它抵达时赢得了热烈的掌声。

🎧 Lots of people coming to see it and tell us a little bit more about the most modern Viking ship.

很多人前来观看，请多告诉我们一些关于这艘最现代维京船的信息。

🎧 Please tell us more, explain this ship and how it is the most modern Viking ship.

请告诉我们更多，解释一下这艘船，以及它为何是最现代的维京船。

🎧 Well, yeah, first of all, the whole and everything you see here is like the original ships.

嗯，是的，首先，你在这里看到的全部东西都和原始船只一样。

 00:17:14

🎧 But under the deck here we have tons of electronics.

但在甲板下面，我们有很多电子设备。

🎧 We have battery banks.

我们有电池组。

🎧 We have generators.

我们有发电机。

🎧 We have electric parts.

我们有电动部件。

🎧 Joystick control.

操纵杆控制。

🎧 Moving all direction.

可以向各个方向移动。

🎧 Give us very good maneuverability.

给了我们非常好的机动性。

▶ But you can't see it because we prefer to sail.

但你看不到它，因为我们更喜欢航行。

bilibili 00:17:30

▶ Let me prefer to sail that's a Viking ship.

让我更喜欢航行，那才是一艘维京船。

▶ Well, it looks like a Viking ship.

嗯，它看起来像一艘维京船。

▶ You've really pulled that off and we all know about power tools.

你们真的做到了，而且我们都知道电动工具。

▶ We were talking a little bit earlier and this you tell us is a power tool.

我们刚才聊了一下，你告诉我们这是一个电动工具。

▶ Yeah, this is a Viking power tool.

是的，这是一个维京电动工具。

▶ This is actually the winch.

这实际上是绞盘。

▶ There's a man or woman driven power tool.

这是一种由男人或女人驱动的电动工具。

bilibili 00:17:46

▶ So we're using this to hoist the sail by using these sticks.

所以我们用这些棍子操作它来升起船帆。

▶ One man on each stick pulling down to pull.

每根棍子由一个人向下拉。

▶ Do you need some help there?

你需要帮忙吗？

▶ No, yeah, I can't pull it in further.

不，是的，我拉不动了。

▶ We've got it quite heavy and the entire ship is connected to it.

它很重，而且整艘船都连着它。

▶ But that's how we hoist the sail using this winch.

但我们就是这样用这个绞盘升起船帆的。

▶ It's incredible.

太不可思议了。

▶ So we'll leave that because we can't hoist that alone.

所以我们先不管它了，因为我们自己升不起来。

 00:18:11

▶ But we were talking earlier also about the wheel on the ship.

但我们刚才也谈到了船上的舵轮。

▶ Usually we see a wheel but this one doesn't have that.

通常我们看到的是一个轮子，但这艘船没有。

▶ There's something different.

有些不同。

▶ That's right.

没错。

▶ So this is the rudder and this is a tiller.

所以这是舵，而这是舵柄。

▶ This is the rudder on a Viking ship.

这是维京船上的舵。

▶ It's actually on starboard side.

它实际上在右舷侧。

▶ And starboard is for those who doesn't know a Viking word.

而“starboard”（右舷）对于不了解维京语的人来说。

 00:18:31

▶ It comes from starboard or the steering board and the steering board is this board going down into water that can steer the ship with a tiller like this.

它来源于“starboard”或“steering board”（操舵板），操舵板就是这块伸入水中的板子，可以用这样的舵柄来操纵船只。

▶ And that's why we got the name starboard.

这就是为什么我们得到了“starboard”这个名字。

▶ We learned something new every day.

我们每天都能学到新东西。

▶ Let's come back so the viewers can still see this boat.

我们回来吧，这样观众还能看到这艘船。

 00:18:47

▶ And taught me three of the outfit too.

还教了我一些关于这套服装的知识。

▶ It's incredible.

太不可思议了。

▶ I'm sorry, I didn't dress the parts today.

抱歉，我今天没穿那套服装。

▶ Okay, so Viking stylish, Lin clotting, it could be wool, it could be silk.

