bilibili 00:05:12

🎧 And what exactly the terms of any agreement could be moving forward.

以及任何协议的具体条款将如何推进。

🎧 As we said, President Zelensky, very clear, he wants all fighting to stop before Ukraine agrees to any further terms.

正如我们所说，泽连斯基非常明确，他希望在所有战斗停止后乌克兰才同意任何进一步条款。

🎧 I spoke earlier to our North America correspondent, Arunade Mukherjee, about the next steps in Washington on Monday.

我早些时候与北美记者Arunade Mukherjee讨论了周一华盛顿的下一步行动。

 00:05:29

🎧 Here's our conversation.

以下是我们的对话。

🎧 Well, I think he was very clear, especially in that last post that he put out on truth social, where he described the meeting to be very good, talked about progress being made, and interestingly said, and I quote, it was determined by all that we're looking at or what would be best, would be a complete peace agreement, rather than a ceasefire agreement, which has indicated a change in his stand, which is what we've been talking about.

我认为他非常明确，特别是在Truth Social上的最后一篇帖子中，他形容会议非常好，谈到取得的进展，并有趣地说"所有人都认为"我们正在考虑的最佳方案是达成全面和平协议而非停火协议，这表明了他的立场变化，正是我们一直在讨论的。

🎧 And I think that meeting now between President Trump and President Vladimir Zelensky at the White House will happen under these sort of new circumstances, if I may say, with Donald Trump's shifting stand on that matter, something that European leaders, as well as Ukraine, were very particular about that look the fighting needs to stop before any kind of conversations can begin.

我认为现在特朗普与泽连斯基在白宫的会晤将在这种新情况下进行，可以说随着特朗普在此事上的立场转变，欧洲领导人和乌克兰都非常坚持的一点是必须在任何对话开始前停止战斗。

 00:06:15

🎧 Even Secretary of State Marco Rubio had said very categorically, ahead of that summit, that a stoppage in hostilities is needed for any kind of conversations to really begin.

甚至在峰会前，国务卿马可·卢比奥就非常明确地表示，需要停止敌对行动才能真正开始任何对话。

🎧 So clearly, that is not happening, Donald Trump echoing what we've heard from Russia in the past as well.

所以很明显这没有实现，特朗普呼应了我们过去从俄罗斯听到的论调。

🎧 So that is one, and also importantly, it remains to be seen how Donald Trump is actually able to convince Vladimir Zelensky based on what he feels are the reasons for this meeting being a positive meeting with Vladimir Putin.

这是一点，同样重要的是，还有待观察特朗普如何根据他认为此次与普京会晤是积极会晤的理由来说服泽连斯基。

 00:06:45

🎧 So I think there is still a lot left to be desired as far as information is concerned, because Vladimir Zelensky has been very clear about his demands, even in that post that he put up on X, he's talking about what Ukraine would want.

因此我认为在信息方面还有很多不足之处，因为泽连斯基对他的要求非常明确，即使在他发布在X上的帖子中，他也谈到了乌克兰想要什么。

🎧 And given these circumstances, I think it would be very difficult navigating going forward from this point onwards.

鉴于这些情况，我认为从这一点开始向前推进将非常困难。

🎧 What are President Trump's allies saying, his supporters saying about the summit that he held with President Putin, and the fact that this now moves to Washington with President Zelensky?

特朗普的盟友和支持者对他与普京举行的峰会以及现在将与泽连斯基在华盛顿会面有何看法？

 00:07:18

🎧 I mean, presumably they see this as President Trump really working hard to make peace.

我的意思是，他们可能认为这是特朗普总统真正努力实现和平。

🎧 Look, that's exactly how this is going to be projected, especially by the allies of Donald Trump, who will say that look, this was at the behest of Donald Trump.

这正是这将如何被呈现的方式，特别是特朗普的盟友，他们会说这是在特朗普的要求下进行的。

🎧 This followed after that meeting between Steve Whitkov as well as Vladimir Putin, and then it was Donald Trump who initiated that conversation, inviting Vladimir Putin to Alaska for that summit.

