🎧 It's been very interesting how the White House Donald Trump has changed expectations about this meeting over the last few days.

过去几天特朗普白宫对此次会晤预期的转变耐人寻味。

🎧 At first, there was quite a suggestion out of the White House in Washington that there could have been a ceasefire announced here.

起初华盛顿白宫强烈暗示可能在此宣布停火。

 00:03:05

🎧 Now, clearly, it appears that's not going to be the case.

现在显然已非如此。

🎧 There's so many different factors on which Vladimir Putin and of Vladimir Zelensky don't agree fundamental issues that the chance of a ceasefire is very, very small.

普京与泽连斯基在诸多根本问题上存在分歧，停火可能性微乎其微。

🎧 Now, clearly, what Donald Trump is saying is that for him, success tomorrow, this time tomorrow, he can convince Vladimir Putin to sit down with the Ukrainian leader, Zelensky, and possibly with Donald Trump in the room, and possibly, as Donald Trump has said, with some other European leaders.

特朗普明确表示，他眼中的成功是明日此时能说服普京与泽连斯基同席——可能包括他自己及其他欧洲领导人。

 00:03:42

🎧 For example, the leaders of Germany and France in particular in the UK to try to make give the Europeans more investment in this.

例如德法英领导人，以增强欧洲参与度。

🎧 The significance of here, beautiful Anchorage Alaska, it's extraordinary whether at the moment for this far north, but significance is, of course, that in the 1800s, this used to be part of the Russian Empire.

阿拉斯加安克雷奇的意义非凡——19世纪这里曾是俄罗斯帝国领土。

🎧 Russia was in financial trouble and sold it to America, for, I think, on average, two cents an acre or something in those days.

当时俄罗斯陷入财政危机，以约每英亩两美分的价格出售给美国。

bilibili 00:04:11

🎧 So, John, what am I saying? Zelensky has ruled out conceding any territory to Russia.

那么约翰，泽连斯基已排除向俄罗斯割让任何领土的可能性。

🎧 So, just take me through what is on the table for discussion, and is there a risk here of the US President making promises without Ukraine present?

请说明可能的讨论内容，以及美总统在乌克兰缺席时作出承诺的风险。

🎧 Well, certainly that's a concern to the Ukrainians and the Europeans.

这确实是乌克兰和欧洲的担忧。

🎧 About a week ago, the fear of the Ukrainians was that these two men would get together here, and essentially carve up decide where the new boundaries would be.

约一周前乌克兰担心两国领导人会在此私下划分新边界。

bilibili 00:04:44

🎧 What percentage of the land that Russia has taken, the 20% of Ukraine that's taken over the last three years, what it would keep?

俄罗斯过去三年占领的20%乌克兰领土中将保留多少？

🎧 Now, the Europeans have launched an 11th hour re-garde action against that, quite successfully, and they have convinced Donald Trump that you cannot decide Ukraine's future without Ukraine in the room.

欧洲最后时刻成功干预，说服特朗普不能在没有乌克兰参与的情况下决定其未来。

🎧 That was a victory for the Ukrainians and the Europeans in this diplomatic battle.

这是乌克兰与欧洲在外交战中的胜利。

bilibili 00:05:09

🎧 Now, what it seems now is that the Ukrainians, of course, they're saying they won't give up any land.

目前乌克兰明确表示不会放弃任何领土。

🎧 It's clear the Russians will never give up Crimea, which they took from Ukraine in 2014, and they're wedded to two of the northern parts of Ukraine they've taken, Luhansk and Donetsk.

俄罗斯显然不会放弃2014年夺取的克里米亚及乌北部卢甘斯克、顿涅茨克。

🎧 But there are parts of land around there where the Russians have occupied it, where the Russians might be forced to leave under this deal.

但在某些占领区，俄罗斯可能被迫撤离。

 00:05:37

🎧 The Ukrainian concern, of course, is that even if the Russians agreed now to any sort of ceasefire, how do they know that in six months' time the Russians won't just do this all again?

乌克兰担忧即便俄方现在同意停火，六个月后可能故技重施。

🎧 And, John, as you mentioned, Donald Trump has already said that he wants this meeting to sort of lay the groundwork for a second meeting.

