🎧 But what the report is doing is laying out all these accusations that are again that all the accusations against Israel.

但该报告的作用在于系统梳理了所有对以色列的指控。

 00:02:51

🎧 And I think it points up as well, the stark division between essentially the Israelis and the Americans on one side and on the other, all those countries who look at what's going on in Gaza with absolute horror.

同时它凸显出根本性分歧——一边是以色列与美国，另一边是所有对加沙局势感到震惊的国家。

🎧 Now if you as well bring this together with the absolute criticism that's come from European countries, including Britain where I am, of the new offensive in Gaza and the upcoming recognition of a Palestinian state, I think what you see is this stark division between Israel and America on the one hand and European countries, many of which rallied around Israel after the 7th of October attacks and who now are basically run out of patience.

若结合欧洲国家（包括我所在的英国）对加沙新攻势及即将承认巴勒斯坦国的强烈批评，可以看到以色列和美国为一方、欧洲国家为另一方的鲜明对立——许多欧洲国家在10月7日袭击后曾支持以色列，如今已基本耗尽耐心。

▶ First of all, with this commission of inquiry, finding that Israel has committed four of the five criteria of genocide, what does that mean for the US?

首先，调查委员会认定以色列符合五项种族灭绝标准中的四项，这对美国意味着什么？

 00:07:54

▶ How should the US respond to that?

美国应如何回应？

▶ Well Katrina Leuke, here's how I think about this.

卡特里娜·卢克，我是这样看待的。

▶ Genocide is you and your correspondence mentioned has a specific very technical definition that's spelled out in international law.

正如您和您的#记者#所言，种族灭绝在国际法中有非常专业的具体定义。

▶ And I think that makes it hard for an individual, certainly a layman like me or like most others, watching from thousands of miles away to say with any degree of certainty this is or is not genocide.

我认为这使得个人——尤其是像我这样的外行或大多数其他人——在数千英里之外观望时，很难有把握地断言这是否构成种族灭绝。

▶ In my case, I liken it to someone asking me if they have strep throat.

就我而言，我将其#比作#有人问我他们是否患有链球菌性喉炎。

▶ They might have a cough.

他们可能咳嗽。

▶ They might have a fever.

他们可能发烧。

▶ They might have a sore throat, but far, far be it for me to render a specific diagnosis.

他们可能喉咙痛，但远轮不到我来#做出#具体#诊断#。

▶ But here's what I'll say.

但我要这么说。

▶ When experts act with independence impartiality and neutrality, I think it's important that we give their findings absolute due deference.

当专家以独立、公正和#中立#的方式行事时，我认为我们必须对其调查结果给予绝对的#尊重#。

▶ These individuals certainly are experts.

这些人无疑是专家。

▶ They've looked at the facts.

他们核查过事实。

▶ They know the law.

他们精通法律。

▶ I'm not in a position to contradict them just as we're not in a position to contradict the dozens of other experts that over the course of many months have leveled the same charge

of genocide at certain Israeli leaders.

我无权反驳他们，正如我们无法反驳其他数十位专家——他们在过去几个月里一直对某些以色列领导人提出同样的种族灭绝指控。

▶ I think certainly this will add to the international isolation that Israel has endured since October 7th, as you referred to as one of your correspondence alluded to, Israel had an opportunity after October 7th to have the world at its side, to rally the world, to take on those perpetrators who were responsible for the heinous assault and crimes of October 7th.

这无疑会加剧以色列自10月7日以来遭受的国际孤立——正如您提到的某位通讯员所言，以色列在10月7日后本有机会赢得世界支持、团结国际社会共同追究那些应对10月7日暴行负责的perpetrators。

bilibili 00:09:25

▶ Israel, unfortunately, has largely squandered that goodwill.

不幸的是，以色列基本上浪费了这种善意。

▶ And you're right that their partners and those standing by their side have dwindled.

您说得对，他们的合作伙伴和站在他们一边的人已经减少。

▶ It is the United States in a small handful of countries that remain today.

如今只剩下美国和其他#少数#几个国家。

▶ And on that point, what does it mean for the US, who is standing still so close to Israel and their becoming isolation as many of their other allies are increasingly harsh in their condemnation of Israel's actions?

那么这对美国意味着什么？当其他许多盟友对以色列行为的谴责日益严厉时，美国仍与以色列紧密站在一起，而以色列正日益孤立。

bilibili 00:09:51

▶ Well, I think you just have to look at Secretary Rubio's trip and it tells the full story.

只需看看鲁比奥国务卿的访问就能说明全部问题。

▶ He went to the Middle East with two very difficult and I would say uninvitable tasks.

他带着两项极其困难——甚至可说是无法完成的任务前往中东。

⏮ The first was to try to convince a prime minister that seems determined to continue to perpetrate this war, that reason for reasons that probably have more to do with his own narrow personal interests rather than Israel's national interests to pursue a negotiated ceasefire.

