此次谈话信息量巨大。

🎧 Blanche the number two at the Justice Department and former defense attorney for President Trump met with federal prisoner Golane Maxwell at the U.S. Attorney's Office in Tallahassee.

司法部二把手、前特朗普总统辩护律师布兰奇，在塔拉哈西联邦检察官办公室会见了囚犯吉兰·麦克斯韦。

🎧 Maxwell is currently serving a 20 year sentence at the nearby federal correctional institution this video of her returning to prison.

麦克斯韦目前正在附近联邦惩教所服20年刑期，这是她会后返回监狱的画面。

 00:01:25

🎧 This is video of her returning to prison after the meeting.

此为会面后她返回监狱的录像。

🎧 Blanche was sent at least in part to try to calm some of the furor among the president's supporters about how the administration has handled the Epstein controversy.

布兰奇此行部分目的是平息总统支持政府对处理爱泼斯坦争议的不满。

🎧 Earlier this week, Blanche posted on social media for the first time the Department of Justice is reaching out to Golane Maxwell to ask, what do you know?

本周早些时候，布兰奇首次在社媒发文称司法部正接触吉兰·麦克斯韦以追问“你知道什么？”

 00:01:45

🎧 Point of fact, it's not exactly the first time that the federal prosecutors have had contact with Golane Maxwell more on that at a moment.

事实上，联邦检察官并非首次接触麦克斯韦，稍后详述。

🎧 Maxwell's lawyer briefly spoke to reporters afterwards.

麦克斯韦的律师会后向记者简短表态。

🎧 productive day today with the Deputy Attorney General, top Blanche and Golane Maxwell.

“今日与司法部副部长布兰奇及麦克斯韦的会面富有成效。”

⌂ First, we want to thank the Deputy Attorney General for being so professional with all of us and for meeting with us.

“首先感谢副部长的专业态度及会面机会。”

⌂ 00:02:14

⌂ He took a full day and asked a lot of questions and Ms. Maxwell answered every single question.

“他花了一整天时间提问，麦克斯韦女士回答了所有问题。”

⌂ She never stopped. She never invoked a privilege. She never declined to answer.

“她全程配合，未行使特权，未拒绝回答。”

⌂ She answered all the questions truthfully, honestly, and sort of that's the probability.

“她如实回答了所有问题，这基本是事实。”

⌂ She answered all the questions truthfully, he said, but what questions and about whom?

律师称她“如实作答”，但问题内容及涉及对象仍存疑。

⌂ 00:02:38

⌂ Concern over Maxwell's honesty had been raised before by the Justice Department when they charged, tried and convicted her for sex trafficking of a minor and other offenses.

司法部此前指控麦克斯韦未成年人性交易时，已对其诚信提出质疑。

⌂ In other words, the first time they asked Maxwell what she knew.

即当局首次追问麦克斯韦所知内情时。

⌂ In recommending, she spent 20 years in prison, DOJ wrote a scathing sensing memo, which included, quote, that offended has lied repeatedly about her crimes exhibited in an utter failure to accept responsibility and demonstrated repeated disrespect for the law and the court.

建议判处20年时，司法部在备忘录中严厉指出：“被告屡次就罪行撒谎，完全拒绝承担责任，并多次藐视法律与法庭。”

 00:03:07

▶ Later on, federal prosecutors wrote simply put the defendant lies when it suits her.

检方后来总结称：“被告为利而谎。”

▶ Another way to sum up today's meeting, serial liar meets with President Trump's former defense attorney.

今日会面亦可概括为：“连环骗徒会见特朗普前辩护律师。”

▶ And it's not just the federal prosecutors who secured her conviction that questioned her credibility.

不仅定罪的联邦检察官质疑其可信度。

▶ Speaker of the House, Mike Johnson, also seems to have concerns.

众议院议长迈克·约翰逊亦表忧虑。

 00:03:29

▶ Could she be counted on to tell the truth?

“她能如实供述吗？”

▶ Is she a credible witness?

“其证词可信吗？”

▶ I mean, this is a person who's been sentenced to many, many years in prison for terrible unspeakable conspiratorial acts and acts against innocent young people.

“此人因针对无辜青年的骇人共谋罪行被判重刑。”

▶ I mean, can we trust what she's going to say?

“其供述值得采信吗？”

▶ That's the same speaker, Mike Johnson, who sent the House home early for its summer recess rather than hold a floor vote on releasing any Epstein information.

正是这位约翰逊议长提前结束国会夏季会期，未就公开爱泼斯坦文件进行表决。

 00:03:52

▶ Despite that, some of his conference continues to buy him and press forward with both asking Glenn Maxwell their own questions and voting to issue a subpoena to the Justice Department for the Epstein files.

