汤姆，关于乌克兰问题，你认为我们从中了解到了什么？

Well, it was a consistent theme among Democrat senators and you heard what you heard there was a response, Marco Rubio's response to Gene Shaheen, the leading Democrat on the committee.

这是民主党参议员们的一致主题，你听到的是卢比奥对委员会中主要民主党人吉恩·沙欣的回应。

Um and what was put to him was the um argument that as you heard uh Vladimir Putin had played President Trump like a fiddle.

向他提出的论点是，正如你所听到的，弗拉基米尔·普京像摆弄小提琴一样摆弄特朗普总统。

She wasn't the only senator to use that expression.

她不是唯一使用这种说法的参议员。

Um his argument was very much about sanctions that all of those sanctions that had existed under the Biden administration continued um to be imposed on President Putin.

他的论点主要是关于制裁，拜登政府时期的所有制裁仍在继续对普京总统实施。

that he was waking up every morning still with those constraints around him and that that gave the US leverage.

But we heard really senator after senator among the Democrats really push back at that argument and suggest that because the administration had not meaningfully and publicly called for concessions from Moscow that that had effectively weakened uh the Americans leverage in this entire process.

但我们听到民主党参议员们一个接一个地反驳这一论点，并指出由于政府没有实质性地公开要求莫斯科让步，这实际上削弱了美国在整个过程中的筹码。

And that went alongside quite a lot of accusations that the Ukrainians had sort of been hung out to dry on several occasions, particularly on the issue of weapons support.

同时还有许多指责称乌克兰人在多次事件中被抛弃，特别是在武器支持问题上。

Again, Mr. Rubio um pushed back on that and suggested that they basically needed to have the leverage with both sides in order to get the outcome that President Trump wants, which is a a ceasefire.

卢比奥再次反驳了这一点，并建议他们基本上需要与双方都有筹码，才能实现特朗普总统想要的结果，即停火。

And just taking us back to the Middle East for a moment, Tom, also some interesting insight on to into US communications with Israel.

汤姆，再回到中东问题，还有一些关于美国与以色列沟通的有趣见解。

Yeah, we got a confirmation basically from Marco Rubio that the Trump administration has been applying some pressure on its Israeli ally over the last few days to lift um part of that aid blockade.

是的，我们从卢比奥那里得到确认，特朗普政府过去几天一直在向其以色列盟友施压，要求解除部分援助封锁。

Uh Mr. Rubio saying that he was pleased that some aid had now finally been allowed in but agreeing with the view that it was insufficient.

但这发生在一些关于加沙的激烈交锋中。

That was in an exchange with Jeff Mkeley, a Democrat senator who asked Mr. Rubio if the administration was making it clear to its Israeli ally that it was unacceptable in his words to use food as an instrument of war.

这是在和民主党参议员杰夫·麦凯利的交锋中，他问卢比奥政府是否向其以色列盟友明确表示，用他的话来说，将食物作为战争工具是不可接受的。

And also he asserted that um the Israelis have been systematically destroying Palestinian homes as a means to drive out Palestinians.

And we got another interesting confirmation from Mr. Rubio there that they have been speaking to other countries about what he called the temporary relocation of Palestinians.

我们还从卢比奥那里得到了另一个有趣的确认，他们一直在与其他国家讨论他所谓的巴勒斯坦人临时迁移问题。

Now, this had followed a report, a US media report over the weekend that the administration had been speaking to Libya about taking up to a million Palestinians.

All of this, of course, in light of President Trump's ideas to expel Palestinians from the Gaza Strip and for the US to annex it, a move that would be in breach of international law, although the administration has always tried to characterize this as some kind of humanitarian gesture.

当然，这一切都是基于特朗普总统将巴勒斯坦人驱逐出加沙地带并由美国吞并的想法，这一举动将违反国际法，尽管政府一直试图将其描述为某种人道主义姿态。

But uh Mr. to Rubio.

但卢比奥先生。
