attitude to Europe has altered.

▶ He wants that Nobel Peace Prize.

他想要诺贝尔和平奖。

▶ And really, that's where his ultimate focus is going to be.

而这正是他的最终关注点。

▶ All right.

好的。

▶ Our senior North America correspondent, Gary O'Donnell, with us and Claire, as we hand back to you in the studio in Washington, important to remember that there is a podium or two podium set up in that joint-based Alendor Fritzzen, where they're expecting to hold a press conference just after these talks wrap up.

我们的北美高级记者加里·奥唐纳与我们在一起，克莱尔，现在交还给华盛顿演播室的你，重要的是要记住，在埃尔门多夫-理查森联合基地设置了一个或两个讲台，他们预计在会谈结束后举行新闻发布会。

 00:05:44

▶ And of course, that banner there is pursuing peace.

当然，那里的横幅写着“追求和平”。

▶ That gives us a sense of how the White House – or seeing those images right there – has staged all of this.

这让我们感受到白宫是如何策划这一切的——或者看到那些画面。

▶ Now, whether there will be a joint press conference really depends on how these talks go.

现在，是否会举行联合新闻发布会真的取决于会谈的进展。

▶ We've heard President Trump say they don't go well.

我们听到特朗普说如果会谈不顺利。

▶ He'll come out and give a press conference on his own, own and go home.

他会单独举行新闻发布会然后回家。

 00:06:02

▶ And he said we might never speak again.

他说我们可能永远不会再交谈。

▶ So, clearly, President Trump is clear that he wants to see real progress here.

所以，显然特朗普明确表示他希望看到真正的进展。

▶ But we'll have to wait and see, you know, this meeting still going on now.

但我们必须拭目以待，你知道，这次会议现在仍在进行。

▶ As we said, three plus hours and about three on three format.

正如我们所说，三个多小时，三对三的形式。

▶ It then expands a bit longer to a larger format.

之后会扩大到更大的范围。

▶ So we're going to keep a close eye on – just hear whether any news comes out of what has happened so far.

所以我们将密切关注——看看目前为止是否有任何消息传出。

bilibili 00:06:24

▶ Many will remember President Trump said that he would end Russia's war on Ukraine on his first day back in office.

许多人会记得特朗普说过，他将在重返办公室的第一天结束俄罗斯对乌克兰的战争。

▶ Of course, the reality has proved more difficult.

当然，现实证明更加困难。

▶ But let's take a look back now at the events that have led to today's summit.

但现在让我们回顾一下导致今天峰会的事件。

▶ On February 13, Trump spoke with Putin for the first time in his second term, instructing his staff to lead peace negotiations.

2月13日，特朗普在第二个任期内首次与普京通话，指示他的团队主导和平谈判。

bilibili 00:06:44

▶ On February 28, Trump and Zelensky held their contentious oval office meeting, leading Trump to briefly halt military aid to Kiev.

2月28日，特朗普和泽连斯基在椭圆形办公室举行了有争议的会晤，导致特朗普短暂停止了对基辅的军事援助。

▶ On March 18, President Putin declared a 30-day pause on striking Ukrainian energy infrastructure, but the atrocities continued, and in mid-April Russia launched its deadliest attack on civilians since 2023.

3月18日，普京宣布暂停打击乌克兰能源基础设施30天，但暴行仍在继续，4月中旬俄罗斯发动了自2023年以来对平民最致命的袭击。

▶ In May, Russian and Ukrainian delegations met face-to-face in Istanbul, yielding a prisoner exchange, but no ceasefire.

5月，俄罗斯和乌克兰代表团在伊斯坦布尔面对面会晤，达成了战俘交换，但没有停火。

bilibili 00:07:14

🎧 And on July 14, Trump warned Russia of severe tariffs unless Russia agreed a ceasefire in 50 days.

7月14日，特朗普警告俄罗斯将面临严厉关税，除非俄罗斯在50天内同意停火。

🎧 On July 28, he cut that deadline to 10-12 days, and as that deadline approached, Steve Wihoff met President Putin in Moscow.

