▶ Well, as you said, the IDF, the Israeli Army spokesman has been speaking tonight and he outlined the situation on the ground this evening.

嗯，正如你所说，以色列国防军、以色列陆军发言人今晚发表了讲话，他概述了今晚的地面情况。

 00:02:58

▶ He said that this new phase of the war had begun, that as you say, the outskirts of Gaza City were now being held by Israeli troops, that more troops would shortly be coming in, and that these were the preliminary actions, the preparations for this military takeover of Gaza

City, a place that has up to 1 million Gaza's living in it at the moment, one of three key areas that the Israeli military do not yet have full military occupation and control of.

他说战争的新阶段已经开始，正如你所说，加沙城的郊区现在已被以色列军队控制，更多部队很快就会进入，这些是初步行动，是为军事接管加沙城做准备，这个地方目前有高达100万加沙人居住，是以色列军方尚未完全军事占领和控制的三个关键地区之一。

🎧 And the start of what Benjamin Netanyahu suggested recently would be the military occupation of the entire Gaza Strip.

这也是本杰明·内塔尼亚胡最近暗示的军事占领整个加沙地带的开始。

🎧 So this is the start of a major operation that may be intended to pressure Hamas into making even greater demands in these ceasefire negotiations, may end up with the Israel's military occupation of the Gaza Strip.

所以这是一次重大行动的开始，可能旨在向哈马斯施压，迫使其在停火谈判中提出更高的要求，最终可能导致以色列对加沙地带的军事占领。

 00:03:56

🎧 Lucy, we also have this announcement that tens of thousands of reservists have been called up.

🎧 However, not for immediate service but to start in September.

然而，不是立即服役，而是从九月开始。

没错，已经发出了6万份新的预备役征召通知，另外还有2万名预备役人员的服役期被延长。

 00:04:18

▶ The Army spokesman also spoke about active duty soldiers being a big part of this new operation.

陆军发言人也谈到现役士兵是这次新行动的重要组成部分。

▶ And what has tended to happen in the past sometimes is that the active duty soldiers doing their national service form the backbone of major operations, but of course the reservists are needed to fill in behind them in the other areas that the IDF is active in.

过去有时发生的情况是，服兵役的现役士兵构成重大行动的骨干，但当然需要预备役人员在他们后方填补以色列国防军活跃的其他区域。

这确实影响了这里的公众情绪。

 00:04:46

上周末这里发生了大规模的抗议活动。

▶ And part of that is being driven by the fate of the Israeli hostages still being held in Gaza.

部分原因是仍被扣押在加沙的以色列人质的命运所驱动。

▶ But there is also a toll being taken on the country because of the number of reservists that Israel has needed to call up and keep calling up again and again for 22 months now.

但国家也付出了代价，因为以色列需要征召并持续反复征召预备役人员，至今已有22个月。

 00:05:17

▶ And the Blightenau also speak to Dr. Faroz Sidhuah, a trauma surgeon who's volunteered in Gaza with Med Global, which is a humanitarian organization providing medical services to

Gaza since 2018.

 00:05:37

▶ So we have the Israeli military saying it has entered the first stages of its planned assaults on Gaza City.

所以我们看到以色列军方表示已进入其计划中对加沙城攻击的第一阶段。

▶ What are the humanitarian consequences when you see an increase in hostilities in Gaza?

当你看到加沙敌对行动升级时，会产生哪些人道主义后果？

▶ Well, it's hard to know honestly because most of the hostilities have been directed at the civilian population anyway.

嗯，老实说很难知道，因为大多数敌对行动本来就是针对平民的。

 00:05:58

▶ Most of the military hardware is being directed at civilian infrastructure and civilians themselves.

大部分军事硬件都指向民用基础设施和平民本身。

▶ So it's I don't honestly know if it'll be any sort of qualitative difference but certainly a lot more people are going to die because there's going to be an increased increased level of attack.

所以我真的不知道是否会有任何质的不同，但肯定会有更多的人死亡，因为攻击的强度将会增加。

🎧 And from your time volunteering in Gaza, what sticks with you the most?

