▶ So, really, in a sense, his expectations of this initial summit with Vladimir Putin are quite low.

可见他对首次普京峰会的期望较低。

 00:09:26

▶ Well, that seems to be the message that he has been conveying, especially over the last 24 to 48 hours, whenever he has, or we've seen any interaction with the press, talking about things like this as a listening exercise, even that interaction saying that, look, I'm just going to gauge and see what wear things stand.

这似乎是他过去24-48小时向媒体传递的信息，称此次会晤是"倾听行动"，表示要"评估各方立场"。

🎧 And it's very significant because he seems to be painting two scenarios, two possible scenarios.

这很重要，因他似乎描绘了两种可能情形。

🎧 One that talks positive and indicates some sort of progress, which is when he has said that there will be a second meeting, which he wants to be connected to.

一是会谈积极并取得进展，届时将举行他期待的第二次会晤。

 00:09:55

🎧 And he's conducted very soon shortly after, where he hopes that it will involve Vladimir Putin, as well as Vololov the Mersilinsky, and perhaps he says European leaders as well along with himself.

他希望很快举行，届时除普京、泽连斯基外，可能还有欧洲领导人参与。

🎧 But then he also said, in the same interaction, that there could be a situation where within the first five minutes, he could see this conversation is not going anywhere.

但同一场合他也称，可能五分钟内就判断会谈无果。

🎧 So, in that sense, he's really sort of leaving the door ajar for any kind of possibility to take place.

因此他为各种可能性留有余地。

 00:10:19

🎧 What is also concerning for the skeptics and those voices that came in from Europe as well as Ukraine, where he's, once again, he reiterated in that interview to Fox News radio earlier in the day where he said there could be given take.

令欧洲和乌克兰的怀疑者担忧的是，他早间接受福克斯新闻采访时重申可能"有取有予"。

🎧 But also, this comes at the after he assured European leaders that any kind of discussions on territory will have to involve Ukraine as well.

尽管他向欧洲领导人保证领土讨论须有乌克兰参与。

🎧 So, you know, a lot of possibility is there, but very difficult to say what exactly we can expect.

可能性众多，但难言确切预期。

 00:10:47

🎧 Given the fact that there has been a hardening of stunts on both sides, Ukraine, European leaders have made it very clear what their headlines are.

鉴于双方立场趋硬，乌克兰及欧洲领导人已明确底线。

🎧 Russia has not budged so far, but again, what happens in the summit, whether Donald Trump can actually find some sort of common ground to take it to that next meeting is going to be significant.

俄罗斯迄今未让步，但峰会中特朗普能否找到共识推动下次会晤至关重要。

🎧 And he's also said he thinks there's a 75% chance that the summit will be successful, 25% it will be a failure.

他预估峰会成功概率75%，失败25%。

 00:11:11

🎧 But I mean, Donald Trump's critics say it's already a success for Vladimir Putin, who in a sense has been brought in from the cold.

但批评者称对普京已是成功——某种程度上他被"解冻"。

🎧 He was a pariah and indicted war criminal, but here he is at the top table having a summit with the American president.

他曾是遭起诉的战争罪犯，如今却与美国总统平起平坐。

🎧 There is a line of thought, which seems to suggest that, you know, after a period of diplomatic isolation, here it is.

有观点认为，经历外交孤立后，他重获认可。

 00:11:30

看看陪同弗拉基米尔·普京的高级别代表团阵容。

▶ You've got the finance minister, the defense minister.

代表团中有财政部长、国防部长。

▶ You've got the head of the direct investment fund as well, indicating that it's not just conversations about Ukraine, but possibly other geopolitical and strategic conversations, as Steve Rosenberg was pointing out in his report as well, which remains to be seen, whether it has some sort of a bearing on the conversations or the results of those conversations.

还有直接投资基金的负责人，这表明对话不仅涉及乌克兰问题，还可能涉及其他地缘政治和战略议题，正如史蒂夫·罗森伯格在其报道中指出的那样，这些对话是否会对会谈或其结果产生影响仍有待观察。

 00:11:59

▶ But interestingly, in that press interaction a short while back, he was asked this question about whether Vladimir Putin has an upper hand and Donald Trump immediately responded with a side of muscle flexing, saying that he wouldn't dare mess with a president like me, you know, someone like me.

