Breaking news from a federal judge in Boston, the latest of several to say the Trump administration could be violating court orders.

波士顿一名联邦法官发布突发新闻，这是多位法官中最新一位称特朗普政府可能违反法庭命令。

The New York Times came out with shortly before airtime.

《纽约时报》在播出前不久发布了这一消息。

A Burmese immigrant apparently put on a plane bound for South Sudan or Myanmar.

一名缅甸移民显然被送上飞往南苏丹或缅甸的飞机。

The government's lawyer claims the second.

政府律师声称是后者。

The man's lawyer says the first judge, Brian Murphy, threatening to hold officials in contempt, warning the administration and it apparently violated an order he issued in April barring this person's deportation without first giving him time to challenge his and ordering officials to locate the plane.

该男子的律师表示，法官布莱恩·墨菲威胁以藐视法庭罪追究官员责任，警告政府显然违反了他在4月发布的命令，该命令禁止在未给予此人时间申诉前将其驱逐，并要求官员定位飞机。

 00:00:38

Quoting now from the Times courtroom account quote during the hearing, Judge Murphy ordered a lawyer for the Justice Department, alienist and Perez to notify everyone involved in the flight to South Sudan from the pilot of the plane to officers in the Department of Homeland Security, that they could face criminal contempt sanctions if his ruling was not followed.

引自《纽约时报》法庭记录，听证会上，墨菲法官命令司法部律师、专家及佩雷斯通知所有涉及飞往南苏丹航班的人员，从飞行员到国土安全部官员，若不遵守裁决可能面临刑事藐视制裁。

He also instructed Miss Perez to find out exactly where the plane was and whether it could be turned around mid-flight, and Miss Perez told the judge she did not know where the plane.

他还指示佩雷斯女士查明飞机具体位置及是否能在飞行中返航，佩雷斯女士告诉法官她不知道飞机位置。

There's a lot that is murky about We're just figuring out Priscill.

目前情况仍有许多不明之处，我们正在逐步厘清。

But what do we know about why these migrants were allegedly deported despite the judge's order?

但我们知道这些移民为何据称在法官命令下仍被驱逐吗？

Well, Don, all of this unfolded very quickl over the course of the day.

唐，这一切在一天内迅速展开。

We initially saw those court filings earlier this afternoon, but this is something that began on Monday and really took off on Tuesday.

我们最初在今天下午看到法庭文件，但事件始于周一，周二才真正爆发。

Here's what the court documents There are declarations here from attorneys from a of the Bur Burmese national that you're ref to there, and a Vietnamese natio.

法庭文件显示，此处有律师关于你所提及的缅甸国民及一名越南国民的声明。

But they say, John, that there could be ten others who were on this flight.

但他们表示，约翰，可能有另外十人也在该航班上。

They say to South Sudan now, in of the Burmese national, what the attorney for that natio is that on Monday, he was notified that he was going to be deported to South Sudan.

关于缅甸国民，其律师称周一他被告知将被驱逐至南苏丹。

He's not proficient in English.

他不精通英语。

[Back to Top](#)

 00:02:10

He was advised, or he was notified by Ice while he was in detention of thi without an interpreter.

他在拘留期间被ICE告知此事，但未配备翻译。

And this really set off a chain of events of his attorneys trying to figure out why he would be sent to South Sudan.

这引发其律师一系列行动，试图弄清他为何被送往南苏丹。

He did have a removal order, but to his own country, not to another one.

他确有驱逐令，但目的地是其祖国而非第三国。

So you can see why there is so much confusion as to where these detainees who just yesterday were in the detention system, are now no longer there.

可见为何这些昨日仍在拘留系统中的被拘留者如今不知所踪，引发巨大困惑。

Now the attorneys are trying to scramble to figure this out, because even though some of these migrants did have removal orders and could be deported, the question here is where were they deported to?

律师正紧急调查此事，因尽管部分移民确有驱逐令且可被驱逐，问题在于他们被送往何处。

[Back to Top](#)

 00:03:10

Because if they are sent to a third country, in this case South Sudan, then they would have had to go through a process they would have had to be notifi they would have had the ability to contest their removal to this.

若被送往第三国（如此处的南苏丹），他们本应经过特定程序，获得通知并有权对此提出异议。

Now all of that appears to not have happened, which is why we are seeing all o unfold in these court filings and in the courtroom.

约翰，国土安全部尚未公开确认飞往南苏丹的航班，该国处于内战边缘，美国因持续武装冲突建议公民勿前往。

So certainly a scramble is still unfolding at this hour, John, as attorneys try to figure out where people who they knew were are suddenly nowhere to be found in the U.S. system.