🎧 I mean, the UCs so many injured children.

我的意思是，看到那么多受伤的孩子。

🎧 And you know, Gaza, there are a lot of children in Gaza.

你知道，加沙，加沙有很多孩子。

🎧 There's no doubt about that but the majority of serious injuries, like I'm a trauma surgeon.

这一点毫无疑问，但大多数重伤，就像我是一名创伤外科医生。

🎧 So my main job is to stop people from bleeding to death.

我的主要工作是阻止人们失血过多而死。

bilibili 00:06:40

就像任何其他时候把他们关进集中营会影响他们的健康一样。

这就是为什么加沙的腹泻和呼吸道感染率上升了几个数量级。

▶ And that combined with the severe malnutrition because the US and Israel are starving Gaza.

再加上严重的营养不良，因为美国和以色列正在让加沙挨饿。

bilibili 00:08:07

▶ It just means that there's a huge burden of unmet medical need which is being deliberately imposed on a population that's half kids.

这只是意味着存在巨大的未满足的医疗需求负担，这是被故意强加在一个一半是儿童的人口身上。

▶ Now this weekend I want to ask you about something that's happened in the United States because the State Department here has halted visitor visas for gossips and that

includes also a small number of medical humanitarian visas for children who were coming from Gaza to the United States to get medical attention.

这个周末我想问你一件发生在美国的事情，因为这里的国务院已经暂停了发给加沙人的访问签证，这也包括少量为从加沙来美国就医的儿童提供的医疗人道主义签证。

▶ What is your view on that pause on visas?

你对暂停这些签证有何看法？

bilibili 00:08:41

 00:09:24

🎧 I don't even know what to say about it.

我甚至不知道该说什么。

🎧 I mean just to be clear this is an Israeli military operation including Israeli planes but it sounds like you have a very clear message for the US government.

我的意思是要明确一点，这是一次以色列的军事行动，包括以色列飞机，但听起来你对美国政府有一个非常明确的信息。

🎧 I don't think they do.

我认为他们没有。

🎧 Or Israel.

或者以色列。

🎧 What would your message be to President Trump as he deals with Prime Minister Benjamin Netanyahu and his government?

在你看来，特朗普总统在处理与总理本杰明·内塔尼亚胡及其政府的关系时，你应该向他传达什么信息？

 00:09:45

▶ The same as my message to all Americans Americans don't want us, we don't want the United States supporting the slaughter of children in the destruction of an entire society for no reason so we should just stop doing that.

和我给所有美国人的信息一样：美国人不想让我们，我们不想让美国无缘无故地支持屠杀儿童、摧毁整个社会，所以我们应该停止这样做。

另外，波兰国防部长指责俄罗斯挑衅北约国家，此前一架俄罗斯军用无人机在该国东部的一片田野中爆炸。

▶ The state news agency reported that the military drone was probably a decoy and not armed with a warhead.

国家通讯社报道称，该军用无人机可能是一个诱饵，并未配备弹头。

▶ And if it's speaking with our Russia editor, Vitaly Shepchenko, for more on this issue.

关于这个问题，接下来请听我们与本台俄罗斯编辑维塔利·舍普琴科的对话。

 00:13:09

▶ And Vitaly, what about what Poland's Defense Minister says was a drone that crashed and exploded in a cornfield in eastern Poland?

维塔利，关于波兰国防部长所说的，一架无人机在波兰东部的一片玉米地里坠毁并爆炸一事，你怎么看？

▶ I mean, this must really have nerves on edge in Europe, right?

我的意思是，这肯定让欧洲的神经非常紧张，对吧？

▶ It really tests the Poland's ability to defend itself and NATO's determination to defend itself.

这确实考验了波兰的自卫能力以及北约自卫的决心。

▶ It's not the first such instance drones have fallen in other NATO member states, Romania, for example.

这不是第一次发生此类事件，无人机曾坠落在其他北约成员国，例如罗马尼亚。

bilibili 00:13:36

▶ And the big question now is what exactly is NATO prepared to do about this?

