▶ Have a listen.

▶ This cuts to the very foundation of who we are, of who we have been, and who we could be in better times.

这动摇了我们是谁、我们曾经是谁、以及我们在更好时期可能成为谁的根本基础。

▶ Political violence is different than any other type of violence for lots of different reasons.

政治暴力不同于任何其他类型的暴力，原因有很多。

 00:02:02

▶ One, because in the very act that Charlie championed of expression, that freedom of expression that is enshrined in our founding documents, in having his life taken in that very act, makes it more difficult for people to feel like they can share their ideas.

其一，因为查理所倡导的表达行为，即我们建国文献中神圣规定的表达自由，而他的生命正是在这种行为中被夺走，这使得人们更难感到他们可以分享自己的想法。

▶ But there is a gap to trying to understand how he went from that future path to carrying out something like this.

但要理解他是如何从那条未来之路走到实施这样的行为，中间还存在空白。

bilibili 00:03:10

▶ His family, in interviews, told investigators that he had become more interested in politics and that he knew about the Charlie Kirk event, obviously, but was speaking about it with family, saying that he viewed Charlie Kirk as someone who spread hate, showing real dislike for him as a figure.

他的家人在接受询问时告诉调查人员，他对政治越来越感兴趣，并且显然知道查理·柯克的活动，但他曾与家人谈论此事，说他视查理·柯克为一个散布仇恨的人，并表现出对他作为一个人物的真实厌恶。

▶ We also know that, you know, clearly through the evidence that has been gathered at this very large crime scene now, that he meticulously planned this, getting a rifle, picking out his clothing.

我们还知道，通过目前在这个非常大的犯罪现场收集到的证据，可以清楚地看出他精心策划了此事，搞到了步枪，挑选了衣服。

▶ Utah prosecutors have until Tuesday to formally charge him in the way they see fit.

▶ A 33 hour manhunt.

一场33小时的追捕。

▶ But in the end, it would appear that it was actually the intervention of family members that brought this suspect to the authorities.

但最终，似乎是家庭成员的#介入#才将这名嫌疑人送交当局。

▶ That's true.

确实如此。

▶ Although that manhunt does put pressure on the suspect on the shooter to decide to turn himself in the manhunt and all of the different tip lines, that's how it gets his image out there.

尽管那场追捕确实给嫌疑人、给枪手施加了压力，迫使他决定自首。追捕和所有不同的举报热线，就是这样让他的形象公之于众的。

bilibili 00:06:03

▶ And so that his pastor and father could convince him to do the right thing and end the pain in the community and turn himself in.

是的，完全正确。

▶ I suspect that the FBI thought that they would catch him faster than they did.

我怀疑联邦调查局原本以为他们会更快地抓住他。

bilibili 00:06:28

▶ And as time went on, they released more information and images to allow the public to also help.

随着时间的推移，他们发布了更多的信息和图像，让公众也能提供帮助。

▶ That resulted in I think I read 7,000 some tips, which is an extraordinary amount, which might be the most ever in a case like this.

这导致了，我记得我读到有7000多条线索，这是一个惊人的数量，可能是此类案件中有史以来最多的。

▶ And of course, the analysts and law enforcement have to go through each and every one of those tips to separate the wheat from the chaff.

当然，分析人员和执法部门必须仔细检查每一条线索，去芜存菁。

bilibili 00:06:51

▶ But it did lead to the suspect now turning himself in and we'll see where we go from here.

但这确实导致了嫌疑人现在自首，我们将看看事态如何发展。

▶ And in this instance, with that level of contact from the public, that level of information and just pure video footage of the event and the surrounding area, in many ways, would you say the suspect was left with no choice and the family and the friends, but to contact authorities at that point?

在这种情况下，有了公众如此程度的联系，如此程度的信息，以及事件本身及周边地区的纯粹录像，是否在很多时候可以说，嫌疑人及其家人和朋友除了联系当局之外别无选择？

▶ Yeah, there was no hope that he would not get caught eventually.

是的，他最终不可能不被抓住。

bilibili 00:07:19

▶ It was just a matter of time.

这只是时间问题。

▶ Had he left the state eventually, the FBI would have caught him.

▶ The fact that he went to ground, which means he stayed in his community, he thought perhaps in some misguided naive notion that he would get away with it meant that they were going to catch him sooner rather than later.

他躲藏起来的事实，意味着他留在了自己的社区，他可能怀着某种被误导的天真想法，认为他能逃脱惩罚，但这意味着他们迟早会抓住他，而且很可能是更早。

bilibili 00:07:46

▶ So it was best for the family and for the community, all worried about a gunman moving through them that he gave himself up.

