

Far-Right March in London Draws Massive Crowd Amid Violent Clashes

【【实时 | 生词双高亮】 BBC News 20250914 伊隆马斯克：英国必须马上解散议会重新选举 | 伦敦超10万名极右翼抗议者大游行】

Summary: BBC News: Over 100,000 far-right protesters gathered in London for the "Unite the Kingdom" march organized by activist Tommy Robinson. The rally, which featured speeches from figures like Steve Bannon and a surprise video appearance by Elon Musk, escalated into violent clashes with counter-protesters and police. Meanwhile, in the United States, a 22-year-old suspect is in custody for the shooting death of right-wing activist Charlie Kirk, whose widow vowed to continue his political work. In Gaza, Israeli forces intensified bombardment of Gaza City, claiming 250,000 residents have fled south, though international agencies dispute this figure.

#停火#后将实现永久 ceasefire 并向#文官#统治#过渡#。

▶ The plan suggests that no warring party should be part of that transition.

计划建议任何交战方不得参与#过渡#进程。

▶ The army says that while it welcomes efforts to end the war, it would not accept, quote, interventions that do not respect the sovereignty of the Sudanese state and its legitimate institutions, which are supported by the Sudanese people and its right to defend its people and its land.

苏丹军方称虽欢迎止战努力，但拒绝"不尊重苏丹国家主权及其合法机构——这些机构受人民支持并有权保卫人民与土地——的干预"。

▶ I'd like to welcome Holude Haier, a Sudanese political analyst, and so glad you could take the time to speak with us on BBC News.

欢迎苏丹政治分析师霍卢德·海尔，很高兴您能抽空接受BBC新闻采访。

▶ Does the government's response to this proposal suggest that there is any hope for bringing a ceasefire after more than two years of war?

政府对该提案的回应是否意味着两年多战争后存在停火希望？

▶ Well, the city's armed forces, which has a government-based in the port of Sudan, there are concrete two governments in Sudan, both of which are illegitimate.

嗯，以苏丹港为基地的政府武装部队——苏丹现存在两个具体政府，均缺乏合法性。

 00:08:02

▶ But that government in port of Sudan, and by the army, has really been pushing back against every single peace effort that has been put on the table for the past two and a half years.

但苏丹港的军方政府过去两年半确实抵制了所有和平努力。

▶ So it's not really a surprise to many observers that this would be its reaction.

因此观察人士对其反应并不意外。

🎧 What it's also doing alongside some of the Islamists that support the Sudanese armed forces is trying to create a constituency against this deal effectively.

除了与支持苏丹武装部队的一些伊斯兰主义者合作外，它还在试图有效建立一个反对这项协议的选民基础。

 00:08:22

🎧 So it has very little chance of succeeding.

因此它#成功#的机会非常渺茫。

🎧 The question here becomes to what extent can the four members of the Qatet, the US, Saudi Egypt and the UAE, put enough leverage on the table, not just on the Sudanese armed forces, but also on the rapid support forces to commit to as humanitarian ceasefire that is very badly needed.

问题在于四方集团（美国、沙特、埃及和阿联酋）能在多大程度上施加足够影响力，不仅针对苏丹武装部队，还包括快速支援部队，使其承诺实施当前亟需的人道主义停火。

🎧 What kind of leverage would they have available to them?

他们能使用什么样的#影响力#手段？

 00:08:45

🎧 Should they choose to pull those levers?

他们是否应该动用这些手段？

🎧 Well, they have this economic leverage.

他们确实拥有经济层面的#影响力#。

🎧 There are four members of the Qatet.

四方集团有四个成员。

🎧 Three of those members are to some lesser or greater degree actively involved in the fighting.

其中三个成员在不同程度上直接参与了冲突。

▶ The UAE has very credibly been accused of supporting the rapid support forces both politically as well as giving them weapons, various types of everything from drones to artillery, etc.

阿联酋被确凿指控支持快速支援部队，既提供政治支持，也输送各类武器——从无人机到火炮等各式装备。

bilibili 00:09:10

▶ Meanwhile, the Saudis and the Egyptians have also been supporting both through weapons and through financial aid, the Sudanese armed forces.

与此同时，沙特和埃及也通过武器和资金援助支持苏丹武装部队。

▶ So right now this agreement or this sort of roadmap, I should say, looks very much like it's curtailing the extent to which the domestic forces in Sudan, the SAF and the RSF are able to practice politics and play out this war, but not the extent to which the Arab allies at the United States that are part of this Quartet are able to continue fueling this war.