这是在史蒂夫·惠特科夫与普京会晤之后，然后是特朗普发起对话，邀请普京到阿拉斯加参加峰会。

 00:07:43

🎧 It is his at his behest that all of this is happening.

正是在他的要求下，这一切才得以发生。

🎧 You even have those statements coming in from the European leaders talking about how they welcome the efforts that Donald Trump has put into actually go ahead and have this meeting.

你甚至可以从欧洲领导人的声明中看到，他们欢迎特朗普为推动这次会议所做的努力。

🎧 So in that sense, there is this impression or at least messaging that has been created this was positive, and Donald Trump in his own words has said that we are close to a deal.

因此从这个意义上说，已经形成了一种印象或至少是信息传递，认为这是积极的，特朗普自己也表示我们接近达成协议。

 00:08:05

🎧 But I think what would also worry the conversation that are going to happen on Monday is the fact that Donald Trump in that interview to Fox News had said that look, I would make a deal.

但我认为周一会谈中令人担忧的还有特朗普在接受福克斯新闻采访时表示"我会达成协议"。

🎧 I would ask President Zelensky to make a deal.

我会要求泽连斯基总统达成协议。

🎧 They are fighting a very strong war machine in Russia, and it's important that they make a deal.

他们正在与俄罗斯非常强大的战争机器作战，达成协议很重要。

 00:08:22

🎧 He also goes on to say that European leaders need to play a more active role, or have to get more involved in this.

他还接着说欧洲领导人需要发挥更积极的作用，或必须更多地参与其中。

🎧 So what exactly does he mean by that, whether we're looking at possible concessions that will be discussed once again, concessions that Ukraine has been very categorical about, whether it will mean that European leaders will have to kind of do some more diplomacy ahead of that meeting.

那么他到底是什么意思，我们是否在考虑可能再次讨论的让步，乌克兰一直非常明确的让步，这是否意味着欧洲领导人将不得不在会议前进行更多外交活动。

🎧 We're going to have another meeting on Sunday between European leaders and Vladimir Zelensky.

周日欧洲领导人与泽连斯基将举行另一次会议。

 00:08:45

🎧 So I think that's important, but significantly one very quick aspect, we talked about his allies, but the political opposition here in the US has already started criticizing President Trump summit with Vladimir Putin, saying that it was, basically giving out the message that it was too much that Donald Trump ceded to Vladimir Putin in a sense that it appears to be sort of gone more in favor of Vladimir Putin rather than President Trump.

所以我认为这很重要，但非常快速的一点是，我们谈到了他的盟友，但美国的政治反对派已经开始批评特朗普与普京的峰会，基本上传递出的信息是特朗普在某种意义上对普京让步太多，似乎更有利于普京而非特朗普。

🎧 So that is a view in Washington ahead of that summit between President Trump and Zelensky on Monday.

这就是周一特朗普与泽连斯基峰会前华盛顿的观点。

▶ Let's hear a bit more about how Russians are viewing this.

让我们多听听俄罗斯人如何看待这一点。

bilibili 00:09:19

▶ We have my colleague, Lisa Folk, from the BBC Russian service, who's with me, and has been following the summit, of course, here in Alaska as well.

我的同事、BBC俄语服务的丽莎·福克与我在一起，她当然也一直在阿拉斯加跟踪峰会。

▶ Lisa, curious to hear what you're seeing on some of the telegram channels as well in Russia and media outlets there on how they see the summit and the next steps for President Putin.

丽莎，我很想知道你在俄罗斯的一些电报频道和媒体上看到了什么，关于他们如何看待峰会以及普京的下一步行动。

▶ Well, I think most people believe that it was triumphant for Vladimir Putin, and yesterday we discussed that the whole image that he managed to project, him shaking hands with the American President, has been very favorable for them.