好的，所以维京风格，林制服装，可能是羊毛的，也可能是丝绸的。

▶ Actually they had possibilites straight with silk root and down is thumble.

实际上他们有可能直接用丝根，下面则是拇指。

▶ Lither of course for jewelry tools.

当然还有皮革用于珠宝工具。

▶ That kind of thing.

诸如此类的东西。

bilibili 00:19:10

▶ Yeah.

是的。

▶ Are you look absolutely fantastic and for those who want to come and take a look at this ship, it is going to be here during the boat festival.

你看起来绝对棒极了，对于那些想来看看这艘船的人，它在船节期间会一直在这里。

▶ Absolutely.

当然。

▶ We are going to stay right here in this corner.

我们将一直待在这个角落。

▶ So just coming ship will be open.

所以刚刚到来的船将开放。

▶ People can come and board, smell the ship, smell the Viking.

人们可以来登船，闻闻船的味道，闻闻维京的味道。

▶ I've actually smell it.

我确实闻过了。

 00:19:28

 Smell it.

闻闻看。

 Smell's incredible, doesn't it?

味道好极了，不是吗？

 And after it's been here, it is going on to Greenwich, isn't it?

它在这里之后，会去格林威治，是吗？

 So if you miss it here, you still do have a chance.

所以如果你在这里错过了，你仍然有机会。

 And of September, I guess we will be on the lawn in front of the main entrance of the National Maritime Museum.

九月份，我想我们会在国家海事博物馆正门前的草坪上。

 Lars Bell, thank you ever so much.

拉斯·贝尔，非常感谢你。

 So you hear it right here.

所以你在这里听到了。

 00:19:44

 If you miss it here, there's plenty of opportunities, especially in Greenwich too.

如果你在这里错过了，还有很多机会，特别是在格林威治也有。

 Back to you, Riz.

交还给你，里兹。

 Okay, Frankie, you're one happy customer.

好的，弗兰基，你是个快乐的顾客。

▶ Thank you, Bo.

谢谢你，波。

▶ Okay, to a Londoner now who's already made history when she became the first British Muslim woman to win a horse race in Britain.

好了，现在来关注一位伦敦人，她已经成为历史上第一位在英国赢得赛马的英国穆斯林女性。

▶ She was just 18 at the time.

当时她只有18岁。

 00:20:04

▶ Now six years on, Khadija Mella made her amateur debut at Goodwood Racecourse last week, finishing sixth.

六年过去了，哈迪贾·梅拉上周在古德伍德赛马场完成了她的业余首秀，获得第六名。

▶ She's been chatting to Alice Vanderkravi.

她一直在和爱丽丝·范德克拉维聊天。

▶ That's Uncle Dick, here he is.

那是迪克叔叔，他在这儿。

▶ Hello boy, this is him.

你好，小伙子，这就是他。

▶ He's got a big personality.

他个性很强。

▶ I mean, I've only just recently started riding him.

我的意思是，我最近才开始骑他。

▶ And obviously, for my amateur race, he is like the one who's going to make or break everything for me, which has been brilliant.

显然，对于我的业余比赛来说，他就像是那个能为我决定成败的关键，这真是太棒了。

Hey, hey, hey, hey.

嘿，嘿，嘿，嘿。

After winning her very first charity race in 2019, Khadija Mella decided to get her degree in mechanical engineering before honing her skills, riding out with different racing yards across the southeast.

在2019年赢得她的第一场慈善比赛后，哈迪贾·梅拉决定先获得机械工程学位，然后再磨练她的技能，在东南部不同的赛马场练习骑马。

Khadija, you call yourself an outsider.

哈迪贾，你称自己为局外人。

Talk to me about that.

跟我谈谈这个。

I mean, I'd say most amateur jockies, you come across, will be like the sons or daughters of trainers or the son or a daughter of a big owner.

我的意思是，我想说，你遇到的大多数业余骑师，都像是训练师的儿子或女儿，或者是大马主的儿子或女儿。

I'd say horse racing generally is a bit of a network and breaking into that network can be difficult.

我想说赛马总体上有点像一个人脉网络，打入那个网络可能很困难。

And if you do break into that network, it doesn't mean you'll get the opportunity to race ride.