因此当前这份协议或路线图，看似在限制苏丹国内势力（苏丹武装部队和快速支援部队）操弄政治和延续战争的能力，却未约束作为四方成员的美国阿拉伯盟友继续煽风点火的行为。

▶ Please go ahead.

请继续。

bilibili 00:09:36

▶ And weapons as well.

还有武器输送问题。

▶ Now, on the face of it, I guess, suppose that goes toward answering my next question, which is on the face of it, do you think that this proposal from these four countries offers a framework that could be productive?

表面来看，这或许已回答了我的下一个问题：您认为四国提出的方案是否提供了可能富有成效的框架？

▶ Should they be able to bring everyone to the table for finding a lasting peace?

他们能否让各方坐到谈判桌前寻求#持久#和平？

▶ So there's a bit of a sequencing issue.

这里存在顺序问题。

bilibili 00:09:56

▶ You know, this plan says that it should be humanitarian.

该计划要求先实施三个月人道主义停火，

▶ C-SF for three months followed by a sort of a longer term C-SF for nine months after which a political process would be set up in Cairo.

随后进行九个月长期停火，最终在开罗启动政治进程。

▶ Typically in Sudan, we haven't been able to secure a ceasefire before a political agreement or a political process is started usually the other way around.

但在苏丹，我们通常无法在政治协议或进程启动前实现停火，往往顺序正好相反。

bilibili 00:10:15

▶ So that's an issue.

这就是问题所在。

▶ Cairo is also perhaps not the right place of political talks to bring in civilians when many civilians would be fearing for their safety in Cairo and the Egyptian authorities have historically always supported military role in Sudan.

开罗或许也非理想谈判地点——许多平民担心在开罗的安全，且埃及当局历来支持军方在苏丹扮演角色。

▶ There's also the issue of Saudi Arabia hosting another round of the Jeddah talks having had the D1 and the D2 in 2023 fail spectacularly partially because of the leverage issue, but also partially because the Jeddah talks weren't really about what was going on in Sudan.

沙特主持新一轮吉达谈判也存在问题：2023年两轮谈判惨败，部分因影响力不足，部分因吉达谈判未真正触及苏丹局势核心。

bilibili 00:10:45

▶ And this wrote my very much smacks of that.

当前方案颇有重蹈覆辙之嫌。

▶ This is a discussion about Sudan, a roadmap about Sudan without any Sudanese present of any shades and any sort of ideologies.

这是关于苏丹的讨论，关于苏丹的路线图，却没有任何不同立场和意识形态的苏丹人参与。

▶ And then this is going to present a real problem when it comes to implementation.

这在#实施#阶段将造成实质障碍。

▶ So this is a difficult question, but in your view, what would a useful proposal look like or what active steps could be taken toward trying to find an end to the conflict?

虽然这是个难题，但您认为有效的提案应包含哪些要素？可采取哪些积极步骤推动冲突终结？

 00:11:10

▶ I think there's a lot that's useful in this agreement.

我认为该协议有许多可取之处。

▶ For example, for the first time we have seen some level of congruence between Egypt which supports the SAF and the United Arab Emirates who supports the RSF coming to some agreement that neither the SAF nor the RSF should feature in any kind of post-war government.

例如首次看到支持苏丹武装部队的埃及与支持快速支援部队的阿联酋达成共识：战后政府不应包含这两派势力。

▶ That is something to build on.

这是可延续的基础。

 00:11:28

▶ They've also agreed to distance the to agree to distance as much as possible the Muslim Brotherhood from ruling Sudan.

他们还同意尽可能阻止穆斯林兄弟会#统治#苏丹。

▶ That is something that a large proportion of the Sudanese people agree with because they led a revolution against the Muslim Brotherhood in 2018 and 2019.

这点获得多数苏丹民众认同，因为他们曾在2018和2019年发起反抗穆斯林兄弟会的革命。

▶ So there's something there to build upon.

因此存在可延续的基础。

▶ The question is what does an implementation mechanism now look like unless that is well articulated with very deep consultation with a variety of Sudanese parties, we're not going to be able to figure out what the nuts and bolts of this look like.

关键在于实施机制——除非与苏丹各派进行深入磋商并明确机制，否则我们无法理清具体操作细节。

 00:11:58

▶ Right now it seems like the beginnings of a nice to have, but frankly just getting the Arab allies of the United States on one page on this is not going to do anything unless you figure out the discussion is going on at the national level and more crucially at the local level where a lot of the conflict drivers that we're seeing are still very much entrenched and driving a lot of the conflict and the fighting that we're seeing just even up to today in places like Kurdufan and El Fashir.