我认为大多数人认为这对普京来说是胜利的，昨天我们讨论了他成功塑造的形象，他与美国总统握手的画面，对他们非常有利。

bilibili 00:09:50

▶ This is what he wanted for a long time.

这是他长期以来想要的。

▶ But today, of course, when we heard that President Trump decided to drop his key condition and decided to stop demanding the ceasefire from Vladimir Putin, of course, it means that Vladimir Putin now has even more winning that before this summit, because for six months after, you know, let Donald Trump came back to the White House, Ukrainians and European leaders have been pushing for the ceasefire, arguing that until Vladimir Putin starts, stops, you know, killing Ukrainian civilians, et cetera, it'll be impossible to discuss any lasting peace, the architecture of security in the regions.

但今天，当然当我们听到特朗普决定放弃他的关键条件，不再要求普京停火时，这意味着普京现在比峰会前赢得了更多，因为在特朗普重返白宫后的六个月里，乌克兰和欧洲领导人一直在推动停火，认为除非普京停止杀害乌克兰平民等，否则不可能讨论任何持久和平、地区安全架构。

⏮ And now this condition appears to be dropped, so I'm actually very curious to see what's going to happen today and tomorrow, because we know that President Zelensky is going to talk to leaders from the coalition of the willing, and of course, he's traveling to the White House on Monday.

而现在这个条件似乎被放弃了，所以我实际上非常好奇今天和明天会发生什么，因为我们知道泽连斯基将与"意愿联盟"的领导人交谈，当然他周一将前往白宫。

 00:10:45

⏮ We'll see how that's going to go, but I think it is fair to say that it's going to be one of the most important meetings in President Zelensky's career.

我们将看到情况如何发展，但我认为可以说这将是泽连斯基职业生涯中最重要的会议之一。

⏮ Absolutely, and we know what happened the last time President Zelensky headed to Washington, that infamous blow up in the White House.

当然，我们知道泽连斯基上次前往华盛顿发生了什么，那次白宫的著名爆发。

⏮ It's a different situation this time, however.

然而这次情况不同。

 00:11:01

⏮ Ukraine, President Zelensky, have built back that relationship with President Trump.

乌克兰、泽连斯基总统已经重建了与特朗普总统的关系。

⏮ What is his negotiating position going in?

他的谈判立场是什么？

⏮ I mean, what do you see as President Zelensky's not only priorities, but the pressure points that he maybe can push going into the White House?

我的意思是，你认为泽连斯基总统不仅有哪些优先事项，还有哪些压力点可能推动他进入白宫？

🎧 Well, I don't know about the pressure points, but his priorities are clear.

我不知道压力点是什么，但他的优先事项很明确。

 00:11:20

🎧 Of course, President Zelensky has repeated many times that Ukraine is not willing to compromise on its security and territorial integrity.

当然，泽连斯基总统多次重申，乌克兰不愿在安全和领土完整问题上妥协。

🎧 because essentially we know that Vladimir Putin has been pushing for gaining more Ukrainian territory, even without fighting.

因为本质上我们知道，弗拉基米尔·普京一直在推动获取更多乌克兰领土，甚至无需战斗。

🎧 He wants Ukrainian to leave territory of the Dombas, even the lands that they haven't managed to seize yet after the invasion in 2022, whether he can pressure President Trump to do it, it's a very good question.

他希望乌克兰放弃顿巴斯地区，甚至是2022年入侵后尚未夺取的土地，他能否施压特朗普总统做到这点是个很好的问题。

 00:11:51

🎧 I can't imagine that today and tomorrow there's going to be a lot of conversation about this, because we, of course, know that President Trump talked to Zelensky and European leaders before the meeting, and judging by what we read and the press, judging by what the European leaders said after the meeting, it went well.

我无法想象今明两天会有大量相关讨论，因为我们知道特朗普总统会前与泽连斯基及欧洲领导人交谈过，从媒体报道和欧洲领导人会后表态看，会晤进展顺利。

🎧 They thought that President Trump definitely heard their concerns, what they have to say.