即使你真的打入了那个网络，也不意味着你就能获得参赛骑乘的机会。

But Khadija has beaten the odds, starting at her local stables, the Ebony riding club in Brixton at the age of 12.

但哈迪贾克服了困难，从12岁开始在她当地的马厩——布里克斯顿的埃博尼骑术俱乐部起步。

 00:21:14

🎧 I was on the waiting list for two years because there's nine horses and the whole of South London that wants to ride them.

我在等候名单上等了两年，因为只有九匹马，而整个南伦敦的人都想骑它们。

🎧 And it only caters to a small group of young people, and it's a youth club charity.

而且它只服务于一小群年轻人，是一个青年俱乐部慈善机构。

🎧 And I was obsessed on a first-soric because obviously it's like 10 minutes from my house.

我对此非常着迷，因为它离我家只有十分钟路程。

🎧 And other riding clubs are normally miles away, and they're really expensive, and Ebony was like, well, you know, I was only paying seven quid a session.

而其他骑术俱乐部通常都很远，而且非常昂贵，埃博尼呢，你知道，我每节课只需支付七英镑。

 00:21:38

🎧 And beyond the financial hurdles, Khadija says there can be cultural ones too.

除了经济障碍，哈迪贾说还可能存在文化障碍。

🎧 When you talk about some of the difficulties integrating, how much of that is around being a young Muslim woman who wears a hijab?

当你谈到融入的一些困难时，有多少是围绕着你作为一个戴头巾的年轻穆斯林女性？

🎧 I think initially most people in racing have been fairly welcoming.

我认为最初赛马界的大多数人都相当欢迎我。

🎧 However, I get the old question that like is just I think ignorance.

然而，我会遇到一些老问题，我认为那只是无知。

 00:22:02

🎧 People assume that I'm strange whenever they first meet me.

人们第一次见到我时，总以为我很奇怪。

▶ I think it's just like a subconscious thing that I'm different and I'm strange and I probably won't get on with them.

我想这就像一种潜意识，觉得我不同、奇怪，可能无法与他们相处。

▶ And then obviously we have a conversation and they realise I'm just like anyone else.

然后显然我们进行了交谈，他们意识到我和其他人一样。

▶ You're a horse woman.

你是一个爱马的女人。

▶ Yeah, just with a hijab on my head, and that's the only difference.

是的，只是我头上戴着头巾，这是唯一的区别。

 00:22:21

▶ And Khadija has set up the riding a dream academy to support other young people from diverse communities to get into the industry.

哈迪贾还创立了“骑行梦想学院”，以支持来自多元社区的其他年轻人进入这个行业。

▶ I've struggled, I hope they'll struggle less and less than me and they'll have more opportunities to perform at higher levels.

我曾经历过挣扎，我希望他们经历的挣扎会比我越来越少，并且他们将有更多机会在更高的水平上表演。

▶ So yeah, that's the plan.

所以，是的，这就是计划。

▶ It's okay, we grab a leg up.

没关系，我们抓住了一个优势。

 00:22:39

▶ It's hoped the scholarship in her name will inspire new talent to break new ground.

希望以她名字命名的奖学金将激励新人才开创新天地。

▶ So what's next for Khadija Mela?

那么，Khadija Mela的下一步是什么？

▶ Wall races and wall wins.

攀岩比赛和攀岩胜利。

▶ Hopefully.

希望如此。

▶ Alice Bandukravey, BBC London.

Alice Bandukravey，BBC伦敦报道。

▶ Peckham's Khadija Mela there and I think there will be more wins.

Peckham的Khadija Mela就在那里，我认为还会有更多的胜利。

▶ Now if you're a big cold play fan or just anywhere near Wembley actually, you will definitely know they're currently on a world tour including a record-breaking ten nights at Wembley Stadium.

现在，如果你是一个酷玩乐队的超级粉丝，或者实际上就在温布利附近，你肯定知道他们正在进行一场世界巡演，其中包括在温布利体育场破纪录的十晚演出。

 00:23:13

▶ People from all over the world have flocked to London, the city where it all began for the band over a quarter of a century ago.

