🎵 President Donald Trump's foreign envoy, Steve Wyckoff, is expected to travel to Russia this week.

美国总统唐纳德·特朗普的外交特使史蒂夫·威科夫预计将于本周访问俄罗斯。

🎵 That's according to the US president and now backed up by Russian state media, citing anonymous sources.

这一消息来自美国总统，并得到俄罗斯官方媒体的匿名消息来源证实。

▶ If Wyckoff visits midweek, it would come just ahead of Trump's Friday deadline for Russian President Vladimir Putin to agree to a ceasefire deal with Ukraine.

如果威科夫在周中访问，这将恰好在特朗普为俄罗斯总统弗拉基米尔·普京设定的周五截止日期之前，要求普京同意与乌克兰达成停火协议。

▶ Meanwhile, Ukraine says it hit Russian fighter jets and a weapons depot in and a nighttime drone operation in Russia occupied Crimea.

与此同时，乌克兰表示其在夜间无人机行动中击中了俄罗斯的战斗机和武器库，地点位于俄罗斯占领的克里米亚。

▶ CNN's Nick Paton Walsh reports.

▶ That includes the incredible rescue of an injured Ukrainian soldier pinned down by Russian attacks.

其中包括一名受伤的乌克兰士兵在被俄罗斯攻击压制下的惊人救援。

bilibili 00:00:41

▶ This Russian assault, brutal, even throwing landmines into the bunkers, had left all three of his fellow soldiers dead in the trench next to him and Andrei, with his leg wounded, unable to run, fought like so many Ukrainian soldiers in tiny, isolated positions, pinned down by Russian drones.

这次俄罗斯的袭击极其残酷，甚至向掩体投掷地雷，导致他身边的三名战友全部阵亡，而腿部受伤的安德烈无法逃跑，像许多乌克兰士兵一样在孤立无援的位置上战斗，被俄罗斯无人机压制。

▶ That he was done.

他以为自己完了。

▶ The other.

另一个。

 00:01:04

 But it's what set you.

但这就是让你。

 One is not willing to say no program it.

有人不愿意说不。

 But back at his command bunker, watching on drones, they had an idea.

但在他的指挥掩体中，通过无人机观察，他们有了一个主意。

 Maybe Andrei had the strength to cycle out.

也许安德烈有力气骑车离开。

 So they attached an electric bicycle to a drone like this, moving it slowly, perilously in pieces to the front.

于是他们将一辆电动自行车像这样绑在无人机上，缓慢而危险地将其分块运送到前线。

 It was dropped to Andrey Hole, and then, remarkably, he cycled out.

自行车被投放到安德烈·霍尔那里，随后他奇迹般地骑车离开了。

 00:01:35

 You have to humble, preferably the one of the thrusters.

你必须谦卑，最好是推进器之一。

 You will be sort of wounded toward the end of the year, butcher.

但随后这个小小的身影从烟雾中蹒跚走出，奇迹般地活了下来，用包扎的腿行走，在下方的一个类似零的平台上可见。

▶ Welcome, either.

欢迎，要么。

▶ While many initially wore your personal phone a bit and still greeted by Ukrainian and helped into another bunker where he had to wait two more days for rescue.

尽管许多人最初稍微戴着你的手机，仍然受到乌克兰人的欢迎并被帮助进入另一个掩体，在那里他不得不等待两天才能获救。

▶ Hey, Linda.

嘿，琳达。

▶ So President Trump is growing increasingly frustrated with the lack of progress towards any sort of deal he gave Russia a 50 day deadline to get to a peace deal.

因此，特朗普总统对缺乏进展感到越来越沮丧，他给了俄罗斯50天的期限来达成和平协议。

▶ Then you reduce that even further.

然后你进一步缩短了期限。

▶ It's now just days away.

现在只剩下几天了。

▶ Is Kremlin taking this ultimatum seriously?

克里姆林宫认真对待这一最后通牒吗？

▶ You know, I think one of the problems here is that President Trump has used unpredictability, to his advantage sometimes, but sometimes it backfires.

你知道，我认为这里的一个问题是，特朗普总统有时利用不可预测性为自己谋利，但有时会适得其反。

 00:03:18

🎧 And I think right now the Kremlin is looking at this.

我认为现在克里姆林宫正在关注这一点。

🎧 And alternately, I mean, if you look at lower officials who some sometimes give a more full explanation of how they're looking at this, they're saying is theatrical, bombastic rhetoric.