尽管如此，部分共和党人仍推动直接质询麦克斯韦，并投票要求司法部提交爱泼斯坦文件。

▶ Obviously, 11th is the date when we hope to depose Maxwell in that prison facility in Tallahassee.

“我们计划11日在塔拉哈西监狱取证麦克斯韦。”

▶ The others that happened yesterday, we're going to move quickly on that.

“昨日进展顺利，我们将加速推进。”

 00:04:20

▶ So move quickly on that in reference to the DOJ subpoena.

“针对司法部传票也将快速行动。”

▶ Meanwhile, video has surfaced online of Jeffrey Epstein being deposed back in 2020.

同时，2020年爱泼斯坦取证视频流出。

▶ From a transcript of the deposition, we know that Epstein was asked in number of questions on a myriad of topics for which he pled the 5th many times, including this one about then citizen Donald Trump.

笔录显示，爱泼斯坦就多个话题（包括时任平民特朗普）频繁援引第五修正案拒答。

 00:04:42

▶ Have you ever had a personal relationship with Donald Trump?

“你与特朗普有过私人关系吗？”

▶ What do you mean a personal relationship?

“何谓私人关系？”

▶ Have you socialized with him?

“你们有社交往来吗？”

▶ Yes, sir.

“有的。”

▶ Yes, sir. Have you ever socialized with Donald Trump in the presence of females under the age of 18?

“是否曾与特朗普和18岁以下女性共同社交？”

▶ Though I'd like to answer that question, at least today, I'm going to have to assert my 5th, 6th, 14th Amendment right in search.

“虽愿作答，但今日我须行使第五、第六及第十四修正案权利。”

 00:05:17

▶ Now to be clear, President Trump has not been accused of any wrongdoing related to his relationship with Epstein.

需明确，特朗普总统未因与爱泼斯坦的关系被指控不当行为。

▶ As far as the president's schedule today, he had an outing to the Federal Reserve in theory to oversee the ongoing renovations of its headquarters with embattled Fed Chair Jerome Powell.

总统今日理论上为视察美联储总部翻修而会见鲍威尔。

▶ In practice, it might be seen as the next stop on the anything but Epstein tour.

实际或为转移爱泼斯坦事件焦点的行程。

 00:05:37

▶ And the president definitely created spectacle to talk about maybe inadvertently when he learned in real time, in a real time fact check about the cost of the project.

总统确制造了话题——他当场质疑工程成本遭实时反驳。

🎧 It looks like it's about 3.1 billion, one up a little bit or a lot.

“预算似为31亿，略有/大幅超支？”

🎧 So the 2.7 is now 3.1.

“27亿现增至31亿？”

🎧 Yeah, it just came out.

“刚获悉。”

🎧 I haven't heard that from anybody.

“无人告知我。”

🎧 I know that about 3.1 as well.

“我也刚知31亿。”

 00:06:10

🎧 3.1 3.2.

“31或32亿。”

🎧 This came from us?

“我方数据？”

🎧 Yes.

“是的。”

🎧 I don't know who does.

“不知谁核算。”

🎧 Are you including the Martin renovation?

“含马丁楼翻修？”

🎧 You just added.

“你刚纳入。”

▶ That's higher capital.

“属更高资本项。”

▶ You just added in a third building.

“你刚加入第三栋楼。”

 00:06:23

▶ That's what that is.

“即为此因。”

▶ That's a third building.

“此为新增楼宇。”

▶ It's a building that's being built.

“系在建项目。”

▶ No, it's been.

“不，已建成。”

▶ He was built five years ago.

“五年前竣工。”

▶ We finished Martin five years ago.

“马丁楼五年前完工。”

▶ It's part of the overall.

“属整体规划。”

▶ Later on, the president was asked as a real estate developer what he would do to a project manager who was over budget.

随后总统被问及，作为地产商将如何处置超预算的项目经理。

 00:06:43

▶ His answer was I fire him.

答：“开除。”

▶ For more and all this, seen in his chief White House correspondent, An acre of the source, Kaitlyn Collins is with us now.

详情请见白宫首席记者凯特琳·柯林斯的报道。

▶ Kaitlyn great to see it.

“凯特琳，欢迎。”

▶ Is it clear exactly what the White House hopes the Maxwell Blanche meeting will lead to as it heads into this rather remarkable second day?

“白宫对麦克斯韦与布兰奇次日会面的预期是否明确？”

▶ It's not clear.

“尚不明确。”

▶ And it's not clear what they are ultimately going to produce from this meeting.

