bilibili 00:10:19

▶ I think he represented that to a lot of people.

我认为他对很多人来说代表了那种希望。

▶ I mean, I also think that you heard several people talk about that they're obviously there to mourn the loss of Charlie Kirk.

我的意思是，我也认为你听到好几个人谈到，他们显然是为了#哀悼#查理·柯克的离去。

🎧 Likely also I'm assuming some Trump supporters that are there as well, but they're talking about the need for a country to come together.

我猜可能也有一些特朗普的支持者在场，但他们谈论的是国家需要团结起来。

 00:10:34

🎧 And I think that is a very important point because ever since his death, you have just seen both parties really try sort of a firestorm ignite when it comes to everything about how the left is responsible for this, etc.

我认为这是非常重要的一点，因为自从他去世后，你可以看到两党真的试图在各种事情上点燃一场风暴，比如左翼如何对此负责等等。

🎧 But the reality is, and I've seen this in polling, and now we're seeing it in what your coverage is that people actually want our elected leaders to come together.

但现实是，我在民调中看到了这一点，现在我们在你们的报道中也看到，人们实际上希望我们选出的领导人能够团结起来。

🎧 And so my hope is that the tone today, as people are mourning, is that it is a respectful one, and it is one where people can actually respect one another and come together.

因此，我希望在今天人们哀悼之际，基调是相互尊重的，是人们能够真正彼此尊重、团结一致的。

 00:11:10

🎧 I'm not sure if that will be the case in those speeches, but my hope is that it comes from Democrats too.

我不确定那些演讲是否会如此，但我希望民主党人也这样做。

🎧 Let's talk about his widow, Erica Kirk.

我们来谈谈他的#遗孀#，埃里卡·柯克。

🎧 She talked to the New York Times today, and she said the following, I'm allowing myself to feel this so deeply without medication, without alcohol, the Lord is giving me discernment.

她今天接受了《纽约时报》的采访，她说了下面这番话：我让自己在没有药物、没有酒精的情况下深切地感受这一切，是主赐予我洞察力。

 00:11:32

⌂ Obviously she is a grieving widow, mother of very small children, but now she's also the CEO of this movement.

显然，她是一位悲痛的#遗孀#，是年幼孩子们的母亲，但现在她也是这场运动的CEO。

⌂ Yeah, you can tell from the call to action that she gave in the wake of Charlie's Kirk's assassination, that she really believes in the movement, that she wants to be an advocate for the movement, and she believed in Kirk himself.

是的，从她在查理·柯克遇刺后发出的行动号召可以看出，她真的相信这场运动，她想成为这场运动的倡导者，并且她相信柯克本人。

⌂ She thought that he was a voice of a generation, and part of what she has said about him, and you know, one of Charlie Kirk's big things, was about how younger people need to get married and have families, and she has, you know, obviously also said that and built off of that, but one of the things she was said was that she was kind of there to be his biggest cheerleader and to support their family while he did this.

她认为他是一代人的声音，她谈到他的一部分内容，你知道，查理·柯克的一大主张是关于年轻人需要结婚成家，而她，你知道，显然也说过这话并在此基础上发展，但她说过的一点是，她某种程度上是在那里做他最大的啦啦队长，在他做这些事情的时候支持他们的家庭。

 00:12:19

⌂ And it's not just Erica Kirk who feel that way.

不仅仅是埃里卡·柯克有这种感觉。

⌂ When you talk to a lot of the people who were close to Charlie Kirk, there is some fear as to what happens to the turning point movement now, because they believe that Charlie Kirk was such a powerful voice, and when they want to know, you know, our team on the ground just reported that Elon Musk walked into the memorial to cheers, and that is incredibly notable for a number of reasons.

当你与许多和查理·柯克关系密切的人交谈时，他们对“转折点”运动现在的处境有些担忧，因为他们认为查理·柯克是一个如此强有力的声音，而当他们想知道，你知道，我们的现场团队刚刚

报道，埃隆·马斯克在欢呼声中走进了追悼会，这一点非常值得注意，原因有很多。

🎧 One of the things that Charlie Kirk did best was kind of be the bridge between warring factions within the party, and two things to note, when Scott Besant and Elon Musk got into their physical slash verbal altercation, Charlie Kirk spoke to both of them separately, saying he wasn't going to take sides, yet both of them on the show, but he said that it was best interest for the country and for Donald Trump for them to not do that again.