交替地，我的意思是，如果你看看一些低级官员，他们有时会对此给出更全面的解释，他们说这是戏剧性的、夸夸其谈的言辞。

🎧 And so on the one hand, I think they say, well, he's done this before.

因此，一方面，我认为他们会说，嗯，他以前也这样做过。

 00:03:40

🎧 He set a deadline.

他设定了一个最后期限。

🎧 Then he changed and he went back and they've changed.

然后他改变了，又回去了，他们也改变了。

🎧 And on the other hand, I think they are taking it seriously.

另一方面，我认为他们正在认真对待。

🎧 But the point, Linda here is what is serious.

但重点是，琳达，什么是认真的。

🎧 If you look at the two threats, tariffs on Russia mean almost nothing because the United States essentially does not really do much trade at all with Russia.

如果你看看这两个威胁，对俄罗斯的关税几乎毫无意义，因为美国基本上与俄罗斯没有多少贸易往来。

 00:04:03

🎧 So that's really not effective.

所以这真的没有效果。

⏮ Number two is secondary tariffs as Nick was talking about in India and China India and China at this point are indicating that they're just kind of going to go ahead and try to, do what they think is in their interest, which is at this point, as they proceeded, continuing to get energy from Russia.

第二是次级关税，正如尼克在印度和中国所谈到的，印度和中国目前表示他们将继续按照自己的利益行事，即继续从俄罗斯获取能源。

⏮ So those threats that President Trump had are weaker than they were before.

因此，特朗普总统的这些威胁比以前更弱了。

 00:04:32

⏮ And that's where we're kind of in this dilemma.

这就是我们陷入的困境。

⏮ And then the drama of having Steve Woodcocks going to Moscow and we don't really know.

然后是史蒂夫·伍德科克前往莫斯科的戏剧性事件，我们真的不知道。

⏮ Will it be an, you know, an ultimatum or could it be a new deal for for Putin?

这将是一个最后通牒，还是对普京的新交易？

⏮ It's unclear, of course, as Steve Wyckoff, went to Russia back in April and was criticized for, pretty much, narrowing some of the Kremlin talking points.

当然，这还不清楚，因为史蒂夫·威科夫早在四月就去了俄罗斯，并因几乎缩小了克里姆林宫的一些谈话要点而受到批评。

 00:04:59

⏮ I just want to play some sound from that last visit.

我只想播放上次访问的一些声音。

⏮ The two sides have we've narrowed the differences between them, and now we're sitting at the table.

双方已经缩小了分歧，现在我们坐在谈判桌前。

🎧 I was with the president all day yesterday.

我昨天一整天都和总统在一起。

🎧 I'll be with him today.

我今天也会和他在一起。

🎧 We're sitting with him discussing how to how to narrow it even further, as the president said, he really expects there to be some sort of, some sort of deal in the, coming weeks, maybe.

我们和他坐在一起讨论如何进一步缩小分歧，正如总统所说，他真的希望在接下来的几周内达成某种协议。

 00:05:25

🎧 and I believe that that's the case.

我相信情况就是这样。

🎧 So he was speaking that there might be a deal, within a few weeks of that last meeting, and it hasn't even got close to that.

因此，他说在上次会议后的几周内可能会达成协议，但甚至还没有接近这一点。

🎧 is it likely with just a few days to go until the sanctions deadline that we call will potentially move the needle?

在制裁截止日期只剩几天的情况下，我们所说的可能会产生影响吗？

🎧 Well, it depends on what President Trump has said he is supposed to say to President Putin.

嗯，这取决于特朗普总统应该对普京总统说什么。

 00:05:50

🎧 I mean, you know, I think one of the problems for Wycoff is the last time he was in Moscow, and he's been there several times.

我的意思是，你知道，我认为威科夫的一个问题是上次他在莫斯科时，他已经去过那里好几次了。

▶ He's usually very complimentary of Putin.

他通常对普京非常恭维。

▶ He has said he's, you know, smart person, a kind person, etc. and now he has to go where in a situation where his president, Mr. Trump, is saying the complete opposite, that he doesn't trust Putin so diplomatically for cause this is difficult.

他说过普京是一个聪明、善良的人等等，而现在他必须在一个他的总统特朗普先生完全相反地说他不信任普京的情况下前往，因此这在外交上是困难的。

 00:06:19

▶ But the Russians understand that Wycoff is a messenger.

