▶ Yeah, but we haven't done anything on that yet.

是的，但我们还没有在这方面做任何事情。

▶ if you look back and you go back long before President Putin, it was always a statement that they would never allow Ukraine.

如果你回顾很久以前普京总统之前，他们一直声明永远不会允许乌克兰。

▶ And today.

而今天。

▶ So that was a statement that was made.

所以这是一个声明。

▶ But we haven't discussed any of that yet.

但我们还没有讨论任何这些。

▶ We're going to be discussing it today, but we will give them very good protection, very good security.

我们今天会讨论，但我们会给他们非常好的保护，非常好的安全。

 00:15:16

▶ That's part of it.

这是其中的一部分。

▶ And the people that are waiting for us, I think they're very like minded.

那些等待我们的人，我认为他们非常志同道合。

▶ They want to they want to help out on.

他们想要帮忙。

▶ You want to thank you for that.

▶ Thank you.

谢谢。

▶ Thank you.

谢谢。

但现在他特别糟糕。

▶ this was done by a corrupted administration that shouldn't have been in and of the.

这是由一个不应该存在的腐败政府完成的。

 00:16:16

▶ And frankly, if the right results of the election were given, if I were president, this war would have never taken place, and he would have been very happy because he would have liked to have seen, I mean, they went through hell, he went through hell.

▶ we have some programs where we can have some money to finance this, and this is a part, I think it's not a part for the war and to defend us.

我们有一些项目可以为此提供资金，我认为这不是为了战争或保卫我们。

▶ It's also will be a part, for security guarantees, to strengthen our army, to rearm Ukrainian army.

这也将是安全保证的一部分，加强我们的军队，重新武装乌克兰军队。

▶ This is very, very important.

这非常非常重要。

 00:17:32

▶ And it depends how much money we need to rearm.

这取决于我们需要多少钱来重新武装。

▶ For example, the question of air defense.

例如，防空问题。

▶ We spoke about it with President Trump.

我们与特朗普总统谈过。

▶ And I'm happy that we have now military decisions and we work on it with production of American products.

我很高兴我们现在有了军事决定，并与美国产品的生产合作。

▶ Nobody in Europe has so many, air defense like patriots, for example.

例如，欧洲没有人有这么多像爱国者这样的防空系统。

▶ We need it for very much.

我们非常需要它。

 00:17:53

▶ And this is also about defending.

这也是关于防御。

▶ You know, I.

你知道，我。

▶ Think the good is we make the best military equipment in the world by far.

我认为好处是我们制造了世界上最好的军事装备。

▶ You mentioned the Patriots are good at air systems.

你提到爱国者在防空系统方面很好。

▶ So have systems.

所以有系统。

▶ They they were literally 100% foolproof.

它们确实是100%万无一失的。

🎧 And it's really like shooting two bullets, you know, two bullets hitting each other in the air.

这真的就像两颗子弹在空中相撞。

 00:18:14

🎧 In a space like this, the chances are 100% it's 99 to 100%.

在这样的空间里，几率是100%，99%到100%。

🎧 so we sell the equipment to NATO, and NATO does what?

所以我们把装备卖给北约，北约做什么？

🎧 I don't know what the arrangement is that you have with,

我不知道你与谁有什么安排，

🎧 But I know that they want you to have the equipment, and we're getting the best equipment in the world, but they pay us for the equipment under Biden.

但我知道他们希望你拥有这些装备，我们得到了世界上最好的装备，但他们在拜登领导下为这些装备付钱。

 00:18:36

🎧 It was just crazy what was going on.

发生的事情太疯狂了。

🎧 I believe the number is over 300.

我相信数字超过300。

🎧 I think it could be \$350 billion worth of equipment and money and everything else.

我认为可能是价值3500亿美元的装备、资金和其他一切。

🎧 And we've made more progress in settling this war in the last two months than they made in four years.

我们在过去两个月里在解决这场战争方面取得的进展比他们在四年里取得的还要多。

🎧 They should have been settled a long time ago, but it should have never happened.

他们早就应该解决，但这本不应该发生。

 And it's a lot about to happen.

还有很多事情要发生。

🎵 And then people and training issues and intelligence.

总统先生，美国军队提供类似北约的保护，以便今天让泽连斯基总统达成协议。

🎵 Well, if you divided that way, but NATO like I mean, we're going to give we have people waiting in another room right now.

好吧，如果你这样划分，但类似北约，我是说，我们现在有人在另一个房间等待。

▶ I love them all.

我爱他们所有人。

▶ I want to get the war stopped.