来自世界各地的人们涌向伦敦，这座城市是乐队在超过四分之一世纪前开始一切的地方。

▶ Some of those lucky enough to get their hands on tickets have been sharing their excitement and stories by the stadium steps which have been repainted.

一些有幸买到票的人一直在体育场台阶旁分享他们的兴奋和故事，这些台阶已经被重新粉刷过。

▶ What else of course?

当然，还有什么颜色？

▶ But yellow.

但是是黄色。

 00:23:31

▶ This is like a massive like we bucket list.

这就像是我们一个巨大的愿望清单。

▶ Yeah, this is a huge bucket list moment for us.

是的，这对我们来说是一个巨大的愿望清单时刻。

▶ I love it.

我太喜欢了。

▶ It's my dad's favourite and he recently passed away so I wanted to do this in memory of him.

这是我父亲的最爱，他最近去世了，所以我想做这个来纪念他。

▶ I think Colpay is just so magical like the crowd it brings together.

我认为酷玩乐队是如此神奇，就像它聚集的人群一样。

▶ It's all like types of people, all ages and everyone just unites.

它汇集了所有类型的人，所有年龄层，每个人都团结在一起。

 00:23:50

▶ I have a daughter with a rare disease called mast cell disease and she's also an autistic and cold playing music empowered me to reconnect with my with my career of yourself.

我有一个患有罕见疾病肥大细胞疾病的女儿，她也是自闭症患者，酷玩乐队的音乐赋予了我重新与自己职业联系的力量。

▶ Everyone should go see Colpay at least once in their life to experience it.

每个人都应该至少在他们的一生中去看一次酷玩乐队，去体验它。

▶ Yeah, I think it's just a whole atmosphere.

是的，我认为这完全是一种氛围。

▶ It's the crowd.

是人群。

bilibili 00:24:12

▶ It's the it's Chris Martin.

是克里斯·马汀。

▶ He's like I think he might be an angel not a human being.

他就像，我觉得他可能是个天使而不是人类。

▶ He's actually amazing and I lost my little dog last week so one of the songs is going to mean a lot to me and I'll be crying all the way through.

他真的很棒，我上周失去了我的小狗，所以其中一首歌对我来说意义重大，我会一路哭下去的。

▶ We met we met lining up at Melbourne last year and then we did the Sydney shows as well.

我们去年在墨尔本排队时相遇，然后我们也一起看了悉尼的演出。

bilibili 00:24:30

▶ So she calls me her Colpay mum.

所以她叫我她的酷玩妈妈。

▶ I first started loving Colpay when I was around 13 years old.

我最初开始喜欢酷玩乐队是在我大约13岁的时候。

▶ I always heard them on the radio but the Viva album obviously is where my real love started.

我总是在收音机里听到他们，但显然《Viva La Vida》专辑才是我真正热爱的开始。

▶ Just Chris Martin is just unbelievable.

克里斯·马汀简直令人难以置信。

▶ I've even had a little tattoo like his.

我甚至有一个像他一样的小纹身。

🎧 I've got a bit of foam on now.

我现在身上沾了一点泡沫。

 00:24:52

🎧 Well the clock say it's time for a check on the weather and the yellow sun has made way for the rain today.

好了，时钟显示是时候查看天气了，黄色的太阳今天已经让位给了雨水。

🎧 Let's go over to staff.

让我们交给Staff。

🎧 What have you got for us?

你有什么消息要告诉我们？

🎧 More rain actually really.

实际上真的是更多的雨。

🎧 That's all good news for our gardens though.

不过这对我们的花园来说都是好消息。

🎧 It has been so dry.

天气一直非常干燥。

🎧 We do need it.

我们确实需要雨水。

🎧 Good evening to low pressure is dominating the sea now for the certainly for Thursday and Friday but even as we head into the weekend Saturday could be quite a wet one particularly later on in the day.

晚上好，低压现在正主导着天气，当然周四和周五都是，但即使进入周末，周六也可能会相当潮湿，尤其是在下午早些时候。

 00:25:16

▶ It'll be blustery at times too.