如你所言，特朗普希望此次会晤为第二次会晤铺路。

🎧 How likely is it that we could soon see Vladimir Zelensky and Vladimir Putin in the same room?

泽连斯基与普京短期内同席的可能性多大？

 00:06:03

🎧 From everything I'm picking up here in Alaska at the moment, I think it's highly likely there will be a quick follow-up meeting between the Russian and the Ukrainian leaders, probably with Donald Trump in the room as the mediator or broker that's a role Donald Trump loves to play, but I think that there's a strong chance that that will happen.

根据我在阿拉斯加的了解，俄乌领导人极可能很快再次会晤，特朗普或作为调停者参与——这是他热衷的角色。

▶ If it doesn't happen, then this has been a complete failure for Donald Trump.

若未实现，对特朗普将是彻底失败。

▶ He says there's a 25% chance that this meeting will fail.

他称本次会晤有25%失败概率。

bilibili 00:06:34

▶ I think if this fails, I think Donald Trump's wrath will no-no boundaries, and I think he will then try to hit Vladimir Putin as hard as he can with sanctions with whatever leverage he has.

若失败，特朗普的怒火将无边界，他可能动用一切杠杆制裁普京。

▶ So I think that, and Vladimir Putin is the master of sub-defuge.

而普京是诡计大师。

▶ He's brilliant.

他极其精明。

▶ He's played along several U.S. presidents now, and he's probably thinking, I can buy time, of course I'll commit to another meeting.

他已与多位美国总统周旋，可能正想借再次会晤争取时间。

bilibili 00:07:00

▶ He can then meet the Ukrainian leader, and then sail.

与乌克兰领导人会面后便可拖延。

▶ We've got to talk about terms and conditions and have another six or 12 months of the war and try to claim 21-22-23% of land incrementally just keep claiming land.

通过谈判争取6-12个月时间，逐步占领21-23%领土。

▶ I think that's Russia's strategy at the moment.

我认为这是俄罗斯当前策略。

▶ Right, finance minister, Betzalel Smotrige, has approved a plan that he claims would bury the idea of a Palestinian state.

以色列财政部长贝扎莱尔·斯莫特里奇批准了一项他声称将终结巴勒斯坦建国构想的计划。

▶ The E1 plan would extend a major Israeli settlement through to East Jerusalem and sever the occupied West Bank.

E1计划将把以色列主要定居点延伸至东耶路撒冷，割裂被占领的约旦河西岸。

▶ The plan has been in the works for a decade, but never enacted due to international pressure.

该计划酝酿十年，但因国际压力从未实施。

bilibili 00:07:47

▶ The United Nations called on Israel to reverse the decision, correspondent Tim Swonston reports from the occupied West Bank.

联合国呼吁以色列撤销该决定，本台记者蒂姆·斯旺斯顿从被占领西岸报道。

▶ Well, this here is Malay Arumim, a settlement in the occupied West Bank, but just over to my left in these hills is the site of the E1 project, which would extend the settlement right through to East Jerusalem.

我所在处是西岸定居点马来·阿鲁米姆，左侧山区是E1项目选址，该项目将把定居点直连东耶路撒冷。

▶ Now far-right and controversial finance minister Betzalel Smotrige has approved plans in these hills for more than 3,000 housing units.

极右翼争议财长斯莫特里奇已批准在此建造3000多套住房的计划。

 00:08:46

By Australia, over accusations of inciting violence against Palestinians in the West Bank has described the plan as burying the idea of a Palestinian state and Zionism at its best.

因被指控煽动对西岸巴勒斯坦人的暴力，澳大利亚称该计划"完美体现了埋葬巴勒斯坦建国理想的犹太复国主义"。

We will continue to build a fulfilling Jewish reality.

我们将继续建设完整的犹太现实。

This reality definitively buries the idea of a Palestinian state simply because there is nothing to recognize and no one to recognize.

这一现实彻底埋葬巴勒斯坦建国理念——因为既无可承认之物，也无可承认之人。

 00:09:10

International and domestic critics of the proposals say this plan is deadly for a two-state solution.

国内外批评者称该计划对两国方案是致命打击。

Local anti-settlement advocacy groups say there are further steps still needed before construction here, but infrastructure works could begin within a few months.