首先是试图说服一位似乎决心继续发动这场战争的总理——其动机可能更多关乎个人狭隘利益而非以色列国家利益——通过谈判实现停火。

🎵 00:10:21

⏮ And the second was to stand with the partner of the United States that has, I think, rightfully agreed by what another close partner, Israel, has done to it in recent days.

第二是支持美国这个合作伙伴——我认为它完全有理由对另一个亲密伙伴以色列近日对其所作所为感到愤怒。

⏮ It doesn't appear that he was successful when it comes to either.

这两方面他似乎都未能成功。

⏮ Let me unpack that just a little bit.

请允许我稍作解释。

⏮ It was only minutes after Secretary Rubio was wheels up from Israel that this operation in Gaza City started.

鲁比奥国务卿的专机刚从以色列起飞几分钟，加沙城的行动就开始了。

🎵 00:10:45

⏮ And I don't want to put it squarely at Secretary Rubio's feet because it was almost certainly reordained that this operation would be inevitable, not this Tuesday, not today, but a week ago Tuesday when Israel went out from us.

我不想完全归咎于鲁比奥国务卿，因为这场行动几乎注定不可避免——不是这个周二，也不是今天，而是一周前的周二当以色列脱离我们时就注定了。

⏮ Just to jump in there on that point because we saw a similar thing when Israel launched the attacks on the Hamas leaders in Qatar that the White House says it wasn't informed

either.

插一句——我们看到类似情况：以色列袭击卡塔尔的哈马斯领导人时，白宫也称未获事先通知。

▶ So the U.S. is standing squarely with Israel, but Israel doesn't necessarily seem to be respecting that partnership back.

美国坚定支持以色列，但以色列似乎未必尊重这种伙伴关系。

bilibili 00:11:18

▶ Well, there is a little bit of daylight.

嗯，确实存在一些#分歧#。

▶ I don't want to overstate just how much distance there is, but if you saw what happened at the United Nations in recent days, a pretty extraordinary statement emerged from the Security Council with the backing of all 15 permanent and rotating members of the Security Council that condemned the actions of the condemned, what happened in Qatar.

我不想夸大分歧程度，但如果您看到联合国近日动态：安理会发表了一份相当非凡的声明，获得15个常任和非常任理事国一致支持，谴责了卡塔尔事件中受谴责的行为。

▶ Now, the statement notably didn't say Israel, but the fact that the United States let the Security Council adopt this statement, didn't exercise its veto, I think says a lot.

声明 notably 未点名以色列，但美国允许安理会通过这份声明而未行使否决权，我认为很能说明问题。

bilibili 00:11:48

▶ The fact that you have the President of the United States saying he's not happy with what happened.

美国总统公开表示对事件不满。

▶ The Secretary of State saying that he too is not happy.

国务卿也表示不满。

▶ Now, again, I don't want to overstate things.

再次强调，我不想#夸大#事实。

▶ Secretary Rubio was with Prime Minister Netanyahu at the Wailing Wall together, really portraying and conveying a sense of solidarity with our Israeli partners, but there is a great deal of frustration over this tactical operation, but then strategically, the fact that this White House, despite their closeness with this Israeli government, wants to see this war come to an end.

鲁比奥国务卿曾与内塔尼亚胡总理共同现身哭墙，充分展现了对以色列伙伴的团结，但对此战术行动确实存在巨大挫败感——不过战略层面，本届白宫尽管与以色列政府关系密切，仍希望结束这场战争。

 00:12:21

▶ And by everything that we've seen, this Israeli Prime Minister does not want to see this war come to an end.

从所有迹象看，这位以色列总理不希望战争结束。

▶ He wants to see it continue for his own again.

他希望战争持续 again 是出于自身利益。

▶ Indeed, he has political and legal interests.

确实，他涉及政治和法律利益。

▶ He has said something along those lines himself.

他自己也说过类似的话。

▶ Ned Price, thank you very much for joining us here on BBC News.

内德·普赖斯，非常感谢您做客BBC新闻。

▶ Thanks very much.

非常感谢。

 00:12:40

▶ Well, speaking of President Trump, he has arrived at Winfield House, the official residence of the U.S. Ambassador to the UK, that's in London, for a historic second state visit to the UK.

说到特朗普总统，他已抵达位于伦敦的美国驻英大使官邸温菲尔德庄园，开始其对英国具有历史意义的第二次国事访问。

▶ These are the scenes just a short time ago at Stansted Airport, as President Trump arrived.

这是不久前特朗普总统抵达斯坦斯特德机场时的场景。

▶ He'll be welcomed on Wednesday by King Charles and Queen Camilla at Winsor Castle for a day filled with pomp and ceremony before participating in a state banquet.