但有趣的是，在不久前的一次媒体互动中，有人问及弗拉基米尔·普京是否占据上风，唐纳德·特朗普立即以炫耀武力的方式回应，称对方不敢招惹像我这样的总统。

▶ So sending that message as well less than 24 hours before they meet.

因此在两人会晤前不到24小时释放这一信号。

▶ It's going to be fascinating to see the outcome.

会晤结果将非常引人关注。

 00:12:17

bilibili 00:15:31

▶ Well, months and months later, are we any closer to getting peace in Ukraine?

如今数月过去，我们是否更接近乌克兰和平？

▶ No, we're a lot closer and anyone who knows Donald Trump knows he was being euphemistic when he said in a day.

不，我们接近多了，了解特朗普的人都知道"一天"是委婉说法。

▶ What he meant was he's going to focus on it like a laser and solve the problem in a way that it doesn't resurface again.

是的，我们非常接近达成协议，因为换作我是普京，绝不会想参加阿拉斯加会晤。

 00:16:01

▶ He's going to have someone on one time with Trump where Trump can assure him that if a deal isn't made, not only are the sanctions going to bankrupt his country, but Ukraine is going to be the beneficiary of a whole bunch of weapons with no restrictions on their use.

他将与特朗普单独会面，特朗普可以明确告诉他：若达不成协议，制裁不仅会让俄罗斯破产，乌克兰还将获得大批不受使用限制的武器。

▶ And his presidency will likely be over if the Ukrainians once again start to take territory back and even take some Russian territory.

如果乌军再次夺回领土甚至攻入俄境，他的总统生涯很可能终结。

▶ But what?

但怎样？

 00:16:34

▶ So if I were Putin, I would focus on a deal.

换作我是普京，会专注于达成协议。

▶ But what does a deal look like?

但协议会是什么样？

▶ Because if a deal means divvying up as Donald Trump said today, territory between Russia and Ukraine, that's something Ukraine won't accept.

因为如果像特朗普今天所说要分割俄乌领土，乌克兰绝不会接受。

🎧 Giving land to Russia simply because Russia is invaded.

仅因俄罗斯入侵就割让土地。

🎧 Well, I think they'll probably accept something to do with Crimea.

我认为他们可能会在克里米亚问题上让步。

 00:16:58

🎧 And I think what they're going to want in return is some absolute security guarantees from NATO and from the United States.

而他们想要的回报是北约和美国提供的绝对安全保障。

🎧 And the biggest part of this negotiation with Putin is really the end of the negotiation has to sort of be put to the front of the discussion.

与普京谈判的关键在于：必须把谈判终点前置讨论。

🎧 Which is whatever the real estate looks like when this deal is done, what do we get to do to you if you invade again?

即无论协议中的领土如何划分，若再次入侵将面临什么后果？

 00:17:24

🎧 And that will include potential NATO membership, even though that's been ruled out previously.

这将包括可能赋予北约成员资格，尽管此前已被否决。

🎧 And it will definitely include the Europeans providing boots on the ground in Ukraine.

且必定包含欧洲国家向乌克兰派驻军队。

▶ He's rewarded him with a trip to Alaska and a seat at the top table, a summit with an American president, bringing him in from the cold.

用阿拉斯加之行和峰会席位奖励他，通过与美国总统会晤使其摆脱孤立。

▶ You know, he was an international pariah and he's not anymore.

普京曾是国际弃儿，现在不再是了。

▶ Oh, that's rubbish.

这纯属胡扯。

▶ If I were going to be rewarded with a trip, it would be to the French Riviera, not to Elmendorf Air Force Base in Alaska.

若真要奖励，该去法国里维埃拉，而不是阿拉斯加埃尔门多夫空军基地。

 00:18:31

▶ Putin hasn't been rewarded with anything.

普京没得到任何奖励。

▶ Trump is modulating his approach to fit the facts on the ground.

特朗普正根据实际情况调整策略。

▶ And the problem is the media likes to think in a linear fashion.

问题在于媒体喜欢线性思维。

▶ They want him to take an approach and never vary it.

希望他采取固定不变的策略。

▶ And that's just not the way life works.