“会面最终成果亦未可知。”

 00:07:05

▶ I mean, you saw that statement that was brief from the deputy attorney general saying that there will be a second day of meetings and saying that the Department of Justice will determine what appropriate information from these meetings, what they learned to make public.

“副部长的简短声明仅称将进行次日会面，并称司法部将决定公开哪些信息。”

▶ Of course, that is where he works.

“这符合其职权。”

▶ And so that will be a decision that is up to the deputy attorney general who's been in these meetings all day today.

“决定权在参与全天会面的副部长手中。”

bilibili 00:07:24

▶ And the attorney general, Pam Bondi herself.

“及司法部长帕姆·邦迪本人。”

▶ And so it's not really clear, John, what that's going to look like, or even what they're trying to get out of this and what they can learn from Golane Maxwell that would really change the dynamic here.

“故其具体目标及可能改变局势的收获仍不明朗。”

▶ I was speaking with one Republican Senator last night and asked, you know, what would be a better idea to speak with the victims here if you were trying to learn more about what Jeffrey Epstein was up to and what he was doing.

“有共和党参议员质疑：‘若想了解爱泼斯坦行径，询问受害者是否比询问定罪犯人更有效？’”

bilibili 00:07:46

▶ Rather than the woman who is convicted of sex trafficking and, of course, sitting in that correctional facility in Florida.

“而非询问佛罗里达监狱中的性交易罪犯。”

▶ It is clear, John, what she could get out of this.

“麦克斯韦的动机很明确。”

▶ Part in a reduction in her sentence.

“可能是减刑。”

▶ Those are things that it still remains to be seen.

“但尚未证实。”

▶ If they're actually even on the table here, it's not been made clear to us yet from the White House.

“白宫未透露此类条件是否存在。”

bilibili 00:08:03

▶ And the president has kind of distanced himself from this meeting saying that it's up to the Department of Justice here.

“总统则表态此事由司法部全权处理。”

▶ But that really is going to be the question, John, of whether or not this is something that continues to keep this in the headlines, which the White House very much does not want, and yet has been unable to kind of change the narrative.

“关键在于会否持续引发头条——白宫极力避免却无法扭转的叙事。”

▶ And whether or not there is a result here that only inflames and anger is the mega-base more than they've already been by the DOJ's handling of this whole situation.

“以及结果会否进一步激怒已被司法部处理方式惹恼的MAGA阵营。”

 00:08:27

▶ So there are a lot of unanswered questions by this, but I've been talking to people who are allies of the president or who work in the administration who have said it is not clear to them.

“诸多疑问待解，但总统盟友及政府官员均表示不明就里。”

▶ What exactly the White House is trying to get out of meeting with Golane Maxwell?

“白宫究竟想从麦克斯韦处获取什么？”

▶ Yeah, again, as I said, it'll be just as interesting if we ever learn what she said as to what Todd Blanche actually asked her.

“正如所言，布兰奇的提问内容与其供词同样值得关注。”

 00:08:47

▶ Kayla Collins, great to see you.

“感谢凯特琳。”

▶ We'll see you at the top of the hour for the source.

“稍后《新闻溯源》再见。”

▶ Another bit of breaking news.

“另一则突发新闻。”

▶ It has to do with that alleged 2003 birthday book, purportedly assembled for Jeffrey Epstein in containing messages from some of his friends.

“涉及据称为爱泼斯坦2003年生日册的争议物品，内含其友人留言。”

▶ The Wall Street Journal reported last week that then Citizen Donald Trump contributed a body drawing in message.

《华尔街日报》上周报道时任平民特朗普曾提交裸体素描及留言。

bilibili 00:09:05

▶ The president denied it, said it's a fake and promptly moved to sue the Wall Street Journal.

总统否认并起诉该报，称系伪造。

▶ Tonight, the newspaper is reporting that the book contained well wishes from other famous people, including former president Bill Clinton.

该报今晚称册子还含比尔·克林顿等名人的祝福。

▶ The former president's office declined to comment on the birthday message, but pointed to the journal to a previous statement, saying that Mr. Clinton cut ties with Epstein more than a decade before Epstein was arrested in 2019 and knew nothing of his crimes.

克林顿办公室援引既往声明称，其早在爱泼斯坦2019年被捕前十余年已断绝往来，且对其罪行不知情。

bilibili 00:09:28

▶ With this now, CNN anchor, chief legal analyst Laura Coates, former chief judge for the US Middle District Court of Pennsylvania, John E. Jones, and former FBI Deputy Director Andrew McCabe.