周三他将在温莎城堡受到查尔斯国王和卡米拉王后欢迎，参加充满盛况和仪式的活动，之后出席国宴。

 00:13:10

▶ He'll also visit the Prime Minister before leaving the UK on Thursday evening.

他还将在周四晚间离开英国前会见首相。

▶ Well, let's go to Winsor now and speak to our North America editor Sarah Smith.

现在让我们连线温莎的北美编辑莎拉·史密斯。

▶ There are lots of pomp and pageantry ahead, but some very serious conversations to be held also.

接下来有很多盛况和庆典，但也要进行一些非常严肃的对话。

▶ Yes, that's right.

是的，没错。

▶ So firstly, there will be a lot of announcements about inward investment into the UK.

首先将宣布大量对英#内向#投资。

 00:13:33

▶ Tonight, Microsoft have announced that they are going to be investing \$30 billion over the next five years in high-tech infrastructure in the UK, and there may be more similar deals to follow.

今晚微软已宣布未来五年将在英国高科技基础设施领域投资300亿美元，后续可能还有更多类似协议。

▶ So there are commercial business interests to be discussed.

因此将讨论商业利益问题。

▶ There's also an unfinished trade deal, although it was announced and signed several months ago.

还有未完成的贸易协议——尽管数月前已宣布签署。

bilibili 00:13:51

▶ The U.S.-UK trade deals never quite been finalised, and there are some sticking points that the President and the Prime Minister might want to discuss, as well as obviously a lot of international global diplomacy, the conflict in Ukraine, the conflict in Gaza.

美英贸易协定始终未完全敲定，总统和首相可能想讨论一些症结点，当然还有大量国际外交事务——乌克兰冲突、加沙冲突。

▶ There is so much to talk about that it's going to be a packed political day on Thursday, but Donald Trump's most looking forward to what's going to happen tomorrow here at Windsor Castle, which is, as you say, the pageantry and the regal grandeur, but there is one thing looming over this visit, and that is the ghost of the late sex offender Jeffrey Epstein.

要讨论的内容如此之多，周四将是政治日程满满的一天——但特朗普最期待的是明天温莎城堡的活动，如您所说就是盛况和王室 grandeur，但此次访问笼罩着一个阴影：已故性犯罪者杰弗里·爱泼斯坦的幽灵。

▶ As you know, Donald Trump has political problems in the U.S. over Jeffrey Epstein tonight.

如您所知，特朗普在美国因杰弗里·爱泼斯坦面临政治问题。

bilibili 00:14:32

▶ Images, and I think you may be able to see them here.

一些影像——我想您可能看到——

▶ Images of Jeffrey Epstein, one of them alongside Donald Trump, have been projected onto the walls of Winsor Castle itself, making Epstein inescapable for the President, for the Prime Minister, Sir Keir Starmer, who has just sacked his ambassador to Washington over his connections with Jeffrey Epstein.

杰弗里·爱泼斯坦的影像（其中一张与特朗普并肩）被投射到温莎城堡墙壁上，使得总统、首相基尔·斯塔默爵士（他刚因与爱泼斯坦的关联罢免驻美大使）都无法回避爱泼斯坦。

▶ And of course, don't forget the King's Brothers Association, Prince Andrews Association, with Jeffrey Epstein, may he doesn't want to talk about him either.

当然别忘了国王的弟弟——与爱泼斯坦有关联的安德鲁王子——可能也不想谈论他。

 00:15:02

▶ Indeed, the story that President Trump just can't seem to outrun at this time, or North America editor Sarah Smith there in Winsor.

确实是特朗普总统此时似乎无法摆脱的故事——以上是温莎的北美编辑莎拉·史密斯。

▶ Thanks for that.

谢谢报道。

▶ Now let's speak to Matthias Matys.

现在请听马蒂亚斯·马蒂斯的想法。

▶ He's the senior fellow for Europe at the Center on Foreign Relations and he's a professor at the John Hopkins School of Advanced International Studies.

他是对外关系委员会欧洲高级研究员，也是约翰斯·霍普金斯大学高级国际研究学院教授。

 00:15:21

▶ Thanks for being with us here on BBC News.

感谢您做客BBC新闻。

▶ Just picking up on some of WASH, my colleague Sarah was saying there, there'll be a lot of happiness and joyful pageantry and pumped during this visit, some serious conversations, particularly on the issue of Ukraine and the Middle East.

接着我同事莎拉提到的，此次访问会有许多欢乐喜庆的盛况和仪式，也有严肃对话——尤其是关于乌克兰和中东问题。

▶ But if we look to Ukraine, first of all, what do you expect will happen there?

但首先看乌克兰，您预计会有什么进展？

bilibili 00:15:43

▶ Well, I think it's very clear that Keir Starmer will want to push his counterpart, the American President Donald Trump, on the fact that the latest incursion of drones in Poland wasn't an accident.