他们认为特朗普总统确实听取了他们的关切和意见。

🎧 So we'll see what's going to happen next.

所以我们拭目以待后续发展。

 00:12:16

▶ What do you think this looks like for President Zelensky?

你认为这对泽连斯基总统意味着什么？

▶ I mean, clearly we've seen President Trump adopt what President Putin wanted, which was a ceasefire before a peace agreement.

显然我们看到特朗普总统采纳了普京总统的要求，即在和平协议前先停火。

▶ This would be very difficult for President Zelensky also to sell to his own people.

这对泽连斯基总统来说也很难向民众交代。

▶ I agree with you, and but as you said, the President Zelensky, it was hard to imagine that his relationship with President Trump would improve again after this visit to the White House last spring, but he we out, he managed to do that, and maybe he can do it again.

我同意你的观点，但如你所说，泽连斯基总统去年春天访美后与特朗普关系能改善令人意外，但他做到了，或许能再次成功。

bilibili 00:12:49

▶ I think the thing about President Trump, we know him as someone who's very stubborn sometimes, who's very determined to do what he thinks to be the right thing, but we also know that different leaders, and I'm not only talking about President Putin, I'm talking about, you know, Necro-Nado, Secretary General Mark Ruta, about European leaders, they can't influence his position.

我认为特朗普总统有时非常固执，坚持自己认为正确的事，但我们也知道包括普京、北约秘书长斯托尔滕贝格和欧洲领导人都无法影响他的立场。

▶ So many things can happen, you know, before Monday.

周一前可能发生许多变数。

▶ But of course, especially when we, you know, think about how just a week back President Trump seemed to be so determined to post Russia, he threatened Russia with economic sanctions, with ultimatum, and now its all seemed to be in a path, seemed to be forgotten.

但想想一周前特朗普还决心对抗俄罗斯，发出经济制裁最后通牒，现在这些似乎都被遗忘了。

bilibili 00:13:32

🎧 So it is really, I'm really curious to see if European leaders and President Zelensky will try to get President Trump back on this path, on path of, you know, increasing this pressure on Vladimir Putin and Russia.

我很好奇欧洲领导人和泽连斯基是否会尝试让特朗普重回对普京和俄罗斯施压的轨道。

🎧 Yeah, that will be a corpillar of President Zelensky's emission on Monday.

这将是泽连斯基周一出访的核心任务。

🎧 One, okay, Liza, folks from our BBC News Russian service, very good to have you on with us.

好的，丽莎，欢迎BBC俄语服务的同事加入我们。

 00:13:57

🎧 And as Liza was saying, there, of course, much of the attention for President Zelensky will move to that pressure in the White House on Monday.

如丽莎所说，泽连斯基总统的关注点将转向周一白宫的压力。

🎧 But let's get more of a perspective on how Russian see, how the summit went, the outcome of the summit.

现在让我们了解俄罗斯如何看待峰会结果。

🎧 We can speak to Olga Krasnyev, Associate Professor at the National Research University, Higher School of Economics in Moscow.

连线莫斯科国立研究大学高等经济学院副教授奥尔加·克拉斯尼耶娃。

 00:14:17

🎧 Olga, welcome to the program.

欢迎参加节目。

🎧 How do you see how do Russians see the outcome of this summit?

俄罗斯人如何看待此次峰会结果？

🎧 Well, I think two points can be considered here.

我认为有两点值得考虑。

🎧 So first one, it's having this meeting, so between state leaders.

首先是两国领导人举行了会晤。

🎧 And it is very important because understanding Russian foreign policy position, in Russian foreign policy attitude, I think that Putin would not agree to meet with Trump if some preliminary conditions were not set.

这很重要，因为了解俄罗斯外交政策立场后，我认为若未设定初步条件，普京不会同意与特朗普会面。

🎧 00:14:48

🎧 So I think certain things, certain decisions have been already made before, or this diplomatic, on the diplomatic posture.

