

Trump and Zelensky to Hold Critical White House Meeting Amid Ukraine War Tensions

【CNN News 20250818 特朗普与泽连斯基白宫会晤在即 北约盟友集体站队 | 以情报前负责人录音曝光，称“每1名以方死者需50名巴勒斯坦人偿命”】

Summary: President Trump will meet Ukrainian President Zelensky at the White House, with European and NATO leaders joining to coordinate support. The talks follow Trump's controversial summit with Putin, where he shifted focus from a ceasefire to a direct peace deal—aligning with Russian demands. Ukraine faces pressure to cede territory, but Zelensky and citizens strongly oppose surrendering the Donbas region. Meanwhile, U.S. officials claim Russia offered "game-changing" security guarantees, though details remain unclear.

▶ What are leaders in Europe saying about this upcoming meeting tomorrow between Trump and Zelensky?

欧洲领导人对明天特朗普和泽连斯基的会面有何看法？

▶ And now, a lot of support for Zelensky by way of European leaders and NATO leaders.

现在，欧洲和北约领导人给予了泽连斯基大量支持。

 00:01:54

▶ Yes, well, they had this video called today.

是的，他们今天召开了视频会议。

▶ Ukraine's major supporters, along with President Zelensky, where they're really just sort of coordinating their positions in preparation for the meeting tomorrow in Washington.

乌克兰的主要支持者与泽连斯基总统一起，他们实际上是在协调立场，为明天在华盛顿的会议做准备。

▶ And I think, you know, you played the clip from the Oval Office in February where Trump really laid into Zelensky.

我想，你们播放了二月份椭圆形办公室的片段，特朗普当时严厉批评了泽连斯基。

 00:02:19

▶ And I think that's at the top of the minds of European leaders and obviously President Zelensky as they prepare for that meeting.

我认为这是欧洲领导人和泽连斯基总统在准备会议时最关心的问题。

▶ The fear is that President Trump, who in the weeks leading up to the Alaska summit, took a fairly hard line on Russia, on President Putin, has now switched.

令人担忧的是，特朗普总统在阿拉斯加峰会前的几周对俄罗斯和普京总统采取了相当强硬的立场，但现在改变了态度。

▶ He's said that he wants to go straight for a final peace agreement, skipping a cease-fire altogether, which is very much the Russian line.

他表示希望直接达成最终和平协议，完全跳过停火，这非常符合俄罗斯的立场。

 00:02:51

▶ So the worry is that President Trump, after the Alaska summit, has shifted somewhat.

因此，人们担心特朗普总统在阿拉斯加峰会后有所转变。

▶ So they want to make sure that he gets back on an even keel.

所以他们希望确保他回到正轨。

🎧 And in fact, the Polish foreign minister, Radyslav Sikorsky, put out a note on social media saying that for peace to come, pressure must be placed on the aggressor, not the victim, perhaps a reminder to President Trump, who it was who invaded this country in the first place.

事实上，波兰外长Radyslav Sikorsky在社交媒体上发布了一条消息，称为了实现和平，必须向侵略者施压，而不是受害者，这可能是对特朗普总统的提醒，毕竟是谁首先入侵了这个国家。

 00:03:23

🎧 And of course, the worry is that President Putin is saying that he wants Ukraine to seed control of the Donetsk and Lohansk region, something the government here has flatly rejected, as well as people who we spoke to today in the streets of Kiev.

当然，令人担忧的是，普京总统表示希望乌克兰放弃对顿涅茨克和卢甘斯克地区的控制，乌克兰政府坚决拒绝了这一要求，我们今天在基辅街头采访的人们也是如此。

🎧 If some people come to your house and steal your kitchen, your bedroom, you say, okay, okay, stay here.

如果有人来到你家，偷走你的厨房和卧室，你会说，好吧，好吧，留在这里。

🎧 No, it's not good for us.

不，这对我们不好。

 00:03:57

🎧 We are freedom people, and I hope we don't take any peace of our lands.

我们是自由的人民，我希望我们不会放弃任何土地。

🎧 So there really is resistance to this idea that somehow in order to achieve peace, Ukraine has to surrender large chunks of its territory.

因此，人们真的反对这种为了和平而让乌克兰放弃大片领土的想法。

🎧 That area known as the Donbass that's Donetsk and Lohansk together is a manufacturing center of Ukraine.