我想停止战争。

 00:20:36

 Very important.

非常重要。

 Mr. was there any aspect of your discussion with Vladimir Putin that left you disappointed?

先生，你与普京的讨论中有任何让你失望的方面吗？

 Look, we just spoke to.

看，我们刚刚谈过。

 I was just telling the president.

我刚才告诉总统。

 I just spoke to President Putin indirectly, have a phone call right after these meetings today, and we may or may not have a trilateral.

我刚刚间接地与普京总统通了话，今天这些会议结束后会再打个电话，我们可能会也可能不会举行三方会谈。

 And if we don't have a trilateral, then the fighting continues.

如果我们不举行三方会谈，那么战斗将继续。

 00:21:03

 And if we do, we have a good chance.

如果我们举行会谈，我们有一个很好的机会。

 I think if we have a trilateral, there's a good chance of maybe ending it.

我认为如果我们举行三方会谈，很有可能结束这场冲突。

 But, he's, he's expecting my call when we're finished with this meeting.

但他正在等我开完会后给他打电话。

▶ Thank you very much.

非常感谢。

▶ Guys.

各位。

▶ All right.

好的。

▶ I'm not.

我不是。

▶ Well, you.

好吧，你。

 00:21:24

▶ Let's go.

我们走吧。

▶ Guys.

各位。

▶ Yeah.

是的。

▶ Thank you.

谢谢。

▶ That was a very interesting Oval Office meeting that we saw there.

我们刚才看到的是一场非常有趣的椭圆形办公室会议。

▶ A little bit of the we've a little bit of meandering on some topics that the president likes to go off topic on, but largely trying to stay pretty disciplined on the questions that he was being asked there.

总统在一些话题上有点跑题，但总体上还是尽量保持对他被问到的问题的纪律性。

▶ Boris, whether, it was about, he kept going back to we need to end the war.

鲍里斯，不管是什么，他一直在回到我们需要结束战争这一点。

bilibili 00:21:47

▶ But he was actually asked at one point who has the better cards.

但他实际上曾被问到谁更有优势。

▶ And even then he said, I don't want to say that.

即便如此，他还是说，我不想说这个。

▶ And we'll remember that last time during his meeting with Zelensky, he kept saying, you don't have the cards.

我们会记得上次他与泽连斯基会面时，他一直在说，你没有优势。

▶ That was teed up for him, and he did not take a whack at that pinata.

那是一个为他准备好的机会，但他没有抓住。

▶ And notably, it was soon after that meeting where he actually called Volodymyr Zelensky a dictator on social media.

值得注意的是，就在那次会面后不久，他实际上在社交媒体上称弗拉基米尔·泽连斯基为独裁者。

bilibili 00:22:08

▶ And this time he agreed with Zelensky that having elections in Ukraine in the middle of a war would be untenable.

而这一次他同意泽连斯基的观点，即在战争期间在乌克兰举行选举是不可行的。

▶ the president was asked about the extent of U.S. support in the form of security guarantees or even U.S. troops on the ground.

总统被问及美国以安全保障甚至地面部队形式支持的程度。

▶ saying that we were going to work with Ukraine and work with everybody.

他说我们将与乌克兰合作，与所有人合作。

▶ We're going to make sure this is a lasting peace.

我们将确保这是一项持久的和平。

bilibili 00:22:26

▶ He said, as you well know, Vladimir Putin is not one to keep agreements historically when it comes to Ukraine.

他说，众所周知，弗拉基米尔·普京在涉及乌克兰时历来不遵守协议。

▶ So President Trump saying here, though unspecific, that he is trying to ensure peace for the region, very different from what we saw earlier this year between and President Zelensky and also between Zelensky and JD Vance, the vice president.

因此，特朗普总统在这里表示，尽管不具体，但他正在努力确保该地区的和平，这与我们今年早些时候看到的他与泽连斯基之间以及泽连斯基与副总统JD·万斯之间的互动非常不同。

▶ You noted to me that as the cameras started rolling in the room, there appear to be an exchange, a chuckle between the vice president and Zelensky.

你向我指出，当摄像机开始在房间里滚动时，副总统和泽连斯基之间似乎有交流，有笑声。

bilibili 00:22:54

▶ They they were laughing ahead of time.

他们提前笑了起来。

▶ We'll focus on the big headline, which is Kim, that President Trump said that as soon as these meetings wrap, he's going to call Vladimir Putin and perhaps scheduled trilateral meeting.