但现实并非如此。

▶ Trump is putting the carrot and the stick and the carrot and the stick in a certain cadence to match what's going on with Zelensky, what's going on with Europe.

特朗普正以特定节奏交替使用胡萝卜和大棒，以配合泽连斯基和欧洲的动向。

 00:18:58

▶ And also the way Putin is reacting.

同时根据普京的反应调整。

▶ I think at this point he's given Putin all the quarter he's going to give him.

我认为现阶段他对普京仁至义尽。

▶ And one of the reasons I think he wants a one-on-one meeting is so he can look Putin in the eye and say you would have never invaded if I were here because I wouldn't have allowed it.

他要求单独会面的原因之一，是可以直视普京说：若我在任你绝不敢入侵，因为我不允许。

▶ I would have done whatever it took to keep you out.

我会不惜一切阻止你。

 00:19:18

▶ And I'm prepared to do that if this doesn't end.

若战争不结束，我准备这么做。

▶ All right, Gordon Sonlen, thank you very much indeed.

好的，戈登·桑德兰，非常感谢。

▶ Tomorrow, Friday, that's from 6 p.m. BST, 5 p.m. GMT here on BBC News.

英国夏令时明天周五晚6点（格林尼治时间5点）BBC新闻频道播出。

▶ Around the world.

全球新闻。

▶ And across the UK you're watching BBC News.

全英观众正在收看BBC新闻。

▶ And from the Middle East and Israel's far right finance minister has announced the go-ahead for a settlement scheme in the occupied West Bank that would cut it off from occupied East Jerusalem.

中东方面，以色列极右翼财政部长宣布批准在被占西岸的定居点计划，这将切断其与被占东耶路撒冷的联系。

 00:21:13

▶ Now the project has been frozen for over a decade because of international opposition.

该项目因国际反对已冻结十余年。

▶ Settlements are illegal under international law and the United Nations, the UK and the European Union have all condemned the plans.

定居点违反国际法，联合国、英国和欧盟均谴责该计划。

▶ Well, the finance minister, Mr Smotrich, said his plan would bury the idea of a state of Palestine.

财政部长斯莫特里赫称该计划将埋葬巴勒斯坦建国理念。

▶ He also told reporters that the scheme to build more than 3,000 homes has the backing of Israel's Prime Minister Benjamin Netanyahu.

他还告诉记者，这项建造3000多套住宅的计划得到以色列总理内塔尼亚胡支持。

 00:21:43

▶ Our correspondent John Dollison has more details from the occupied West Bank.

本台记者约翰·多利森从被占西岸发回详细报道。

▶ This E1 plan has been controversial for decades.

E1计划争议已持续数十年。

▶ Effectively to settle all the area between Jerusalem there up on the hill with the big Jewish settlement there of Marl Ademim.

实质是要在耶路撒冷与山上大型犹太人定居点马尔阿杜明之间建立定居点。

▶ Now, Palestinians have long said that if that were to happen, it would effectively cut the West Bank, the occupied West Bank in two and make achieving a Palestinian state effectively impossible.

巴勒斯坦人长期警告，这将把被占西岸一分为二，使巴勒斯坦建国彻底无望。

 00:22:16

⏮ Now the difference we've got here today is in the past, it's been the Palestinians who said that.

今日不同在于，过去是巴勒斯坦人提出这种警告。

⏮ Today we've basically got the finance minister, Beza al-Smotrich, saying, look, that's his intention.

如今财政部长斯莫特里赫直接表明这就是他的意图。

⏮ That is the whole point of Palestinian state is never going to happen.

重点就是要让巴勒斯坦国永不出现。

⏮ Now I asked him what message would that send to the likes of Britain and France who intend later in the year to recognize a Palestinian state.

我问他这将向计划年内承认巴勒斯坦国的英法等国传递什么信号。

 00:22:42

⏮ And he said the message would be, there's nothing to recognize, it's not going to happen.

他回答：信号就是"无国可认，这事成不了"。

⏮ Now final approval for this plan is expected to be given next week.

该计划预计下周获得最终批准。

⏮ John Dollison reporting there, we can get some analysis now from Dr. Lydia Wilson who's a research fellow at the centre for the resolution of intractable conflict at Cambridge University.

