🎧 And frankly, today he took a significant step in that direction.

坦率地说，今天他朝着这个方向迈出了重要一步。

🎧 So I wonder if I can ask you, President Trump said that he's going to be following up with President Zelensky and with NATO as a block, but he also talked about security guarantees for Ukraine and said that wouldn't be in the form of NATO.

所以我想请问您，特朗普总统表示他将跟进与泽连斯基总统和北约作为一个整体的会谈，但他也谈到了对乌克兰的安全保证，并表示这不会以北约的形式出现。

 00:17:08

🎧 What could security guarantees for Ukraine potentially look like?

对乌克兰的安全保证可能是什么样子？

🎧 Well, first and foremost, there are steps that President Trump has promised, and I hope will be the end result of today's disaster that would assert meaningful leverage on Putin.

嗯，首先，特朗普总统承诺了一些步骤，我希望这将是今天这场灾难的最终结果，这些步骤将对普京施加有意义的压力。

🎧 These are economic measures to include sanctioning those who are receiving Russian oil and therefore fueling the Russian war machine.

这些经济措施包括制裁那些接收俄罗斯石油从而为俄罗斯战争机器提供燃料的人。

 00:17:36

🎧 There's a possibility of seizing Russian central bank assets held in the West, some 300 billion dollars of central bank assets, and equally significant.

有可能没收俄罗斯央行在西方持有的资产，大约3000亿美元的央行资产，同样重要的是。

▶ And the continuing and even amplifying of Western military support.

以及继续甚至扩大西方的军事支持。

▶ Ambassador Lutiv, I can just interrupt you there.

卢特大使，我可以在这里打断您一下。

▶ We can now see Air Force One taxiing on the runway in Anchorage just in the last few minutes.

我们现在可以看到空军一号在安克雷奇的跑道上滑行，就在过去几分钟。

bilibili 00:18:00

▶ We have seen President Putin's plane taxiing and taking off heading back to Moscow crossing 11 time zones for the Russian leader and Air Force One, the Boeing jet carrying a Donald Trump, making its way back to Washington, Donald Trump, left Washington.

我们已经看到普京总统的飞机滑行并起飞返回莫斯科，这位俄罗斯领导人跨越了11个时区，而空军一号，这架载着唐纳德·特朗普的波音飞机，正在返回华盛顿，唐纳德·特朗普离开了华盛顿。

▶ At six o'clock in the morning Eastern times, it has been a long day for the US President in total he was in the room with Vladimir Putin around two and a half, three hours now initially Russian sources and said the reason could go on for six hours.

东部时间早上六点，对美国总统来说这是漫长的一天，他总共与弗拉基米尔·普京在房间里待了大约两个半小时到三个小时，最初俄罗斯消息人士说会谈可能持续六个小时。

▶ It seems that was a little bit of an overestimation on their part.

看起来他们有点高估了。

bilibili 00:18:35

▶ And then of course we had the joint statements by both leaders shortly afterwards, but here we see Air Force One on the tarmac in Anchorage.

当然，之后我们很快就看到了两位领导人的联合声明，但现在我们看到空军一号停在安克雷奇的停机坪上。

▶ Just behind those fighter jets at the joint military base there several hours in the skies back to Washington for the US President now he said it was a 25% chance these talks would fail now whether you consider them a failure or successes subjective President Trump had said he wants a ceasefire and if he doesn't get a ceasefire he'll walk away now on one hand.

就在联合军事基地的那些战斗机后面，几个小时后，美国总统将飞回华盛顿，他曾表示这些会谈有25%的失败概率，而你是否认为它们是失败或成功是主观的。特朗普总统曾表示他想要停火，如果得不到停火，他就会离开，一方面是这样。

▶ He didn't get an immediate promise of a ceasefire at least not that he told reporters about but we also didn't see him walk away we saw a very positive press conference between the two men we certainly saw the very warm handshakes when they met on the red carpet and President Putin landed in Alaska earlier on today.

他没有立即得到停火的承诺，至少他没有向记者透露这一点，但我们也没有看到他离开，我们看到两人之间举行了一场非常积极的新闻发布会，当然也看到了他们在红毯上见面时的热情握手，普京总统今天早些时候降落在阿拉斯加。

 00:19:32

▶ And as we hear in Gary Donahue our correspondence saying earlier of course President Putin speaking during the press conference in Russian except for at the very end when he pivoted to English which he rarely speaks in public inviting Donald Trump to Moscow let's just watch these pictures as Air Force One lines up on the runway.