我们将关注大标题，即金，特朗普总统表示，这些会议一结束，他就会打电话给弗拉基米尔·普京，并可能安排三方会议。

▶ The fact that he feels he's got to check in with Putin right away and that just as this meeting is taking place, we get news that Putin is saying, by the way, no NATO troops on the ground in Ukraine.

他觉得必须立即与普京确认，而就在这次会议进行时，我们得到消息说普京表示，顺便说一下，乌克兰境内不会有北约部队。

 00:23:21

 That is unacceptable.

这是不可接受的。

 Still feels like Trump needs Putin's approval in a way that's got to be very disturbing to Zelensky sitting there.

仍然感觉特朗普需要普京的批准，这对坐在那里的泽连斯基来说一定非常不安。

 But of course, Zelensky was a good actor.

但当然，泽连斯基表现得很好。

 He's playing it cool.

他表现得很冷静。

 He's not biting on any of the questions he got.

他没有对任何问题做出激烈反应。

 and hopefully what's going to happen is they're going to go into this meeting with European officials, and the Europeans are saying we need to put these troops on the ground inside Ukraine, and it's not Vladimir Putin's business.

希望接下来会发生的是，他们将与欧洲官员举行这次会议，而欧洲人表示我们需要在乌克兰境内部署这些部队，这不是弗拉基米尔·普京的事。

 00:23:57

 What did you think, Jeff?

你怎么看，杰夫？

 I was struck that the President Trump did not rule out the idea of sending U.S. troops as part of this, a security guarantee that is significant.

令我印象深刻的是，特朗普总统没有排除派遣美国部队作为安全保障的一部分的想法，这很重要。

▶ Also, President Trump saying it's never the end of the road in terms of U.S. involvement.

此外，特朗普总统表示，美国的参与永远不会结束。

▶ There are many people in the president's orbit who would like him to, essentially wash his hands and move on from this.

总统的圈子里有很多人希望他基本上洗手不干，继续前进。

bilibili 00:24:21

▶ So I thought that was significant.

所以我认为这很重要。

▶ But I think thinking back to that February 28th meeting, that it didn't necessarily get off on the wrong foot, but it certainly ended that way.

但我想起2月28日的那次会议，它不一定是开始就不顺利，但肯定是以不顺利结束的。

▶ But President Zelensky was so intent on making sure this started right by presenting President Trump with a letter from the First Lady of Ukraine to a first lady, Melania Trump.

但泽连斯基总统非常坚持确保这次会面顺利开始，他向特朗普总统递交了乌克兰第一夫人给第一夫人梅拉尼娅·特朗普的一封信。

bilibili 00:24:42

▶ And he used that as a mechanism to point out and highlight, raise attention to a letter that Melania Trump, wrote to a President Putin that the President Trump hand delivered, and she asked him for the children.

他利用这一点作为一种机制，指出并强调，引起人们对梅拉尼娅·特朗普写给普京总统的一封信的关注，这封信是特朗普总统亲手递送的，她在信中为孩子们请求。

▶ She said, in today's world, some children are forced to carry a quiet laughter, a quiet to defiance, as she said they dream of love and possibility, effectively end this war.

她说，在当今世界，一些孩子被迫带着无声的笑，无声的反抗，正如她所说，他们梦想着爱和可能性，有效地结束这场战争。

▶ So that's how President Zelensky was very intentional in getting this meeting off on the right foot.

这就是泽连斯基总统如何非常有意识地让这次会议顺利开始。

bilibili 00:25:09

▶ I think now they're in a closed door session, one on one before they join, European leaders here.

我想现在他们正在进行闭门会议，一对一的，然后他们会与欧洲领导人会面。

▶ We do not know where this is going from here.

我们不知道接下来会怎样。

▶ Still plenty of time for it to go off the rails, no doubt about it.

仍然有很多时间让它偏离轨道，毫无疑问。

▶ But to your point earlier, Brianna, I think the the president of the American president is very well aware that many European leaders who he admires and he wants them to sort of see him in a presidential way, are watching this from just steps away in the White House complex.

但正如你之前提到的，布里安娜，我认为美国总统非常清楚，许多他钦佩并希望他们以总统的方式看待他的欧洲领导人，正在白宫几步之遥的地方观看这一切。

bilibili 00:25:34

▶ So that's where this meeting is going to head.

所以这就是这次会议的方向。

▶ But by saying it's not the end of the road and not ruling out U.S. troops, so significant.

但他说这不是终点，也不排除美国部队，这非常重要。

▶ Colonel, your thoughts?

上校，你怎么看？

▶ Yeah, I think you know, Jeff is exactly right.

