显然这些袭击令人发指。

▶ It's just continued, as I think you mentioned, over 180 journalists who have been killed at this point in the war.

如您所言，战争至今已有超180名记者遇害。

▶ And I think if for the US, the most important thing at this point is, again, this just goes towards the importance of pressing these railings to end this conflict and get to a deal that ends the war, gets aid into Gaza and gets hostages out.

对美国而言，当前关键是施压各方结束冲突，达成停战、援助入加沙、人质获释协议。

 00:08:44

▶ I mean, the Israelis are saying that maybe there was some relationship to Hamas.

以方称记者或与哈马斯有关联。

▶ I mean, you've seen some evidence, but not a ton.

▶ Do you see that making any kind of difference this momentum we're now seeing around recognition?

您认为承认潮会产生影响吗？

▶ Oh, no.

不。

▶ I mean, I think maybe the most important difference that it makes is sending a message to the Israelis that this is what's going to keep happening in terms of the potential pressures that come down on you if you don't shift and end the war.

关键是向以色列传递信号：若不转变策略结束战争，压力将持续增加。

 00:09:35

▶ At the same time, it sends a message to Palestinians that we are out there hearing your pain and at least trying to do what we can to end the conflict.

同时也向巴勒斯坦人表明国际社会听见其痛苦并努力终结冲突。

▶ But the reality is, I think, again, the most important thing to do is to really focus on ending the conflict in Gaza at this point.

但现实是当前最关键的是结束加沙冲突。

▶ And that has to be priority number one, two, and three.

这必须是绝对优先事项。

▶ And as long as it continues, what this really does demonstrate more than anything is that longer Israel goes on like this, the more internationally isolated it becomes.

冲突持续越久，以色列越遭国际孤立。

 00:10:06

▶ And again, as I think we've seen for the US, and its experiences in places like Iraq, Vietnam, and Afghanistan, there just isn't a rationale for this war anymore.

如美国在伊拉克、越南、阿富汗经历所示，此战已无合理性。

▶ There is no plan on Israel's part for how you actually replace Hamas with something different.

以色列无替代哈马斯的方案。

▶ There's no plan for governance or security in Gaza.

无加沙治理或安全计划。

▶ And as long as that's the case, you're just going to continue to play Wacomal, which is what the Israelis have been doing for two years now, without really displacing Hamas, but causing a lot of suffering for Palestinians.

只要如此，以军将如过去两年般徒增巴人苦难却未真正瓦解哈马斯。

 00:10:34

▶ It'll all out hardship for Israelis too, who are on their fourth or fifth reservist deployment, union pressure on the IDF military as well.

以军预备役第四五次征召也加剧国内压力。

▶ Across the entire board, that's where the focus needs to be, ending this conflict that has gone on for way too long.

各方需聚焦终结这场旷日持久的冲突。

▶ There's widespread acknowledgement that it's the US that could potentially wield a lot of power in the situation, increasingly lonely and definitely isolated at the United Nations.

 00:11:01

除全力支持以方外，您是否看到特朗普政府政策转变？

▶ No, I mean, every once in a while, Trump says something like I feel expresses some sympathy.

特朗普偶尔表达同情。

▶ And I think he means it when he expresses sympathy for some of the horrible images coming out of Gaza.

其对加沙惨状的表态似出真心。

▶ But the reality is just in the last few days, he's again endorsed a plan by Prime Minister Netanyahu to actually escalate and go further in with really no strategic objective or plan, something that we've already seen just is not working.

但近日他又支持内塔尼亚胡无战略目标的升级计划——这已被证明无效。

 00:11:31

▶ I mean, this comes on top of the after the administration basically gave these Israelis a green light to withhold all aid into Gaza for two months and then start this program through the Gaza Humanitarian Foundation, which has really been a catastrophic program for controlling aid into Gaza that has led to brought the whole territory into the brink of starvation.

政府此前默许以方切断加沙援助两月，后通过加沙人道基金会实施灾难性管控，致该地区濒临饥荒。

▶ And so I think there's been a lot of missteps by the Trump administration.

特朗普政府屡屡失策。

▶ They're clearly giving these Israelis way too much space to do things that they shouldn't be doing.

给予以方过多不应有的行动空间。

 00:12:02

▶ And it's time for them to shift approaches and really squeeze the Israelis to take a deal to end the war in exchange for getting all the hostages out and getting aid in.

现在应转变策略施压以方接受停战换人质释放与援助进入。

▶ Helen Gordonberg, very good to talk to you.

嗯，我希望弗拉基米尔·泽连斯基能被邀请参加会议，因为很明显普京希望与地球上最有影响力的人——特朗普总统合影，并希望制裁被推迟。

 00:16:30

▶ So this is what he wants and he will probably get.

这就是他想要的，而且他可能会得到。

🎧 Now, the question is, what is the success for United States in this meeting?

🎧 And if President Zelensky would be part of this meeting, it would be a clear success also for United States because it's clear that any deal to be implemented needs also Ukraine and Europe on board.

