🎵 Well, I don't know if it was Putin's idea.

我不确定是否出自普京

🎵 00:15:44

🎵 I doubt that it was Putin's idea.

🎧 Well, I think what Stephen Rosenberg was saying is correct.

 00:17:16

🎧 I think all, I mean, it could, it still could be some sort of a mistake.

我的意思是，这确实仍有可能属于某种失误。

🎧 We don't know.

我们不得而知。

🎧 The fact that Russians do not denying it that much suggests that it's not a mistake.

俄罗斯方面并未强烈否认的事实，反而说明这并非失误。

🎧 It's a test of European resolve.

这是对欧洲决心的测试。

🎧 It's been, because Europe has a very, very militaristic rhetoric towards Russia.

因为欧洲对俄罗斯一直采用非常强硬的军事措辞。

🎧 Russia says we don't want war with you.

俄罗斯表示"我们不希望与你们开战"。

 00:17:36

虽不确定他们的具体想法，但这可能是他们发射此类无人机的逻辑。

▶ These are empty drones and military drones, potentially it could be, but so far they're empty drones shooting that into that territory.

这些可能是军用无人机或空载无人机，但目前发射到该领土的都是空载无人机。

▶ I think it's a little too daring, but at the same time, it seems to me that Vladimir Putin for the last, at least certainly last six months thinks he's winning this war, and so he can flex a little bit more of a muscle to give Europe a taste of what he thinks it may want to have with Russia.

这确实有些大胆，但与此同时，在我看来，至少过去半年间普京认为自己在战争中占据上风，因此可以稍加展示肌肉，让欧洲尝尝他认为对方可能想与俄罗斯交火的滋味。

bilibili 00:18:31

▶ Because it has led to NATO now defending the skies and borders of Poland.

这已经导致北约开始防卫波兰的天空与边境。