被称为顿巴斯的地区，即顿涅茨克和卢甘斯克，是乌克兰的制造业中心。

▶ For Ukraine to surrender, that would be a huge loss.

对乌克兰来说，放弃这些地区将是巨大的损失。

bilibili 00:04:27

▶ And that explains why there's really so much resistance to this idea put forth by the Russian President, Fredrica.

这解释了为什么人们对俄罗斯总统提出的这一想法有如此强烈的反对，Fredrica。

▶ All right, Ben, we'd have been thanks so much.

好的，Ben，非常感谢。

▶ All right, Kevin, to you at the White House now, update us on what the administration is saying, not just about tomorrow's sit down with Zelensky, and now let's call on his entourage or his supporters, but also about Trump's meeting with Putin.

好的，Kevin，现在请你在白宫为我们更新政府方面的说法，不仅是关于明天与泽连斯基的会面，以及他的随行人员或支持者，还有关于特朗普与普京的会面。

bilibili 00:04:53

▶ Yeah, and this meeting tomorrow is really shaping up to be quite a consequential moment, you know, and all my years covering the White House.

是的，明天的会议确实正在成为一个非常重要的时刻，在我报道白宫的所有年份中。

▶ I don't remember another time when so many top leaders have kind of convened all at once at the last minute, which gives you a sense.

我不记得还有哪一次这么多高层领导人在最后一刻同时聚集在一起，这让你感受到。

▶ One of the urgency that they feel and trying to reach a peace in Ukraine, but also the urgency they feel and ensuring that they are not sidelined and how this all comes about.

他们感到的紧迫性不仅在于试图在乌克兰实现和平，还在于确保他们不会被边缘化以及这一切如何发生。

bilibili 00:05:17

▶ Now, the way I understand this will shape up tomorrow is that President Trump and Zelensky will meet individually with their delegations before moving on to this larger format meeting with the other European leaders.

据我理解，明天的安排是特朗普总统和泽连斯基将分别与各自的代表团会面，然后再与其他欧洲领导人举行更大规模的会议。

▶ We have been hearing today from all three American participants in that summit with Vladimir Putin on Friday.

我们今天听到了周五与弗拉基米尔·普京举行峰会的三位美国参与者的发言。

▶ We heard from President Trump who said that there was big progress made on Russia and stay tuned, but perhaps more importantly, we heard from the two advisors who were with him in that meeting, the special envoy Steve Wykov, and the Secretary of State Marco Rubio, who were both framing that summit as a success and trying to explain why the president had moved away from this idea of an immediate ceasefire.

我们听到了特朗普总统的发言，他说在俄罗斯问题上取得了重大进展，请继续关注，但更重要的是，我们听到了与他一起参加会议的两位顾问的发言，特使Steve Wykov和国务卿马可·鲁比奥，他们都认为这次峰会是成功的，并试图解释为什么总统放弃了立即停火的想法。

 00:06:00

▶ Remember he said going into the summit he would be disappointed if that was not a result and he said afterwards that that was no longer a goal of his.

记得他在峰会前表示，如果没有这一结果他会感到失望，但会后他表示这不再是他的目标。

▶ Rubio said that was because essentially Russia wouldn't agree to it, but what Wykov said happened was that Russia made some significant agreements during those talks that in his view made it no longer necessary to do the ceasefire.

鲁比奥表示，这主要是因为俄罗斯不会同意，但Wykov表示，俄罗斯在这些会谈中做出了一些重要承诺，在他看来这使得停火不再必要。

▶ They were going to skip ahead a step and go straight for this larger peace deal based on what he said were some significant concessions from the Russians.

他们将跳过一步，直接达成更大的和平协议，基于他所说的俄罗斯的一些重大让步。

 00:06:30

 Listen to more of Steve Wykov.

听听Steve Wykov的更多发言。

 We agreed to robust security guarantees that I would describe as game-changing.

我们同意了强有力的安全保障，我认为这是改变游戏规则。

 We didn't think that we were anywhere close to agreeing to Article 5 protection from the United States in legislative enshrinement within the Russian Federation, not to go after any of the territory when the peace deal is codified, legislative enshrinement in the Russian Federation, not to go after any of the European countries and violate their sovereignty.

我们没想到我们能够接近同意在美国的第五条保护下，俄罗斯联邦立法规定在和平协议编纂后不追求任何领土，俄罗斯联邦立法规定不追求任何欧洲国家并侵犯其主权。

 00:07:09

 So you hear there really kind of the most fulsome accounting of what happened over the course of that three hour summit from Wykov and just to delve into one of the things he said there, which is this idea of a security guarantee, modeled after NATO's Article 5 clause that says an attack against one is an attack against all.