7月28日，他将最后期限缩短至10-12天，随着最后期限临近，史蒂夫·维乔夫在莫斯科会见了普京。

🎧 Finally, on August 8, Trump announced, and the Kremlin confirmed today's Alaska summit with Putin.

最后，8月8日，特朗普宣布，克里姆林宫确认了今天与普京的阿拉斯加峰会。

 00:07:36

🎧 So, for more, I would like to welcome Kay Bailey-Huttsen, the former U.S. representative to NATO under the Trump administration.

因此，更多内容，我想欢迎特朗普政府时期美国驻北约代表凯·贝利-哈特森。

🎧 Welcome, Ambassador.

欢迎，大使。

🎧 Thank you for taking the time to speak with us.

感谢您抽出时间与我们交谈。

🎧 What would it take for you to consider today's summit a success?

您认为今天的峰会如何才能被视为成功？

🎧 I think the President Trump has been very clear that what he wants is for the next meeting to be the one that talks about specifics.

我认为特朗普总统非常明确，他希望下一次会议讨论具体细节。

 00:08:06

🎧 This one is to say, stop the killing now.

这次会议是为了说，现在停止杀戮。

🎧 And I have to say it's very disappointing to see that Russia was continuing to pummel Ukraine even hours before this summit.

我不得不说，看到俄罗斯在峰会前几小时仍在打击乌克兰，非常令人失望。

🎧 That is not a good sign.

这不是一个好兆头。

🎧 It's very disrespectful on the part of Putin.

普京这样做非常无礼。

🎧 But at this point, what the President is asking for is a ceasefire to stop the killing.

但目前，总统要求的是停火以停止杀戮。

 00:08:33

🎧 And that would be certainly a very positive outlook.

这当然是一个非常积极的展望。

🎧 Oh, okay.

哦，好的。

🎧 And Ukraine, under shelling, is not the best backdrop as you suggest for peace negotiations.

正如您所说，乌克兰遭受炮击并不是和平谈判的最佳背景。

🎧 If this doesn't go well, what do you think the potential severe consequences as Trump has called them could be for Russia?

如果进展不顺利，您认为特朗普所说的对俄罗斯的潜在严重后果可能是什么？

🎧 I think that it is very important that the first thing that has to be done is the ceasefire.

我认为最重要的是必须首先实现停火。

 00:09:05

🎧 And from that point, then you set the next meeting and you start talking about what would be decided in that meeting.

从那时起，你就可以安排下一次会议，并开始讨论将在该会议上决定的内容。

🎧 The area that's in dispute is that area in the Donetsk region that Russia has tried to get for three years and has not been able to.

争议地区是顿涅茨克地区的那个区域，俄罗斯三年来一直试图夺取但未能成功。

🎧 And Russia is asking for that to come with just the negotiation as if he had taken that over, which he hasn't.

俄罗斯要求通过谈判获得该地区，就好像他已经占领了那里一样，但他并没有。

 00:09:34

🎧 And that that's a red line for both Zelensky and Europe.

这对泽连斯基和欧洲来说都是红线。

🎧 Well, there's been lots of speculation about what Trump actually has in mind when he talks about possible land swaps.

嗯，关于特朗普谈到可能的领土交换时实际想法是什么，有很多猜测。

🎧 Do you have any insights into what could potentially be on the table here?

您对可能摆在桌面上的内容有什么见解吗？

🎧 Well, I think you can just tell from the things that Putin is asking for what would be in play.

嗯，我认为你可以从普京的要求中看出可能涉及的内容。

 00:10:01

🎧 And so I think no, I have no insight, but I think nobody knows for sure until you lay out what each side wants.

所以我认为不，我没有见解，但我认为在明确双方想要什么之前，没有人能确定。

🎧 And certainly what Zelensky is unwilling to give up and that little area of Donetsk, which is about 30 square miles, is on the table for sure for something you that Russia is asking for,

which Russia has tried to get for three years and been unable to.