现在最大的问题是，北约到底准备对此做些什么？

▶ And also in terms of security guarantees for Ukraine, when Russia says that it rejects the very idea of deploying NATO troops to Ukraine, it insists on being involved in discussing Ukraine's security, despite continuing to attack Ukraine.

同样在乌克兰的安全保障问题上，俄罗斯声称拒绝任何向乌克兰部署北约部队的想法，并坚持要参与讨论乌克兰的安全问题，尽管它仍在持续攻击乌克兰。

▶ The question is, will NATO be able to explicitly and openly go against Russia's demands, or does Russia effectively have a veto of what NATO decides?

问题是，北约能否明确公开地反对俄罗斯的要求，还是俄罗斯实际上对北约的决定拥有否决权？

bilibili 00:14:22

▶ On the ground in Ukraine, Russia's attacks show no signs of stopping.

在乌克兰战场上，俄罗斯的攻击没有显示出停止的迹象。

现在进入分析环节，我们非常高兴地欢迎理查德·哈斯，他是美国前特使、外交关系委员会名誉主席，也是Centerview Partners的高级顾问。

▶ Senior Councillor, welcome to BPC News.

高级顾问，欢迎来到BPC新闻。

▶ Thank you so much for taking the time to speak with us so far.

非常感谢您抽出时间与我们交谈。

▶ Not a lot of clarity has come out of that Alaska summit, and then Trump's summit with Zelensky and European leaders in Washington, D.C.

之前的阿拉斯加峰会，以及随后特朗普在华盛顿与泽连斯基和欧洲领导人的峰会，都没有带来太多明确的信息。

▶ It seems though, well, I'm curious to hear your thoughts whether you think not much clarity is better than the alternative that many feared that Trump and Putin would find a deal at the expense of Ukraine.

不过，似乎... 我很好奇想听听您的看法，您认为没有明确结果是否比许多人担心的另一种情况——即特朗普和普京达成一项牺牲乌克兰利益的交易——要好？

▶ Well, and you posed your question in a funny way.

嗯，你提问题的方式有点有趣。

▶ No deal is better than a bad deal, so I suppose not much clarity is better than unwelcome clarity.

没有协议总比糟糕的协议好，所以我认为没有明确结果比出现不受欢迎的明确结果要好。

▶ Look, there's still a concern that if at the end of the day, Ukraine box at whatever it is, the United States thinks is fair and reasonable, which might be tilting some more towards Russia, that Ukraine will pay a price for it in terms of, say, of what cutting off of U.S. arms or intelligence support.

你看，人们仍然担心，如果最终美国认为公平合理的方案（这可能更偏向俄罗斯）被强加给乌克兰，乌克兰将为此付出代价，比如说，被切断美国的武器或情报支持。

🎧 So I think there's still that concern.

所以我认为这种担忧依然存在。

🎧 But as you correctly said, there's this big question about the content and effectiveness of would be security assurances, big questions about U.S. support for Ukraine, big questions about what if anything the United States is prepared to do to pressure Russia.

但正如你正确指出的，关于未来安全保障的内容和有效性存在巨大疑问，关于美国对乌克兰的支持存在巨大疑问，关于美国准备采取什么行动（如果有的话）向俄罗斯施压也存在巨大疑问。

🎧 And I think also, as you heard from the German Chancellor on Monday, real questions about sequencing, whether you should have a ceasefire as a way station or whether as President Trump seems now to argue that you should try to go directly to a permanent quote-unquote piece.

我还认为，正如你周一从德国总理那里听到的，关于步骤顺序也存在切实的问题，是应该把停火作为一个中间站，还是像特朗普总统现在似乎主张的那样，试图直接达成一个所谓的“永久”和平。

🎧 Why do you think we saw that change from President Putin, excuse me, President Trump who went into his meeting with Putin, saying he was hoping to get a ceasefire before working out the details, but he now seems to have changed his tune there.