因此，你听到了Wykov对三小时峰会期间发生的事情的最全面的描述，深入探讨他所说的其中一点，即模仿北约第五条条款的安全保障理念，该条款规定对一国的攻击就是对所有国家的攻击。

 Wykov described that as essentially a workaround because Russia has said that Ukraine can never join NATO.

Wykov将其描述为一种变通办法，因为俄罗斯表示乌克兰永远不能加入北约。

 This is a way to sort of provide assurance to Ukraine that once this war ends, Putin isn't able to kind of regroup and go after the rest of the country after a few years.

这是一种向乌克兰提供保证的方式，一旦战争结束，普京无法在几年后重新集结并攻击该国其他地区。

 00:07:45

▶ Now there are a lot of outstanding questions about what exactly that would look like, namely what the U.S. role in that would be.

现在有很多悬而未决的问题，关于这具体会是什么样子，尤其是美国在其中扮演的角色。

▶ Trump has said pretty explicitly that American troops will not be on the ground in Ukraine, so it doesn't seem exactly clear how the U.S. and other NATO countries would provide that kind of guarantee to Ukraine.

特朗普非常明确地表示，美国军队不会在乌克兰驻扎，因此尚不清楚美国和其他北约国家如何向乌克兰提供这种保证。

▶ But certainly that will be a major topic of discussion among the leaders here.

但这肯定是这里领导人讨论的主要话题。

 00:08:08

▶ Tomorrow, I should just know Rubio himself was a little more guarded about the momentum here.

明天，我应该知道鲁比奥本人对这里的势头更加谨慎。

▶ He said that we are still a long ways off from a peace agreement that we are not at the precipice, but certainly both of these men describing some significant progress as we head into this consequential moment tomorrow.

他表示，我们离和平协议还很远，我们还没有到悬崖边缘，但这两个人都描述了在我们进入明天这一重要时刻时取得的一些重大进展。

▶ All right.

好的。

 00:08:25

▶ Kevin Lipdak at the White House, Ben Weidman and Keith, thanks to both of you appreciate it.

Kevin Lipdak在白宫，Ben Weidman和Keith，感谢你们两位。

▶ All right.

好的。

🎧 And this breaking news as well, a nationwide strike and widespread protest across Israel.

还有这条突发新闻，以色列全国范围内的罢工和广泛抗议。

🎧 Today, thousands of protesters blocked major roads, businesses also closing.

今天，数千名抗议者封锁了主要道路，企业也关闭了。

🎧 There are rallies happening in cities and towns across the country.

全国各地的城镇都在举行集会。

 00:08:45

🎧 They are demanding an end to the war in Gaza and a deal for the return of hostages held there.

他们要求结束加沙战争并达成协议，让被扣押的人质返回。

🎧 CNN's Oran Lieberman is in hostages square in Tel Aviv.

CNN的Oran Lieberman在特拉维夫的人质广场。

🎧 What are you hearing from people and how potentially influential will it be?

你从人们那里听到了什么，这可能有多大影响力？

🎧 From the numbers of people we have seen on the streets and in the surrounding area, from the crowds we have tried to get through with some success because the streets are packed so gently.

从我们在街上和周边地区看到的人数来看，我们试图穿过人群取得了一些成功，因为街道非常拥挤。

 00:09:12

🎧 I think it's safe to say this is easily one of the largest, if not the largest protest we've seen against the war since it started nearly two years ago.

我认为可以说，这无疑是自近两年前战争开始以来我们见过的最大规模的反战抗议之一，如果不是最大的话。

▶ And it came together only in the last week.

它仅在上周组织起来。

▶ Organizers from both hostage families, as well as bereaved families from October 7th, called for a grassroots nationwide strike today.

人质家庭和10月7日遇难者家属的组织者今天呼吁举行全国性的基层罢工。

 00:09:31

▶ And it has taken place throughout the entire day.

这一活动持续了一整天。

▶ There are hundreds, if not thousands, just around me right here.

仅在我周围就有数百人，甚至数千人。

▶ And the closer you get to hostages square, which is still a few hundred meters behind us.

离人质广场越近，人越多，它还在我们身后几百米处。

▶ The more packed it gets, you may even be able to hear the noise from the chanting, the drums, the cheers, the chance from hostages square itself.