正如我们的记者加里·多纳休早些时候所说，普京总统在新闻发布会上用俄语发言，除了最后他罕见地公开用英语邀请唐纳德·特朗普访问莫斯科，现在让我们看看这些画面，空军一号正在跑道上排队。

▶ Doug if I can just bring you in as we're watching these pictures that you were talking earlier on about security guarantees in a long story short and we're going to see American boots on the ground in Eastern Europe.

道格，在我们看这些画面时，我想请你谈谈你之前提到的安全保证问题，简而言之，我们是否会在东欧看到美国士兵。

▶ No way simply not going to happen in fact I'd be happy and gratified if we simply saw flow of American weaponry into the hands of you of Ukraine now you know as you covered these two aircraft these two presidential aircraft taking off from Alaska you know it's a bit of a

metaphor right once headed east and the other west they're flying apart from one another and I think that really captures the essence of today.

不可能，根本不会发生，事实上，如果我们只是看到美国武器流入乌克兰手中，我会很高兴和满意。现在你知道，当你报道这两架总统专机从阿拉斯加起飞时，你知道这有点像一种隐喻，一架向东，一架向西，它们彼此飞离，我认为这真正抓住了今天的本质。

 00:20:36

 I mean we accomplished very little we're no closer in fact we may actually be further away from a peace settlement in Ukraine then we were at the beginning of the day and if you examine the balance sheet here Putin comes away with the end of international isolation he's seen as a big man on the big stage with the US president warm welcome red carpet ride in Trump's car standing in front of the sign that says pursuing peace.

我的意思是，我们几乎没有什么成果，事实上，我们可能离乌克兰的和平解决比今天开始时更远了。如果你看看这里的平衡表，普京摆脱了国际孤立，他被视为大舞台上的大人物，受到美国总统的热情欢迎，乘坐特朗普的车在红毯上行驶，站在写着“追求和平”的牌子前。

 It's pursuing peace which is anything but what Vladimir Putin is all about ending his international isolation of the last three and a half years in return what does Trump get zero nothing especially in a particular nothing on Trump's stated objective which is a movement towards a ceasefire in Ukraine so the balance sheet here is quite tilted into Putin's favor.

“追求和平”与弗拉基米尔·普京的所作所为完全相反，他结束了三年半的国际孤立，而特朗普得到了什么？零，什么都没有，尤其是在特朗普宣称的目标——推动乌克兰停火方面毫无进展，所以这里的平衡表明明显偏向普京。

 Okay Douglas loot former US ambassador to NATO ambassador thank you so much for joining us for continuing to watch these pictures of Air Force one lining up on the tarmac in Anchorage I'm also joined in the studio here by Elise lab at host of cosmopolitan on sub stack and ambassador built a former US ambassador to Ukraine and distinguished fellow at the Atlantic cancer in Washington very good to have you both with us at least if I can begin with you how do you think this event will have been received.

好的，道格拉斯·卢特，前美国驻北约大使，非常感谢你加入我们，继续观看空军一号在安克雷奇停机坪上排队的画面。演播室里还有《Cosmopolitan》Substack的主持人艾莉丝·拉布和前美国驻乌克兰大使、华盛顿大西洋理事会杰出研究员比尔·泰勒大使，很高兴你们两位都在这里。至少，我可以先问你，你认为俄罗斯观众会如何看待这次活动？

By Russian audiences I think Russian audiences will be very happy with what they saw from president Putin coming down the whole roll out the red carpet getting in that limo with president Trump that smile as you pulled away and also speaking at that press conference alongside the president as ambassador loot said ending president Putin's isolation and we're seeing their Air Force one wheels up it is 22 minutes upon state Eastern time there's 22 minutes past four in the afternoon in Anchorage Air Force one heading on its way back to Washington let's bring in my other guests now Ambassador Bill Taylor at former US ambassador to Ukraine Mr. Ambassador thank you so much for being with us what's your immediate reaction to these very brief talks that we saw presidents Putin and Trump giving to reporters earlier.

我认为俄罗斯观众会对他们看到的普京总统的表现非常满意，他走下飞机，全程红毯迎接，与特朗普总统一起乘坐豪华轿车，离开时的微笑，以及在新闻发布会上与总统并肩发言，正如卢特大使所说，结束了普京总统的孤立。我们现在看到空军一号起飞，东部时间22分钟，安克雷奇下午4点22分，空军一号正返回华盛顿。现在让我们请出另一位嘉宾，前美国驻乌克兰大使比尔·泰勒先生。大使先生，非常感谢你加入我们，你对普京和特朗普总统早些时候向记者发表的非常简短的谈话有什么直接反应？

Right, well it seems to me that nothing good happened but nothing terrible happened the best case was avoided the worst case was avoided there was no giving up of land there was no selling out of Ukraine but neither was there a movement towards these fires so neither the best case nor the worst case.