您认为我们为何会看到特朗普总统（抱歉）发生这种转变？他在与普京会面时曾说希望先达成停火再敲定细节，但现在他似乎改变了调子。

🎧 Well, a benign interpretation would be the President Putin gave him grounds for optimism that a fair, reasonable, durable piece could be reached.

嗯，一个善意的解释是，普京总统让他有理由乐观地认为，可以达成一个公平、合理、持久的和平。

🎧 The less than benign interpretation is this what Vladimir Putin wants, that's a to argue for peace for an inter-seicifiers, basically to argue for the continuation of the war, because negotiating a piece is likely to take a long time, given all the so-called final status issues that would have to be raised.

一个不那么善意的解释是，这是弗拉基米尔·普京想要的，即表面上主张和平，实质上是在主张继续战争，因为考虑到所有必须提出的所谓最终地位问题，谈判和平很可能需要很长时间。

 00:16:58

🎧 He may also be hoping that if he gets the United States to endorse a proposal that he likes, obviously, President Zelensky would say no, and therefore he might be hoping he could, this would open up a large breach between the United States and Ukraine.

他可能还希望，如果他能让美国赞同一项他喜欢的提议，（显然泽连斯基总统会拒绝），因此他可能希望这能在美国和乌克兰之间制造巨大的裂痕。

🎧 How do you overall see the potential of what has truly been a flurry of diplomatic efforts here?

您总体上如何看待最近这一连串真正密集的外交努力所蕴含的潜力？

🎧 Do you think things are pointing in a positive direction toward a lasting and just piece for Ukraine?

您认为事态是否正朝着为乌克兰实现持久公正和平的积极方向发展？

 00:17:27

🎧 I'm on the skeptical side of a lasting and just piece.

我对达成持久公正的和平持怀疑态度。

🎧 I think the chance for a ceasefire is a more realistic one, but I think the United States, again, would have to adjust its policy and pressure Russia to basically understand that this is something that it would be wise, however, reluctantly to accept.

我认为达成停火的可能性更现实一些，但我认为美国必须再次调整其政策并向俄罗斯施压，让其基本上明白，接受停火是明智之举，无论多么不情愿。

🎧 But the idea that Russia and Ukraine could reach a lasting and just agreement, it's hard to see how it comes from where we are, because a lot of what's being talked about, territorial transfers and the like, don't seem to meet any reasonable definition of the word just.

但认为俄罗斯和乌克兰能够达成持久公正的协议，很难想象从我们目前的处境如何实现，因为正在讨论的很多内容，比如领土转让之类的，似乎不符合“公正”这个词的任何合理定义。

 00:18:01

▶ Let's talk about those territorial concessions that are being considered, apparently, how risky would it be for Ukraine to cede parts of or all of the Donbass region?

我们显然来谈谈那些正在被考虑的领土让步，乌克兰割让部分或全部顿巴斯地区会有多危险？

▶ Well, there's the risk aspect of the idea that it could give Russia something of a bridge head from down the road for launching new operations.

嗯，风险在于这可能会给俄罗斯一个某种意义上的桥头堡，便于其未来发动新的行动。

▶ You got the people there.

那里还有人民。

 00:18:24

▶ I think it's more just politically that you don't want to necessarily say the least, agree to the idea that territory can be acquired by force.

我认为更多是在政治层面上，你至少绝对不想同意领土可以通过武力夺取这种观念。

▶ Why should Russia be rewarded for a war that it began?

为什么要奖励俄罗斯发动的这场战争？

▶ I think it would sound a terrible precedent for Ukraine, for Europe, also for China and Taiwan.

我认为这对乌克兰、对欧洲，乃至对中国和台湾问题都会开一个可怕的先例。

▶ We can't, you know, the policy of the United States and the West cannot be peace at any price.

我们不能，你知道，美国和西方的政策不能是不惜一切代价的和平。

 00:18:46

▶ It should be peace at a fair and reasonable price, but not at any price.

应该是以公平合理的代价实现和平，而不是不惜任何代价。

▶ And I would argue that that's likely to be too far.

我认为那（割让领土）可能代价太高了。

▶ And looking at the bigger picture, what do you think the most helpful thing the United States could do to help see an end, well, at least to see a ceasefire?