所以我认为某些决定在会前就已作出。

🎧 So, and of course, while we have this progress, while we have this meeting, so it shows us, all leads us to the conclusions that certain progress has been already made.

这次会晤表明已取得某些进展。

🎧 And even we don't know maybe the details of the conversation, well, just because a traditional diplomatic approach, it's not a part of public diplomacy, or not a part of some political rhetoric.

虽然我们不知道对话细节，但传统外交本就如此。

🎧 00:15:20

🎧 It's just a traditional diplomacy, when the results will be assessed later, maybe not now.

这是传统外交，结果将在后期评估。

🎧 And second point, you consider, well, while we have this meeting, so, and definitely it has a positive attitude.

第二点，会晤本身具有积极态度。

🎧 And Russia's position haven't been changed for the last three and a half years since the beginning of this war in Ukraine.

俄罗斯立场自乌克兰战争爆发三年半来从未改变。

🎧 So, Russia's position is explicitly discussed, and Putin was mentioning about, so what we want many times.

普京多次明确阐述俄罗斯诉求。

 00:15:49

🎧 And the predictability of Russia's behavior, it is very important thing.

俄罗斯行为的可预测性非常重要。

🎧 So, and I think, President Trump announced listening to Russia, and maybe really considers Russia's interests.

我认为特朗普总统表示倾听俄罗斯意见，可能确实考虑了俄方利益。

🎧 So, Olga, let me ask you this.

那么请问：

🎧 We are not entirely certain what was discussed in terms of territory, but President Zelensky is very clear, he cannot give up sovereign Ukraine territory in the Donbas, particularly where the Ukrainian military still holds power.

我们不确定领土问题的讨论细节，但泽连斯基明确表示不会放弃乌军在顿巴斯控制的领土。

 00:16:23

🎧 So, do you think that President Putin is going to continue to insist on taking over that territory?

你认为普京会继续坚持夺取这些领土吗？

🎧 The short answer is, yes, of course, we do not have any other reason just to get back, or maybe just to get back this territory to Ukraine, for many reasons.

简短回答是肯定的，我们有很多理由不将这些领土归还乌克兰。

▶ So, the reason number one, Ukraine actually has lost its sovereignty, and sovereignty means, in the real terms, its an ability and have resources and an ability to make internal and foreign policy decisions.

首要原因是乌克兰已丧失主权，真正的主权意味着拥有制定内外政策的资源 and 能力。

bilibili 00:16:57

▶ And there is a Ukraine has not lost its sovereignty.

而乌克兰已失去这种主权。

▶ It lost its sovereignty.

它丧失了主权。

▶ So, having a flag or answer more innocent, it does not mean a country has sovereignty.

拥有国旗或国歌不意味着拥有主权。

▶ It totally dependent on its Western partners.

它完全依赖西方伙伴。

▶ It cannot do itself nothing.

它无法自主行事。

▶ And in, OK, Ukraine has been able to defend itself with some support from Western partners, but Ukraine is a sovereign country.

乌克兰在西方支持下能够自卫，但它是个主权国家。

bilibili 00:17:21

▶ It has a democratically elected government.

它有民选政府。

▶ President Zelensky represents its people.

泽连斯基代表人民。

▶ So, I don't understand how you can say that Ukraine has lost its sovereignty.

所以我不明白你为何说乌克兰丧失主权。

🎧 Well, President Zelensky, his term has been already expired almost in one year, and we see based on that.

泽连斯基总统任期已过期近一年。

🎧 Well, that's because there was an invasion of Ukraine.

那是因为乌克兰遭到入侵。

🎧 He can't hold elections when his country is under attack by Russia.

国家遭俄罗斯攻击时无法举行选举。

 00:17:45

🎧 Well, he definitely can, but he doesn't want it.

他完全可以但不愿举行。

🎧 So, of course, we have different attitudes on the sovereignty issue, but still, I am absolutely certain.

我们对主权问题有不同看法，但我确信：

🎧 So, Russia will not hold, will be holding back.

