▶ It's now starting to break out into public with MPs not just on the left of the party but more sort of centrist Labour MPs voicing real concerns about both the Prime Minister's judgement and also the strategy being deployed by number 10.

🔊 00:09:29

🔊 He also warned that Israel's aim in its war is to ensure that Gaza was no longer livable.

他同时警告，以色列的战争目标是确保加沙不再宜居。

🔊 Well, the Gulf Cooperation Council has called for the activation of the bloc's joint defense mechanism, but it hasn't provided additional details about what exactly that means.

🔊 Let's hear now from Katas Foreign Ministry spokesman.

现在请听卡塔尔外交部#发言人#表态。

🔊 There is statement from the GCC, condemnation, this strike, and the justification of Israel of doing that are unacceptable.

海合会发表声明谴责此次袭击，以色列的行径#正当性#令人无法接受。

🔊 00:10:00

🔊 And this was expressed by the talks of the leaders of the those countries, all the justification by Israel to do this aggression by relating the international law.

各国领导人会谈中明确表示，以色列援引国际法为侵略行为的所有辩解均不成立。

🔊 And it is not compatible with the international principle of the international community.

这与国际社会的普遍原则#不相容#。

🎧 And which steps to coordinate between the Arab and Muslim countries?

阿拉伯与穆斯林国家将采取哪些措施进行#协调#?

🎧 Let's be now to our correspondent who's in Doha, that's Nafi Say, Kulnavada, and Nafi Say.

现在连线本台驻多哈#记者#纳菲·赛——纳菲请讲。

 00:10:33

🎧 A pretty critical statement there calling it a flagrant violation of the sovereignty of Qatar.

这份声明措辞严厉，称其是对卡塔尔#主权#的#公然##侵犯#。

🎧 I wonder what happens next.

不知后续将如何发展。

🎧 What will those members of the GCC do?

海合会成员国将采取什么行动?

🎧 Ben, the resolution of the summit.

本，此次#峰会#决议内容。

🎧 So it didn't go much behind just condemnation and also showing solidarity with Qatar calling on more pressure on Israel to accept two states and also stop these sort of actions, which the resolution say will jeopardize any sort of normalization.

除谴责表态和声援卡塔尔外，决议主要呼吁向以色列施压要求其接受两国方案并停止此类行动——决议称这些行动将破坏任何正常化进程。

 00:11:13

🎧 But what was significant was the statement that came from GCC or the Gulf Cooperation which consists of the Arab countries around Persian Gulf.

但具有重要意义的是海合会（即波斯湾周边阿拉伯国家组成的海湾合作委员会）的声明。

▶ And they now say that they are going to create a command center to deter such what they call attack on the country's sovereignty in the region, the members of this GCC.

该组织宣布将建立指挥中心，以威慑其所谓的针对海合会成员国主权的袭击。

▶ And this is happening for the first time.

此举尚属首次。

 00:11:47

▶ We heard before this summit that some leaders like Iraqi leader and also Egypt are coming with much more ambitious suggestion regarding creating a regional NATO to deter such threat.

会前有消息称，伊拉克及埃及等国领导人曾提出更宏大的建议，欲建立区域性北约以威慑此类威胁。

▶ And this can be the first step.

当前举措可能是第一步。

▶ Although there are still questions that if they will be able to do it without any help from the U.S. because most of these countries are hosting U.S. troops and also they were relaying for years and years on U.S. military aid.

但质疑犹存：这些国家多数驻有美军且常年依赖美国军事援助，能否在不借助美国力量的情况下实现目标仍是未知数。

 00:12:26

▶ So there are still questions that they can if they can do it.

故其实际执行能力尚存疑问。

▶ But we are talking about creating such joint operations center is significant and interestingly that was something that Iran, Iranian officials were suggesting and saying that the condemnation will not be enough.

但建立联合行动中心本身意义重大——耐人寻味的是，伊朗官员此前曾建议称仅靠谴责不够，整个地区应建立联合行动中心以#威慑#以色列#侵略#。

▶ So the whole region should create a joint operations center to deter Israeli aggression.

这正是伊朗官员的主张。

bilibili 00:12:59

▶ But this is what Iranian officials were saying.

当然伊朗并非海合会成员。

▶ Of course Iran is not part of GCC.