当然，泽连斯基不愿意放弃的顿涅茨克那一小块区域，大约30平方英里，肯定会被摆上谈判桌，作为俄罗斯要求的東西，俄罗斯三年来一直试图获取但未能成功。

🎧 And Zelensky is not going to let that go because it opens up a bigger range to be able for Putin to go through.

泽连斯基不会放弃这一点，因为这为普京打开了更大的行动空间。

 00:10:43

🎧 If he decides to do this again, it does seem that the first step is getting a ceasefire.

如果他决定再次这样做，第一步似乎是实现停火。

🎧 That's also what Secretary of State Marco Rubio has said ahead of this meeting.

这也是国务卿马可·鲁比奥在会前所说的。

🎧 If they are able to agree on something like that in Alaska, how will President Trump ensure that it holds what guarantees would there be?

如果他们能在阿拉斯加达成这样的协议，特朗普总统将如何确保其有效性？会有什么保障？

🎧 Well, I think he will hold the same threat that he is holding now and that is those secondary tariffs, which are huge.

我认为他会继续使用当前的威胁手段，即那些高额的次级关税。

 00:11:13

🎧 He could also threaten taking the Russian funds that are sitting in Europe, \$300 billion that really should be taken for the repayment to Ukraine that Russia should pay for all the damage that he has done to that country.

他还可以威胁没收俄罗斯在欧洲的3000亿美元资金，这些资金本应用于赔偿俄罗斯对乌克兰造成的破坏。

🎧 So I think there are a lot of things that Trump is holding that would be very detrimental for Russia.

因此，我认为特朗普掌握了许多对俄罗斯极为不利的手段。

▶ So I think that if Putin said, yes, I'll have a ceasefire and then didn't do it.

所以我认为，如果普京口头同意停火却未履行承诺。

bilibili 00:11:50

▶ I think those tariffs and sanctions would come in immediately.

我认为关税和制裁将立即生效。

▶ I think Congress is in support of that.

我认为国会会支持这一做法。

▶ They've shown that with the 85 members who have signed on saying that's what we ought to do.

已有85名议员联署表示支持这一行动。

▶ So I think that could be very, very much of a something that we hold so that if Putin does violate the ceasefire, we have something to come back with.

因此，这将是我们的强有力的筹码，若普京违反停火协议，我们可立即采取反制措施。

bilibili 00:12:17

▶ Ambassador, thank you very much for speaking with us.

大使，非常感谢您接受我们的采访。

▶ We've been talking to Kay Abelle Hutcherson.

▶ Let's see if we get back across to Anchorage and Sumis and Skanda.

让我们看看是否能重新连线安克雷奇的苏米斯和斯坎达。

▶ Thanks, Claire, and just keeping an eye on everything that's been happening and the lines coming and I just want to add that we have seen the White House.

谢谢克莱尔，我们正密切关注事态发展。另外，白宫方面——

bilibili 00:12:35

🎵 As there's been criticism, of course, from President Trump's critics that this photo of President Trump receiving President Putin on a red carpet, the warm handshake, President Putin getting into President Trump's car, that that is an appeasement of President Putin.

特朗普的批评者指责其铺红毯迎接普京、热情握手并同乘专车的行为是对普京的绥靖。

🎵 Well, the White House has actually put out pictures of that meeting with the slogan, pursuing peace, which is as we know the slogan that is at the joint base, Elmandova Richardson, where that press conference will take place later.

但白宫发布的会晤照片配文"追求和平", 这正是稍后新闻发布会举办地埃尔门多夫-理查德森联合基地的标语。

🎵 And also, they share the picture of the President's car and the two leaders in at the beast and they had the one-word caption historic.

他们还发布了两位元首同乘"野兽"专车的照片, 配文仅一词: "历史性"。

 00:13:09

🎵 So clearly, the White House is a very different view of those images that we saw a little bit earlier when President Putin and Trump arrived together and greeted each other.