俄罗斯不会退缩。

🎧 And of course, this territory is not about taking from Ukraine.

这些领土不是从乌克兰夺取。

🎧 It's about regaining its own territory with Russian-speaking people who have been oppressed since 2014 at the very least, and they've been bombed by Ukraine.

而是收复2014年以来受压迫的俄语居民领土，他们一直遭乌克兰轰炸。

 00:18:09

🎧 So, in this case, is...

因此...

▶ OK, can I jump in there and ask you?

我能插句话吗？

▶ First of all, first of all, there's no proof that Russian minorities have been oppressed.

首先没有证据表明俄裔受压迫。

▶ Secondly, can I ask you, if there's such concern about sovereignty in Ukraine, why doesn't President Putin stop bombing Ukraine and allow the country to hold elections?

其次，若如此关心乌克兰主权，普京为何不停止轰炸让乌克兰举行选举？

▶ You know, I would ask a different question.

我要反问：

 00:18:31

▶ Why would Western partners of Ukrainian-Western parties still supply Ukraine with weapons for what?

西方为何继续向乌克兰提供武器？

▶ They want to continue this war.

他们想延续战争。

▶ So, Russia and the United States, they show explicitly they want this war to end, but on certain conditions.

俄美明确希望结束战争，但有条件。

▶ But Ukraine and European Union leaders and countries, they want to continue this fight.

而乌克兰和欧盟领导人想继续战斗。

▶ So, they are not willing to talk with Putin, unlike Trump.

他们不愿像特朗普那样与普京对话。

 00:18:55

▶ They continue to push Russia with sanctions with anything.

他们继续用制裁施压俄罗斯。

⏮ And you know, nothing inside, instead of in South or in Fences, we never heard from Ukraine or from European leaders to Russia.

我们从未听到乌克兰或欧洲领导人向俄罗斯提出任何建议。

⏮ So, in this case, I don't see that Putin will be somehow discussing with the Lensky or with the European leaders anything, until they would not change the attitude towards Russia.

因此我认为普京不会与泽连斯基或欧洲领导人讨论任何事，除非他们改变对俄态度。

 00:19:22

⏮ OK, Olga, we have to leave it there.

谈话到此为止。

⏮ Olga Kasnyev, thank you for joining us on our program.

感谢参与节目。

⏮ Important to note, of course, Olga, referring to Western support for Ukraine after Ukraine, a sovereign country, was attacked by Russia.

需要指出，乌克兰作为主权国家遭俄罗斯攻击后获得西方支持。

⏮ But certainly, that is an important note to make there, as Olga was making the argument that we have heard often from President Putin.

但奥尔加提出的论点我们常从普京口中听到。

 00:19:42

⏮ They don't see Ukraine as a sovereign nation, which simply isn't true.

他们不视乌克兰为主权国家，这并非事实。

⏮ But I want to remind you of some of the lines that we brought you a little bit earlier in the program.

但我想提醒早先提到的内容。

▶ Our partners here at CBS News here in the U.S. have reported that European leaders were relieved to hear that Donald Trump appeared to promise some sort of security guarantee to Ukraine, including U.S. involvement.

CBS新闻报道欧洲领导人欣慰听到特朗普承诺向乌克兰提供某种安全保证。

bilibili 00:20:05

▶ Now, according to CBS News, the idea itself was vague.

但该构想本身模糊。

▶ So it's not entirely clear what the security guarantee would look like.

不清楚安全保证的具体形式。

▶ We know that President Trump has been clear.

特朗普总统明确表示：

▶ He doesn't see NATO membership for Ukraine on the cards right away, but he did apparently talk about a security guarantee.

乌克兰不会立即加入北约，但确实谈及安全保证。

▶ It's unclear how it would work.

具体机制尚不明确。

▶ These same sources, speaking to CBS News, said that European leaders expressed concern that Donald Trump dropped his ceasefire demand, and they fear that he and President Putin might have come to an agreement on some sort of terms of a deal that they might try to push on Ukraine now.