查理·柯克最擅长的事情之一就是充当党内敌对派系之间的桥梁，有两点需要注意，当斯科特·贝桑特和埃隆·马斯克发生肢体/言语冲突时，查理·柯克分别与他们两人谈了话，说他会不会偏袒任何一方，还让两人都上节目，但他表示，为了国家和唐纳德·特朗普的最大利益，他们不能再那样做了。

 00:13:10

🎧 And after the falling out between Elon Musk and Donald Trump, Charlie stayed in contact with Elon Musk a lot, and was one of the voices who was encouraging him Musk to stop.

而在埃隆·马斯克和唐纳德·特朗普闹翻之后，查理与埃隆·马斯克保持了大量联系，并且是鼓励马斯克停止（某些行为）的声音之一。

🎧 To stop talking about the big beautiful bill, to stop talking about the fact that he said Donald Trump was in the Epstein files, essentially saying, you are part of the problem here, and I support you, but you are causing a rift.

停止谈论那个又大又美的法案，停止谈论他所说的唐纳德·特朗普在爱泼斯坦名单上的事实，essentially saying, 你是问题的一部分，我支持你，但你正在制造裂痕。

🎧 And I think that's interesting, because at the same time, Musk is showing up today, showing that the way he did it and the way that he spoke to, not just Musk, but to anyone in these kind of conflicts was a way that they still believed he was on their side.

我觉得这很有趣，因为与此同时，马斯克今天出现了，这表明他处理这件事的方式以及他与之交谈的方式——不仅仅是马斯克，还包括任何处于这类冲突中的人——都让他们仍然相信他是站在他们那边的。

小唐纳德·特朗普最终与J.D.万斯会面并支持其参选议员，查理·柯克功不可没——正如克里斯汀所言，他堪称政坛人脉的联结枢纽。

▶ Charlie was one of the people working to lobby the President to pick J. Vance as a mega successor, and he could end up being one of the reasons why J. Vance, you know, is the nominee and Twentynated and a head.

查理曾游说特朗普选择万斯作为重要接班人，这最终促使万斯获得提名并成功当选。

▶ And if you go back in time, Charlie Kirk was one of the reasons why J. Vance became Senator from Ohio, that was a pretty competitive primary there.

回溯历史，查理·柯克也是万斯能当选俄亥俄州参议员的关键因素——那场初选竞争异常激烈。

 00:19:55

 Charlie Kirk supported Vance.

查理·柯克支持万斯。

 Yep, and that led to Donald Trump Jr. endorsing Vance, which then eventually led to Donald Trump himself supporting J. Vance in that primary.

正是此举促成小唐纳德·特朗普为万斯背书，最终让特朗普本人在初选中支持万斯。

 It's also a political event, and I say that because she reported that they are using it to sign people up and to get their information just like one would do at a political rally in modern times, in order for turning point, which is a huge organizing organization to help elect Republicans.

但这也具有政治色彩——他们借此进行选民登记和信息收集，如同现代政治集会般为“转折点”组织吸纳力量（该组织是助力共和党选举的重要机构）。

 30 point USA and my mind attorney point action is one of one.

“美国30点”与“司法点行动”实为一体。

 There are exactly one of them in the United States right now.

这无疑是当前美国最具影响力的组织。

 00:20:51

 It's the organization that is most on fire with young people.

这是在年轻群体中最具号召力的组织。

🎧 And, you know, Donald Trump's growth among young men between his 2020 election in 2024 was 16 points.

特朗普在2020至2024年大选期间在年轻男性中的支持率增长了16个百分点。

🎧 Now, it's the same Donald Trump what changed.

特朗普本人未变，变的是——

🎧 People like Charlie Kirk who organized on campuses and organized young people.

查理·柯克这样在校园组织年轻群体的活动家。

🎧 And Charlie Kirk is just 31.

而查理·柯克年仅31岁。

 00:21:11

🎧 We've not seen someone with this much accomplishment cut down this early in life since Bobby Kennedy in 1968.

自1968年鲍比·肯尼迪遇刺后，我们再未见过如此年轻却卓有成就者猝然离世。

🎧 And I think Charlie Kirk's legacy is a youngification of the Republican Party.

我认为查理·柯克的#遗产#在于促成了共和党的年轻化。

🎧 And I think that that's what Republicans will have to continue to do to maintain momentum going forward.

这也将是共和党维持未来#发展势头#的必由之路。

🎧 Yeah, and good.

确实如此。

🎧 I was just going to say to your point, among some people, he made Maga Cool.

正如你所说，他让"MAGA（让美国再次伟大）"理念在部分群体中成为潮流。

 00:21:34

▶ And, you know, growing up that that had not happened to the Republican Party since a long time.

