Next this evening, as we've been hearing, the government has approved a second runway at Gatwick Airport.

今晚接下来，如我们持续关注的，政府已批准盖特威克机场建设第二条跑道。

 00:03:57

The plans involve moving the existing emergency runway 12 metres north and bringing it into regular use.

该计划将现有应急跑道北移12米转为常规使用。

It's set to cost 2.2 billion pounds.

预计耗资22亿英镑。

Gatwick is already the busiest single runway airport in the world.

盖特威克已是全球最繁忙的单跑道机场。

The extra runway is expected to double the number of passengers to around 80 million a year.

新增跑道预计将使年旅客量翻倍至约8000万人次。

But the plans have been criticised by some local residents and environmental groups and there are conditions attached to the approval.

但该计划遭到部分当地居民和环保组织批评，且获批附带了条件。

 00:04:26

Our transport correspondent Tom Edwards explains.

本台交通#记者#汤姆·爱德华兹为您解析。

A bigger, busier Gatwick today got the go ahead.

更庞大、更繁忙的盖特威克机场今日获准扩建。

The reserve runway will be moved 12 metres north for take-off only, creating a second runway.

备用跑道将北移12米专供起飞，形成第二条跑道。

🎧 Locals gave it a mixed response.

当地居民反应不一。

🎧 If it does then we will move definitely.

若真扩建我们肯定会搬走。

🎧 I'm retired now, so obviously we just want somewhere really where we can just get out easier.

我已退休，自然希望找个出行更方便的居所。

🎧 00:04:54

🎧 I don't think the infrastructure could take it.

我认为现有#基础设施#难以承受。

🎧 I know that if only got the one runway but I suppose in this day and age you've got to look at it as the amount of people that are going away on holiday and things you do need.

我理解目前只有一条跑道，但当今时代必须考虑度假人流等因素。

🎧 You do need another one.

确实需要新跑道。

🎧 That's a good thing because I used to work at the airport and it's quite crowded.

这是好事，我曾在那工作，机场已经相当拥挤了。

🎧 00:05:15

🎧 People just park everywhere and leave their cars for two to three weeks and just go on holiday and act like it doesn't affect us.

人们随处停车两三周去度假，仿佛对周边毫无影响。

🎧 Part of the plans just over half of their port passengers will have to get there by public transport.

按规划，超过半数旅客需搭乘公共交通抵达机场。

Local homes will get soundproofing and the use of the runway will only be allowed when certain criteria are met.

周边住宅将安装隔音设施，且跑道使用需满足特定#标准#。

But expansion is controversial and divisive.

但扩建计划充满#争议性#且#造成分歧#。

该项目将耗资490亿英镑，创造10万个岗位。

⏮ But Heathrow is just at the beginning of the planning process.

但希思罗项目刚进入规划阶段。

⏮ If it is the case, there's a second runway at Gatwick reinforces how ridiculous plans are for a third runway at Heathrow.

若盖特威克建二跑道成真，更凸显希思罗建三跑道的计划有多荒谬。

⏮ What Heathrow is doing is to provide a better Heathrow rather than a bigger one.

希思罗的目标是打造更优质的机场而非更大的机场。

 00:06:54

⏮ Heathrow has submitted its planning application for a third runway.

 00:12:52

🎧 Well, the sun's going down on the second day of the Lib Dems conference here in Bournemouth.

伯恩茅斯自民党会议次日正值日落时分。

🎧 I think it's fair to say they've been in fairly buoyant mood given their results in the general election last year.

鉴于去年大选成绩，可以说他们情绪相当高涨。

🎧 But also, I think, true to say, that they were caught somewhat on the hop by the government's announcement that they're going to back the second runway to Gatwick.

但政府支持盖特威克机场第二跑道声明确实让他们有些措手不及。

 00:13:10

🎧 Something that Lib Dems, of course, don't want to happen.

这自然是自民党不愿看到的。

🎧 They're opposed to any redevelopment of airports and expansion in London and the South East.

他们反对伦敦及东南部任何机场改建和扩建。

🎧 So I caught up with their Lords transport spokesperson, Caroline Pitchin, who of course used to be a London Assembly member.

于是我采访了上议院交通发言人卡罗琳·皮钦，她曾担任伦敦议会议员。

🎧 This is what she told me earlier.

自民党昨日通过动议要求每个地方当局设点。

▶ Not necessarily in a police station, perhaps in some council buildings or in libraries, things like that.

未必在警局内，可设于市政厅或图书馆等场所。

 00:14:16

▶ But they also have concerns over how the announcement was handled by the Met and the Mayor.

但他们也对伦敦警察厅和市长发布通知的方式存疑。

▶ Let's have a listen.

请听报道：

▶ So we found out the same time as everybody else.

但关闭这些服务点前毫无预警。

 00:14:39

▶ It was a real shock and a bit of a kick in the guts when it actually came along.

消息公布时如同当头一棒。

▶ And the impact on our communities will really be quite serious.

对社区的影响将十分严重。