所以对他来说，自首对家人和社区都是最好的，大家都担心一名持枪歹徒在他们中间活动。

▶ Is there any way to detect individuals who have intentions like this ahead of these kind of events?

有没有什么方法可以在这类事件发生前#侦查#到有此类意图的个人？

▶ It's very difficult.

▶ Lone wolf terrorism and you can apply the same science to a shooter that assassinate someone for a political reason or just has a psychotic break and shoots up a school.

bilibili 00:08:18

▶ These lone wolf shooters are very difficult to detect because typically there is some lead up to it, some sort of radicalism.

这些独#狼#枪手很难被#侦查#到，因为通常会有一些前兆，某种形式的激进主义。

▶ And then there's a psychotic break.

然后就会出现精神崩溃。

▶ Normally, that's why they take their life.

通常，这就是他们结束自己生命的原因。

bilibili 00:08:39

▶ It is hard to catch that.

这很难被察觉。

▶ And so much of this is happening online in areas that aren't monitored or are controlled and we don't have visibility into.

而且很多这类活动发生在不受监控或受控制的网络区域，我们无法#洞察#。

▶ And bearing that in mind, Eric, what might it mean for security at other events like this where people are trying to engage in public discourse?

考虑到这一点，埃里克，这对其他类似活动的安全意味着什么？人们正试图在这些活动中进行公共讨论。

▶ I think that we have seen the end of these sorts of events out in open, in particular, in a courtyard where it's very difficult for private security and even law enforcement, local law enforcement to defend the area where Charlie Kirk was, you would have required something like a secret service level of protection detail in order to secure all of the outbounding buildings and prevent a shooter from getting onto a roof.

我认为我们已经看到这类在露天场所举行的活动的终结，特别是在庭院里，私人保安甚至执法部门、当地警方都很难防守查理·柯克所在的那个区域，你需要特勤局级别的保护细节才能确保所有外围建筑的安全，并防止枪手登上屋顶。

bilibili 00:09:22

▶ So I think we've seen the end of that.

所以我认为我们已经看到那种情况的终结。

▶ I think we'll see a lot more auditoriums and maybe even school stadiums where you can check with a wand everybody who comes in and make sure that they don't have a firearm.

我认为我们会看到更多的礼堂，甚至可能是学校的体育馆，在那里你可以用扫描棒检查每一个入场者，确保他们没有携带枪支。

▶ And that will chill the broad reach of freedom of speech, especially on college campuses.

而这将#抑制#言论自由的广泛传播，尤其是在大学校园里。

▶ And how are you prepared to deal with what you're seeing at the hospital there?

你们是如何准备应对在医院所见到的情况的？

▶ They're not.

他们没有准备。

▶ This is a simple answer, but I think what will happen is they'll just have to deal with it.

这是一个简单的答案，但我认为接下来会发生的是，他们只能硬着头皮应对。

▶ I mean right now the main hospitals in Khan, Yunus area and Mid Gaza are at 300 percent capacity.

我的意思是，现在汗尤纳斯地区和加沙中部的主要医院都达到了300%的容量。

▶ So to put that in perspective, the hospital on that has 300 beds and it has over 1,000 patients.

这样来理解，一家有300张床位的医院收治了超过1000名病人。

bilibili 00:13:31

🎵 And again, for a little perspective for viewers at home, you know, we were losing our minds in COVID in New York City when we reached 115 percent capacity.

▶ Does it seem to be safe where you are at the moment?

你目前所在的地方安全吗？

▶ No, your answer is no.

不，你的答案是不安全。

▶ I'm not sure that much in Gaza is what I would determine safe.

我不确定加沙有多少地方是我认为安全的。

▶ This is my third conflict zone that I've worked in.

这是我工作的第三个冲突地区。

▶ I think, you know, it's almost our well, you ensure that they're telling people to leave Gaza City.

我想，你知道，这几乎是我们...嗯，他们确实在告诉人们离开加沙城。

 00:15:45

▶ And the problem is when you hit mid Gaza, there's no place to go.

问题在于，当你到了加沙中部，就无处可去了。

▶ It, you know, it is just one gigantic tent city.

它，你知道，就是一个#巨大#的帐篷城。

▶ I mean, I could send you pictures of like there are tents every week.

我的意思是，我可以每周给你发些照片，帐篷随处可见的景象。

▶ It can take you hours to get anywhere because the roads are almost the pedestrian locking malls through these tent cities.

去任何地方都可能花费数小时，因为道路几乎被这些帐篷城里的#行人#堵得水泄不通。

 00:16:10

▶ So, I don't know where people are going to go.

