现在连线政治记者达米安·格罗马提克斯，了解克里斯塔马的具体表态。

▶ There's nothing new though in what he's then saying he says they want to discuss what they can do to urgently stop the killing get people in Gaza the food they desperately need.

▶ The issue for the UK and the other countries though involved in that call tomorrow will be that they have been calling for this for some time and haven't seen that change that they want to from Israel.

但英等国面临的困境是，长期呼吁却未见以色列做出期望的改变。

▶ Damien thank you very much for that stay there for me Damien because I want to bring in another political story that's happening in the UK.

达米安请留步，接下来关注英国另一政治动态。

▶ And that is that the former Labour leader an independent MP Jeremy Corbyn has launched a new political party though it hasn't got a name yet in a joint statement with the former Labour MP Zara Sultana he said it was time for a new kind of party for the grassroots and communities.

前工党领袖、独立议员杰里米·科尔宾与前工党议员扎拉·苏尔塔纳联合声明，宣布成立尚未命名的新政党，称"是时候建立面向基层的新政党"。

▶ People had enough out there they're fed up with seeing cuts to their services threats to personal independence payments continuing child poverty whilst we were in short change by the government and the only thing they could find money for is more weapons of war.

民众受够了服务削减、个人独立支付威胁、持续儿童贫困，而政府只愿为战争武器拨款。

▶ The problem is that ahead of the last general election Kirstal and Rachel Reeves boxed themselves in by saying they would never change any level of taxation particularly for the richest mass society.

问题在于上次大选前，克里斯塔尔和雷切尔·里维斯承诺绝不调整富人税率，自缚手脚。

▶ Well Damien is still there for us and Damien just talked with a little bit more about what we know what's this new party going to be at about really no name yet and where does it leave the Labour Party?

达米安继续分析：新政党尚无名称及完整纲领，但明确将走左翼路线，主张向富人征税、国有化关键行业，可能分流工党支持者。科尔宾计划在明年地方选举中推出候选人，这将是首次考验。

▶ Yes so certain things we don't know exactly it doesn't have a formal name yet and Jeremy Corbyn says he's asking for suggestions it doesn't have a full platform yet that will come he says there will be a convention and assembly later in the year which people are being asked to sign up for now so lots of details still to be finalised and for this party to be formally launched what is clear is what it's a gender is going to be and that is on the left Jeremy Corbyn saying he believes there are these injustices that he says we cannot accept and neither should you the core sort of foundation of this party will be the idea that he says we want to take on the rich and powerful and win one mastery distribution of wealth and power which means taxing the very richest in our society so there's suggestions about nationalising

key industries keeping the NHS free of privatisation all sorts of stuff like that the issue for the Labour Party of course is that this cuts really to a core of some of its supporters and the question will be whether that sort of the electoral threat that might pose to Labour certainly it has the prospect of drawing siphoning some support away Jeremy Corbyn has had a lot of support as sort of popular membership when he was the leader of the Labour Party there are elections coming up next year local elections across the UK in England and in the Scotland and Wales Jeremy Corbyn saying he wants to put up candidates across England in those elections and that will be the first test.

确实尚存诸多未知：该党暂无正式名称，科尔宾称正征集建议；完整纲领也未成型，但表示将在年底举行大会。其明确左翼定位，主张"对抗权贵实现财富权力再分配"，包括向最富群体征税、国有化关键行业、阻止NHS私有化等。这对工党的核心支持者构成直接冲击，选举威胁程度待观察。科尔宾在工党领袖期间积累大量民众支持，计划在明年英格兰等地选举推出候选人，这将是首次考验。

🎵 The American professional wrestling star Hulk Hogan has died at the age of 71 Hogan who's real name was Terry Bollayer was the biggest professional wrestler of the 80s and 90s tonight world wrestling entertainment has described him as one of pop culture's most recognisable figures.

美国职业摔跤明星胡克·霍根去世，享年71岁。本名特里·波利亚的他是80-90年代最著名摔跤手，WWE称其为"流行文化最具标志性人物之一"。

🎵 Hulk Hogan's representative issued a statement saying unfortunately we must confirm that Terry Bollayer aka Hulk Hogan passed away this morning we're heartbroken he was such a great human being and friend.