消息人士称欧洲领导人担忧特朗普放弃停火要求，害怕美俄已达成某种可能强加给乌克兰的协议条款。

bilibili 00:20:41

▶ On this call with European leaders, Donald Trump said Putin would make some concessions, but he failed to specify what that meant in regard to territories or something else.

特朗普在与欧洲领导人通话中称普京将作出让步，但未说明是否涉及领土等问题。

🎧 So still clearly a lot of questions remain, but I think the top line there that we're learning from our partners at CBS News is one that European leaders were somewhat relieved to hear there's some sort of security guarantee in the mix here, what that would look like we don't know, and two, they are concerned still that there might have been some sort of terms of a deal agreed that Ukraine might not support, European leaders might not support.

仍有许多疑问，但CBS新闻的两大要点是：欧洲领导人对安全保证感到宽慰（尽管形式未知）；他们担忧存在乌克兰和欧洲可能反对的协议条款。

🎧 Let's now speak to our next guest, Rose Gautamuller, former Deputy Secretary General of NATO, who's joining us.

现在连线北约前副秘书长罗斯·高塔穆勒。

 00:21:21

🎧 Very good to have you back on the program, and apologies for the noise.

欢迎再次参加节目，对背景噪音致歉。

🎧 We are here in Alaska.

我们在阿拉斯加。

🎧 We have a bit of a bush plains taking off behind us on the lake.

身后湖面有小型飞机起飞。

🎧 Hopefully you can hear us okay.

希望您能听清。

🎧 I just want to start with this question of security guarantees, because we understand from this reporting from our partners at CBS News that President Trump appears to have presented some sort of security guarantee for Ukraine.

首先请教安全保证问题，据CBS报道特朗普似乎提出了对乌安全保证。

 00:21:43

🎧 It wouldn't involve NATO membership.

这不涉及北约成员资格。

▶ What do you think that could look like?

您认为这可能是什么形式？

▶ I think that was a very important signal from President Trump, and it started this week when he spoke to the European leaders on Wednesday before his summit meeting with Mr. Putin in Alaska.

这是特朗普发出的重要信号，始于周三与普京峰会前同欧洲领导人的通话。

▶ He started talking about U.S. support or somehow involvement in security guarantees for Ukraine.

他谈及美国参与对乌安全保证。

bilibili 00:22:04

▶ And this is important.

这很重要。

▶ It's an important, it's a critical message to Vladimir Putin that the United States is not going to leave the Europeans and the Ukrainians cowering together to protect themselves against an aggressive Russia that the United States will remain involved, perhaps not under the aegis of NATO, but will remain involved in helping the Ukrainians to defend themselves.

这是向普京传递关键信息：美国不会让欧洲和乌克兰独自对抗侵略，将继续提供帮助（可能不在北约框架内）。

▶ That's a clear message to Vladimir Putin that his demands that the European step back, the United States step back, leave the Ukrainians to their own devices.

这明确告诉普京：要求欧美退让、弃乌克兰于不顾是不可能的。

bilibili 00:22:36

▶ That's not going to be on.

这不会发生。

🎧 And I thought that that was an important message starting on Wednesday, and apparently it has been reemphasized during this summit meeting.

这个始于周三的重要信息在峰会期间得到重申。

🎧 So that is a good thing that came out of it.

这是积极成果。

🎧 But practically, how does a security guarantee work when it's not within the framework of NATO?

但非北约框架的安全保证如何运作？

🎧 I mean, how technically could that actually kick in if Russia were to try to attack again?

若俄罗斯再次进攻，技术层面如何启动？

 00:23:01

🎧 We don't know yet what the parts and pieces are going to be, but it will apparently continue to involve military assistance to Ukraine.

具体内容尚不明确，但可能包括继续军援乌克兰。

🎧 That's been a key Russian demand.

这是俄罗斯的主要要求。

🎧 They want that assistance to stop.

他们要求停止援助。

🎧 It will continue to include training of Ukrainian forces, which has been critical.

