▶ Let's go to our legal correspondent Dominic Cassiani who's outside the Royal Court of Justice.

让我们连线我们在皇家法院外的法律记者多米尼克·卡西亚尼。

▶ Dominic just took us through the details of today's judgment and what it really means.

多米尼克刚刚向我们详细介绍了今天的判决及其真正含义。

▶ I think Ben the first place to start is reflecting on just over a week ago when home office lawyers and lawyers for the Bell Hotel looks absolutely crestfallen at this injunction ordering the hotel to be emptied by the 12th of September.

本，我认为首先要回顾一下一个多星期前，当内政部律师和贝尔酒店的律师听到这项要求酒店在9月12日前清空的禁令时，看起来是多么沮丧。

 00:05:23

▶ Today it was the council that looked absolutely dejected in court as the three judges went through what they said were a litany of legal flaws with the injunction into be frank in what felt like quite scathing terms for the judge who actually made the order.

今天，在法庭上看起来垂头丧气的是议会，三位法官详细列出了他们所说的该禁令的一系列法律缺陷，坦白地说，其措辞对实际下达命令的法官来说感觉相当尖刻。

▶ They said that the injunction ignored the obvious consequence that closing one establishment meant there had to be beds found elsewhere.

他们说，该禁令忽略了一个明显的后果，即关闭一个机构意味着必须在别处找到床位。

▶ That in turn effectively interfered with the home secretary's legal duty, a duty imposed by parliament to keep asylum seekers off the streets to keep the pals so they're not destitute.

这进而有效地干涉了内政大臣的法律职责，这是一项议会规定的职责，即确保寻求庇护者不致流落街头，确保他们不致贫困潦倒。

 00:05:59

▶ They went on that the whole business ran the rescue in Guipardon, being an impetus for further protests and that in turn would encourage other councils to potentially come forward and bring injunctions.

他们接着说，整个事件在吉帕顿引发了救援行动，成为进一步抗议的推动力，而这反过来又会鼓励其他议会可能站出来提出禁令。

▶ And critically also they weren't impressed with claims from the council that the hotel had at times hidden its true purpose of what it was intended to do.

关键的是，他们对议会声称酒店有时隐瞒其真实用途的说法也不以为然。

▶ All in all this was a solid defeat for the council and a legal win for the government but the real question is politically where does it leave them after this injunction has gone away.

总而言之，这对议会来说是一次彻底的失败，对政府来说是一次法律上的胜利，但真正的问题是，在政治层面上，这项禁令消失后，他们的处境如何。

 00:06:32

▶ Back to you.

交还给你。

▶ Indeed Dominic thank you very much indeed.

确实如此，多米尼克，非常感谢。

🎧 Well today's Court of Appeal ruling is a reprieve for the government which was braced for a host of legal challenges from other local councils over the use of hotels to house asylum seekers.

嗯，今天上诉法院的裁决对政府来说是一个缓刑，政府原本准备应对其他地方议会就使用酒店安置寻求庇护者提出的一系列法律挑战。

谢谢本，我们等这场雨已经等了相当长一段时间了，不是吗？

但今天许多地区确实下了雨，是的，晚上好。

▶ Some places across southern England have had about half a month's worth of rain just a few hours.

▶ It's caused a few problems with the localised flooding and the bit more of the same to come over the course of the weekend as well.

这造成了一些局部洪水的问题，周末期间还会有更多类似的降雨。

▶ This was the picture in Buckinghamshire a bit earlier on.

这是稍早前白金汉郡的情况。

▶ Some sunshine, but some dramatic shower clouds, more of them to come.

有一些阳光，但也有一些戏剧性的阵雨云，还会有更多。

🎧 So the winds are going to be picking up through the course of the weekend.

所以风会在周末期间增强。

🎧 00:30:25

🎧 There's some more rain, it's going to be wetish I think towards the west, particularly by Sunday, but we're all going to be seeing a dose of rain fall through the weekend.

还会有更多降雨，我认为西部会比较潮湿，特别是到周日，但我们所有人周末都会遇到一阵降雨。

🎧 This is where the rain has been falling over recent hours.

这是最近几小时降雨的地方。

🎧 It's been heavy and thundery, particularly so at the moment for the likes of Hampshire, the home counties up towards Cambridgeshire as well.

雨势很大并伴有雷声，目前尤其如此，比如汉普郡、Home Counties 一直到剑桥郡等地。

🎧 00:30:41

🎧 Those heavy thundery showers in the east are going to be easing away.

东部那些强烈的雷阵雨将会减弱。

🎧 We'll still have a few spots of rain tonight across parts of the western hours, the southern uplands, one or two of the northwest England as well, but for the vast majority, largely dry, slightly lighter winds overnight, and temperatures around 10 to 13 degrees.

今晚西部部分地区、南部高地、英格兰西北部的一两个地方仍会有零星降雨，但对绝大多数地区来说，基本干燥，夜间风力稍轻，气温在10到13度左右。

🎧 So we're likely to start Saturday morning on a mostly dry night with some early sunshine.

因此，我们很可能在基本干燥、清晨有些阳光的夜晚过后迎来周六早晨。

🎧 00:31:01

🎧 Here's the rain working in from the west.

降雨正从西方过来。

⏮ The winds are going to strengthen through the Irish sea, so gusts near coasts about 45, 50 miles an hour, that wet weather just pushing across all areas by the end of the day.

风将穿过爱尔兰海加强，因此海岸附近阵风可达每小时45、50英里，潮湿的天气将在一天结束时席卷所有地区。

⏮ But I think parts of northeast and Scotland and eastern England hold on to some drier and slightly warmer weather.

但我认为东北部、苏格兰和英格兰东部的部分地区将保持较为干燥和略暖的天气。

🎵 00:31:17

⏮ So 22 degrees or so towards the east, typically about 18 further west.

所以东部地区最高气温22度左右，西部通常约为18度。

⏮ And then moving on through Saturday night and into Sunday, well the next area of low pressure is going to be anchored out towards the northwest, and we're going to see showers driving around that area of low pressure.

然后从周六晚上到周日，嗯，下一个低压区将锚定在西北方向，我们将看到阵雨围绕该低压区移动。

⏮ So Sunday again, a mostly dry start, but it's going to be a day of sunshine and heavy blustery showers.

所以周日又是一个基本干燥的开端，但这将是阳光和强烈狂风阵雨的一天。

🎵 00:31:38

⏮ The bulk of the showers out towards the west, where there could be some thunderstorms, and again those gusts, 45, 50 miles an hour towards the west, top temperatures around 18 to 22 degrees.

大部分阵雨出现在西部，那里可能会有雷暴，阵风再次达到每小时45、50英里，最高气温在18到22度左右。