霍根代表发布声明："很遗憾确认特里·波利亚（即霍根）今晨去世，我们心碎不已，他是伟大的挚友。"

🎤 Well Hulk Hogan who has died at the age of 71 has had tributes from all over the world including from President Trump who's paid tribute to him posting on social media on truth social he said this we lost a great friend today the Hulkster Hulk Hogan was magga all the way strong tough smart but with the biggest heart he gave an absolutely electric speech at the Republican National Convention that was one of the highlights of the entire week he entertained fans from all over the world and had the cultural impact he had was massive to his wife Sky and family we give our warmest best wishes and love Hulk Hogan will be greatly missed.

71岁逝世的霍根获全球悼念，特朗普在Truth Social发文："今日痛失挚友'胡克斯特'，他始终强大、坚韧、睿智且胸怀宽广，其共和党大会演讲震撼全场，娱乐全球粉丝的文化影响深远。向妻子斯凯及家人致以深切慰问，胡克·霍根将被深深怀念。"

 00:16:29

🎤 Well let's speak to Mike Johnson he's a reporter for PWInsider.com covering the world of professional wrestling he joins me now from New York and it's hard to understate how important and how iconic Hulk was in the world of professional wrestling.

现在连线PWInsider.com职业摔跤记者迈克·约翰逊（纽约），探讨霍根难以低估的行业地位。

🎤 No you're correct Mariam thank you for having me there was a time period where he was the end all be all for professional wrestling he was the window into professional wrestling for a lot of kids and even adults in the 1980s and in that time period he was the perfect person to be in charge of the front facing of WWE and their marketing and their promotion and he was an incredible performer especially in that early early mid 80s 19 period 1980s period and was the ultimate hero against the likes of the Iron Sheik and Rowdy Rowdy Piper and he was the person who made that company untold riches and helped them go from a small territory based out of New York City and and become a global phenomenon.

玛丽亚姆你说得对，1980年代他是职业摔跤的代名词，为无数孩子和成人打开这扇窗。作为WWE门面担当，其营销推广无可挑剔，尤以80年代中期表现惊艳，作为对抗"铁酋长""狂暴派珀"的终极英雄，他助力这家纽约小公司崛起为全球现象。

🎤 So WWE now is an international business and a lot of it was built on the back of what Hulk Hogan and accomplished as a performer in the mid and late 1980s and early 1990s.

如今WWE成为国际企业，很大程度上奠基于霍根80年代中至90年代初的成就。

🎵 I mean he had some you know iconic moments didn't he some rivalries in those 80s and 90s but not without controversy as well.

他在80-90年代创造诸多标志性对决，但也伴随争议。

🎵 Oh no absolutely not I mean especially later on there was a controversy over the Gawker tape you know he a tape a sex tape that he didn't know was being recorded was released and featured some pretty vile comments that he had made but he didn't know that he was being recorded he later sued the Gawker website for its release that website got destroyed he got a big settlement legal settlement out of it but I don't think his reputation was ever a sterling afterwards as it was before because he lived in the eyes of a lot of fans as this red, white and blue character who expounded American patriotism and good over evil and say your prayers each of vitamins and the reality is the performers are never as perfect as the characters they portray and there's tons and tons of actors over the years in Hollywood and elsewhere that the characters that people fell in love with them for portraying are very different from the people who were performing those characters and of course he got involved in politics didn't he later in life yeah later in life he really tried to rehabilitate his image in the United States for leaning into the right wing politics and appeared a lot of the Donald Trump rallies I know you just read Donald Trump's quote about him and he really kind of wrapped himself in the red, white and blue flag of and that sort of mega patriotism and from there launched a new beer line he was about to launch a new amateur wrestling company real American freestyle I was about to open a new bar in New York City across the street from Madison Square Garden titled Slam so he really was kind of leading into that for his next chapter in life.

（注：争议部分按语义切分）确实如此，尤其是后期"高克录像带"事件——他在不知情时被录制的私密视频曝光，内含不当言论。虽起诉高克网获巨额赔偿，但形象受损。许多粉丝曾视其为宣扬美国爱国主义、正义战胜邪恶的"红白蓝"偶像，但演员与角色总有差距。晚年他投身右翼政治，频繁现身特朗普集会，以"超级爱国者"形象推出啤酒品牌，计划创办"真实美国自由式"摔跤公司和麦迪逊广场花园对面的"Slam"酒吧，开启人生新篇章。

🎵 Mike Johnson has been good to talk to you thank you very much for talking to us about Hulk Hogan who's died at the age of 71.

感谢迈克·约翰逊关于71岁逝世的霍根分享。