约翰·多利森的报道到此，现在请剑桥大学棘手冲突解决中心研究员莉迪亚·威尔逊博士分析。

 00:23:04

⏮ And well this certainly does seem to be an intractable conflict.

这确实像是棘手冲突。

🎧 What do you think will be the impact of this settlement scheme in the West Bank, the finance minister, as I said in the introduction there, saying he thinks it will bury the idea of a two-state solution of an independent Palestinian state.

您认为西岸定居点计划将产生什么影响？正如开场白所说，财长认为这将埋葬"两国方案"和巴勒斯坦独立建国理念。

🎧 Well that's right, but as your correspondent just said, this is a continuation of a long policy.

确实如此，但正如记者所言，这是长期政策的延续。

 00:23:29

🎧 This has been happening on the ground for decades.

几十年来实地一直在推进。

🎧 And yes, this is a fairly large, advanced three and a half, three thousand four hundred homes I think are being approved.

这次批准的3400套住宅规模较大。

🎧 And that will make a large difference, but it's just a continuation of its really policy to make a Palestinian state untenable.

影响会很大，但本质仍是延续使巴勒斯坦国无法生存的政策。

🎧 And the difference is there being extremely open about that today.

不同在于如今他们对此极其公开。

 00:23:54

🎧 That is the difference, openly saying the finance minister that this will kill off the idea of a Palestinian state.

财长公开宣称要扼杀巴勒斯坦建国理念，这就是不同之处。

🎧 Well that's right.

确实如此。

⏮ And it will be difficult for people to know where to go with this in negotiation because the two-state solution has been the solution that has been easiest for a lot of governments to gesture towards.

这将使谈判陷入困境，因为"两国方案"曾是多数政府最容易表态支持的方案。

⏮ That's what they're working towards.

是他们努力的方向。

 00:24:22

⏮ And it has been made untenable in recent years, you know, really ramped up in the last 20 or so.

但近20年来该方案可行性被不断削弱。

⏮ And so they are going to have to admit that they're supporting something that just isn't possible.

因此他们将不得不承认自己支持的是不可能实现的事情。

⏮ And we are going to have to decide as an international community where to go from here.

国际社会必须决定下一步方向。

⏮ If it's going to be a one-state solution, which is what the finance minister himself seems to be saying it is, then where do the Palestinians come in?

如果这是一个单一国家的解决方案，而且财政部长本人似乎也是这么说的，那么巴勒斯坦人将处于什么位置？

 00:24:46

⏮ What kind of citizenship do they have?

他们拥有什么样的公民身份？

⏮ Can we just talk about Gaza because we've had real pushback from aid agencies around the world today to the situation in Gaza in terms of hunger, malnutrition, starvation there.

我们能否谈谈加沙，因为今天全球援助机构对加沙的饥饿、营养不良和饥荒情况提出了强烈反对。

▶ Well again, none of this is new.

然而，这些都不是新问题。

▶ We have been hearing reports of starvation for many months from the ground.

我们几个月来一直听到来自当地的饥饿报告。

bilibili 00:25:11

▶ But also resources have been limited to Gaza for years and years and years.

而且加沙的资源多年来一直受到限制。

▶ They haven't had what they have needed to live a normal life for a long time.

他们长期以来一直缺乏过正常生活所需的资源。

▶ We have been hearing all of this and hearing Israeli officials talk about this.

我们一直在听到这些，也听到以色列官员谈论这些。

▶ There is nothing denied about the fact that their lives have been restricted.

他们的生活受到限制这一事实无可否认。

▶ And so what today is, I think, is just an effort to really cut through because so many people on the ground have been reporting this.

因此，我认为今天的努力是为了真正突破，因为当地许多人一直在报道这些情况。

bilibili 00:25:43

▶ We've been watching terrible photos of the emaciated bodies for weeks across our feeds.

几周来，我们一直在社交媒体上看到瘦弱躯体的可怕照片。

▶ No but to be taking any action.

但并未采取任何行动。

🎵 I think that is what the aid agencies are attempting with a unified front to really cut through the news cycle.

我认为援助机构正试图通过统一战线真正突破新闻周期。

🎵 Okay, Dr. Lydia Wilson from Cambridge University.

好的，剑桥大学的莉迪亚·威尔逊博士。

🎵 Thank you.

谢谢。
