delegations calling on them, well indeed, we don't know the detail of what the new proposals might be and how they might attempt to bridge those key gaps that had been holding up the ceasefire negotiations before and indeed leading to their collapse.

🎤 We understand that the Prime Minister of Qatar met the US envoys Steve Witkov in Spain today to discuss the war, although we don't know what the content of those discussions were, but we're seeing really a sort of a renewed motivation and an renewed attempt to try and breathe new life into the ceasefire process to avert the possible catastrophic impact that the invasion of Gaza City could have.

我们了解到卡塔尔首相今天在西班牙会见了美国特使史蒂夫·惠特科夫讨论战争，虽然我们不知道讨论内容，但我们确实看到了一种新的动力和新的尝试，试图为停火进程注入新的活力，以避免入侵加沙城可能带来的灾难性影响。

▶ Right.

確實。

▶ So the more time that passes in your view, the better it is for Vladimir Putin, the more territory that Russia could gain.

那麼在您看來，時間拖得越久對普京越有利，俄羅斯可能獲得更多領土？

▶ Yes, absolutely.

正是如此。

▶ I do not really think that Putin is looking to end this war.

我認為普京並不想結束戰爭。

▶ I think he believes that he can still achieve some successes on the battlefield.

他相信仍能在戰場上取得進展。

▶ But I still think that it is very important for him for his image to meet with Trump personally.

但對他個人形象而言，與特朗普直接會晤非常重要。

bilibili 00:18:37

▶ And what Putin wanted was to exclude President Zelensky and Ukrainians out of these discussions.

普京意图将泽连斯基总统和乌克兰排除在讨论之外。

▶ And so far, I think he has achieved that.

目前看来他已得逞。

▶ And looking at the Russian media, it also proves that Russians are trying very hard to portray this meeting as the end of Russia's international isolation, which is a significant message for domestic public that may be still worried about these sanctions and the isolation that Russia has experienced.

俄罗斯媒体极力将会晤描绘成俄国际孤立状态的终结，这对仍担忧制裁和孤立的国内民众释放重要信号。

bilibili 00:19:04

▶ Do you see these talks as a delay tactic by President Putin, given that that deadline was Friday for Putin to agree something to the end of the war, potentially, with the President Zelensky?

鉴于周五是普京同意与泽连斯基总统结束战争的最后期限，您认为这是普京的拖延战术吗？

▶ Or do you think that at some point he may intend to agree to something?

还是说他最终可能同意某些条件？

▶ Well, I think we have seen President Trump going through quite a journey in the past few months, and he has become increasingly frustrated believing that Putin has played him.

过去数月特朗普态度几经转变，他愈发沮丧认为被普京戏弄。

bilibili 00:19:37

▶ So that's why I think Russians would be more cautious.

因此俄方会更谨慎。

🎧 I think Putin knows that he needs to at least create a facade that he's serious about these negotiations and offers something to Trump next week, and Trump has to claim that he still obtains the leverage through which he can deliver one of his biggest campaign promises, which is ending the war in Ukraine.

普京明白至少需假装认真谈判，并向特朗普提供某些条件；而特朗普需宣称仍掌握实现结束乌战这一竞选承诺的筹码。

🎧 So in that sense, I think if Putin can again some time and at the same time create a perception that he's willing to accept some deal, this would be the best case scenario for Russians.

因此若普京能争取时间同时营造愿接受协议的印象，对俄方最有利。

 00:20:14

🎧 I wanted to get your thoughts finally on the format of this meeting and how that might compare to what we saw in Helsinki in 2018 between the two men.

最后请谈谈本次会晤形式与2018年赫尔辛基会晤的异同。

🎧 Yes, I think the most significant factor for Putin is that this is a face-to-face meeting with an American leader.

对普京而言最关键的是能与美国领导人面对面会晤。

🎧 And he wanted, he was very clear that he was very reluctant to meet with President Zelensky until the deal would be in place, and this would leave Zelensky with no options to negotiate anything.

他明确表示不愿在协议达成前会见泽连斯基，这将使后者失去谈判空间。

 00:20:48

🎧 This would basically mean that Zelensky had to accept what was already agreed between the U.S. and Russia.

意味着泽连斯基只能接受美俄既定协议。

🎧 So I think this is first step in a way to meet with Trump and to have this face-to-face discussion.

因此与特朗普直接会谈是第一步。

⏮ And I think what we have learned from the Helsinki meeting is that when it comes to these two leaders meeting each other, also the developments have been evolving and we are in a much different situation right now.

从赫尔辛基会晤可知，二人会面时局势已大不相同。

 00:21:18

⏮ They tend to find some common ground and I think Putin has more leverage in this case because Trump believes that he has this personal relationship with Putin that he can use in his favor.

他们倾向于寻找共同点，而普京更具优势，因特朗普认为与普京的私人关系可资利用。

⏮ But at the same time, Russians are very skillful and particularly Putin in trying to sort of play these games and make Trump believe that he's actually, he will be able to get something out of this meeting.

但俄方尤其普京擅长操纵局面，让特朗普误以为能从中获益。

⏮ It is very unclear to me and I'm very skeptical about any sort of tangible outcomes emerging from this out of this meeting next week.

我对下周会议能否产生实质成果深表怀疑。

 00:21:56

⏮ Natia Siskuriya, thank you very much for speaking to us and apologies for the slight disturbance on the line.