显然, 白宫对这些画面的解读与早前特朗普普京共同抵达时的场景截然不同。

🎵 But to get back to what all of the, and there it is, yeah, there we see that picture that the White House has posted really important to show the different narrative that we're seeing from the White House versus President Trump's critics.

值得注意的是白宫发布的这张照片, 它凸显了白宫与特朗普批评者之间的叙事差异。

🎵 And also, Ukrainian voices have told us that this is dismaying to many of them to see President Trump welcome President Putin so warmly that handshake their applause on the red carpet.

乌克兰方面表示, 特朗普如此热情接待普京令他们深感沮丧。

 00:13:40

🎵 But we know that this war has taken a deadly toll on civilians and soldiers in both Ukraine and Russia.

但这场战争已给乌俄两国的军民造成惨重伤亡。

▶ So let's take a closer look at the numbers now.

让我们具体看看数据。

▶ Since the start of the war in 2022, more than one million Russian troops have been killed or injured.

自2022年开战以来，俄军伤亡已超百万。

▶ But that's according to the British Ministry of Defense Ukraine has also suffered very high losses, sustaining more than 400,000 casualties with between 60,000 and 100,000 deaths.

据英国国防部统计，乌军同样损失惨重，伤亡超40万，其中6至10万人阵亡。

 00:14:05

▶ The war in Ukraine has proven far deadlier for the Kremlin than other recent conflicts.

对克里姆林宫而言，此战比近年其他冲突更为致命。

▶ For example, Russia has lost roughly 15 times more lives than those suffered during the Soviet Union's decade-long war in Afghanistan, 10 times that of Russia's casualties in their 13-year war in Chichenya.

比如俄军死亡人数约为苏联阿富汗战争的15倍，车臣战争的10倍。

▶ Let's speak to our correspondent Jonathan Bieligan, who is in G for us.

现在连线驻基辅记者乔纳森·比利根。

 00:14:28

▶ This really has been a rallying cry for Ukrainians when they say, we can't give up territory.

乌克兰人坚定表示："我们绝不能放弃领土"。

▶ We have lost too many lives, shed too much blood in this conflict to even discuss giving up, for example, the Donbass.

这场冲突已让我们付出太多生命代价，连讨论放弃顿巴斯都不可接受。

▶ So tell us a bit more about that.

请进一步说明。

▶ Yes, so they've heard President Trump talk about land swap, territory swap.

是的，他们听到特朗普提及领土交换方案。

▶ And that has had a firm rebuff from President Zelensky here who says that he will not train territory.

这遭到泽连斯基总统断然拒绝，他表示绝不会放弃领土。

bilibili 00:15:02

▶ It goes against Ukraine's constitution for starters.

首先这违反乌克兰宪法。

▶ But also he's been specific, very specific about the Donbass area, which is the east of Ukraine.

他还特别强调顿巴斯地区——乌克兰东部——的重要性。

▶ Ukraine still controls a small portion, very thin slice of Lahansk.

乌军仍控制卢甘斯克州一小部分区域。

▶ It controls about 30% of Donetsk.

控制着顿涅茨克州约30%领土。

▶ And he has made clear President Zelensky, he will not give that up because he believes in future.

泽连斯基明确表示不会放弃这些土地，因为他认为——

bilibili 00:15:28

▶ Russia will use it as a launch pad to once again attack Ukraine in the future.

俄罗斯未来会将其作为再次侵乌的跳板。

▶ It gives the example of Crimea.

他以克里米亚为例。

▶ Crimea was taken in 2014 by Russia.

2014年俄占克里米亚后——

▶ And it's from Crimea that they launched in parts, their full scale invasion.

正是从那里发动了全面入侵。

▶ So very firm from President Zelensky.

因此泽连斯基态度非常坚决。

▶ Now the truth is, they will probably have to be discussions about territory at some stage.

事实上，未来某个阶段可能仍需讨论领土问题。

 00:15:54

▶ And some people in Ukraine and polls have shown this believe that they will have to meet concessions.