“此刻CNN首席法律分析师劳拉·科茨、宾州中区法院前首席法官约翰·琼斯及FBI前副局长安德鲁·麦凯布加入讨论。”

▶ And, Laura, let me just start with you.

“劳拉，请先谈谈。”

▶ The fact that there's going to be a second day of discussions between the deputy attorney general and convicted felon, Glenn Maxwell.

“司法部副部长与定罪犯人麦克斯韦将进行次日会谈。”

 00:09:50

▶ What does that tell you?

“你作何解读？”

▶ And again, where are you on one interest?

“你更关注哪一点？”

▶ You more.

“请详述。”

▶ What Maxwell is saying, or maybe what Todd Blanche is asking?

“麦克斯韦的供词，抑或布兰奇的提问内容？”

▶ What does it tell me that the deputy attorney general has enough free time to need with an incarcerated individual in Florida, as opposed to any other matter?

“司法部二把手竟有空专程赴佛罗里达监狱会谈，而非处理其他事务，此事本身已说明问题。”

▶ It tells me there's an extraordinary political pressure that is mounting to essentially force this to happen.

“反映迫使其成行的巨大政治压力。”

 00:10:11

▶ I have real concerns, of course, as anyone would, knowing that she has already been, they did not ultimately pursue this, but Glenn Maxwell, perjury was on the table at one point before the sex trafficking charges.

我当然有真实的担忧，正如任何人都会有的那样，知道她已经被指控，尽管他们最终没有追究这一点，但在性交易指控之前，格伦·麦克斯韦的伪证罪曾被考虑过。

▶ The government, one of the offices of the US attorneys, had legitimate concerns about her ability to be truthful.

政府，即美国检察官办公室之一，对她的诚实能力有合理的担忧。

▶ Not about matters, about nuances, was it this date or that date, but about the overall substance of the charges against Jeffrey Epstein, whether she had ever seen him in this behavior, whether she knew anything about it going right to the heart of the matter.

不是关于细节问题，比如是这个日期还是那个日期，而是关于对杰弗里·爱泼斯坦指控的实质内容，她是否曾见过他有这种行为，是否知道任何与此相关的核心问题。

bilibili 00:10:42

▶ And so him having this opportunity to meet with her and saying they've never spoken to her before, the audience should know it is not uncommon that when somebody is a defendant and they have counsel, and they do not have free conversations with the prosecutor who is actually prosecuting them.

因此，他有机会与她见面并声称他们之前从未与她交谈过，观众应该知道，当某人是被告且有律师时，他们不会与实际上起诉他们的检察官自由交谈，这并不罕见。

▶ They are reserved.

他们是有所保留的。

▶ They want to know if there's a plea offer on the table.

他们想知道是否有认罪协议摆在桌面上。

bilibili 00:11:01

▶ If there is not one, they have little to no incentive to actually be forthcoming.

如果没有，他们几乎没有动力真正坦诚相待。

▶ Now, I wonder what might be on the table for her to do that.

现在，我想知道她这样做可能会得到什么。

▶ Would it be a commutation or a pardon recommended?

会是减刑还是建议赦免？

▶ Could it be that she is not hopeful that the Supreme Court will take her matter where she's already said, look, I should never have been prosecuted because that Florida prosecuting sweetheart deal that went to Epstein said it wouldn't actually prosecute a co-conspirator.

是否可能是她对最高法院受理她的案件不抱希望，她已经说过，看，我本不应该被起诉，因为佛罗里达州给爱泼斯坦的那份甜心协议说它实际上不会起诉共谋者。

bilibili 00:11:27

▶ Read, Glenn Maxwell.

读一下，格伦·麦克斯韦。

▶ So Andrew, you know, how unusual is a meeting like this in the first place?

所以安德鲁，你知道，这样的会面首先有多么不寻常吗？

▶ And how confident are you that someone in the room is recording the interview?

你有多确信房间里有人在记录这次访谈？

▶ Either by video or taking contemporaneous notes, will we actually learn exactly what was asked?

无论是通过视频还是实时记录，我们真的能确切知道问了什么吗？

▶ Those are great questions, John.

这些都是很好的问题，约翰。

▶ So the first question, how common is this?

所以第一个问题，这有多常见？

bilibili 00:11:50

▶ Never happens.

从未发生过。

▶ Never, ever, ever.

从来没有，从来没有。

▶ In my 21 years in the FBI, never, I'm not familiar with a single instance in which the deputy attorney general traveled to a federal prison to participate in the interview of a convict.

在我 FBI 工作的21年里，从未发生过，我不熟悉任何一例副司法部长前往联邦监狱参与访谈一名罪犯的情况。

▶ It just does, it's not the deputy attorney general's role, right?