目前这仅是美好愿景的开端。但坦白说，若不能在国家层面尤其是地方层面推进讨论（许多冲突根源仍深植地方并持续引发交战，例如科尔多凡和法希尔地区至今的战事），仅让美国阿拉伯盟友达成一致并无实质意义。

▶ Speaking of El Fashir, just before I let you go, I would love if you could just remind us of what the consequences of this are for people on the ground.

谈到法希尔，在结束前请简述当地民众的处境。

▶ civilians continuing to suffer and we've heard these reports of Sudanese paramilitaries having killed more civilians today.

平民持续遭受苦难，今日还有苏丹准军事组织杀害更多平民的报道。

 00:12:39

▶ Well, you know, very much away from the world's attention.

要知道，这一切远离世界关注。

▶ Sudan is the world's largest humanitarian hunger, displacement and protection crisis all rolled into one and nothing exactly encapsulates that more than in fashion, where there has been a siege by the rapid support forces for over a year and there been many attempts by the international community, including the New Security Council resolutions that have actually fallen flat because they just hadn't been the requisite attention at the diplomat and there were many attempts by staff people are being killed, people are being stopped from leaving El Fashir fleeing into slightly safer areas.

苏丹正经历全球最严重的人道主义饥荒、流离失所和保护危机，而法希尔地区最为典型——快速支援部队围困该地逾一年，国际社会多次尝试干预（包括联合国安理会决议），却因外交层面缺乏必要关注而失败。工作人员多次努力却收效甚微：民众持续遇害，试图逃离法希尔前往相对安全地区的人们被阻截。

▶ There are reports that people fleeing El Fashir are being killed, being extorted to some of whom have even had, importantly, their blood drained in order to service the needs of injured RSF soldiers.

有报道称逃离法希尔的民众遭杀害、勒索，更骇人的是，部分人被抽血用于救治受伤的快速支援部队士兵。

bilibili 00:13:27

▶ We're hearing very gruesome stories coming out of El Fashir very much away from the world's attention and very much away from the world's willingness to act.

我们听闻法希尔传出的恐怖故事，这一切既远离世界关注，也远离国际社会的行动意愿。

▶ You have these two sets of figures.

目前有两组数据。

bilibili 00:14:23

▶ On the one hand, the Israeli army saying that it's efforts to get people to leave Gaza City are working and that a quarter of a million people out of an estimated one million have now left and gone south following repeated urgent warnings by the Israeli military.

一方是以色列军方称其撤离行动见效，在反复紧急警告后，预计100万人口中已有25万人南迁。

▶ And then these other figures which come from international agencies suggesting that the figure might be rather smaller.

另一方是国际机构数据表明实际人数可能少得多。

▶ We don't really know the truth of this.

我们难以核实真相。

 00:14:50

▶ What we have seen in the last few days is a very steady stream of people moving south along the coast road following those repeated Israeli warnings.

他还敦促他们考虑对中国实施制裁，他认为这将有助于打破北京对莫斯科的控制，从而可能帮助结束这场战争。

🎧 In that post, he also appears to be berating fellow NATO members, where he says that they must agree to his terms else they're only ending up wasting his time and America's money.

在那篇帖文中，他似乎还在斥责北约盟友，称他们必须同意他的条件，否则就是在浪费他的时间和美国的金钱。

🎧 Now, initially, he'd threatened sanctions and threatened to take very serious measures against Russia, but now he appears to be putting the onus on others.

最初他威胁要制裁并采取严厉措施对付俄罗斯，但现在他似乎把责任推给了别人。

⏮ Now, what is also important is that over the past couple of months, Donald Trump has grown increasingly frustrated and impatience at his inability to end this war, which at one point of time during his presidential campaign, he had said he would be able to do when he became president.

同样重要的是，过去几个月里，特朗普对自己无法结束这场战争越来越感到沮丧和不耐烦——他在总统竞选期间曾声称上任后就能做到这一点。

⏮ Now, all of this is also important to see in the context of last month's summit in Alaska, where President Trump hosted President Vladimir Putin, and he said at the end of it that great progress had been made.

所有这些还需要结合上月阿拉斯加峰会来看——特朗普总统在那里接待了普京总统，并在会后称取得了重大进展。

⏮ But here we are, a month on, at any visible signs of progress appear to be diminishing, and any possible prospects of a cease fire or even an end to the war appear to be a distant reality.