越拥挤，你甚至可能听到人质广场本身的呼喊声、鼓声、欢呼声和机会。

 00:09:51

▶ And that gives you just a sense of how many people are here.

这让你感受到这里有多少人。

▶ This all started at 6.29 this morning.

这一切始于今天早上6点29分。

▶ That's the time of the Hamas let attack from October 7th.

这是哈马斯10月7日发动袭击的时间。

▶ So it is incredibly symbolic.

因此，它具有极强的象征意义。

🎧 It began with road closures at major intersections across the country, as protesters and demonstrated demonstrators block major intersections.

它始于全国主要十字路口的道路封闭，抗议者和示威者封锁了主要十字路口。

 00:10:11

🎧 From there, it grew and it spread.

从那里开始，它发展并蔓延开来。

🎧 Throughout the day, we have seen protests across Israel demanding an end to the war.

一整天，我们看到以色列各地要求结束战争的抗议活动。

🎧 Some calling for the end of Prime Minister Benjamin at Use Time, leading the country.

一些人呼吁结束总理本杰明·内塔尼亚胡的领导。

🎧 That all led to a march, which we followed as it led to hostages square.

这一切导致了一场游行，我们跟随它来到人质广场。

🎧 And then the main event, packing hostages square.

然后是主要活动，挤满人质广场。

 00:10:31

🎧 Organizers say there are 300, perhaps even 400,000 people in the square itself, and blocking the surrounding streets.

组织者表示，广场本身有30万，甚至40万人，并封锁了周围的街道。

🎧 And that's why it's so easy to get a sense here of the energy, of the calls for an end to the war and the demand to come to a deal to bring home the remaining 50 hostages, 20 of whom are still believed to be alive.

这就是为什么在这里很容易感受到能量，感受到结束战争的呼声和要求达成协议带回剩余50名人质的要求，其中20人据信仍然活着。

🎧 Now in the weekly cabinet meeting, Prime Minister Benjamin Netanyahu tried to dismiss the strike today, saying it strengthens Hamas, and that it's the destruction of Hamas that's

necessary right now.

在每周内阁会议上，总理本杰明·内塔尼亚胡试图淡化今天的罢工，称其加强了哈马斯，而现在需要的是摧毁哈马斯。

 00:11:00

▶ This of course coming just days after Netanyahu and the security cabinet, approved Israel's takeover and occupation of Gaza City.

这当然是在内塔尼亚胡和安全内阁批准以色列接管并占领加沙城几天后发生的。

▶ The protesters we've spoken with here see that as a death sentence for the hostages.

我们在这里与之交谈的抗议者认为这对人质来说是死刑。

▶ It endangers the hostages, it endangers the country itself, they say, because of the split.

他们说，这危及人质，危及国家本身，因为分裂。

▶ And we see that that rift here, the rift between what the government is calling for, and what the protesters here are demanding.

我们在这里看到了这种裂痕，政府呼吁的和抗议者要求的之间的裂痕。

 00:11:26

▶ Organizers say for them, this is just the beginning.

组织者表示，对他们来说，这只是开始。

▶ So key question is, where does this go from here?

所以关键问题是，接下来会怎样？

▶ Hundreds of thousands organizers say on the streets tonight in a unified call for bringing home the hostages and an end to the war.

组织者表示，今晚数十万人走上街头，统一呼吁带回人质并结束战争。

▶ Again, they promise this is the beginning and this will, this they say will continue until they see that vision, a vision to the end of the war, realized.

他们再次承诺这只是开始，并表示这将持续下去，直到他们看到战争结束的愿景实现。

 00:11:48

🎧 And then Orin, I also want to ask you about some leaked audio of a former Israeli intelligence chief where he discusses the situation in Gaza.

然后，奥林，我还想问你一些关于前以色列情报局长泄露的音频，他在其中讨论了加沙的局势。

🎧 So this came out just a couple of days ago.

这是几天前才曝光的。

🎧 It was leaked audio recordings from Israel's Channel 12 news.

这是以色列第12频道新闻泄露的音频录音。

🎧 This is Major General Aharon Al-Haliva who is the former head of Israeli military intelligence.

这是阿哈龙·阿利瓦少将，他是以色列军事情报局的前负责人。

 00:12:13

🎧 In part of these lengthy leaked audio recordings, he says here, and I'm quoting from the hostages, I'm sorry, from the recordings, the fact that there are already 50,000 dead in Gaza is necessary and required for future generations.