这根本不是副司法部长的职责，对吧？

▶ Typically, this does happen in some high profile cases.

通常，这确实发生在一些高调的案件中。

 00:12:15

▶ Somebody gets convicted and then they decide they want to cooperate and to pursue what we refer to as a rule 35 sentence reduction.

某人被定罪后，他们决定要合作并寻求我们所说的规则35减刑。

▶ It's a possibility if you can contribute substantial assistance after the fact of your conviction.

如果你能在定罪后提供实质性协助，这是一种可能性。

▶ But it's something that the line attorney who handled your case, who took you to trial, who convicted you of those crimes, that attorney is the person who is most best position to evaluate the truth and veracity of what you've now decided to reveal to the government.

但这是由处理你案件的检察官来评估的，他带你上庭，给你定罪，这位检察官是最有能力评估你现在决定向政府透露的内容的真实性和可信度的人。

 00:12:46

▶ Unfortunately, in this case, that attorney got fired last week, Maureen Comey.

不幸的是，在这个案件中，那位检察官上周被解雇了，莫琳·科米。

▶ So none of the details around this interview are common or normal in any stretch.

因此，这次访谈的任何细节在任何意义上都不常见或正常。

▶ I think it's Lawyers Absolutely, right?

我认为这绝对是律师的问题，对吧？

▶ The question is, what's the motivation here for the Department of Justice?

问题是，司法部在这里的动机是什么？

▶ Glein Maxwell, clearly her motivation is to get out from under a 20-year sentence in one way or another.

格伦·麦克斯韦，显然她的动机是以某种方式摆脱20年的刑期。

 00:13:13

▶ And so I would expect that her lawyers who are very capable are pursuing any sort of relief from that, whether it's rule 35 or a partner or anything else.

因此，我预计她非常有能力的律师正在寻求任何形式的救济，无论是规则35还是其他任何方式。

▶ But it's not clear what the department gets out of this.

但不清楚司法部从中能得到什么。

▶ Presumably, she's a source that's never talked to them before.

据推测，她是一个从未与他们交谈过的消息来源。

▶ Never consistently is thought to have lied and not revealed what she knows.

人们一直认为她在撒谎，没有透露她知道的事情。

 00:13:35

▶ So maybe they'll find out some new information here.

所以也许他们会在这里发现一些新信息。

▶ But I think our chances of learning about what they find out is very, it's slim to none.

但我认为我们了解他们发现的内容的机会非常渺茫，几乎为零。

▶ Because if they actually get good information, they're going to want to work with that.

因为如果他们真的得到好的信息，他们会想要利用这些信息。

▶ They're not going to release it to the public.

他们不会向公众发布这些信息。

▶ And Judge Jones, how significant is it that according to Maxwell's attorney, she didn't invoke privilege and answered every question from Todd Bletcher?

琼斯法官，根据麦克斯韦律师的说法，她没有援引特权并回答了托德·布莱彻的每一个问题，这有多重要？

 00:13:59

▶ I'm not sure, John, that it's that significant because I think that she is sort of queen for a day or several days and nothing that she's saying can be used against her.

我不确定，约翰，这有那么重要，因为我认为她现在是“一日女王”或“几日女王”，她所说的任何话都不能用来对付她。

▶ And of course, she's already been convicted.

当然，她已经被定罪了。

▶ But here's the question I have.

但这是我的问题。

▶ It's been said by Maxwell's attorney that there were no real plea negotiations.

麦克斯韦的律师说没有真正的认罪谈判。

 00:14:20

▶ That's fine so far as it goes, but it begs the question, as my co-panelists know, typically when someone is charged like this with federal crimes, the US attorney asks for a proffer.

这本身没问题，但它引出了一个问题，正如我的小组成员所知，通常当某人被指控犯有联邦罪行时，美国检察官会要求提供陈述。

▶ Does your client want a proffer?

你的客户想要提供陈述吗？

▶ Meaning that they'll take a statement, the government will take a statement from her and she'll be protected from use of that statement against her to see if she's got anything that's useful that can be used, that she can become a co-operator and lessen her sentencing exposure.

意思是他们会记录一份陈述，政府会从她那里记录一份陈述，并且她将受到保护，这份陈述不会被用来对付她，以查看她是否有任何有用的信息可以被利用，她可以成为合作者并减少她的刑期风险。

 00:14:54

▶ Now, I have to believe that happened in informal discussion.

现在，我不得不相信这在非正式讨论中发生过。

▶ So you have a couple scenarios.