从更大的角度来看，您认为美国能做的最有帮助的事情来推动结束（战争），嗯，至少是推动停火？

▶ To persuade Vladimir Putin that time is not on his side, that he won't be able to overwhelm Ukraine.

说服弗拉基米尔·普京，时间并不站在他那边，他无法压垮乌克兰。

 00:19:09

▶ So, essentially, to extend an open-ended commitment of the United States, we will provide Ukraine the wherewithal it needs to defend itself so Russia cannot realize its ambitions.

所以，实质上，就是美国做出一个开放式的承诺，我们将向乌克兰提供其自卫所需的一切资源，这样俄罗斯就无法实现其野心。

▶ That's that's the stage for diplomacy, I think, for a ceasefire, maybe one day, even a just in lasting peace.

我认为，那才是为外交，为停火，也许有一天甚至是为公正持久的和平搭建舞台。

▶ Well, thank you so much for taking the time to speak with us today on BBC News.

好的，非常感谢您今天抽出时间在BBC新闻与我们交谈。

▶ Now, in the UK, conservatives have called on the government to house on military sites or barges more than a hundred asylum seekers who've been told to leave a hotel in Essex.

现在来看英国，保守党人呼吁政府将一百多名被要求离开埃塞克斯郡一家酒店的寻求庇护者安置在军事地点或驳船上。

▶ On Tuesday, the High Court granted a temporary injunction blocking the migrants from watching at the Bell Hotel in Epping, a number of local authorities have said they are considering taking similar action.

周二，高等法院批准了一项临时禁令，阻止移民入住埃平镇的贝尔酒店，一些地方当局表示他们正在考虑采取类似行动。

▶ Protests, counter-protests, communities under strain, tension on the streets.

抗议、反抗议、社区承受压力、街头紧张局势。

▶ Hotels, housing asylum seekers have become a local, legal and political battleground.

安置寻求庇护者的酒店已成为地方、法律和政治的战场。

▶ No-am also than the Bell Hotel in Epping, where a temporary high court ruling means the men inside will have to leave.

现在的情况不仅限于埃平的贝尔酒店，那里的一项高等法院临时裁决意味着里面的男子必须离开。

▶ The question now, how many other councils will follow Epping's lead?

现在的问题是，还有多少其他议会会效仿埃平的做法？

bilibili 00:20:25

▶ Tonight, the Conservative leader, Kemi Badenock, has written to all Tory-controlled councils encouraging them to take the same steps if, she says, their legal advice supports it.

今晚，保守党领袖凯米·巴德诺克已致信所有保守党控制的议会，鼓励他们在其法律建议支持的情况下采取同样的措施。

▶ One of those conservative councils that is planning to follow suit is nearby Brock's Bourne, where one of the 210 hotels housing asylum seekers sits.

计划效仿的保守党议会之一是附近的布罗克斯伯恩，那里有210家安置寻求庇护者的酒店之一。

▶ I think it's a load of nonsense that the council has taken the idea of going to the court about it.

我认为议会提出要为此事上法庭的想法完全是无稽之谈。

bilibili 00:20:52

▶ It depends on the type of asylum seekers, because some cultures are not really compatible, and that's what people think are getting really upset about.

这取决于寻求庇护者的类型，因为有些文化确实不太相容，而这正是人们感到非常不安的原因。

▶ And the leader of Brock's Bourne Council thinks it's worth a shot.

而布罗克斯伯恩议会的领导人认为值得一试。

▶ So we've written to the Home Office today asking that none of the residents from the Bell Hotel are based here.

所以我们今天已经写信给内政部，要求贝尔酒店的任何居民都不要被安置在这里。

我相信，这些抗议活动的规模现在可能会扩大。

▶ This could all be a big headache for the Home Office, if and it's a big if, other legal challenges are successful.

如果其他的法律挑战成功（这是一个很大的如果），这对内政部来说可能都是一个大麻烦。

▶ But the government will have to find accommodation for those people at the Bell Hotel, and ministers are hazy about where.