民调显示部分乌克兰人认为终需作出让步。

▶ It doesn't mean that they give up their claim on that land that Russia now occupies.

但这不意味放弃对俄占土地的主权声索。

▶ And it's a fact for a ceasefire and then hope that diplomacy can eventually get that territory back.

而是先实现停火，再通过外交手段收回领土。

▶ But we just heard, I should say, from the president's office, the adviser to the president, conditions or criteria on which they will judge the success of these Alaska talks.

总统顾问刚刚提出评判阿拉斯加会谈成功的条件：

 00:16:26

▶ So first is that there must be an unconditional ceasefire.

第一必须实现无条件停火。

⌂ There must also be principles for future peace negotiations already set out by Ukraine and Europe.

第二须遵循乌欧既定的未来和谈原则。

⌂ In other words, that will involve Ukraine and that Russia should not have a veto on that.

即乌克兰必须参与且俄罗斯无否决权。

⌂ And thirdly, they want a clear signal to those countries that are doing trade with Russia.

第三要向与俄贸易的国家发出明确信号：

⌂ That if the war continues, there will be sanctions.

若战争持续将面临制裁。

bilibili 00:16:52

⌂ So that's how Ukraine looks at success at the end of these talks.

这就是乌克兰眼中的会谈成功标准。

⌂ Of course, they don't like the fact these talks are happening without them.

当然他们不满被排除在会谈之外。

⌂ And President Zelensky himself has said it is a personal victory for President Trump to be invited onto US soil.

泽连斯基称特朗普邀请普京访美是其个人胜利。

⌂ When, let's be honest, a number of countries have labeled him as a war criminal.

尽管多国认定普京是战犯。

⌂ So there is a lot of frustration this meeting is taking place.

因此这场会晤引发诸多不满。

bilibili 00:17:17

⌂ But nevertheless, President Zelensky needs to keep President Trump on side.

但泽连斯基仍需争取特朗普支持。

▶ He needs America involved in this negotiation process and he has made that clear.

他明确表示需要美国参与调停。

▶ And he hopes that it will prove fruitful in the sense that he will eventually be part of these talks at some stage.

并希望最终能参与和谈。

▶ Jonathan, just as you're speaking, I want to bring up the pictures of the room, the ballroom in the joint base, Alendorf Richardson, because we understand the Kremlin, Russian media are saying that the meeting between President Trump and Putin is done.

乔纳森，俄媒称特朗普与普京的会晤已结束。

 00:17:53

▶ There could possibly be a joint press conference.

可能举行联合记者会。

▶ We know that there are two podiums set up.

现场已设好两个讲台。

▶ But our reporters have told us that they have been let into the room that doesn't indicate that the press conference is about to happen right away, only that of course the media have been allowed into the room to take their seats.

但记者入场并不意味着发布会马上开始。

▶ But the Kremlin saying that the three on three meeting is done.

克里姆林宫称"三对三"会谈已结束。

 00:18:15

▶ Now that could mean now that they move to the expanded meeting.

可能转入扩大会议阶段。

▶ Of course, more advisors will be on hand for that.

更多顾问将参与。

▶ It could also mean that they have concluded talks.

也可能意味着会谈完全结束。

▶ We simply are not sure at this moment.

目前尚不确定。

▶ And of course, we have not had confirmation from the White House just yet.

白宫尚未确认。

▶ We should say this is Russian media saying this.

需强调这是俄媒报道。

▶ So we're keeping an eye, Jonathan, as we're speaking to you on that ballroom there.

我们正密切关注会场情况。

 00:18:37

▶ We also have our reporters in the room.

我们的记者已在现场。

▶ So they'll be letting us know if there is a press conference imminent.

将及时通报记者会动态。

▶ If both leaders will be present, just what to expect.

包括两位领导人是否共同出席。

▶ So all of that happening in the background, Jonathan, as we're speaking to you.

这些都在同步进行。

▶ But I do want to mention it is so important to note that in the lead up to this summit, Ukrainian voices we've been speaking to have said, look, President Putin has continued to pound Ukraine.