嗯，我认为很明显基尔·斯塔默会想向美国总统特朗普施压，说明最近无人机侵入波兰并非意外。

▶ And will one harder guarantees on the part of the U.S. that they really are on the Ukrainian side, they're preparing the Europeans.

并将寻求美国方面更坚定的保证——表明其真正站在乌克兰一边，正在为欧洲人做准备。

▶ Are preparing more sanctions.

正在准备更多的制裁措施。

bilibili 00:16:07

▶ And I think also the UK will want the U.S. more firmly involved in some of those sanctions and be more firmer on the side of the Ukrainians on this conflict.

而且我认为英国也会希望美国更坚定地参与部分制裁行动，在这场冲突中更坚定地站在乌克兰一方。

▶ Indeed, President Trump often talks about how some European countries are still buying oil and gas from Russia.

的确，特朗普总统经常提到一些欧洲国家仍在购买俄罗斯的石油和天然气。

▶ Do you think he'll put pressure or try to put pressure on Sir Keir Starmer to have the UK and EU member states themselves put tariffs on India and China around their purchases of Russian oil and gas?

您认为他会向基尔·斯塔默爵士施压，或试图施压让英国和欧盟成员国对印度和中国购买俄罗斯油气的行为征收关税吗？

 00:16:40

▶ Yeah, so it's very clear that the Europeans and the Americans are on different planets right now when it comes to how to put more pressure on Russia.

是的，很明显在如何对俄罗斯施加更大压力的问题上，欧美双方目前存在根本分歧。

▶ It's very clear that the U.S. administration, Donald Trump, prefers the tariffs route, secondary tariffs on India and China, which are non-starters for the Europeans.

很明显特朗普领导的美国政府倾向于关税手段——对印度和中国征收次级关税，而这在欧洲人看来是完全不可行的。

▶ The EU is trying to do a trade deal with India by the end of the year.

欧盟正试图在年底前与印度达成贸易协议。

 00:17:06

▶ The UK wants very close ties with India and for both both EU and UK, China remains a very important market.

英国希望与印度建立紧密联系，且对中国而言，欧盟和英国都是非常重要的市场。

▶ What the Europeans and the EU as well as the UK want the U.S. to do is join them into much tougher sanctions.

欧洲国家、欧盟以及英国希望美国加入更严厉的制裁行动。

▶ So direct sanctions on the shadow fleet, directly punishing the enablers of buyers of Russian oil.

即直接制裁影子#船队#，惩罚俄罗斯石油买家的协助者。

 00:17:28

▶ But what also I think Keir Starmer will encourage Donald Trump to do is to be tougher on those two European countries, Hungary and Slovakia, that are still main purchasers of Russian oil and gas.

但我认为基尔·斯塔默还会鼓励特朗普对匈牙利和斯洛伐克这两个仍在大量购买俄罗斯油气的欧洲国家采取更强硬态度。

▶ And in that sense, Trump's pressure would be very helpful because of course the leaders of those two countries, Viktor Orbán and Robert Fizzò are also big Trump supporters.

在这方面特朗普的压力会很有帮助，因为这两国领导人维克托·欧尔班和罗伯特·菲佐都是特朗普的坚定支持者。

▶ So it puts Trump in an awkward position, but pressure from the Americans would be very helpful for the rest of Europe.

这会让特朗普处境尴尬，但美国的压力对欧洲其他国家将非常有利。

 00:17:59

▶ And the other big thing, of course, is getting that trade deal between the U.S and the UK over the line, particularly as it relates to steel.

另一件大事当然是推动美英贸易协定最终达成，尤其是在钢铁领域。

▶ Do you see progress happening there just briefly if you can?

您认为这方面能取得进展吗？请简要谈谈。

▶ Well, I think the UK side has already given up to come to a 0% tariff on steel and aluminum during this visit.

我认为英方在此次访问期间已放弃实现钢铁和#铝#材零#关税#的目标。

▶ They want to consolidate the 25% tariff, which is still twice as good as the 50% tariff.

他们希望#巩固#25%的#关税#税率——这仍比50%的关税优惠一倍。

 00:18:25

▶ The rest of the world is getting on steel and aluminum.

世界其他地区对钢铁和#铝#材征收的关税更高。

▶ So that might well be spun at home and Kyrgyzstan is having tough political times right now as a loss for the UK.

因此这很可能被国内#渲染#为英国的失败，而吉尔吉斯斯坦目前正面临政治困境。

▶ That said, he might get a small victory when it comes to lower tariffs on Scottish whiskey, for example.

不过举例来说，他可能在降低苏格兰#威士忌#关税方面取得小规模胜利。

▶ So that remains to be seen.
