🎧 Bloomberg News previously reported that the US and Russia are aiming to end the war with a deal that would lock in Moscow's occupation of territory seized during its military invasion.

彭博新闻此前报道称，美国和俄罗斯旨在通过一项协议结束战争，该协议将巩固莫斯科在军事入侵期间占领的领土。

🎧 Though the White House called the report speculation, President Trump alluded to a possible swap of territory.

▶ What shape do these highly anticipated talks actually take next week when they do take place in Alaska on Friday?

▶ So very, very significant for sure.

所以非常非常重要。

▶ We'll wait to see what more President Trump has to say.

我们将等待特朗普总统的进一步表态。

▶ But also having said this, it's important to point out that Vladimir Zelensky, President of Ukraine has, as early as yesterday, also voiced some concerns talking about the need for a Ukraine in voice.

但同样重要的是要指出，乌克兰总统弗拉基米尔·泽连斯基早在昨天就表达了一些担忧，谈到需要乌克兰参与。

bilibili 00:03:26

▶ If there is any kind of meeting he has said once again that, in fact, in that evening address to the country, he said that any conversations must include a voice from Kiev.

 00:03:50

▶ And coupled with that, you've seen the kind of statement that came in from President Trump earlier this evening where he talked about, quote, swapping of territories.

再加上今晚早些时候特朗普总统发表的关于"领土交换"的声明。

▶ Thank you for being with us.

感谢您的到来。

▶ Good to see you.

很高兴见到你。

▶ So this conversation, this meeting, face to face between President Trump and Putin, their first meeting in six years.

所以这次对话，这次会晤，特朗普总统和普京的面对面会晤，是他们六年来的首次会面。

▶ How do you think it'll go?

你认为会怎么样？

特朗普总统现在比他们上次会面时的第一个任期更强势。

▶ And President Putin is in a weaker position than that time.

而普京总统比那时更弱势。

▶ So all of that indicates that President Trump has the opportunity, the leverage, to get to a good, at least ceasefire.

所以所有这些都表明特朗普总统有机会、有筹码达成一个好的、至少是停火协议。

▶ Are you surprised Ukraine is not involved in these talks?

你对乌克兰没有参与这些会谈感到惊讶吗？

 00:05:23

▶ Ukraine is going to have to be involved in these talks sooner or later, ideally sooner.

乌克兰迟早要参与这些会谈，理想情况下是尽早。

▶ If you've got, if you're talking about a ceasefire, that's Russians and Ukrainians.

如果你谈论的是停火，那是俄罗斯人和乌克兰人。

▶ But you can't do it one sided.

但你不能单方面这样做。

▶ When you're talking about the longer term deal, the longer term settlement on territories and borders and reparations and accountability, those will take time and they will obviously have the Ukrainians there.

当你谈论更长期的协议，关于领土、边界、赔偿和责任的长期解决方案时，这些需要时间，显然乌克兰人会在场。

 00:05:47

▶ But on the ceasefire, yes, there's got to be two parties.

但关于停火，是的，必须有两方。

▶ So the Ukrainians have to be represented sooner or later, one way or the other.

所以乌克兰人迟早要以某种方式参与。

▶ Territory you mentioned there is one of the big ones.

你提到的领土是大问题之一。

▶ Ukraine has consistently said it will not give up any of its territory.

乌克兰一直表示不会放弃任何领土。

▶ There are reports that it might have to or there's going to be pressure at least for Moscow to stay in areas like the Donbass.

有报道称它可能不得不放弃，或者至少会有压力让莫斯科留在顿巴斯等地区。

bilibili 00:06:11

▶ How do you see that going?

你怎么看？

▶ I see that there's a way to make that work.

我认为有办法解决。

▶ That is, the Ukrainians, rudgingly understand that Russia occupies, illegally occupies, 90% of their country right now, Donbass and Crimea.

也就是说，乌克兰人不情愿地理解俄罗斯现在占领、非法占领了他们国家的90%，即顿巴斯和克里米亚。

▶ That 90% they recognize and Ukrainians recognize they're not going to push the Russians out of militarily.

他们承认这90%，乌克兰人承认他们无法通过军事手段赶走俄罗斯人。

bilibili 00:06:34

▶ But they're not going to give up claim.

但他们不会放弃主张。

▶ The Ukrainians are not going to get up legal claim to that.