好吧，在我看来，没有什么好事发生，但也没有发生什么可怕的事情，最好的情况避免了，最坏的情况也避免了，没有放弃领土，没有出卖乌克兰，但也没有朝着停火的方向推进，所以既不是最好的情况，也不是最坏的情况。

Well you say neither the best case nor the worst case at least if I can come back to you on that what president Putin actually want to get out of this well he what he really wanted was to pivot away from Ukraine that's why he brought his economic team to talk about cooperation in the Arctic to talk about larger cooperation between the US and Russia he was throwing out possible nuclear agreements that are expiring you know we doubling down on the US.

你说既不是最好的情况，也不是最坏的情况，至少我可以再问你，普京总统实际上想从中得到什么？他真正想要的是从乌克兰问题上转移注意力，这就是为什么他带来了他的经济团队，讨论北

极合作，讨论美俄之间更广泛的合作，他提出了可能到期的核协议，你知道我们在美俄合作上加倍下注。

bilibili 00:23:51

Ⓜ Russia partnership there been a lot of comparisons to yalta in nineteen forty five where Russia and the US after World War two kind of divvied up the spear of influences the world you didn't get that okay there was supposed to be this other meeting with all of the economic delegations president Trump brought Marco Rubio and the secretary of state slash national security advisor his on voice Steve Whitcoff into that meeting because I think he pretty much knew.

美俄伙伴关系，有很多人将其与1945年的雅尔塔会议相提并论，当时二战后的俄罗斯和美国某种程度上划分了世界势力范围，但这次没有发生。本来应该还有另一场会议，所有经济代表团参加，特朗普总统带了马可·鲁比奥和国务卿兼国家安全顾问史蒂夫·惠特科夫参加，因为我认为他基本上知道。

Ⓜ That Putin was going to obvus gate that he was going to string them along and I think he knew going into the meeting what was going to happen so I don't think he's ready to walk away but he also didn't give him that extended meeting he didn't take any questions and now I think we really need to see what president Trump does over the next twenty four to forty eight hours in the coming weeks you know how he you know pivots between the last person in his ear he's going to get any earful from president salinsky he's going to get.

普京会敷衍他们，拖延他们，我认为他在进入会议时就知道会发生什么，所以我不认为他准备离开，但他也没有给他延长的会议时间，他没有回答任何问题。现在我认为我们真的需要看看特朗普总统在未来24到48小时以及未来几周的行动，你知道他如何在最后听到的意见之间摇摆，他会听到泽连斯基总统的抱怨，他会听到。

Ⓜ An earful from the Europeans from Republicans like Lindsey Graham and also Marco Rubio on the way back saying listen this you got a nothing burger from this meeting and now it's time to lower the hammer to impose those sanctions to impose some of those economic penalties that ambassador loot was talking about I think ambassador Taylor will agree with me that the opportunity now for president Trump to turn this kind of failure of the meeting around.

来自欧洲人和共和党人如林赛·格雷厄姆和马可·鲁比奥的抱怨，他们在回程时会说，听着，这次会议你一无所获，现在是时候采取强硬手段，实施那些制裁，实施卢特大使谈到的一些经济惩罚措施。我认为泰勒大使会同意我的看法，现在特朗普总统有机会扭转这次会议的失败局面。

⏮ And say I wasn't willing to walk away but I'm also not willing to give you a victory and now let's see what I'm going to do absolutely well lots more to pick apart here at least lab in the studio with me and former US ambassador to Ukraine bill Taylor who is on the line with us that we just seen Air Force one wheels up in Anchorage in Alaska president Trump on his way back to Washington before that president Putin's jet on its way back to Moscow much more to follow on this story.

并说我不愿意离开，但也不愿意给你胜利，现在让我们看看我要做什么。绝对还有很多需要分析的地方，至少演播室里有艾莉丝·拉布和我，以及前美国驻乌克兰大使比尔·泰勒，他正在线上与我们连线。我们刚刚看到空军一号在阿拉斯加安克雷奇起飞，特朗普总统正在返回华盛顿的路上，此前普京总统的专机正在返回莫斯科的路上。关于这一事件，还有更多后续报道。