是的，我认为你知道，杰夫完全正确。

▶ This is a major change, you know, and so when you look at the political dynamic and you know, all of the things that are related to putting U.S. troops potentially on the ground in a place like Ukraine, there was a lot of reluctance not only in the Trump administration to do something like this, but a lot of reluctance, even in the Biden administration, to even consider something like, like that.

这是一个重大变化，你知道，所以当你观察政治动态以及所有与可能在乌克兰等地部署美国部队相关的事情时，不仅在特朗普政府内部有很多不情愿做这样的事情，甚至在拜登政府内部也有很多不情愿甚至考虑这样的事情。

 00:26:07

▶ So we're seeing a, we almost want to call it the internationalization of Donald Trump, happening right in front of our eyes here.

所以我们正在看到，我们几乎可以称之为唐纳德·特朗普的国际化，正在我们眼前发生。

▶ And when you see that, it really shows that there is a potential for him to reclaim a leading role, at least in Europe and perhaps in the world.

当你看到这一点时，它确实表明他有潜力重新获得领导角色，至少在欧洲，也许在全世界。

▶ And perhaps there's been a, almost want to call it a change of heart in how to approach foreign policy and whether or not to use the military there have been arguments, for example, of, whether or not to impose a no fly zone over Ukraine, that could be disadvantageous to Ukraine because they use drones to go after the Russians.

也许可以说，在如何对待外交政策以及是否使用军事力量方面，态度有所改变，例如，是否在乌克兰上空设立禁飞区，这可能对乌克兰不利，因为他们使用无人机追击俄罗斯人。

 00:26:48

▶ The Russians used drones to go after the Ukrainians, but nevertheless, discussions like that, could very well up and some of the efforts by the Russians to prevent NATO forces from, getting into Ukraine, or NATO affiliated forces.

俄罗斯人使用无人机追击乌克兰人，但尽管如此，这样的讨论很可能会加剧俄罗斯人阻止北约部队或北约附属部队进入乌克兰的一些努力。

▶ And that is the kind of thing that I think might result in a change in the way, foreign policy is conducted by the United States.

我认为这可能会导致美国外交政策方式的改变。

▶ And it could be the realization that in order to achieve certain goals, you actually need to be involved instead of not being involved.

这可能是一种认识，即为了实现某些目标，你实际上需要参与而不是不参与。

 00:27:20

▶ And we have former Ambassador Nicholas Burns with us.

我们与前大使尼古拉斯·伯恩斯在一起。

▶ what stood out to you is you were listening to this meeting between these two.

在你听这两位领导人的会议时，什么让你印象深刻？

▶ leaders, just moments ago.

领导人，就在刚才。

▶ Brianna, I thought actually they were very cordial with each other.

布里安娜，我认为实际上他们彼此非常友好。

▶ In fact, President Trump, I would say, was warm with Zelensky.

事实上，我会说，特朗普总统对泽连斯基很热情。

▶ And that's a far cry from from late February.

这与二月底的情况大不相同。

 00:27:44

▶ And it's important.

这很重要。

▶ It sets a tone and it's a message that he's that President Trump is treating President Zelensky in a very positive way, which is good.

它定下了一个基调，这是一个信息，即特朗普总统正在以非常积极的方式对待泽连斯基总统，这很好。

▶ Second, I do agree with Jeff and others that, the fact that President Trump is now willing to consider an American role unspecified, it could be to a security force in Ukraine that could police an eventual ceasefire, a peace agreement exceedingly important.

其次，我确实同意杰夫和其他人的观点，即特朗普总统现在愿意考虑一个未指定的美国角色，可能是乌克兰的一支安全部队，可以监督最终的停火，和平协议极其重要。

bilibili 00:28:10

▶ The European leaders who are waiting in the White House today are willing to put an ad hoc military force on the ground, but they need intelligence support and air support.

今天在白宫等待的欧洲领导人愿意在地面部署一支临时军事力量，但他们需要情报支持和空中支持。

▶ That would be very consequential.

这将非常重要。

▶ it puts pressure on Putin, which is a good thing.

它给普京施加了压力，这是一件好事。

▶ I felt on the negative side, President Trump again has turned on a dime.

我觉得在负面方面，特朗普总统又一次突然转变。

bilibili 00:28:29

▶ He's no longer supporting a cease fire.

他不再支持停火。

▶ He's supporting something much more difficult that plays into Putin's hands.

他支持一些更困难的事情，这正中普京下怀。

▶ And that's a peace agreement, which is not which is far, far away from where the two sides are right now.