乌克兰人不会放弃对这些地区的法律主张。

▶ Sometimes like West Germany, East Germany, the West Germans never gave up the hope, the possibility, the commitment, to take back East Germany.

就像西德和东德，西德从未放弃收回东德的希望、可能性和承诺。

▶ And so the Ukrainians will do something similar.

所以乌克兰人也会做类似的事情。

▶ They will accept that the Russians are there for now, but they won't give up claim.

他们会接受俄罗斯人现在在那里，但不会放弃主张。

 00:06:56

▶ They will not recognize that as part of Russia.

他们不会承认这些地区是俄罗斯的一部分。

▶ And they don't want us to recognize that as part of Russia either.

他们也不希望我们承认这些地区是俄罗斯的一部分。

▶ We have seen a bit of a change in the last few months in President Trump's diplomatic approach to this matter.

过去几个月我们看到特朗普总统在这个问题上的外交方式有所改变。

▶ I mean, we saw that very public dressing down in the Oval Office of President Zelensky versus fast forward to now when America is sending even more military aid to Ukraine, and Donald Trump saying he's not impressed with President Putin.

我是说，我们看到他在椭圆形办公室公开斥责泽连斯基总统，而现在美国向乌克兰提供更多军事援助，特朗普说他并不欣赏普京总统。

 00:07:22

制裁的威胁，不仅仅是威胁，实际上特朗普对印度，可能是俄罗斯石油的最大买家，征收关税，或即将生效，50%以惩罚俄罗斯。

▶ So the trend has been good as far as the Ukrainians are concerned over the last couple of weeks.

所以过去几周对乌克兰人来说趋势是好的。

▶ So talk us through President Putin's position then, because as you mentioned, sanctions, secondary sanctions, losing friends on the international stage.

那么给我们讲讲普京总统的立场，因为你提到了制裁、二级制裁，在国际舞台上失去朋友。

▶ Putin is not losing friends.

普京并没有失去朋友。

▶ He is a pariah.

他是个弃儿。

▶ He's an indicted war criminal.

他是被起诉的战犯。

▶ It's a little bit risky for him to show up in Alaska.

我是说，美国人有权，甚至可能有义务逮捕他并送交法庭。

▶ That probably won't happen.

这可能不会发生。

▶ But he is a pariah, he's an outcast, and he's looking for this meeting to bring him back in from the cold.

但他是个弃儿，是个被排斥的人，他希望通过这次会晤让他从冷遇中回来。

▶ Putin needs this for that reason as well as to drag it out so that there's not an agreement that he can't abide by.

普京需要这个原因，也是为了拖延时间，以免达成他无法遵守的协议。

bilibili 00:08:53

▶ Okay, Bill Taylor, former US ambassador to Ukraine.

好的，比尔·泰勒，美国前驻乌克兰大使。

▶ Mr. Taylor, thank you very much.

泰勒先生，非常感谢。

▶ Thank you, Richard.

谢谢你，理查德。

bilibili 00:09:16

▶ The Israeli government is pushing this plan, but it's had pushback from its own military.

以色列政府正在推动这一计划，但遭到了本国军方的反对。

▶ How is it going to do this if it doesn't have the army on board?

如果没有军队的支持，它将如何做到这一点？

▶ Well, as you reported earlier, the culture of the Jewish people and certainly within government between the military and all the departments and agencies or ministries is debate.

正如你之前报道的那样，犹太人民的文化，当然也包括政府内部军队与各部门、机构或部委之间的文化是辩论。

bilibili 00:13:59

▶ And it's no different here.

这里也不例外。

▶ The military leadership has a responsibility, just like we would do in the US to lay out the implications of such an offensive operation.

军方领导层有责任，就像我们在美国所做的那样，阐明这种进攻行动的后果。

▶ The several thousand, the several maneuver brigades are going to be required to go into Gaza.

需要数千人，几个机动旅将进入加沙。

▶ And I suspect that the chief general staff and his advisors have expressed to Prime Minister Netanyahu and his war cabinet.

我怀疑总参谋长及其顾问已向内塔尼亚胡总理及其战时内阁表达了意见。

bilibili 00:14:27

▶ Not only the human cost of Israeli soldiers for this type of operation, but also the increasing likelihood of more Palestinians so they can't do this as a result.