所以你有几种情况。

▶ One is she decided she didn't want a proffer or the other scenario is she proffered and she was found to be so unreliable that she didn't have anything they could use.

一种是她决定不提供陈述，另一种情况是她提供了陈述，但被发现非常不可靠，以至于她没有任何他们可以利用的东西。

▶ And I suspect that could be what happened here.

我怀疑这可能是这里发生的情况。

 00:15:12

▶ So query then, if that's what happened, how are you going to spend two days with her to mind a bunch of other information when she's been found to be unreliable to the point of perjury?

那么问题来了，如果情况是这样，当她被发现不可靠到伪证的程度时，你如何花两天时间与她一起挖掘一堆其他信息？

▶ This, and I agree with Andrew, this is really bizarre.

这一点，我同意安德鲁的观点，这真的很奇怪。

▶ This is unprecedented in, you know, 20 years in the federal bench and 22 years before that as a lawyer, I've never seen anything like this.

这是前所未有的，你知道，我在联邦法院工作了20年，之前做了22年律师，我从未见过这样的事情。

 00:15:36

▶ It's a post conviction kind of a proffer, you know, but for what and for what use?

这是一种定罪后的陈述，但为了什么，有什么用？

▶ It's quite unusual.

这很不寻常。

▶ And again, that's why it's so compelling to try to find out what actually took place inside that room.

再次强调，这就是为什么试图弄清楚那个房间里实际发生的事情如此引人注目。

▶ Lawyer, Laura, back to the alleged 2003 birthday book for EBSC, which President Trump is suing the Wall Street Journal over the journal tonight in its article about other famous people who contributed messages.

律师劳拉，回到所谓的2003年EBSC生日书，特朗普总统正在起诉《华尔街日报》，因为该报今晚的文章提到了其他贡献留言的名人。

 00:15:59

▶ Says of the album is in the possession of EBSC's estate.

据说这本相册由EBSC的遗产保管。

▶ So again, is this a stake going to have to produce the book one where the other, if it is the center at the center of this lawsuit by Donald Trump against the Wall Street Journal?

那么再次强调，这是否意味着必须出示这本书，如果它是特朗普起诉《华尔街日报》这一诉讼的核心？

🎧 I mean, ultimately the discovery process of any litigation is really the core of the matter.

我的意思是，最终任何诉讼的发现程序都是问题的核心。

 00:16:18

🎧 You want to be able to understand whether the Wall Street Journal, which is required under a defamation of a high profile and well-known public figure, liked Donald Trump, whether they had actual malice, had they reviewed some document to confirm and corroborate with their actually reporting to the public?

你想要了解《华尔街日报》，在诽谤一位高调和知名的公众人物（如唐纳德·特朗普）的情况下，他们是否有实际恶意，是否审查了某些文件以确认和证实他们向公众的实际报道？

🎧 Did they have some reason to believe it was not true and reported it anyway?

他们是否有理由相信这不是真的，但还是报道了？

🎧 And did they have some malice toward Trump such that they didn't care what the actual truth was?

他们是否对特朗普怀有恶意，以至于不在乎真相是什么？

 00:16:40

🎧 That would all come into the discovery process.

这一切都将进入发现程序。

🎧 And it's likely we'd be able to see at least some modicum of what the Wall Street Journal relied on.

我们很可能至少能看到《华尔街日报》所依赖的一些证据。

🎧 The estate, however, is not currently party to the litigation, I understand it.

然而，据我所知，遗产目前不是诉讼的一方。

🎧 And so as long as the matter remains between the two, there's a little bit of a standstill in terms of how the Wall Street Journal could prove that it was not actual malice.

因此，只要问题仍然存在于两者之间，《华尔街日报》在证明其没有实际恶意方面就会有点停滞不前。

 00:25:23

▶ Just one point in fact here, the reporting is that the president was told that his name is in the Jeffrey Epstein files.

这里有一个事实点，报道称总统被告知他的名字出现在杰弗里·爱泼斯坦的文件中。

▶ That in and of itself doesn't imply any wrongdoing.

这本身并不意味着任何不当行为。

🎧 It also isn't clear that it was on any kind of list one way or the other.

也不清楚它是否出现在任何类型的名单上。

🎧 The word list has ended up being a little bit of a loaded word with Jeffrey Epstein, but we just, when he was told, we know he was told his name was in the files.

“名单”这个词最终成为杰弗里·爱泼斯坦的一个有点敏感的词汇，但我们只是，当他被告知时，我们知道他被告知他的名字在文件中。

 00:25:46

🎧 How much do you think, how much compliance do you think you will get from the Justice Department in your subpoena for the files?

您认为，在您对文件的传票中，您能从司法部得到多少配合？

🎧 So certainly, right?