那就是和平协议，这与双方目前的立场相去甚远。

▶ And I was disappointed in that because it rewards Putin and it rewards his aggression in Ukraine.

我对此感到失望，因为它奖励了普京，奖励了他在乌克兰的侵略行为。

▶ And it puts President Zelensky in a very difficult position.

它使泽连斯基总统处于非常困难的境地。

 00:28:54

▶ politically, back at home, I'd say.

在国内政治上，我会说。

▶ Finally, I found as someone who's worked for both parties, Republican and Democrat in the foreign Service career, I found president remarks, President Trump's remarks about President Biden and about the president, the American press corps, to be completely unfair and really unpleasant.

最后，作为一个在外交服务生涯中为共和党和民主党都工作过的人，我发现总统的言论，特朗普总统关于拜登总统和美国新闻界的言论，完全不公平且非常令人不快。

▶ And I wish he would stop doing it.

我希望他停止这样做。

 00:29:16

▶ Ambassador, I wanted to ask you about one specific bit of reporting that we got from special envoy to the Mideast, Steve Witkoff, who's been instrumental in these conversations and facilitating these conversations with the Kremlin.

大使，我想问你关于我们从中东特使史蒂夫·维特科夫那里得到的一份具体报道，他在这些对话中发挥了重要作用，并促进了与克里姆林宫的这些对话。

▶ He talked about for the first time, the Russians agreeing to an article five like agreement that would essentially guarantee Ukraine security by making it so that if Ukraine is attacked by Russia, other countries would immediately defend it.

他首次谈到俄罗斯同意一项类似第五条协议的协议，该协议将基本上通过确保如果乌克兰受到俄罗斯攻击，其他国家将立即保卫乌克兰来保障乌克兰的安全。

▶ I wonder if this article five language is adopted, and we should point out that President Trump didn't directly answer a question about, any article five like language during that, press availability.

我想知道如果采用这种第五条语言，我们应该指出，特朗普总统在那次新闻发布会上没有直接回答关于任何类似第五条语言的问题。

 00:29:57

▶ If that is adopted, why would the Russians support that and yet prevent Ukraine from joining NATO?

如果采用这一点，为什么俄罗斯会支持这一点，却阻止乌克兰加入北约？

▶ Aren't they effectively guaranteeing the same security for Ukraine?

他们不是实际上为乌克兰提供了同样的安全保障吗？

▶ Well, Boris, I don't think any eventual ceasefire agreement or peace agreement can rest on the word of Vladimir Putin.

嗯，鲍里斯，我认为任何最终的停火协议或和平协议都不能依赖于弗拉基米尔·普京的话。

▶ He's violated every promise he made and that Russia has made.

他违反了他和俄罗斯做出的每一个承诺。

 00:30:24

▶ Going back to the December 1994 Budapest meeting, where this issue of Ukraine security was first put on the table.

追溯到1994年12月的布达佩斯会议，乌克兰安全问题首次被提上议程。

▶ I was at that meeting long ago with President Clinton.

我很久以前与克林顿总统一起参加了那次会议。

▶ If we've learned one thing about Putin is he never meets his promises.

如果我们从普京那里学到一件事，那就是他从不履行承诺。

▶ So I think the challenge here for President Trump, and I really wish him well on this, is to either go for a quick ceasefire in orbit in order to stop the fighting and then engage in a negotiation for an eventual peace agreement, or if they decide to go for a full peace agreement, the outcome cannot rest on the word That's why the security force of the countries, led by Britain and France is so important for the future.

因此，我认为特朗普总统面临的挑战，我真心希望他在这方面顺利，是要么争取快速停火以停止战斗，然后进行最终和平协议的谈判，要么如果他们决定争取全面和平协议，结果不能依赖于言辞。这就是为什么由英国和法国领导的国家安全部队对未来如此重要。

bilibili 00:31:07

▶ And I think it's encouraging that the European leaders are there today.

我认为欧洲领导人今天在场是令人鼓舞的。

▶ They understand that pressure has to be applied on Putin by President Trump and the Europeans together, and that hasn't happened yet.

他们明白，特朗普总统和欧洲人必须一起对普京施加压力，而这还没有发生。

▶ effectively has deserted the European position the other day in Alaska.

前几天在阿拉斯加实际上已经背离了欧洲的立场。

▶ Let's hope he can reconsider that today.

让我们希望他今天能重新考虑这一点。

bilibili 00:31:26

▶ Ambassador.

大使。

▶ Thank you so much.

非常感谢。

 Thank you to everyone on our panel.

感谢我们小组的每一个人。