需指出的是，乌克兰方面表示普京在会晤前仍在猛攻乌领土。

 00:19:01

▶ So give us a sense of what's been happening on the front lines in the meantime.

请介绍前线最新情况。

▶ Or even as President Putin's plane was landing, Ukraine says that drones are being fired once again into Ukraine, that there was shelling on some of those frontline towns and villages.

就在普京专机降落时，乌方称俄军再次发动无人机袭击并炮击前线城镇。

▶ We also know that in the last few days Ukraine has had to move additional forces to the east, where Russia has been making advances.

过去几天乌军不得不向东线增兵以抵御俄军推进。

 00:19:33

▶ President Zelensky says this was all an attempt, or he thinks it was an attempt by President Putin, to influence the talks by giving the impression that Russia was winning, that he wanted to influence President Trump in that way.

泽连斯基认为这是普京制造“俄军占优”假象以影响会谈的策略。

▶ But the real problem here is that nobody in Ukraine has seen any real evidence that Russia wants to end this war.

但关键在于乌克兰未见俄方诚意。

▶ They still hear the air raid warnings.

空袭警报仍在响起。

 00:19:58

▶ We had one here in Ukraine today.

今天基辅又响起警报。

▶ So there is deep skepticism that this war is about to end.

因此人们对停战深表怀疑。

▶ Okay, Jonathan, thank you so much for speaking to us from Kiev, where people are watching very closely.

感谢乔纳森从基辅发回的报道。

▶ Let's speak not to Lieutenant General Ben Hodges, retired U.S. Army officer.

现在连线美军退役中将本·霍奇斯。

▶ He served as Europe Commanding General, the first commander of NATO's Allied Land Command.

他曾任欧洲盟军陆军司令部首任司令。

 00:20:21

▶ We also have General Philip Breedlove, former commander of the Supreme Allied Command.

还有北约前最高司令菲利普·布里德洛夫将军。

▶ You're great to see you both.

欢迎二位。

▶ We've spoken to you both, of course, many times on the program about Ukraine, and just a warning to you both that we are hearing from our colleague, CBS News, that the press conference could happen any moment, just in case we do need to interrupt.

提醒二位记者会可能随时开始。

 00:20:41

▶ General Hodges, I'll start with you.

霍奇斯将军，首先请问——

▶ What do you make of what we have seen so far today in the way that these two leaders have met each other and greeted each other?

您如何看待两位领导人的互动方式？

▶ What do you take away from that?

您作何解读？

▶ Well, first of all, I think it's entirely inappropriate.

首先我认为这极不妥当。

▶ Vladimir Putin is a convicted war criminal by the International Criminal Court.

普京是国际刑事法院认定的战犯。

▶ For the American President to stand there clapping as he approaches and to treat him in such a way on an American air base, I think, since a terrible tone, the fact that Lavrov showed up in his USS S.R. sweatshirt yesterday tells you that the Russians have no respect for us.

美国总统在美军基地鼓掌相迎，这定下糟糕基调——拉夫罗夫昨日穿“苏联海军”卫衣现身更显俄方轻蔑。

bilibili 00:21:22

▶ So I don't like the visuals here, and I don't think that the President's approach is going to strike fear in the hearts of the Russians.

我不认同这种画面效果，这不会震慑俄罗斯。

▶ General, would you agree to that?

将军，您同意吗？

▶ Well, first of all, it's good to be on with Ben, who I've worked with many years and I respect and admire him.

很荣幸与本共事多年的霍奇斯将军同台。

▶ Yes, there's a lot of problems with the visuals here.

确实这些画面存在问题。

▶ And the ICC has indicted Putin, and of course we don't cooperate with the ICC, and so we are not bound to turn him back, but I agree that the visual is really not so good.

虽然美国不配合国际刑事法院，但我也认为画面观感不佳。

bilibili 00:22:05

▶ The thing that I would say, though, is no matter how this is happening, no matter which side of the political outlier on, we need to see an end to Russia's invasion of Ukraine.