但一个月后的现在，所有可见的进展迹象都在消退，任何停火甚至结束战争的可能性都显得遥不可及。

⏮ And from what I spoke earlier to Melinda Herring, a non-resident senior fellow at the Atlantic Council's Eurasia Center.

根据我早先与#大西洋#理事会欧亚中心非常驻高级研究员梅琳达·赫林的对话。

⏮ What do you make of Donald Trump's post here?

您如何看待特朗普的这篇帖文？

⏮ Is it a good gambit to try to demand a joint effort to cut off the source of financing for Russia's war on Ukraine?

要求联合切断俄罗斯对乌战争资金来源是一种好的#策略#吗？

⏮ Not going to happen.

这不可能实现。

▶ So, Trump is kicking the can down the road.

所以特朗普是在拖延时间。

bilibili 00:19:04

▶ He really doesn't want to impose sanctions on Russia.

他根本不想制裁俄罗斯。

▶ He's been hesitant to do this.

他一直对此#犹豫不决#。

▶ We've seen legislation in a Congress that has tremendous support.

我们看到国会有一项获得#巨大#支持的立法。

▶ This is Lindsey Graham's bill, and they can't move it because President Trump doesn't want it to move.

这是林赛·格雷厄姆提出的法案，但由于特朗普总统不愿推动，该法案无法取得进展。

▶ So there's hesitation there from the White House.

可见白宫方面存在犹豫。

▶ Now, as you say, it's not the first time that President Trump has set a deadline threatening sanctions that day has then come and gone.

如你所说，这已不是特朗普总统第一次设定制裁最后期限却任其过期。

bilibili 00:19:29

▶ What do you think is behind his hesitation to sign off on possible legislation from lawmakers, including his fellow Republicans?

你认为他为何不愿签署包括共和党同僚在内的立法者提出的可能法案？

▶ So, Trump doesn't want to sanction Russia, and he doesn't want to limit his options.

因为特朗普不想#制裁#俄罗斯，也不想限制自己的选择余地。

▶ So he thinks that this sanctions are a spectrum, and there's a number of sanctions that are already in place on Russia.

他认为制裁是一个#光谱带#，而且美国已对俄罗斯实施多项制裁。

bilibili 00:19:50

▶ The U.S. is not doing a very good job of enforcing the current sanctions.

美国在执行现有制裁方面做得并不好。

▶ So that's one option that he does have.

这是他确实拥有的一个选项。

▶ He could tell his administration.

他可以命令他的政府——

▶ He could call the Treasury Department and say, guys turn up the pressure.

可以致电财政部要求加大施压力度。

▶ Infors the existing sanctions.

强制执行现有制裁。

▶ That'd be wonderful if he did that tomorrow, Claire.

克莱尔，如果他明天就这么做就太好了。

▶ But he's really hesitant to put these really serious sanctions in place on Russia, because it's sort of the end of the options that he has when it comes to squeezing Russia economically.

但他对实施这些真正严厉的对俄制裁十分犹豫，因为这几乎等于用尽了在经济上挤压俄罗斯的所有手段。

bilibili 00:20:17

▶ I mean, it sounds like he's increasingly frustrated with the Russian strikes on Ukraine, even after his meeting with Putin in Alaska.

听起来即便在阿拉斯加与普京会晤后，他对俄罗斯袭击乌克兰也越来越沮丧。

▶ Do you think he would reach a breaking point where he feels like Putin is taking advantage of the situation, or will he stick to this?

你认为他会达到临界点，觉得普京在利用局势，还是继续坚持现状？

▶ What seems to be his strategy of really wanting to have both Zelensky and Putin in a room with no preconditions?

他让泽连斯基和普京无条件直接对话的策略究竟是什么？

bilibili 00:20:41

▶ Claire, that's the big question.

克莱尔，这正是关键问题。

▶ So Trump has said multiple times, he's completely frustrated with these ongoing discussions.

特朗普多次表示对这场#持续#的讨论完全失望。

▶ And we haven't seen anything real happen since that Alaska summit when he said something major happened.

自他称取得重大突破的阿拉斯加#峰会#以来，我们未见任何实质进展。

▶ And again, there was nothing there.

事实上依然毫无成果。

▶ I just got back from Kiev.

我刚从基辅回来。

▶ I was in Kiev in Odessa, and I spent some time with Trump's spiritual advisor, Pastor Mark Burns.

我在基辅和敖德萨与特朗普的精神顾问马克·伯恩斯牧师相处了一段时间。

bilibili 00:21:05

▶ And he got on stage at the National Prayer Breakfast in Kiev, and he said that President Trump is frustrated and that he's going to be turning up the pressure on Moscow.