但我认为此类声明至少现阶段对伊朗有利。

▶ But I think this kind of statement also is in favor of Iran at least for the moment.

好了，纳菲。

▶ Okay, enough is it.

感谢你从多哈为我们发回最新报道。

▶ For now, thank you.

谢谢。

▶ Good to have you there with the very latest for us live from Doha.

现在关注其他消息：美国国务卿马可·卢比奥将访问卡塔尔。

▶ Well elsewhere, the U.S. Secretary of State Marco Rubio will be traveling to Qatar.

在结束耶路撒冷之行后，他预计将表态支持卡塔尔#主权#。

bilibili 00:13:22

▶ He's expected to voice support for the country's sovereignty after his visit to Jerusalem.

而以色列总理本雅明·内塔尼亚胡早前拒绝排除进一步打击哈马斯的可能性，罔顾国际关切。

▶ While Israel's Prime Minister Benjamin Netanyahu had earlier refused to rule out further strikes on Hamas despite international concern.

他在会见美国国务卿马可·卢比奥后发表讲话——尽管卢比奥此前对以色列袭击另一个美国盟友表示不安，但此次他与内塔尼亚胡并肩而立，拒绝批评该行动。

🎵 He was speaking after meeting the U.S. Secretary of State Marco Rubio, who, despite previously voicing, disquieted over the Israeli assault on another U.S. ally, refused to criticize the action, master alongside Benjamin Netanyahu.

以下是美国国务卿关于该地区谈判和平前景的表态：

 00:13:47

🎵 This is what the U.S. Secretary of State said about the prospect of a negotiated peace in the region.

"我认为我们所有人——我不知有谁不希望看到通过谈判达成解决方案：哈马斯同意不再作为恐怖组织存在、放下武器，顺便释放人质。

🎵 Look, I think we would all, every single person, I don't know of anyone who would not rather see a negotiated settlement in which Hamas agrees to no longer be a terrorist group, lay down their arms, free the hostages by the way.

不仅是他们扣押的以色列人质，坦白说还有加沙民众——他们同样被扣作人质，被当作人肉盾牌。

🎵 Not just the hostages that they're holding from Israel, but frankly the people of Gaza that they're also hosting hostages, holding hostages as human shields.

这将是理想的#结局#。

 00:14:12

🎵 So that would be the ideal outcome.

这是我们所有人都希望看到的，也是正在努力的方向。

🎵 One we would all like to see, it's one that's been worked on.

但我认为必须认清现实：#野蛮#的恐怖分子通常不会同意此类条件。

🎵 But I think we have to be prepared for the fact that savage terrorists don't normally agree to things like that.

内塔尼亚胡先生，您称赞卢比奥的访问表明美以皇家#联盟#比以往更牢固。

▶ Well Mr. Netanyahu, you hailed Marco Rubio's visits as a sign that U.S. Royal Alliance has remained stronger than ever.

"美国没有比以色列更好的盟友。

bilibili 00:14:31

▶ America has no better ally than Israel.

显然以色列也没有比美国更好的盟友。

▶ It's obvious that Israel has no better ally than America.

你们一直是卓越的合作伙伴。

▶ You've been a remarkable partner.

这份非凡的#联盟#关系我认为历经岁月锤炼。

▶ You know, remarkable alliance, I think, has been forged for ages.

本台驻耶路撒冷#记者#是约翰·唐纳森。

▶ Well our correspondent in Jerusalem is John Donerson.

他表示卢比奥与内塔尼亚胡会晤后，美方语调有所转变。

▶ He told us it's a change of tone for the U.S. after Rubio's meeting with Netanyahu.

我们来听内塔尼亚胡先生的发言：

bilibili 00:14:57

▶ We'll listen to what Mr. Netanyahu had to say.

"从未有过比美国更强大的盟友"，对特朗普总统充满赞誉。

▶ Never had a stronger ally than the United States, full of praise for President Trump.

双方在中东政策上纵有分歧，公开场合也难以窥见。

▶ So if there are any differences on policy in the Middle East, it's hard to see them publicly.

此前有消息称特朗普先生对卡塔尔遇袭极为不满，上周与内塔尼亚胡总理通话时激烈交谈并予以谴责。

▶ Now there were talks of Mr. Trump being very unhappy with this strike on Qatar, having a heated conversation with Prime Minister Netanyahu on the phone last week, condemning it.