所以当然，对吧？

🎧 If we expect that the DOJ will, you know, do its job.

🎧 This was a lawful subpoena that we were issued.

🎧 It was bipartisan and we expected that it will be signed back home, and then go to the DOJ.

这是两党共同支持的，我们预计它会被签署并送回，然后交给司法部。

 00:26:12

🎧 Now, of course, if they were to not comply, I think that would be incredibly concerning.

当然，如果他们不遵守，我认为这将非常令人担忧。

▶ But I think that, you know, one of the things that we have right now in this moment is that the American people want to see this.

但我认为，您知道，我们现在拥有的一件事是美国人民希望看到这一点。

▶ So I think that in the past, right, where we've seen a lot of executive overreach, you know, a lot of opportunities or things that, you know, if the executive branch doesn't see it as a priority, they've been able to shift it aside, but they've been able to do that because the American people have largely turned a blind eye.

所以我认为在过去，我们看到很多行政越权，很多机会或事情，如果行政部门不将其视为优先事项，他们能够将其搁置一旁，但他们能够这样做是因为美国人民在很大程度上视而不见。

 00:26:38

▶ And right now, they're not, right?

而现在，他们没有，对吧？

▶ They are fully in tune on this.

所以我们会接受它，我们会顺其自然。

 00:26:57

属于整体工程。所以...

▶ The president has become highly critical of the price tag of the renovations, which are estimated to cost 2.5 billion dollars.

总统强烈批评翻修25亿美元的预估成本。

▶ That's very different than the 3.1 billion dollar figure.

与31亿的说法差异很大。

▶ The president claimed today, although according to Powell, that's including the price of an additional building that was completed years ago.

总统今日声称，但据鲍威尔说，这包含多年前完工的另一栋楼成本。

 00:37:13

▶ Now the timing of the tour and the criticism of the cost are notable as the president has toyed for weeks with the idea of firing Powell.

此次巡视与成本批评的时机值得注意，因总统数周来一直考虑解雇鲍威尔。

▶ The president's dissatisfaction stems from his long-held belief that the fed chair should lower interest rates.

总统的不满源于他长期认为美联储主席应降息。

▶ Any kind of pressure by a sitting president on the independent central bank is highly unusual.

现任总统对独立央行的任何施压都极不寻常。

bilibili 00:37:30

▶ Even the fact that the president traveled to the fed headquarters today is notable.

总统今日到访美联储总部也值得关注。

▶ The last president to do so was George W. Bush in 2006.

上次到访的总统是2006年的小布什。

▶ With us now as Larry Summers, the former Treasury Secretary during the Clinton Administration and the former director of the White House National Economic Council under President Obama.

现在连线的是克林顿政府财长、奥巴马总统白宫国家经济委员会主任拉里·萨默斯。

▶ Secretary, thanks so much for being with us.

部长，非常感谢参与。

bilibili 00:37:47

▶ What went through your head when you were watching the fed chair fact check the president in real time over the cost of the renovations?

看到美联储主席实时纠正总统对翻修成本的描述时，你作何感想？

▶ It's not a scene like anything that I've seen before in many years in Washington.

这是华盛顿多年未见的场面。

▶ I don't really understand why the president of the United States and the chairman of the Federal Reserve are negotiating or discussing building procedures and building costs.

我不明白为何美国总统与美联储主席要协商或讨论建筑流程与成本。

bilibili 00:38:15

▶ But here's what's really important.

但关键的是：

▶ If there's a sense that the fed is going to yield to political pressure and make money easier, the market's going to see that and it's all going to backfire.

若市场认为美联储将屈服政治压力放宽货币，后果会适得其反。

▶ Maybe interest rates are a bit lower in the short run, but in a long run because people will see that that leads to more inflation, interest rates will go up.

短期利率或略降，但长期因通胀预期利率会上升。

bilibili 00:38:42

▶ So it's not about whether it's the right or wrong thing to do to bash the fed.

所以抨击美联储无关对错。

▶ It's a fools game for politicians because if anybody thinks you have a chance of succeeding, actually interest rates, the interest rates that are important, the longer term interest rates that affect when corporations borrow or more important that affect when individuals borrow to buy a house, mortgage rates go up.

对政客这是愚蠢游戏，因若有人认为可能成功，关键利率——影响企业借贷的长期利率，更影响个人购房抵押利率——反而会上升。

▶ So I don't think this is a proven strategy for the president to pursue independent of the merits of the question.

所以我认为这不是总统该采取的策略，无论问题本身优劣。

bilibili 00:39:19

🎧 I think it's playing a very, very dangerous game to raise doubts about the independence of the fed.