但俄罗斯人明白威科夫是一个信使。

▶ So what is Trump thinking today?

那么特朗普今天在想什么？

▶ What's the message?

信息是什么？

▶ And that's what the Kremlin will have to be prepared for.

这就是克里姆林宫必须准备的。

▶ It could be, you know, more pressure or it could be something else.

可能是更多的压力，也可能是其他事情。

▶ There's a lot of unpredictability here.

这里有很多不可预测性。

▶ And Trump is finally conceding that Russia is pretty good at dodging sanctions.

特朗普终于承认俄罗斯非常擅长规避制裁。

▶ As you have also noted.

正如你也指出的。

▶ Can the U.S. actually close the loopholes, especially when it comes to oil?

美国真的能堵住漏洞吗，尤其是在石油方面？

▶ It's very, very difficult, Linda.

这非常非常困难，琳达。

▶ there are a lot of ways, and I think President Trump was correct.

有很多方法，我认为特朗普总统是对的。

▶ There are a lot of ways and loopholes that can be used.

有很多方法和漏洞可以利用。

▶ There are a lot of, indirect ways of selling oil, selling energy, getting money, evading sanctions.

有很多间接的方式出售石油、能源，获取资金，规避制裁。

▶ I mean, that is what Russia does.

我的意思是，这就是俄罗斯所做的。

▶ They are sanction busters because they feel that that is in their interest.

他们是制裁破坏者，因为他们认为这符合他们的利益。

▶ And so it's extremely hard.

因此这非常困难。

▶ But I think secondary sanctions if they were carried out could be effective.

但我认为如果实施次级制裁可能会有效。

▶ But again, you have this change by or maybe lack of change from China and India who say we need the oil.

但同样，中国和印度表示我们需要石油，他们的变化或缺乏变化。

bilibili 00:07:27

▶ We're going to continue to buy it.

我们将继续购买。

▶ And of course, Ukraine's leader Zelensky has repeatedly said that he wants direct talks with Vladimir Putin.

当然，乌克兰领导人泽连斯基多次表示希望与弗拉基米尔·普京直接对话。

▶ Is he likely to get them?

他有可能实现吗？

▶ Well, now that's another wrinkle because that is one indication that's coming from the Kremlin that, yes, President Putin could be open to a direct meeting.

嗯，现在这是另一个问题，因为这是来自克里姆林宫的一个迹象，是的，普京总统可能愿意直接会面。

bilibili 00:07:50

▶ However, and that's a big however that would have to be preparation and, you know, agreements and things before that would happen.

然而，这是一个很大的“然而”，在此之前必须进行准备、协议等。

▶ So in other words, everything is open at this point, but in the same breath, and this is, I think, the bottom line, Putin has said that he is going to prosecute this war to the point that he wanted to, three and a half to four years ago, achieve and he insists he's going to stick with that goal.

换句话说，目前一切皆有可能，但同时，我认为，关键是普京表示他将把这场战争进行到底，实现他三年前的目标，并坚持这一目标。

▶ So what does President Trump do to jar that move?

那么特朗普总统如何阻止这一行动？

 00:08:25

▶ So far, nothing has worked.

到目前为止，没有任何效果。

▶ And still in the midst of our conversation, President Trump has just taken to social media about this issue, saying India is not only buying massive amounts of Russian oil, they are then for much of the oil purchase, selling it on the open market for big profits.

在我们的谈话中，特朗普总统刚刚在社交媒体上就这一问题发表言论，称印度不仅购买了大量俄罗斯石油，还将大部分石油在公开市场上出售以获取巨额利润。

▶ They don't care how many people in Ukraine are being killed by the Russian war machine.

他们不在乎有多少乌克兰人被俄罗斯战争机器杀害。

 00:08:46

▶ Because of this, I will be substantial raising the tariffs paid by India to the USA.

因此，我将大幅提高印度向美国支付的关税。

▶ Thank you for your attention to this matter, President Trump.

感谢您对此事的关注，特朗普总统。

▶ So we will continue to see how this plays out over the coming days.

因此，我们将继续关注未来几天的发展。

▶ In the lead up to that meeting, when, Steve Wyckoff goes to Moscow to heal Doherty.

在会议前夕，当史蒂夫·威科夫前往莫斯科时，多尔蒂。

▶ We'll leave it there for now, but thanks so much.

我们就到这里，非常感谢。