不仅是这种行动对以色列士兵的人力成本，还有更多巴勒斯坦人伤亡的可能性增加，因此他们无法这样做。

▶ And very important is the likelihood of the loss of life of the 20 assessed hostages that are still alive.

非常重要的一点是，20名被评估仍活着的人质可能丧生。

▶ And being held in Gaza City or in its environs.

他们被关押在加沙城或其周边地区。

bilibili 00:14:52

▶ We're kind of running out of superlatives to describe the situation in Gaza.

我们几乎用尽了最高级词汇来描述加沙的局势。

▶ Some of the phrases we're using are starting to feel frankly like cliches.

坦率地说，我们使用的一些词汇开始感觉像是陈词滥调。

▶ The situation on the ground is appalling.

地面局势令人震惊。

▶ As you mentioned, there is the threat of further harm to civilian life, not to mention the Israeli hostages still being held in Gaza.

正如你所提到的，平民生命面临进一步伤害的威胁，更不用说仍被关押在加沙的以色列人质。

 00:15:12

▶ Mr Netanyahu says he wants to do this to wipe out Hamas.

内塔尼亚胡先生表示，他想这样做是为了消灭哈马斯。

▶ If this necessary Hamas is surely already in a weakened state, taking over Gaza City is just over and above.

如果这是必要的，哈马斯肯定已经处于弱势状态，占领加沙城只是锦上添花。

▶ Well, they're in a weakened state, but as a result of almost two years of combat operations, while Israel has been very successful at targeting Hamas and Palestinian Islamic Jihad leadership, they've also, as a result of operations, they've also created a whole new cadre of Hamas foot soldiers that exist.

他们处于弱势状态，但这是近两年战斗行动的结果，虽然以色列在针对哈马斯和巴勒斯坦伊斯兰圣战组织领导层方面非常成功，但作为行动的结果，他们也培养了一批新的哈马斯步兵。

 00:15:49

▶ So I think the estimates now are between 18 to 20,000 Hamas members that are still in probably some of our PIJ as well, certainly, but that's a significant threat.

因此，我认为目前的估计是仍有1.8万至2万名哈马斯成员，可能还有一些巴勒斯坦伊斯兰圣战组织成员，当然，这是一个重大威胁。

▶ And the other challenge is that from the outset of this campaign, Israel has done nothing to develop an air of lead security force that can replace or assume responsibility for security as areas are cleared.

另一个挑战是，从这次行动一开始，以色列就没有培养一支可以替代或承担安全责任的领导安全部队，以清理地区。

▶ So as these operations are going to inevitably move north and earnest, there's no local security that's taking responsibility for law and order or to address Hamas that may successfully move with the mass population movement that's going to take place to the south.

因此，随着这些行动不可避免地北上并认真展开，没有地方安全部队负责法律和秩序，或应对可能随着大规模人口南迁而成功转移的哈马斯。

 00:16:40

▶ So part of it is Israel's doing because they have not come up with a viable alternative, not trained, a force that you're completely have discounted the Palestinian Authority Security Forces in the West Bank to serve as the core, which I think is a big mistake because no air of country is going to take over the responsibility of security.

因此，部分是以色列的责任，因为他们没有提出可行的替代方案，没有训练一支完全忽视西岸巴勒斯坦权力机构安全部队作为核心的部队，我认为这是一个重大错误，因为没有国家会承担安全责任。

▶ They'll certainly advise an Egypt is offered, that Jordan is offered, that is so-of-some of the Gulf States, but ultimately it's going to have to be Palestinians, Palestinian security forces that are responsible for the security of their people.

他们当然会建议埃及提供帮助，约旦提供帮助，一些海湾国家也提供帮助，但最终必须由巴勒斯坦人、巴勒斯坦安全部队负责其人民的安全。

▶ You can't outsource that responsibility.

你不能外包这一责任。

 00:17:18

▶ It's got to be the will and resolve of the Palestinian people.

这必须是巴勒斯坦人民的意志和决心。

▶ Okay, Lieutenant General Mark Schwartz, General Schwartz, thank you very much.

好的，马克·施瓦茨中将，施瓦茨将军，非常感谢。

经过数十年的冲突，阿塞拜疆和亚美尼亚签署了一项由美国斡旋的框架协议，旨在加强经济联系。

 00:18:53

▶ The agreement sees the US getting exclusive rights to develop a strategic transit corridor through the Caucasus.