在这些泄露的长篇音频录音中，他说——我引用录音内容——加沙已有5万人死亡，这对未来世代是必要且必须的。

🎧 He says, and I'm quoting again here, for everything that happened on October 7th, for every one person on October 7th, 50 Palestinians must die.

他再次说道，我引用原话：对于10月7日发生的每一件事，对于10月7日的每一个人，必须有50名巴勒斯坦人死亡。

🎧 It doesn't matter now if they are children.

现在不管他们是不是孩子。

 00:12:38

🎧 After these audio recordings, we're leaked the issue to statement of Channel 12 saying these occurred in a private forum.

这些录音泄露后，第12频道发表声明称，这些言论是在私人论坛上发表的。

⏮ Obviously, these statements have been condemned, especially as Israel has faced increasing criticism for the military's conduct of the war in Gaza, this certain to add to that criticism.

显然，这些言论受到了谴责，尤其是以色列因在加沙的军事行动而面临越来越多的批评，这无疑会加剧批评。

⏮ All right.

好的。

 00:12:56

⏮ Orin Lieberman in Tel Aviv, thanks so much.

特拉维夫的奥林·利伯曼，非常感谢。

⏮ All right.

好的。

⏮ Let's get more analysis now on this Aaron David Miller is a former U.S. State Department Middle East negotiator.

现在让我们听听更多分析，亚伦·大卫·米勒是美国国务院前中东谈判代表。

⏮ He's also a senior fellow at the Carnegie Endowment for International Peace.

他还是卡内基国际和平基金会的高级研究员。

⏮ Aaron, great to see you.

亚伦，很高兴见到你。

⏮ You've been with us many times now discussing the hostage crisis, the war in Gaza.

你已经多次和我们讨论人质危机和加沙战争。

 00:13:16

⏮ Today is one of the biggest and most widespread protests that we've ever seen up until now, as you saw with Orin reporting there.

正如奥林报道的那样，今天是我们迄今为止见过的规模最大、范围最广的抗议之一。

▶ What kind of impact do you think it might have?

你认为这可能会产生什么影响？

▶ Yeah, Fred, thank you for having me.

是的，弗雷德，谢谢你邀请我。

▶ You know, when a country just shy of 10 million people, it's rather remarkably, but several hundred thousand people out in the streets today.

你知道，对于一个不到1000万人口的国家来说，今天有数十万人走上街头，这相当引人注目。

bilibili 00:13:35

▶ Organizers, one of the hostage groups claimed that if you add those Israelis throughout the country, not just in Tel Aviv, it went up with over two million.

组织者之一的人质团体声称，如果把全国各地的以色列人（不仅仅是特拉维夫）加起来，人数超过了200万。

▶ And again, in a country or 10 million, it's impressive.

再次强调，在一个约1000万人口的国家，这令人印象深刻。

▶ Those are very impressive numbers.

这些数字非常令人印象深刻。

▶ I hope it continues.

我希望这种情况继续下去。

▶ I think pressure on the government is critically important.

我认为对政府施压至关重要。

bilibili 00:13:55

▶ The Israeli government clearly has more focus on avenging the dead than it does on redeeming the living.

以色列政府显然更关注为死者复仇，而不是拯救生者。

⏮ Not that's not important to fundamentally erode and inviserate Hamas's military capacity.

这并不是说从根本上削弱和摧毁哈马斯的军事能力不重要。

⏮ But Fred, I'm afraid that the only numbers that really count in terms of influence and changing Israeli policy is 60 plus one.

但弗雷德，恐怕真正能影响和改变以色列政策的数字是60加1。

⏮ And that is what you need in the Israeli Knesset in order to govern.

这是在以色列议会中执政所需的数字。

🎵 00:14:21

⏮ And I think what this government has shown, the average length of the government is really government since independence is 1.9 years.

我认为这届政府已经表明，自独立以来，政府的平均任期实际上是1.9年。

⏮ This government has been up and running since November, December 2022.

这届政府自2022年11月、12月开始运作。

⏮ And frankly, as I see it, it's likely that it may go to term with elections in the first part of 2026.

坦率地说，在我看来，它可能会持续到2026年初的选举。

⏮ So impressive on the streets today.

所以今天的街头抗议令人印象深刻。

🎵 00:14:44

⏮ Great, great sympathy for what's happening and empathy.