但政府必须为贝尔酒店的这些人找到住处，而部长们对安置地点含糊其辞。

▶ We're looking at contingency options for where those people can be accommodated.

我们正在研究可以安置这些人的应急方案。

▶ But we've never thought that hotels were a long-term, sustainable solution for accommodating asylum seekers.

但我们从不认为酒店是安置寻求庇护者的长期、可持续的解决方案。

▶ And that was the promised Labour made at the last general election, to end the use of asylum hotels by the end of this parliament.

这是工党在上次大选中承诺的，在本届议会任期结束前停止使用庇护酒店。

▶ The number of hotels has halved since their peak under the last government, and tonight Labour has said that Chemie-Badenock's letter to Tory councils is desperate hypocritical nonsense from, they say, the architects of the broken asylum system.

自上一届政府执政期间的峰值以来，酒店数量已经减少了一半，而今晚工党表示，凯米-巴德诺克（Chemie-Badenock，应为Kemi Badenoch）写给保守党议会的信是绝望的、虚伪的无稽之谈，他们称，她正是这个破碎的庇护体系的缔造者之一。

▶ The government has a legal duty to house asylum seekers who come to the UK, and ministers argue it's only by stemming the flow of small boat crossings and cutting the backlog of claims that the housing problems will be sorted.

政府有法律义务为来到英国的寻求庇护者提供住所，部长们认为，只有通过阻止小船偷渡的流动和减少积压的申请，住房问题才能得到解决。

▶ The Tories point to higher crossings than last year, and say ministers need a proper deterrent, and one party is urging more direct pressure on the use of hotels.

保守党指出今年的偷渡人数高于去年，并表示部长们需要适当的威慑手段，还有一个政党敦促对酒店的使用施加更直接的压力。

▶ If you have a hotel, a migrant hotel near you, and you are concerned about safety, go and make your voices heard, peacefully protest, I want to emphasise and underscore peacefully protest.

如果你附近有酒店，有移民酒店，并且你担心安全问题，就去发出你的声音，和平地抗议，我想强调并重申，和平地抗议。

▶ This is emotive, politically, pungent territory.

这是一个情绪化、政治敏感、刺激性强的领域。

▶ Ministers insist they're getting to grips with an asylum system they didn't design, but the potential fall out from the Epping case could certainly make the challenges harder to fix.

部长们坚称他们正在努力应对这个并非由他们设计的庇护体系，但埃平案件可能带来的后果肯定会使解决这些挑战变得更加困难。

▶ With the Federal Reserve preparing to set the tone for global monetary policy at its annual Jacksonhall summit, President Donald Trump has launched his most direct assault yet on the central bank's independence calling for the removal of Fed governor Lisa Cook following allegations of mortgage fraud.

在美联储准备于其年度杰克逊霍尔峰会上为全球货币政策定调之际，唐纳德·特朗普总统对中央银行的独立性发起了迄今为止最直接的攻击，他呼吁在抵押贷款欺诈指控之后罢免美联储理事丽莎·库克。

 00:23:40

▶ The accusations leveled by the head of the nation's top housing finance watchdog claim Cook simultaneously claimed two separate properties as her primary residence, a potential violation that could lead to her dismissal at the Fed.

该国最高住房金融监管机构的负责人提出的指控称，库克同时将两处独立的房产申报为其主要住所，这一潜在的违规行为可能导致她在美联储被免职。

▶ Now if Miss Cook is forced to resign, it would mark the second high-level vacancy on the Fed board in recent months, giving Donald Trump a rare opportunity to reshape the institution with loyalists pushing for looser monetary policy and tighter political alignment.

如果库克女士被迫辞职，这将是近几个月来美联储董事会出现的第二个高层空缺，给唐纳德·特朗普一个罕见的机会，用忠诚于他、推动更宽松货币政策和更紧密政治联盟的人来重塑该机构。

但随着新的动荡围绕着美联储的领导层，有关其独立性和可信度的问题可能会使鲍威尔先生提供的任何前瞻性指导都黯然失色。