他在基辅全国祈祷早餐会上台发言，称特朗普总统感到沮丧，将加大对莫斯科的压力。

▶ That was two weeks ago.

那是两周前的事。

▶ We still haven't seen anything.

我们仍未看到任何行动。

▶ So, you know, there's hesitation.

所以确实存在犹豫。

▶ I know that the White House is looking at various options, but sanctions are not the only way to put pressure on the Russians.

我知道白宫正在研究各种方案，但制裁并非向俄罗斯施压的唯一方式。

bilibili 00:21:27

▶ Donald Trump needs to put more military pressure on the Russians to bring them to the negotiating table.

特朗普需要施加更多军事压力才能迫使俄罗斯回到谈判桌。

▶ And he's not doing a very good job there.

他在这方面做得并不好。

▶ We saw this week that Russia sent more than 19 drones into NATO airspace.

本周我们看到俄罗斯向北约领空派遣了超过19架无人机。

▶ And Donald Trump kind of shrugged his shoulders.

而特朗普只是耸了耸肩。

▶ Fortunately, his ambassador, the U.S. ambassador at the U.N. this week said, we support Poland, we support NATO, and we will support NATO airspace.

#所幸#本周他的联合国#大使#表示：我们支持波兰，支持北约，也将捍卫北约领空。

bilibili 00:21:54

▶ So, that was a bit of a relief.

这让人稍感宽慰。

▶ But look, if you want to be serious and you want to force the Russians to end the war, turn up the military pressure already.

但若真想认真迫使俄罗斯结束战争，就该立即加强军事压力。

▶ This is not that hard.

这并不困难。

▶ Past Lindsey Graham's bill that's been pending in the Senate for some time now.

林赛·格雷厄姆的法案已在参议院#搁置#多时。

▶ Trump has long said that he wants Europe to shoulder more of that burden in terms of paying for its own defense and also for the defensive NATO.

特朗普长期主张欧洲应承担更多自身防务及北约防御的开支。

 00:22:16

▶ NATO on Friday said it would beef up its defense of Europe's eastern flank with this new operation eastern century.

北约周五表示将通过新行动"东部世纪"加强欧洲东#翼#的防御。

▶ Just briefly, do you think it's likely that the U.S. will be contributing significant support to that?

简要来说，您认为美国是否会为此提供重大支持？

▶ Claire, so far, the U.S. has not said that they would give funds to this new mission.

克莱尔，目前美国尚未表态会资助这项新任务。

▶ The French, the Brits, and the Danes are involved in it, and the British government is expected to also give.

法国、英国和丹麦参与了该行动，预计英国政府也会出资。

 00:22:41

▶ But this move comes with some troubling news.

但此举伴随着令人不安的消息。

▶ So, about 10 days ago, the U.S. said that it would withdraw some of its support for beefing up missions along the Baltic States, Estonia, Latvia, Lithuania.

约十天前美国宣布将削减对波罗的海国家（爱沙尼亚、拉脱维亚、立陶宛）沿线任务的支援。

▶ So, that's really troubling.

这确实令人担忧。

▶ Russia is testing.

俄罗斯正在试探。

▶ Russia flew more than a dozen drones into NATO airspace.

俄罗斯向北约领空派遣了十余架无人机。

▶ And let me remind your listeners that what that means is if Russia enters NATO airspace, it means that the 32 NATO members are going to have a meeting to decide what to do.

请提醒听众：这意味着若俄罗斯进入北约领空，32个北约成员国将召开会议决定应对措施。

 00:23:15

▶ Article 5 talks about collective defense.

第五条涉及#集体#防御。

▶ It doesn't mean that if a NATO member is attacked, that there's automatically a response, but they will likely sit down and have a meeting to decide that response.

这并不代表北约成员国受袭会自动触发反击，但各国很可能会坐下来商议应对方案。

▶ This is a really big deal.

此事关系重大。

▶ The Polish government put it well.

波兰政府说得很明白：

▶ The Polish government said, we haven't been this close to World War III in the last three and a half years than we were this last week.

"过去三年半里，我们从未像上周那样接近第三次世界大战"。

 00:23:37

▶ And they're also testing in Romania as well.

罗马尼亚同样遭到试探。

▶ The situation is dangerous.

局势十分危险。

▶ Moscow is testing.

莫斯科在试探。

▶ And Donald Trump is saying it could have been a mistake.

而特朗普却说这可能是个失误。

▶ I find that deeply troubling.

我认为这极其令人不安。
