 US President Donald Trump has said he's ready to impose tougher sanctions on Russia, but only if NATO countries meet certain conditions that include stopping purchases of Russian oil.

美国总统特朗普表示准备对俄罗斯实施更严厉制裁，但前提是北约国家满足包括停止购买俄罗斯石油在内的特定条件。

 In a post on his social media platform Truth Social, Trump proposed that NATO members place 50 percent to 100 percent tariffs on China to weaken its economic influence over Russia.

在其社交平台Truth Social的发文中，特朗普提议北约成员国对中国征收50%至100%关税以削弱其对俄经济影响力。

 00:21:56

 Our correspondent, Aruniday Makarchi, is following those developments.

本台#记者#阿鲁尼迪·马卡尔奇正在跟踪事态发展。

 Well, I think this is important because even in the past, we've heard President Donald Trump issue similar threats of sanctions against Russia, but he's not actually walked the talk.

我认为这很重要，因为即便过去我们也听过特朗普总统对俄发出类似制裁威胁，但并未真正落实。

 Even this time around, he's threatening sanctions, but he stopped just short making his decision contingent on other NATO members doing the same and only when they stop purchasing Russian oil.

即便此次他威胁制裁，却止步于将决定权取决于其他北约成员国采取相同行动且仅当他们停止购买俄罗斯石油。

 00:22:18

 He's also urging them to consider sanctions against China, which he feels will help break Beijing's hold on Moscow, which could then help bring this war to an end.

他还敦促他们考虑对华制裁，认为这将有助于打破北京对莫斯科的控制，从而终结战争。

🎧 In that post, he also appears to be berating fellow NATO members, where he says that they must agree to his terms else they're only ending up wasting his time and America's money.

发文中他似乎还在斥责北约盟友，称他们必须同意其条款否则只会浪费他的时间和美国金钱。

🎧 Now, initially, he'd threaten sanctions and threaten to take very serious measures against Russia, but now he appears to be putting the onus on others.

最初他威胁制裁并采取严厉对俄措施，但现在似乎将责任推给他人。

 00:22:46

🎧 Now, what is also important is that over the past couple of months, Donald Trump has grown increasingly frustrated and impatience at his inability to end this war, which at one point of time during his presidential campaign, he had said he would be able to do when he became president.

重要的是过去几个月特朗普因无法结束战争愈发挫败不耐——总统竞选期间他曾表示上任后能做到这一点。

🎧 Now, all of this is also important to see in the context of last month's summit in Alaska, where President Trump hosted President Vladimir Putin, and he said at the end of it that great progress had been made.

这一切还需结合上月阿拉斯加峰会背景看待——特朗普总统当时接待普京总统，会后称取得重大进展。

🎧 But here we are, a month on, and any visible signs of progress appear to be diminishing and any possible prospects of a ceasefire or even an end to the war appear to be a distant reality.

但一个月后的现在，所有可见进展迹象似乎都在消退，停火乃至结束战争的前景仍遥不可及。

 00:23:26

🎧 Also, Dan's government on Saturday pushed back against a new peace proposal put forward by the United States, Saudi Arabia, the UAE, and Egypt, nearly two and a half years into the country's civil war.

此外，丹政府周六拒绝了美国、沙特、阿联酋和埃及提出的新和平提案——此时该国内战已持续近两年半。