所以我不知道人们还能去哪里。

▶ If the tent city literally went right up to the Mediterranean because are the guesthouse for the organization I work at is down, down the road from here on the waterfront and the tents literally go right up to the water's end.

帐篷城真的直接延伸到了地中海边——因为我们组织经营的招待所就在海滨区，而帐篷群实实在在地蔓延到了水际线。

▶ Labour MPs are now questioning why Starmer did not remove Mandelson as US ambassador earlier.

工党议员们质疑为何斯塔默未尽早解除曼德尔森美国#大使#职务。

 00:20:08

▶ I'm joined live now by Harry Farley, our political correspondent who is in Westminster for us.

现在连线我们在威斯敏斯特的政治#记者#哈里·法利。

▶ Harry Lord Mandelson's friendship with Epstein was well known before his appointment.

哈里，曼德尔森勋爵与爱泼斯坦的交情在其任命前就广为人知。

▶ What changed from the Prime Minister supporting him to moving to swiftly fire him?

是什么让首相从支持他转变为迅速罢免？

▶ Good question.

问得好。

▶ What changed was the publication of a tranche of emails between Lord Mandelson and Jeffrey Epstein, the convicted pedophile.

转折点在于曼德尔森勋爵与定案恋童癖者杰弗里·爱泼斯坦的大批邮件被公开。

 00:20:35

▶ In particular, it was the details of those emails.

特别是邮件中的细节。

▶ One in particular where Lord Mandelson is quoted as saying, fight for your early release.

其中一封引述曼德尔森勋爵说"为你早日获释而战"。

▶ That was sent just as Jeffrey Epstein was facing jail for soliciting prostitution from someone under the age of 18 back in 2008.

该邮件发送时，爱泼斯坦正因2008年招嫖未满18岁者面临监禁。

▶ At the time that Jeffrey Epstein was facing prison and facing those charges, Lord Mandelson stood by him and said, your friends stay with you and love you.

当爱泼斯坦面临刑责时，曼德尔森勋爵曾表态支持："朋友们会陪伴你、爱你"。

 00:21:07

▶ What Downing Street argued was that they showed the new information about the depth and extent of the friendship between the pair.

唐宁街声称这些邮件揭示了两人交往的深度与广度的新证据。

▶ That is why they decided to withdraw Peter Mandelson, Lord Mandelson, from being the British ambassador to Washington.

因此决定撤销彼得·曼德尔森（曼德尔森勋爵）英国驻华盛顿#大使#的任命。

▶ Just an interesting note about timings.

时间点值得玩味。

▶ I'm actually told that Downing Street and the Foreign Office here in the UK was sent details of those emails on Tuesday of this week.

据我所知，唐宁街和英国外交部本周二就收到了这些邮件详情。

 00:21:38

▶ They began to look into it, but then on Wednesday, the Prime Minister stood up at Prime Minister's questions, a weekly opportunity for MPs in the Commons to question the Prime Minister.

他们开始调查，但周三首相仍在首相问答环节（下议院议员每周质询首相的机会）中

▶ Sir Keir Starmer stood up and defended Peter Mandelson.

基尔·斯塔默爵士起身为彼得·曼德尔森辩护。

▶ Now sources in governments insist that when he did that to the Prime Minister didn't know about the contents of the emails, but we've been told that officials in Downing Street and the Foreign Office did know about details of those emails.

政府内部人士坚称首相当时不知邮件内容，但我们获悉唐宁街和外交部官员确实知晓详情。

 00:22:04

▶ They were looking into them.

他们当时正在调查。

▶ The full contents of those emails was then published by Bloomberg and the Sun newspaper on Wednesday evening, so later that day, and it was the following day on Thursday that Lord Mandelson was sacked.

邮件全文于周三晚间由彭博社和《太阳报》发布，次日（周四）曼德尔森勋爵即遭解职。

▶ This will raise more questions about Downing Street's operation, about the team there.

这令人更加质疑唐宁街的运作机制及其团队。

▶ The fact that they knew about the details of these emails on Tuesday, but it wasn't when they said the Prime Minister defended Lord Mandelson.

他们周二知悉邮件细节，却未在首相为曼德尔森辩护时采取行动

bilibili 00:22:34

▶ It wasn't until Thursday that he was sacked.

直到周四才作出罢免决定。

▶ This will raise more questions about the operation in Downing Street, about Sir Keir Starmer's team, just as he's coming under significant pressure from his own MPs.

这将使唐宁街的运作和基尔·斯塔默爵士的团队受到更多质疑——尤其在他面临本党议员巨大压力之时。

▶ Indeed.

确实如此。

▶ Okay, Harry, finally there in Westminster live for us tonight.

好的哈里，感谢您今晚从威斯敏斯特发回的现场报道。
