

Trump Orders Deployment of US Nuclear Submarines Amid Rising Tensions with Russia

【BBC News 20250803 美俄紧张升级！特朗普下令核潜艇部署 | 梅德韦杰夫警告核打击】

Summary: President Trump has ordered the deployment of two US nuclear submarines in response to threats from former Russian President Dmitry Medvedev. The move follows escalating rhetoric between the two nations, with Medvedev warning of Russia's nuclear capabilities after the White House issued a 10-day ceasefire ultimatum for Ukraine. Experts caution the symbolic escalation risks unintended consequences, as Moscow's stock market reacts sharply to the crisis.

摘要： 特朗普总统下令部署两艘美国核潜艇，以回应俄罗斯前总统梅德韦杰夫的威胁。此前白宫要求俄方在10天内同意乌克兰停火协议，否则将面临严厉制裁，梅德韦杰夫随即警告俄方核打击能力。专家指出这种象征性升级可能引发意外后果，莫斯科股市已对此作出剧烈反应。

但俄罗斯人正在获胜。

▶ They're winning on the ground.

他们在地面上占据优势。

 00:07:17

▶ They're winning in the air.

他们在空中占据优势。

▶ Um, and so if I was I were Putin, I'd say, "Well, look, I'm doing well. Why should there be a ceasefire?"

所以如果我是普京，我会说：“看，我做得很好，为什么要停火？”

🎧 uh he might do it because of these sanctions pressures but that doesn't seem very realistic at the moment.

他可能会因为制裁压力而这样做，但目前看来不太现实。

🎧 It hasn't had much impact.

制裁并没有产生太大影响。

🎧 So what do Trump is being very symbolic but it is dangerous.

所以特朗普的行为非常具有象征意义，但也很危险。

 00:07:39

🎧 We are actually uh in possibly in a stage uh initial stages of a third world war because if you add it to daily attacks by the Russians uh cyber attacks uh agents working in Britain um this we are this is not quite the Cuban missile crisis but Trump is symbolically escalating the crisis.

我们实际上可能处于第三次世界大战的初始阶段，因为如果再加上俄罗斯的日常攻击、网络攻击以及在英国活动的特工，这虽然不是古巴导弹危机，但特朗普正在象征性地升级危机。

🎧 It's dangerous but it's not it's not the Cuban missile crisis yet.

这很危险，但还不是古巴导弹危机。

🎧 Yeah, it's just going back to these submarines.

是的，回到这些潜艇的问题。

 00:08:10

🎧 There's been some discussion as to whether they're nuclearpowered or nuclear armed.

关于它们是核动力还是核武装，有一些讨论。

🎧 What's your understanding of what kind of submarines?

您对这些潜艇的类型有何理解？

🎧 Most they're all they're all nuclear powered.

大多数潜艇都是核动力的。

⏮ Nobody uses diesel submarines anymore except the French or one or two other powers.

除了法国或其他一两个国家外，没有人再使用柴油潜艇。

⏮ But um they are nuclear armed.

但它们是核武装的。

⏮ We don't know that because there is a protocol.

我们不知道这一点，因为有协议。

 00:08:36

⏮ Every rule going he is not allowed to say where the submarines are because that's the point.

根据规则，他不允许透露潜艇的位置，因为这是关键。

⏮ They're supposed to be untraceable.

它们应该是无法追踪的。

⏮ Although the Russians are beginning to find methods of finding out where these uh long-term strategic deterrence, it is the ultimate weapon because we have we have four.

尽管俄罗斯人开始找到探测这些长期战略威慑武器位置的方法，但这是终极武器，因为我们有四艘。

⏮ The French have five.

法国有五艘。

 00:08:57

⏮ So if there's a major nuclear attack on the American mainland, these submarines can retaliate.

所以如果美国本土遭受重大核攻击，这些潜艇可以进行报复。

▶ And that's that's the issue because in the old cold war, everybody understood the the vocabulary and the diplomacy of mutual assured destruction.

这就是问题所在，因为在旧冷战时期，每个人都理解相互确保毁灭的词汇和外交。

▶ Trump is not doesn't have much historical awareness.

特朗普没有太多历史意识。

▶ Uh he doesn't even seem to understand that he may be overstepping the mark in this balance of terror.

他甚至似乎不明白自己可能在这种恐怖平衡中越界了。

 00:09:24

▶ Um so he these are strategic weapons.

所以这些是战略武器。

▶ The tactical nuclear weapons can be used by say F-35s which could be used uh like Hiroshima type weapons and the only use could be against against the Russians.

战术核武器可以由F-35等飞机使用，类似于广岛型武器，唯一的使用对象可能是俄罗斯人。

▶ So at all levels there is an escalation.

所以在各个层面上都有升级。

▶ Now whether Trump is doing this to say to the Russians now is the time now is the time to negotiate but it could backfire.

现在特朗普这样做是否是为了告诉俄罗斯人现在是谈判的时候，但这可能会适得其反。