如果泽连斯基总统能参与这次会议，对美国来说也将是一个明显的成功，因为很明显任何协议的实施都需要乌克兰和欧洲的参与。

🎧 00:16:54

🎧 What do you think the implications would be though if Vladimir Putin makes what is widely expected to be outrageous demands, maximalist demands on the question of retaining territory, possibly grabbing more, and Donald Trump, without the challenge by either Europe or Ukraine, goes for that and it gains momentum.

如果弗拉基米尔·普京提出普遍预期的无理要求，在保留领土甚至夺取更多领土问题上提出极端要求，而唐纳德·特朗普在没有欧洲或乌克兰反对的情况下接受这些要求并使其势头增强，你认为会有什么影响？

但任何协议的实施都需要乌克兰同意。

欧洲也需要同意，否则协议就无法生效。

🎧 So therefore, in order to be part of any deal, Ukraine needs to be around the table.

因此，为了参与任何协议，乌克兰需要坐在谈判桌前。

🎧 And it is clear and I agree with you that Russia will present outrageous goals and they haven't really changed their goals at all.

很明显，而且我同意你的观点，俄罗斯会提出无理的目标，而且他们的目标根本没有改变。

 00:17:52

🎧 And now it is up to us to put the pressure on Russia so that they would also want peace and support Ukraine so that they are ready to defend themselves.

🎧 What do you think Donald Trump meant by? There will be some land swapping, some good, some bad.

🎧 Well, of course, we have to ask President Trump what exactly did he mean?

嗯，当然，我们必须问特朗普总统他的确切意思是什么？

🎧 But it is clear that Russia can't be awarded.

侵略者不能因为侵略行为而获得奖励。

🎧 Otherwise, we will just see more aggression all around the world happening because it pays off.

否则，我们只会看到世界各地发生更多的侵略行为，因为这有利可图。

🎧 You attack another country, you violate all the international laws and norms and then you are just awarded with what are your ultimate goals.

bilibili 00:20:32

哥伦比亚国内充满了悲痛和担忧。

▶ A lot of people feeling that this is like the battle days coming back.

许多人感觉这像是战争年代的回归。

▶ A lot of people remember 30 years ago when so many presidential candidates were being shot down because of the political violence and with fighting with the drug cartels, but a lot of people thought it was behind Colombia.

许多人记得30年前，由于政治暴力和与毒品卡特的斗争，许多总统候选人遭到枪杀，但许多人以为这已成为哥伦比亚的过去。

bilibili 00:20:52

▶ Now this has come at a very root shot.

现在这一事件突然发生。

▶ And of course, a lot of people trying to understand what impact this is going to have in the presidential election, which is less than a year from now.

当然，许多人试图理解这将对不到一年后举行的总统选举产生什么影响。

▶ Is there an investigation into his death, any update on what they've concluded?

对他的死亡是否有调查，有什么最新结论吗？

▶ Yes, of course, the material shooter was found and arrested, but it's a 15-year-old.

是的，当然，枪手已被找到并逮捕，但他是一名15岁的少年。

 00:21:14

▶ Of course, the big question is who was behind it.

当然，最大的问题是谁在幕后指使。

▶ There have been indications by the government that they think that there's some suspicion around a leftist guerrilla group, specifically one called Segunda Marquetalia, Marxist group that operates in regions of the Colombian hinterland.

政府有迹象表明，他们认为左翼游击队组织有嫌疑，特别是名为Segunda Marquetalia的马克思主义组织，该组织在哥伦比亚内陆地区活动。

▶ But there is no concrete evidence right now to give a definite answer on that.

但目前还没有具体证据能给出明确答案。

 00:21:35

▶ And of course, everyone in Colombia is waiting for that.

当然，哥伦比亚所有人都在等待答案。

▶ Tell us a bit more about Miguel Iribe from this massive political family, very successful politician from such a young age.

 00:22:21

▶ The president has also stripped control of the DC police department from the local government, giving it to federal officials.

▶ At a White House news conference, he spoke of caravans of use and blood-firstly criminals on the streets.

在白宫新闻发布会上，他谈到了街头成群结队的吸毒者和嗜血罪犯。

 00:22:39

▶ That's despite official data that shows crime in DC has gone down.

尽管官方数据显示华盛顿特区的犯罪率有所下降。

▶ Jake Horton from BBC Verify is with me and Jake's been looking into this.

BBC Verify的杰克·霍顿与我在一起，杰克一直在调查此事。

▶ What exactly has Donald Trump been saying, Jake, about crime overall on the city?

杰克，唐纳德·特朗普到底对城市的整体犯罪情况说了什么？

▶ So in Washington, he said crime was out of control and the executive order he signed today.

在华盛顿，他说犯罪已经失控，并签署了今天的行政命令。

 00:22:56

▶ He had also reference rising violence in the capital here in Washington.