该协议赋予美国独家开发通过高加索地区的战略运输走廊的权利。

▶ President Trump called the meeting at the White House with Azerbaijan's President Ilham Aliyev and Armenia's Prime Minister Nikol Pashinyan, an historic peace summit.

特朗普总统称在白宫与阿塞拜疆总统伊利哈姆·阿利耶夫和亚美尼亚总理尼科尔·帕希尼扬的会晤为历史性的和平峰会。

▶ Our correspondent, Rehan Dmitri Sen, this report from the Georgian capital to Bliisi.

我们的记者雷汉·德米特里·森从格鲁吉亚首都第比利斯发回这篇报道。

 00:19:15

▶ There has been certain skepticism, I would say, in the South Caucasus, both in Armenia and in Azerbaijan, whether this will indeed be the peace deal that will end the conflict that started in the late 1980s over the territory of Nagorno-Karabakh, which was part of Soviet Azerbaijan.

可以说，在南高加索地区，无论是亚美尼亚还是阿塞拜疆，都存在一定的怀疑，这是否真的会成为结束上世纪80年代末开始的纳戈尔诺-卡拉巴赫领土冲突的和平协议，该地区曾是苏联阿塞拜疆的一部分。

⏮ And there were two full-scale wars, one in the 1990s when Armenia occupied that territory and hold on to that territory until 2020 when Azerbaijan regained most of the territory.

曾发生过两场全面战争，一场是在1990年代，亚美尼亚占领了该领土并一直控制到2020年，阿塞拜疆重新夺回了大部分领土。

⏮ And that was a really bad conflict, which I would say wiped out the entire generation of young boys, Armenian and Azari boys, 18, 19, 20-year-old boys.

那是一场非常糟糕的冲突，可以说消灭了整个一代的年轻男孩，亚美尼亚和阿塞拜疆的18、19、20岁的男孩。

 00:20:05

⏮ The death toll was really big, up to 8,000 soldiers were killed in a six-week conflict.

死亡人数非常高，在六周的冲突中多达8000名士兵丧生。

⏮ That's back in 2020.

那是在2020年。

⏮ And eventually, Azerbaijan regained the entire territory, forcing around 100,000 ethnic Armenians out of their historic land.

最终，阿塞拜疆重新夺回了整个领土，迫使约10万亚美尼亚族人离开他们的历史土地。

⏮ So there is a lot at stake in this peace deal.

因此，这项和平协议关系重大。

⏮ Well, for more on this deal, I spoke to Jeff Mankov of these Center for Strategic and International Studies.

关于这项协议的更多内容，我采访了战略与国际研究中心的杰夫·曼科夫。

 00:20:40

▶ Jeff let me begin by asking, four decades of fighting, we have seen deals before, attempts at deals before, what do you make of this latest agreement?

杰夫，让我首先问一下，四十年的战斗，我们之前见过协议，之前有过尝试，你对这项最新协议怎么看？

▶ I think it's the combination of the process that you described, ever since the fall of Nagorno-Karabakh in 2023.

我认为这是你所描述的过程的结合，自2023年纳戈尔诺-卡拉巴赫陷落以来。

▶ The outlines of a deal have been there.

协议的轮廓已经存在。

▶ And I think the leaders of Armenian, Azerbaijan, have been negotiating for some time to come to an agreement on the framework that was initial today in Washington.

我认为亚美尼亚和阿塞拜疆的领导人已经谈判了一段时间，以就今天在华盛顿草签的框架达成协议。

bilibili 00:21:15

▶ It took some intervention by the U.S. to bring that deal to conclusion.

美国的干预促成了这项协议的达成。

▶ That's a process that's been going on now for a couple of months.

这一过程已经进行了几个月。

▶ And it was just about bridging a couple of the remaining divides.

这只是为了弥合一些剩余的分歧。

▶ There are still some outstanding issues that will need to be resolved before the signing of the final peace agreement and a stratification.

在签署最终和平协议和分层之前，仍有一些悬而未决的问题需要解决。

bilibili 00:21:37

▶ But this is clearly a big step in the right direction.

但这显然是朝着正确方向迈出的一大步。

🎧 Well, you mentioned those outstanding issues.

你提到了那些悬而未决的问题。

🎧 There, one of those is refugees, particularly the ethnic Armenians who fled Nagorno-Karabakh, as well as corridors, trade agreements, etc.