但今日卢比奥先生和内塔尼亚胡先生均未显露此意。

bilibili 00:15:22

▶ But today we didn't see that at all for Mr. Rubio or Mr. Netanyahu.

我认为以色列总理某种程度上会因今日多哈峰会的结果感到安心，因为目前仅止于言辞。

▶ And I think the Israeli Prime Minister will be reassured, if you like, in some way by what has come out of that summit in Qatar today, because they are just words at the moment.

阿拉伯国家本可采取实际行动。

▶ There are things that the Arab countries couldn't could do.

但目前他们并未行动。

▶ But at the moment, they're not taking those actions.

仅仅停留在谴责层面。

bilibili 00:15:46

▶ It's just words of condemnation.

约翰·唐纳森报道。

▶ John Donerson there.

现在连线国际政策中心执行副总裁马特·杜斯。

▶ Let's talk now to Matt Duss, who's the executive vice president for the center of international policy.

马特，欢迎参与节目。

▶ Matt, good to have you on the program.

您如何看待今日多哈传出的消息？

▶ And what do you make of what we heard out of Doha today?

显然局势错综复杂。

🎧 I mean, there's a lot going on quite clearly there.

我的意思是，那边显然发生了很多事情。

🎧 We saw the efforts by Marco Rubio and Benjamin Netanyahu.

我们看到了马可·卢比奥和本雅明·内塔尼亚胡的努力。

 00:16:03

🎧 But that direct condemnation from Arab leaders that were meeting, part of the GCC meeting in Doha.

但来自正在开会的阿拉伯领导人的直接谴责——他们是多哈海湾合作委员会会议的一部分。

🎧 Right.

没错。

🎧 I think it's just the latest kind of culmination in real concern that you've seen from some of these leaders over the direction of Israeli policy over Benjamin Netanyahu's intention to clearly continue to escalate this war, to behave in the region as a reckless actor.

我认为这只是这些领导人对以色列政策方向日益担忧的最新高潮——他们看到内塔尼亚胡明显意图继续升级这场战争，在该地区表现得像一个不计后果的演员。

 00:16:30

🎧 It is quite striking that after years of these leaders drawing closer to Israel because of their shared concern about the actions of Iran, they are now concerned about the actions of Israel.

非常引人注目的是，这些领导人多年来因共同担忧伊朗的行动而与以色列走近，如今他们却开始担忧以色列的行动。

🎧 So I think this development is quite striking.

所以我认为这一事态发展相当引人注目。

🎧 Yes, and either that meeting, of course, we've seen those calls, the condemnation, saying strongest possible terms of the Israeli attack, flagrant violation of the sovereignty of Qatar.

是的，在那次会议上，我们当然看到了那些呼吁和谴责，以最强烈的措辞谴责以色列的攻击，称其公然侵犯了卡塔尔的主权。

 00:16:55

▶ The GCC, then, calling to activate joint defense mechanism.

海湾合作委员会随后呼吁#启动#联合防御#机制#。

▶ What may they look like?

它们可能是什么样子？

▶ Well, it's hard to say because I mean, part of what has been effective, if we are talking about responding to Iran, has been support from the United States mainly, as well as cooperation from Israel.

嗯，这很难说，因为我的意思是，如果我们谈论的是应对伊朗，那么行之有效的部分主要来自美国的支持，以及以色列的合作。

▶ But I think we'll have to wait and see what the actual technical material developments are in terms of their coordination, which it's hard to see them being able to do much without U.S. support, but just a fact of this statement, I think, is quite important.

但我认为我们必须拭目以待，看他们在协调方面会有哪些实际的技术和物质进展——很难想象没有美国支持他们能有多大作为——但单就发表这一声明的事实而言，我认为就非常重要。

 00:17:31

▶ And, of course, coming at a time when the Secretary of State is meeting with Benjamin Netanyahu and despite some evidence and reports of concern from the Trump administration, essentially giving lockstep support.

当然，这一切发生在美国国务卿与本雅明·内塔尼亚胡会面之际，尽管有迹象和报道显示特朗普政府内部存在担忧，但基本上仍给予步调一致的支持。

▶ Marco Rubio, the Secretary of State, says he supports Qatar's sovereignty and yet refuses to criticize let alone condemn Israel for blatantly violating that sovereignty.