这是共和党多年来未曾实现的年轻化突破。

▶ It's an old mobile party and Charlie Kirk was a motor cycle.

当共和党如同老式汽车时，查理·柯克就是那台摩托车引擎。

▶ And it's it is it is it is radically changed what Republican Party let me just give you an anecdote to back up your point.

我有个例证可支撑你的观点：这彻底改变了共和党面貌。

▶ I have a 14 year old son who, you know, thinks that what we do in covering politics is super boring, which makes him a normal 14 year old kid.

我14岁的儿子觉得报道政治新闻无聊透顶——这倒符合他这个年龄的常态。

 00:22:01

▶ But you knew who Charlie Kirk was because and you know, and others in the movement.

但他却知道查理·柯克及其同僚。

▶ That news said that his kids were impacted.

有新闻称连孩子们都受到了影响。

▶ Exactly.

正是如此。

▶ And the reason is because isn't necessarily because at least initially these young men in some cases, young teenage boys are totally invested in the politics of Charlie Kirk.

原因未必在于这些年轻男孩最初就全盘认同查理·柯克的政治主张。

▶ It's because he Kirk was so fluent in this and in social media and in getting and engaging with people in a way that they could respond to.

而是因为柯克精通社交媒体，能以年轻人喜闻乐见的方式互动交流。

 00:22:34

▶ I went to pick up my son that day at school.

那天我去学校接儿子时。

▶ And I could hear people and it was unfortunately just after we learned that Kirk had died.

恰逢柯克逝世消息传出。

▶ And I could hear that people, particularly the boys screaming the news to one another.

我听见孩子们——尤其是男孩们——互相呼喊传递这个消息。

▶ I spent a lot of time with young men for the same reason.

基于同样原因我常与年轻人接触。

▶ I have a teenager and they all used common one word.

我有个#青少年#孩子，他们都用同一个词形容他——

 00:22:54

▶ He was fearless.

他#无所畏惧#。

▶ He went into places where he knew he was outnumbered and still expressed his opinions and took on challengers.

他深入明知势单力薄的场合，依然勇于表达观点接受挑战。

▶ That sense of fearlessness is attractive, particularly young men.

这种无畏精神对年轻男性极具吸引力。

▶ Yeah, and I'll say I don't agree with Charlie Kirk on anything.

虽然我在几乎所有议题上都与查理·柯克立场相左。

▶ I mean, maybe your faith, but that's about it.

或许除了信仰层面。

▶ And I will I do have to give it to him.

但我必须承认：

 00:23:13

▶ He was someone who would go out and seek out conversation and debate again, did not agree with him in any way, but our colleague Van Jones just recently wrote about how Charlie reached out to him after they had a spirited debate about the Ukrainian woman who had passed away.

他主动寻求对话辩论——尽管我完全不同意其观点。我们同事范·琼斯刚撰文提及：在就逝世的乌克兰女性展开激烈辩论后，查理仍主动联系他。

▶ And she he said, you know what?

他说："不如来我的节目？

▶ Why don't you come on my show?

我们再深入聊聊？ "

 00:23:30

▶ Why don't we talk about it some more, right?

"

▶ And that is sort of the opposite of the conversation that sort of Trump is having right now about free speech, right?

这与特朗普当前关于言论自由的论调截然不同。

▶ Charlie was all about free speech.

查理始终践行言论自由。

▶ He was all about having these conversations.

致力于推动此类对话。

▶ And I think that that is that authenticity, I think, is what younger people like you're said in others life, which is why we are saying some pushback from some of the most conservative voices out there, Ben Shapiro, Tucker Carlson, who's going to speak today, pushback on the

what they say explicitly is their concern about President Trump's quashing of some free speech.

这种真实感正是年轻人所推崇的——也因此我们看到本·夏皮罗、塔克·卡尔森等保守派人士（后者今日将发言）公开质疑特朗普总统压制某些言论自由的行为。

 00:24:08

▶ Yeah, many of them going after President Trump also going after Attorney General Pambondi.

他们既批评特朗普总统，也质疑司法部长帕姆邦迪。

▶ And we'll hear them today.

今日我们将听到相关发言。

▶ We'll hear what they say about free speech and Charlie's legacy.

关于言论自由与查理的#遗产#，他们将有论述。

▶ I've spoken to a number of people who are speaking today.

我与多位今日的演讲者交流过。

▶ And what they really want to convey in their speeches is that this was a turning point for, obviously, interleaving figure, for the country.

他们希望#传达#的是：这不仅是悼念重要人物，更是国家的转折点。

 00:24:34
