▶ And they'll be there in the middle of the night, and the weather will come dry and clear in most places.

它们会在午夜时分出现，随后大部分地区的天气将变得干燥和晴朗。

▶ Still going to be quite warm and quite muggy out there as well.

天气仍然会相当温暖和潮湿。

 00:31:23

▶ Minimum temperatures at the end of the night, 14 to 16 Celsius, and it will heat up very quickly tomorrow.

夜间最低气温为14至16摄氏度，明天气温将迅速回升。

▶ In the sunshine, but in Scotland, there's a northly breeze, and that's going to bring in more cloud.

阳光明媚，但在苏格兰，北风会带来更多云层。

▶ Maybe a little drizzle in the north as well.

北部可能还会有一点毛毛雨。

▶ We're not threatening some of these at North Sea case, but on the whole sunny skies for England and Wales.

我们不会威胁北海的一些情况，但总体上英格兰和威尔士将是晴天。

 00:31:40

▶ And the heat in the south is continuing to build.

南部的热量将继续积聚。

▶ So getting up to 29, 30 degrees in southern England, south these Wales and the south midlands.

因此，英格兰南部、南威尔士和南米德兰兹的气温将达到29至30度。

▶ But over the weekend, we'll see some changes because the sunny and very warm weather is going to be more towards the western side.

但在周末，我们会看到一些变化，因为晴朗和非常温暖的天气将更多地出现在西部。

▶ They'll be more cloud coming in off the North Sea in the east, and it's not going to be as humid either.

▶ Still some sunshine now and again, but the sunnier skies, the blue skies are going to be further west.

仍然偶尔会有阳光，但更晴朗的蓝天将出现在更西边。

▶ That's where we'll see the highest temperatures, 27, 28, maybe 29 degrees, Wales towards the west country, but quite a bit cooler around some North Sea coast.

那里将出现最高气温，27、28甚至29度，威尔士和西部地区，但北海沿岸会凉爽得多。

bilibili 00:32:19

▶ And the change is coming in because whilst we've got high pressure sitting over us, the winds are coming in off the North Sea.

变化的原因是，虽然我们处于高压控制下，但风从北海吹来。

▶ And that will continue to feed in cloud on Sunday across those coastal areas, keeping it quite a bit cooler.

周日，这些风将继续为沿海地区带来云层，使气温保持较低。

▶ We don't have to go too far in London in the sunshine temperatures are more comfortable mid 20s.