当地反定居点组织称开工前还需完成步骤，但基础设施工程可能数月内启动。

The fact that now the Israeli government is going through with this plan just shows in what situation we are both in the goals of the current Israeli government and the lack of serious international intervention.

以色列政府推进该计划，既显示其当前目标，也暴露国际社会缺乏严肃干预。

 00:09:41

Israel's approval of settlements has been growing at a rapid pace and with Australia's decision to recognise a Palestinian state next month, plans like these continue to make it extraordinarily difficult for a state of Palestine to be established.

以色列加速批准定居点，加之澳大利亚下月将承认巴勒斯坦国，此类计划使巴勒斯坦建国异常艰难。

▶ Decisions like this one physically shape the landscape of the West Bank and further entrenched Israel's presence here in the occupied territory and they also further isolate Palestinian communities.

此类决定实质改变西岸地貌，巩固以色列在被占领土存在，并进一步孤立巴勒斯坦社区。

▶ This issue has been around for quite some time when we're looking at child care safety.

bilibili 00:11:39

▶ However, it became quite prominent earlier this year after four corners reporting revealed the deep failures and systemic issues within Australia's child care sector.

▶ That was followed by allegations that Victorian child care worker Joshua Dale Brown abused children in centres that he was looking after in multiple centres.

随后维多利亚州 childcare 工作者约书亚·戴尔·布朗被指控在多家看护中心虐童。

▶ Now off the back of that, the federal government pledged to crack down on the industry and we saw some evidence of that just last month when legislation was pasturing the first sitting fortnight rather of the new parliament and that would cut the funding from child care providers who were failing to meet repeatedly failing to meet safety requirements.

联邦政府随后承诺整顿该行业，上月新议会首次会期通过立法，对屡次未达安全标准的机构切断资助。

⌂ Now there's been calls for more to be done in this space on top of that and particularly looking at working with children's checks.

⌂ There are calls from advocates in this space for a nationalised working with children check system and that would see a centralized database established that would be readily accessible for all jurisdictions.

倡导者呼吁建立全国统一儿童工作审查系统，设立中央数据库供各司法管辖区共享。

⌂ It's a move that has been supported by national children's commissioner Anne Hollins and it was also a recommendation from the Royal Commission back in 2015.

⌂ And Remy Eterny General Michelle Rollins spoke about this a little earlier today.

 00:13:30

⌂ What did she have to say?

她说了什么？

🎧 Yeah she did and she also acknowledged that a nationalised system for working with children's checks had taken too long to implement.

是的，她还承认，全国性的儿童工作审查系统实施时间过长。

🎧 She also provided some insight as to why that hadn't been implemented as of yet saying that the system is very fragmented across state and territories and the working with children's checks area isn't always under the purview of the Eternity Generals meaning there are different departments, different funding services and IT systems that oversee the checks.

她还解释了为何该系统尚未实施，称各州和地区的系统非常分散，且儿童工作审查领域并不总归埃特尼总检察长管辖，这意味着有不同部门、资金服务和IT系统负责监督审查。

 00:14:08

🎧 She was then pressed on why Labour didn't take further action on this during its first term.

随后她被追问为何工党在其首个任期内未就此采取进一步行动。

🎧 This is an area where we have not had that moment which has unfortunately been crystallised by the very public and very distressing examples that we've had not only in Victoria but Operation Tentafield in Queensland, recent cases in New South Wales where loopholes and child abusers who have clearly been shopping around.

这是一个我们尚未抓住时机的领域，不幸的是，维多利亚州、昆士兰州的"帐篷田行动"以及新南威尔士州最近的案例中，公开且令人痛心的例子暴露了漏洞和四处寻找机会的儿童虐待者。

🎧 These are nefarious people who have been looking for loopholes who have been able to exploit a fragmented system.

这些恶人一直在寻找漏洞，利用分散的系统。

 00:14:48

🎧 Eternity General Michelle Rollins speaking there she also assured Australians that the work in this space is being prioritised by the government but the federal government and experts

in this say in this space acknowledge that this is only the beginning of action that needs to be taken in order to reform the childcare sector and improve child safety.

埃特尼总检察长米歇尔·罗林斯表示，政府正在优先处理这一问题，但联邦政府和该领域专家承认，这只是改革儿童保育行业和改善儿童安全所需行动的开始。