但无论如何，必须结束俄罗斯对乌克兰的侵略。

▶ This is Russia's war of aggression, and it needs to end.

这是俄方发动的侵略战争，必须终止。

▶ And if there's any good outcome of today, I hope that our President stands by what he said.

若今日有何成果，希望总统坚守承诺。

▶ If there is no ceasefire, there are no follow-on meetings, and we need a ceasefire on the way to peace.

若无停火就没有后续会谈，我们需要以实现和平为目标的停火。

 00:22:43

▶ A permanent ceasefire will not work.

单纯永久停火无效。

▶ General Hodges, what do you think are the pressure points that President Trump should leverage to get a ceasefire?

霍奇斯将军，特朗普应施压哪些关键点以实现停火？

▶ Well, look, President Trump has enormous potential leverage over the Kremlin.

特朗普对克里姆林宫拥有巨大潜在筹码。

▶ I mean, economic factors, he could wreck Russia's oil and gas infrastructure right now.

比如立即打击俄油气基础设施。

▶ He could seize the assets that, I think Jonathan talked about earlier.

没收俄方资产——正如乔纳森提及的。

 00:23:11

▶ And of course, he could open up the floodgates of support to Ukraine.

当然还可全面放开对乌援助。

▶ I mean, this war has been going on for 11 years since 2014, and Russia still only controls about 20%.

自2014年起已持续11年的战争，俄仅控制约20%领土。

▶ Their economy, which is the size of Spain's, is dwarfed by what the United States has plus Europe and Canada.

俄经济规模仅相当于西班牙，远逊于美欧加总和。

▶ So, President Trump actually has all the advantages.

因此特朗普实际掌握全部优势。

 00:23:35

▶ I don't know why he is reluctant to use these advantages and achieve what he wants.

不知他为何不愿运用这些优势达成目标。

▶ And maybe this is the problem.

这或许正是问题所在。

▶ Just like the Biden administration, the Trump administration has failed to clearly identify a strategic outcome.

如同拜登政府，特朗普政府也未明确战略目标。

▶ What is the objective for what we're doing?

我们的行动目标究竟是什么？

▶ Why does this matter to us to say that we want Ukraine to win so that Russia lives inside their own borders?

这对我们来说为什么重要，要说我们希望乌克兰获胜，以便俄罗斯待在自己的边界内？

 00:24:02

▶ This is about China.

这是关于中国的。

▶ The Chinese are watching to see, are we serious about sovereignty?

中国人在观察，我们是否认真对待主权？

▶ Are we willing to use all the assets and tools that we have, work with allies?

我们是否愿意动用我们所有的资源和工具，与盟友合作？

▶ And I think right now, the Chinese are taking away from this that the United States is kind of flexible on sovereignty.

我认为现在中国人从中得出的结论是，美国在主权问题上有些灵活。

▶ So, the President has to be thinking not just about some sort of a deal with the Russians, but also about China.

因此，总统不仅要考虑与俄罗斯的某种协议，还要考虑中国。

bilibili 00:24:31

▶ That's a point that the Ukrainians have made as well, General Hodges.

霍奇斯将军，这也是乌克兰人提出的观点。

▶ Just before we bring you back in General Breedlove, I just want to make a point to our viewers that we are awaiting a press conference.

在请回布里德洛夫将军之前，我想向观众说明，我们正在等待一场新闻发布会。

▶ It could be between both leaders.

可能是两位领导人之间的。

▶ President Trump and Putin, we are keeping an eye on the ballroom, in the joint-based Elmendorf Richardson.

特朗普总统和普京，我们正在关注埃尔门多夫-理查森联合基地的宴会厅。

bilibili 00:24:50

▶ We are hearing some reports that this meeting could possibly be over, but again, remember they were supposed to meet three on three and then an expanded lunch with their adviser.

我们听到一些报道称这次会议可能已经结束，但请记住，他们原本计划进行三对三会晤，然后是
与顾问的扩大午餐。

▶ So we're not entirely certain, but we're going to keep a very close eye on this.