对正在发生的事情表示极大的同情和共鸣。

⏮ But determinative, probably not.

但决定性作用，可能没有。

▶ Yeah, the images are extraordinary.

是的，这些画面非同寻常。

▶ And I also want to play something as really Prime Minister Netanyahu said earlier.

我还想播放内塔尼亚胡总理早些时候的讲话。

▶ Take a listen and look.

请听一听，看一看。

▶ Those who are calling today for an end to the war without defeating Hamas, not only hard in Hamas's position and delay the release of a bar hostages, they also ensure that the horrors of October 7th will be repeated and that we will be forced to fight an endless war.

那些今天呼吁在不击败哈马斯的情况下结束战争的人，不仅巩固了哈马斯的立场，延迟了人质的释放，他们还确保10月7日的恐怖事件会重演，我们将被迫打一场无休止的战争。

 00:15:21

▶ All right.

好的。

▶ So he's blaming protests as potentially delaying the process of trying to release a hostages.

所以他指责抗议活动可能延迟释放人质的进程。

▶ I mean, I don't think that's right.

我认为这是不对的。

▶ There are any number of points.

有很多原因。

▶ And Hamas has a huge responsibility, not only for the willful and indiscriminate killing of Israeli civilians on October 7th, but the mutilation, the degradation, the taking of hostages, the execution of hostages.

哈马斯负有重大责任，不仅因为10月7日蓄意和无差别杀害以色列平民，还因为残害、侮辱、劫持人质和处决人质。

bilibili 00:15:50

▶ But the reality is, I think, for any number of reasons, this particular Prime Minister who is unique in the annals of the political history of Israel on trial for bribery, fraud and retracted trust in a Jerusalem district court four years now and running has a state frankly in maintaining herself from power.

但现实是，我认为出于多种原因，这位在以色列政治史上独一无二的总理，因贿赂、欺诈和背信在耶路撒冷地方法院受审四年，目前仍在进行中，他坦率地说是在维持自己的权力。

▶ And that means not ending the war.

这意味着不结束战争。

▶ And he's not short of what he considers to be total victory.

而且他不缺乏他所认为的全面胜利。

bilibili 00:16:12

▶ And look, most Israeli security officials, probably even the ones that are currently serving him, have probably reached the conclusion that what the IDF has done to Hamas has fundamentally destroyed its capacity to ever again mount anything like October 7th.

而且，大多数以色列安全官员，甚至可能是目前为他服务的那些人，可能已经得出结论，以色列国防军对哈马斯的行动从根本上摧毁了它再次发动类似10月7日事件的能力。

▶ Prime Minister wants total victory.

总理想要全面胜利。

▶ He wants to disarm a month of Hamas, the end of its influence in Gaza.

他想解除哈马斯的武装，结束它在加沙的影响力。

bilibili 00:16:34

▶ If that could be achieved, it would be great.

如果能实现这一点，那将非常好。

▶ At what cost for it?

但代价是什么？

⏮ At the cost of the lives of the hostages, the suffering of their families, and the immense suffering, the humanitarian catastrophe that has been falling, the people of Gaza, Hamas will be there.

代价是人质的生命、他们家人的痛苦，以及加沙人民正在遭受的巨大痛苦和人道主义灾难，哈马斯仍将存在。

⏮ And the Israelis can continue to have at it.

以色列人可以继续这样做。

⏮ The hostages and the suffering of the people of Gaza, all of that needs to be addressed and alleviated.

人质和加沙人民的痛苦，所有这些都需要解决和缓解。

 00:17:03

⏮ The attention of President Trump has turned to Ukraine for the moment.

目前，特朗普总统的注意力转向了乌克兰。

⏮ I mean, what are the indicators to you that resolving the conflict in Gaza is a priority or remains a priority for this White House?

我的意思是，对你来说，有哪些迹象表明解决加沙冲突是或仍然是白宫的优先事项？

⏮ I mean, I think right now the bigger play, and it's quite clear, is Russia-Ukraine, that may clearly, as distracted whatever focused the administration has put on the situation in Gaza.

我认为，目前更大的焦点显然是俄罗斯-乌克兰问题，这可能会分散政府对加沙局势的关注。

 00:17:31

⏮ And for Donald Trump, I think, you know, I know the claim that he's ended six or seven more.

对于唐纳德·特朗普，我想，你知道，我知道他声称已经结束了六七个冲突。