有时也会有大风。

▶ In temperatures just coming down a little bit closer to the seasonal norm.

气温将下降一点，更接近季节常态。

▶ Now we have this weather front cross the country.

现在我们有一个天气锋穿过全国。

▶ It was quite fragmented though across the southeast so few areas caught a downpour.

不过它在东南部相当分散，所以只有少数地区遇到了倾盆大雨。

▶ It's moving away now and then tonight it's actually going to turn drier with clear skies.

它现在正在移开，然后今晚实际上会变得更干燥，天空晴朗。

 00:25:31

▶ Wind's turning a little bit lighter as well.

风也会变得小一些。

▶ So it will be a bit cooler than it's been in the last few nights.

所以它会比过去几个晚上凉爽一点。

▶ Probably outside the M25 we're into single digits but in the city centre around 11 or 12 degrees.

可能在M25环城公路以外，气温会降到个位数，但在市中心大约11或12度。

▶ So it means we start off quite fresh tomorrow.

所以这意味着我们明天开始时天气会相当清爽。

▶ Bright.

晴朗。

▶ Lots of sunshine.

阳光充足。

▶ The breeze begins to pick up and then we'll start to see showers developing into the afternoon and I think we're going to it's a greater chance of us catching a heavy perhaps thundry downpour within some hail mixed in as well but in between there will be some sunshine top temperatures 20 or 21 degrees.

微风开始增强，然后我们将开始看到阵雨发展进入下午，我认为我们更有可能遇到强烈的，可能是雷阵雨的倾盆大雨，还夹杂着一些冰雹，但中间会有一些阳光，最高温度20或21度。

bilibili 00:26:00

▶ That is cooler unless humid that is being today.

这比今天更凉爽，除非今天很潮湿。

▶ Now as we head into Friday this feature in the south could bring us a spell of heavy rain first thing.

现在我们进入周五，南部的这个特征可能首先会给我们带来一阵大雨。

▶ So early Friday some wet weather moves its way through that'll clear away and then it's again it's an afternoon of sunshine and showers some of them heavy and thundery once again.

所以周五早些时候，一些潮湿的天气会移动穿过，然后会放晴，接着又是一个阳光和阵雨的下午，其中一些阵雨再次变得强烈并伴有雷声。

bilibili 00:26:19

▶ Top temperatures 20 or 21 degrees.

最高温度20或21度。

▶ So around the average I can mention but it won't feel around the average when the showers move through.

所以大约是平均温度，但当阵雨经过时，感觉不会像平均温度那样。

▶ Rich of high pressure briefly for sat day so quite a bit of dry weather around before this deep air rivlo pressure pushes into the north and the west of the UK.

周六短暂受高压脊影响，所以在这股深层低压推向英国北部和西部之前，周围会有相当多的干燥天气。

▶ So we'll start again fresh lots of sunshine around.

所以我们将再次以周围大量阳光开始。

 00:26:37

▶ The clouds will tend to build through the day maybe in our shower later on but it's not until we reach the overnight period that the rain moves through temperatures 19 or 20 degrees maybe a little bit cooler.

云层会在一天中逐渐增多，也许早些时候会有阵雨，但直到我们进入夜间时段，雨水才会经过，温度19或20度，也许更凉一点。

▶ And then sundays probably the better day of the weekend a lot of dry weather around.

然后周日可能是周末更好的一天，周围有很多干燥的天气。

▶ We like if you catch a shower but into next week again it stays on the fresh side with low pressure dominating so we'll continue to see the theme of sunshine and shower so hopefully we'll get our rain for the gardens where it is.

如果你遇到阵雨也没关系，但进入下周，天气再次保持清爽，低压占主导地位，所以我们将继续看到阳光和阵雨的主题，希望我们能为花园得到所需的雨水。

 00:27:05

▶ Okay note to self it's good for the gardens thank you staff and that is where we leave you thanks very much for being with us and can I just say if you want to see some amazing images check out the wildlife photographer of the year best pictures so far that's on the BBC news website or via the BBC news app I don't think you'll be disappointed you can of course see other stories from London on our Facebook and Instagram.
