🎧 Coming up, why Trans Mountain CEO says the line is more critical than ever.

接下来，为何横山公司CEO表示这条管线比以往任何时候都更为关键。

 00:13:36

🎧 Just over a year after its completion, years behind schedule and billions over budget, the second line of the Trans Mountain pipeline is fully operational.

在竣工一年多后（该项目曾延误数年并超支数十亿），横山输油管道的第二条管线现已全面投入运营。

🎧 First built decades ago to ship Alberta oil to the BC coast, Trans Mountain was twinned in an expansion project and then bought by the Trudeau government with a promise that more Alberta oil would get access to new markets other than the US.

横山管道最初建于几十年前，旨在将阿尔伯塔省的石油运往BC省海岸，后来通过一个扩建项目实现了双线运行，随后被特鲁多政府收购，并承诺让更多阿尔伯塔石油能够进入美国以外的新市场。

理查德·祖斯曼今天参观了该地点。

 00:14:00

🎧 Richard, this vessel, Donna, will soon be heading to Asia, moving Alberta crude oil across the Pacific, part of an evolving trend here at Trans Mountain, where more product is now heading to Asia, less is heading to the United States amidst the trade war.

理查德，唐娜，这艘船很快将前往亚洲，将阿尔伯塔原油运过太平洋，这是横山公司一个不断发展的趋势的一部分，即在贸易战中，如今更多产品正运往亚洲，更少产品运往美国。

🎧 At the same time, Trans Mountain is making the argument that there needs to be more capacity.

与此同时，横山公司正在提出论点，认为需要增加更多运力。

🎧 CEO Mark Mackey providing us with a tour of the facility, showing that there needs to be work done dredging the Bard inlet so that these vessels can carry more crude.

首席执行官马克·麦基带我们参观了设施，表明需要疏浚巴德 inlet 的工作，以便这些船只能够装载更多原油。

🎧 00:14:36

🎧 At the same time, there is no argument to be made that there needs to be another expansion of the Trans Mountain, especially after the federal government spent \$34 billion on a project that has so far returned more than 12 billion in additional revenues.

与此同时，没有理由认为需要再次扩建横山管道，尤其是在联邦政府在一个项目上花费了340亿加元，而该项目迄今已带来超过120亿加元的额外收入之后。

🎧 Instead, there should be a new pipeline that would be up near Prince Roert carrying Bmen from Alberta.

相反，应该有一条新的管道，建在鲁珀特王子港附近，运输来自阿尔伯塔省的沥青。

🎧 My heart of hearts tells me it's probably someplace other than here.

我的内心深处告诉我，它可能是在这里以外的某个地方。

🎧 00:15:04

🎧 Uh, and but that's something that will have to be looked at in the context of the evaluation or whatever the next pipeline is.

呃，但这必须放在评估或无论下一条管道是什么的背景下进行审视。

🎧 Where does it start and where does it terminate?

它从哪里开始，又到哪里终止？

🎧 This vessel will now take 22 days to come from here in Metro Vancouver to Asia.

这艘船现在需要22天才能从这里的大温哥华地区到达亚洲。