因此我们并不完全确定，但我们会密切关注。

▶ General Breedlove, we heard President Trump say on the way to this summit that he was asked about President Putin continuing to pound Ukraine from the end of the day.

布里德洛夫将军，我们听到特朗普总统在前往峰会的路上被问及普京总统从早到晚持续打击乌克兰的问题。

 00:25:15

▶ He said, well, he must see it as a negotiating tactic.

他说，嗯，他一定认为这是一种谈判策略。

▶ He must think that it puts him in a better negotiating position, but he's wrong.

他一定认为这让他处于更好的谈判地位，但他错了。

▶ What do you think of that?

您对此有何看法？

▶ Well, I think that there is a lot of Russian propaganda out there right now.

嗯，我认为现在有很多俄罗斯的宣传。

▶ Mr. Putin is desperate for the world to believe that he's winning.

普京先生迫切希望世界相信他正在获胜。

▶ Let's review a few facts.

让我们回顾一些事实。

 00:25:39

▶ In the last 14 months, Russia has lost over 400,000 soldiers to casualties.

在过去14个月里，俄罗斯因伤亡损失了超过40万名士兵。

▶ And that time, he's gained less than 1% of Ukrainians land, 400 plus thousand soldiers for less than 1%.

而在这段时间里，他只获得了不到1%的乌克兰领土，40多万士兵换不到1%。

▶ Russia still has not regained all the sovereign Russian territory that Ukraine took, and despite the help of 20,000 North Koreans, and Russia has asked for more North Koreans to help them try to retake their own sovereign land.

俄罗斯仍未夺回乌克兰占领的所有俄罗斯主权领土，尽管有2万名朝鲜人的帮助，俄罗斯还请求更多朝鲜人帮助他们夺回自己的主权领土。

 00:26:16

▶ And then finally, in the economy, Russia now has North Koreans working in Russian military industrial complex factories because they have a manpower problem.

最后在经济方面，俄罗斯现在有朝鲜人在俄罗斯军工联合体工厂工作，因为他们面临人力问题。

▶ Just must say that this is not the picture of a nation that is winning, but Mr. Putin is desperately throwing things at this situation right here in the end to project that he's winning.

必须说，这不是一个获胜国家的景象，但普京先生正在拼命地在这种情况下采取行动，以显示他正在获胜。

▶ When, in fact, he is not.

而事实上，他并没有。

 00:26:49

▶ Okay, General Bredlov.

好的，布里德洛夫将军。

▶ I just want to thank you both, General Bredlov and General Hodges, really good to get both of your perspectives on this today.

我只想感谢你们两位，布里德洛夫将军和霍奇斯将军，今天能听到你们的观点真是太好了。

▶ Thank you so much for joining us, and we will continue to keep a very close eye on that ballroom just a reminder for our viewers.

非常感谢你们的参与，我们会继续密切关注那个宴会厅，提醒我们的观众。

▶ The leaders have been meeting.

领导人一直在会晤。

 00:27:08

▶ We understand for three plus hours now.

我们了解到已经超过三个小时了。

▶ We're getting some reports that these talks might have concluded, but we really are not sure.

我们收到一些报道称这些会谈可能已经结束，但我们真的不确定。

▶ We haven't been able to independently verify that yet here in the BBC.

我们尚未能在BBC这里独立核实这一点。

▶ You see that slogan pursuing piece that the White House put up the staging for this event.

你看到白宫为这次活动搭建的舞台上的标语“追求和平”。

▶ Two podiums there.

那里有两个讲台。

 00:27:26

▶ Could we see both leaders together delivering a joint press conference?

我们能看到两位领导人一起举行联合新闻发布会吗？

▶ We might.

可能会。

🎵 Could be happening at some point soon, but Claire, as we head to you in the studio, we'll keep a very close eye on what's happening there on that stage.

可能很快会发生，但克莱尔，在我们转向演播室的你时，我们会密切关注舞台上发生的情况。