国务卿马可·卢比奥说他支持卡塔尔的主权，却拒绝批评，更不用说谴责以色列公然侵犯该主权的行为。

🎧 I don't even really know what that means.

我甚至不太明白那是什么意思。

 00:17:58

🎧 Yes, and the GCC issuing another statement.

是的，海湾合作委员会发表了另一份声明。

🎧 And we expect the United States to use that leverage and influence against Israel, essentially saying that the U.S. should reign in Israel.

我们期望美国利用这种#影响力#来制约以色列， essentially saying that the U.S. should #约束 # Israel. (Note: "reign in" was likely a misspoken/mistranscribed "rein in")

🎧 And yet, you touched on it there, the two men meeting.

然而，你刚才提到了，这两人正在会面。

 00:18:10

🎧 And quite a change in tone.

并且语气发生了相当大的变化。

🎧 It was criticism from the White House about that attack on Doha last week.

上周白宫还对袭击多哈的事件提出了批评。

🎧 And then, next to Mr. Netanyahu, not one mention.

然后，在内塔尼亚胡先生身边，却只字未提。

🎧 That's right.

确实如此。

🎧 And this is coming just a few days after the United States joined with other members of the UN to criticize the strikes.

而这发生在美国与其他联合国成员国一起批评这些空袭之后仅仅几天。

🎧 I think that surprised a lot of people.

我认为这让很多人感到惊讶。

 00:18:30

▶ But again, criticism is one thing.

但再次强调，批评是一回事。

▶ And as long as the United States remains unwilling to impose any real consequences for Netanyahu's actions, which, based on Rubio's press conference with Netanyahu today, it still remains completely unwilling to impose any consequences for Netanyahu's reckless escalations and refusal to seriously negotiate and enter this war.

只要美国仍然不愿意为内塔尼亚胡的行动施加任何实际后果——根据今天卢比奥与内塔尼亚胡的新闻发布会来看，美国仍然完全不愿意为内塔尼亚胡鲁莽的升级行为以及拒绝认真谈判并卷入这场战争施加任何后果——

▶ I'm afraid we're not going to see any change.

恐怕我们不会看到任何改变。

 00:18:56

▶ And I wonder where all of this leads, Qatar, because up until now, it has played quite a role in mediating between Israel and mediating a ceasefire in the Gaza Strip.

我想知道这一切将把卡引向何方，因为到目前为止，卡塔尔在以色列之间斡旋以及在加沙地带调解停火方面发挥了相当大的作用。

▶ I also talking about the release of hostages and those detainees.

我还指的是释放人质和被拘留者。

▶ They say they've also been intervening in the alleviation of suffering of those who need aid.

他们说他们也在介入缓解那些需要援助者的痛苦。

 00:19:15

▶ And I wonder what it means for Qatar's role in that process?

我想知道这对卡塔尔在这一过程中的角色意味着什么？

▶ Well, it's not just negotiations between Hamas and Israel to end the Gaza war, although that is very, very important.

嗯，这不仅仅是哈马斯和以色列之间结束加沙战争的谈判，尽管这非常非常重要。

▶ Qatar has also played a really important brokering role in a range of other conflicts around the world.

卡塔尔在世界范围内一系列其他冲突中也扮演了非常重要的调解人角色。

▶ This is a very important role that the Qatar government sees that it can play in the region and elsewhere as a credible broker.

这是卡塔尔政府认为它可以在该地区及其他地方扮演的一个非常重要的角色，即作为一个#可信的# #中间人#。

 00:19:41

▶ And so this strikes by Israel.

因此以色列的这次袭击——

▶ The decision to strike in Doha, in Qatar's capital wasn't just a strike against peaceful, you know, peaceful ending the war in Gaza and a ceasefire in Gaza.

决定在卡塔尔首都多哈发动袭击，不仅仅是对和平（你知道的）和平结束加沙战争和加沙停火的打击。

▶ It was an attempt to really undermine Qatar's larger peacemaking role.

这是一次试图真正#削弱#卡塔尔更大斡旋作用的行动。

▶ And I think that is extremely troubling.

我认为这极其令人不安。