他还提到了华盛顿特区暴力事件的增加。

▶ But at BBC Verify, we'd be looking at the data and speaking to experts.

但在BBC Verify，我们查看了数据并咨询了专家。

▶ And that actually all shows us that the violent crime in Washington is down quite dramatically over the last three decades.

实际上，所有这些都向我们表明，过去三十年来华盛顿的暴力犯罪大幅下降。

▶ Now, it's consistently dropped over that period.

在此期间，犯罪率持续下降。

 00:23:12

▶ There was a slight uptick in 2023, but since then, it's continued to drop.

2023年略有上升，但此后继续下降。

▶ And 2024, last year actually showed the lowest crime rate on record in that 30-year period in Washington.

而2024年，实际上是去年，华盛顿的犯罪率创下了30年来的最低纪录。

▶ And that has continued this year so far.

今年到目前为止，这一趋势仍在继续。

▶ The data that we looked at said up until the start of this month, it's down 26% from last year.

我们查看的数据显示，截至本月初，犯罪率比去年下降了26%。

bilibili 00:23:32

▶ And remember, last year was the lowest in over 30 years.

请记住，去年是30多年来的最低水平。

▶ So it's clear that although Trump is saying one thing, the data shows something quite different.

所以很明显，尽管特朗普说的是一回事，但数据显示的却大不相同。

▶ And he also highlighted two particular elements of crime, murder rates and car jacking.

他还特别强调了犯罪的两个方面：谋杀率和劫车事件。

▶ You can hear what he said about those two things in this clip.

你可以在这个片段中听到他对这两件事的说法。

▶ And the number of car jacking has more than tripled murders in 2023 reached the highest rate probably ever.

他说2023年劫车数量增加了两倍多，谋杀率可能达到了有史以来的最高水平。

bilibili 00:23:58

▶ So he said murders reached the highest rate in 2023, probably ever.

他说2023年的谋杀率可能达到了有史以来的最高水平。

▶ Now, we've got a chart we can show you of that.

现在，我们可以向你展示一张图表。

▶ And you can see that the murder rate in 2023 did take up quite substantially as was the case for violent crime across the board.

你可以看到，2023年的谋杀率确实大幅上升，整体暴力犯罪也是如此。

⏮ This was the highest on record dating back 20 years, not ever, as President Trump said, in the 1990s it was higher and also in the early 2000s.

这是20年来的最高纪录，而不是特朗普总统所说的有史以来最高，因为在1990年代和2000年代初更高。

 00:24:23

⏮ But like violent crime overall, the murder rate tipped down in 2024 and 2025.

但与整体暴力犯罪一样，谋杀率在2024年和2025年有所下降。

⏮ And at the moment, it is also much lower than those historic rates that Trump claimed in those clips.

目前，它也远低于特朗普在那些片段中声称的历史水平。

⏮ He also talked about car jacking.

他还谈到了劫车事件。

⏮ And this is a particular issue for him because recently a government staffer, a former government staffer, was allegedly had his car jacked and was assaulted.

这对他来说是一个特别的问题，因为最近一名政府工作人员，一名前政府工作人员，据称遭遇了劫车并受到袭击。

 00:24:44

⏮ And President Trump has been highlighting this and saying this is a major problem in the city.

特朗普总统一直在强调这一点，并表示这是该市的一个主要问题。

⏮ Now, this does happen that our car jacking in Washington.

现在，华盛顿确实发生了劫车事件。

⏮ And like again, like crime overall, this has been particularly bad in recent years in 2023.

就像整体犯罪一样，近年来在2023年情况尤其糟糕。

▶ But like the rest of the crime statistics that we looked at today, it's continued to tick down.

但就像我们今天看到的其他犯罪统计数据一样，它仍在继续下降。

bilibili 00:25:02

▶ And that's not to say there's no crime in Washington.

这并不是说华盛顿没有犯罪。

▶ Amongst other major US cities, the average crime rate is higher, but it's certainly not out of control or violence is skyrocketing in the capital as Trump's press conference alluded to today.

在美国其他主要城市中，平均犯罪率较高，但肯定没有失控，或者像特朗普今天在新闻发布会上暗示的那样，首都的暴力事件激增。

▶ Great.

很好。

▶ Thanks so much.

非常感谢。

▶ Good and this could have worked there more on the website, of course, as well.

好的，当然，这在网站上也可以更多地发挥作用。

bilibili 00:25:21

▶ And coming up here on the program, I'm just speaking to Ed Davis, who is a former police commissioner of the Boston Police Department to get his views on what he makes of Trump's move today and also what happened in Boston under his watch.

接下来在节目中，我将与波士顿警察局前局长埃德·戴维斯交谈，了解他对特朗普今天的举动以及在他任期内波士顿发生的事情的看法。

bilibili 00:25:52

▶ But so far, we know that President Zelensky hasn't been invited to those talks on Friday.

但到目前为止，我们知道泽连斯基总统没有被邀请参加周五的会谈。

▶ So more on all of that coming up.