关键的对乌军培训可能继续。

🎧 I would assume that that will be part of the mix.

我推测这会包含在内。

🎧 Perhaps Putin will demand that there be no NATO facilities built on Ukrainian territory.

普京可能要求不在乌克兰领土建设北约设施。

 00:23:25

▶ That has been a demand of his in the past, with regard, for example, to Sweden and Finland joining NATO.

这是他过去对瑞典芬兰加入北约的要求。

▶ But nevertheless, I think there are various building blocks that we can see for security guarantees.

但安全保证可有多种形式。

▶ And the very statement, the declaratory policy of the United States, that they will remain involved and not turn their backs on the Ukrainians.

仅美国表态不放弃乌克兰就是重要组成部分。

▶ That is a key aspect of that deterrence that a security guarantee provides.

这是安全保证威慑力的关键。

 00:23:58

▶ I wonder how European leaders and the U.S. then will bridge this gap.

欧美领导人将如何弥合分歧？

▶ We just heard our previous guest, who is supportive of President Putin, say that President Putin sees the continued weapons deliveries and support of European leaders in the U.S. for Ukraine as basically a non-starter and as continuing the conflict.

刚才亲普京的嘉宾称普京视持续军援为冲突延续的根源。

▶ I mean, how do you see the U.S. perhaps addressing the two sides here?

美国如何协调双方？

 00:24:23

▶ Mr. Trump had another key message out of Anchorage that really caught my ear.

特朗普在安克雷奇发出的另一关键信息引起我注意。

▶ That is, there's no deal until there's a deal.

即"未达成全面协议前不存在协议"。

▶ In formal diplomatic speak, we say nothing has agreed until everything has agreed.

外交术语称"部分同意不等于全部同意"。

▶ And to me, that also is a key message that everything's on the table.

这传递出所有选项都可谈判的关键信息。

▶ The Europeans, the Ukrainians, will be part of the negotiations and America and Russia are not going to make a deal over their head.

欧美乌都将参与谈判，美俄不会越过头顶达成协议。

 00:24:52

▶ Everybody has to be part of the negotiations and part of the decision-making process.

各方都需参与谈判和决策。

▶ So I can't tell you exactly what the solution is going to look like, but I do think we are on the cusp now of really starting a serious consideration of what the future security architecture is going to be.

所以我无法确切告诉你解决方案会是什么样子，但我确实认为我们现在正处于真正开始认真考虑未来安全架构的边缘。

▶ because Putin wants some satisfaction for his concerns about Russia's role in Europe.

因为普京希望他的担忧——关于俄罗斯在欧洲的角色——能得到某种满足。

 00:25:14

▶ So we have to think through how to engage Russia to ensure mutual confidence, mutual predictability.

因此我们必须仔细考虑如何与俄罗斯接触，以确保相互信任和相互可预测性。

▶ It's going to take time and some heavy lifting.

这将需要时间和一些艰巨的努力。

▶ So I didn't agree with much that your previous speaker said, but I did agree with the point that she made that we are on the cusp of a classic diplomatic process now, a very serious negotiation.

所以我不同意你之前那位发言者的大部分观点，但我确实同意她所说的——我们现在正处于一个经典外交进程的边缘，一场非常严肃的谈判。

bilibili 00:25:36

▶ Really interesting.

真的很有趣。

▶ Okay, Rose, Guatemala, always great to get your perspective.

好的，罗丝，危地马拉，总是很高兴听到你的观点。

▶ Thank you for joining us on BBC News.

感谢你加入BBC新闻。

▶ You're welcome.

不客气。

▶ Well, certainly going to be very high stakes once again for that meeting at the White House on Monday between President Trump and Zelensky, and could be that slowly after that we'll start to see the makings of another summit, a trilateral summit.

嗯，周一特朗普总统和泽连斯基在白宫的会晤无疑将再次成为高风险事件，之后我们可能会慢慢看到另一次峰会的雏形，一场三边峰会。