质疑美联储独立性是非常危险的游戏。

🎧 You talked about the idea.

你提到这个观点。

🎧 If the markets see the fed being pressured, I want to play a little bit more of the tour watch.

若市场看到美联储受压力，我想再播放些巡视片段。

🎧 I think that would make it look back on some of the earlier criticism.

我认为这会让人反思早先的批评。

🎧 Well, I'd love him to lower interest rates.

我当然希望他降息。

🎧 00:39:44

🎧 Other than that, what can I tell you?

除此之外还能说什么？

🎧 I don't know if you actually saw the physical backslap there.

不知你是否看到那个拍背动作。

🎧 I don't know if one could say the president is literally trying to strong arm the fed chair into lowering interest rates.

不确定能否说总统在强行施压美联储主席降息。

🎧 But what about the dynamics in the body language between the two?

但二人的肢体语言动态呢？

🎧 How will that be perceived when it comes to fed independence?

这对美联储独立性意味着什么？

▶ I think right now people expect that Jay Powell's going to do his duty as he sees it.

我认为目前人们预期鲍威尔会履行职责。

▶ And it's not only him.

不仅是他。

▶ It's a 12-member committee that votes on monetary policy.

12人委员会共同投票决定货币政策。

▶ And I think right now people expect that they will do their job and find the best balance they can between the risks of inflation and unemployment.

人们预期他们会平衡通胀与失业风险。

▶ I don't think anybody thinks that the kind of huge reduction in interest rates, two percentage points, three percentage points that the president has called for.

没人认为总统呼吁的降息2-3个百分点会实现。

▶ I don't think anybody thinks it's likely that that's going to happen.

没人认为这很可能发生。

▶ If people started to think that would happen, I think you see huge turmoil in markets.

若人们开始预期此事，市场将巨震。

▶ I think you'd see mortgage rates go way up.

抵押利率会飙升。

▶ They could see the dollar go way down.

美元可能暴跌。

▶ I suspect you'd see the stock market go way down as well.

股市也可能大跌。

▶ But I don't think people are seeing this as a serious threat that the president is really going to control or change the picture in a major way at the Fed.

但人们不认为总统会实质性控制或改变美联储格局。

bilibili 00:41:18

▶ And after all the president made clear today and has made clear in the past that it's not his intention to replace chair Powell.

毕竟总统今日和过去都明确表示无意替换鲍威尔。

▶ I think what the president is really doing, John, is not so much trying to influence monetary policy as he's setting himself up to have a scapegoat if the economy goes bad.

我认为总统真正在做的是为经济恶化找替罪羊，而非影响货币政策。

▶ The economy goes bad.

经济恶化时。

▶ People are going to blame it on his tariff policies.

人们会归咎他的关税政策。

bilibili 00:41:47

▶ And that's probably going to be the reason it went bad.

那可能就是原因。

▶ But he's setting up to be able to blame it on the Fed.

但他准备归咎美联储。

▶ That's what I think this is all really about.

我认为这才是本质。

▶ Former Treasury Secretary Larry Summers always great to speak with you.

▶ Thank you very much.

▶ Just how central was Hulk Hogan in what professional wrestling ultimately became?

Hulk Hogan对职业摔角的发展有多关键？

▶ Incredibly central because I'm not sure if there would be a professional wrestling industry.

极其关键，甚至可能没有今天的职业摔角产业。

▶ The way it is now multibillion dollars WWE on Netflix without Hulk Hogan.

没有他就没有现在WWE与Netflix数十亿美元的合作。

▶ Because in 1985, when he had line WrestleMania One, wrestling was splintered.

因1985年他领衔首届摔角狂热时，这行业还四分五裂。

bilibili 00:57:36

▶ What was it about him that made him different as an entertainer?

是什么让他作为一名表演者与众不同？

▶ Yeah, it's so interesting because wrestling is a complicated business, but the one thing that it has at other entertainment mediums don't is the real time feedback from fans.

他非常有魅力。

▶ And then again in the 90s, he used that and parlated into a run as a bad guy for a lot of the same reasons that he became the protagonist, even as a bad guy for the first time in wrestling history.

然后在90年代，他再次利用这一点，并因为许多与他成为主角相同的原因转型为反派，甚至成为摔跤史上第一个反派主角。

▶ That was that became a thing.

这成了一种现象。

🎵 And but Hulk Hogan as a character, there's no doubt any legacy of what he was able to do for the professional wrestling business.

但作为角色的胡克·霍根，毫无疑问他为职业摔跤行业所做的一切留下了遗产。