其中之一是难民问题，特别是逃离纳戈尔诺-卡拉巴赫的亚美尼亚族人，以及走廊、贸易协议等。

🎧 How are these going to shake out?

这些问题将如何解决？

🎧 Yes, the framework agreement that was initial today addressed to the corridor issue by giving the United States exclusive development rights over that corridor.

是的，今天草签的框架协议通过赋予美国对该走廊的独家开发权来解决走廊问题。

 00:22:07

🎧 It was a way of addressing Armenia's concern about maintaining sovereignty over the roads on its territory while ensuring that Azerbaijan connectivity between mainland Azerbaijan and the Nakjavan-X-Klave, the refugee issue is going to be challenging to resolve.

这是一种解决亚美尼亚对其领土上道路主权的担忧的方式，同时确保阿塞拜疆本土与纳希切万之间的连通性，难民问题将很难解决。

🎧 I think realistically there's not really a framework for the refugees from Nagorno-Karabakh to return.

我认为现实地说，纳戈尔诺-卡拉巴赫的难民并没有真正的回归框架。

🎧 I think probably what we'll be looking at is some kind of agreement for compensation or help with resettlement in exchange for the territorial settlement and the recognition of borders.

我认为我们可能会看到某种补偿协议或重新安置帮助，以换取领土解决和边界承认。

 00:22:44

▶ One of the reasons this is dragged on so long without a deal being able to be agreed is each country argues that the other country's constitution infringes its sovereign territory.

这项协议拖了这么久无法达成的原因之一是，每个国家都认为另一国的宪法侵犯了其主权领土。

▶ We've got the Azerbaijan president and the Armenian Prime Minister.

我们有阿塞拜疆总统和亚美尼亚总理。

▶ Each side has raised legal cases against the other in international courts.

双方都在国际法院对对方提起了法律诉讼。

 00:23:06

▶ Are there no kibosh?

没有阻碍吗？

▶ Does that end for these squabbles?

这些争吵会结束吗？

▶ That is obviously a key element in the final peace treaty that remains to be signed.

这显然是待签署的最终和平条约的关键要素。

▶ Again, I think the framework for what that agreement is going to look like has been known for some time and that is agreement on the borders of the two countries as they existed at the end of the Soviet Union, but getting to a formal agreement that's signed and ratified is still going to be a process.

我认为该协议的框架已经为人所知一段时间了，那就是两国在苏联解体时的边界协议，但要达成签署和批准的正式协议仍将是一个过程。

 00:23:43

▶ Key to this, of course, was the fact that this was a trilateral agreement that the two sides have failed to reach an agreement thus far, that the third party was not Russia, not Turkey.

当然，关键的一点是，这是一项三边协议，双方迄今未能达成协议，第三方不是俄罗斯，也不是土耳其。

▶ It was the United States.

是美国。

▶ This is Russia's backyard.

这是俄罗斯的后院。

▶ What does this mean for the region?

这对该地区意味着什么？

▶ I think the role of the United States was very significant in bringing this agreement to a consummation and the fact that the United States is going to be involved through a joint venture operating the transit route across Armenia means that the US is going to continue to be a presence in the region going forward.

我认为美国在促成这项协议方面发挥了非常重要的作用，美国将通过合资企业运营穿越亚美尼亚的运输路线，这意味着美国将继续在该地区存在。

 00:24:18

▶ Obviously, that is a significant concern in both Moscow and Tehran.

显然，这对莫斯科和德黑兰都是一个重大关切。

▶ We've heard from sources in both countries that they're unhappy with the idea of an enduring US presence.

我们从两国的消息来源听说，他们对美国长期存在的想法感到不满。

▶ I think that we should expect that there's going to be further criticism and potentially attempts on the part of one or both to interfere.

我们应该预料到，未来会有人提出进一步批评，并可能有一方或双方试图干预。

▶ but both Russia and Iran are in some of weakened states right now.

但目前俄罗斯和伊朗都处于某种削弱状态。

 00:24:42

🎧 Russia is devoting all of its attention and resources to the war in Ukraine, whereas Iran has faced significant setbacks due to its conflict with Israel and the American strikes on its nuclear program.

俄罗斯正将全部注意力和资源投入乌克兰战争，而伊朗则因与以色列的冲突以及美国对其核计划的打击而遭遇重大挫折。

🎧 So this seems like an opportune moment, one where both of those actors are weakened and where there's a window of opportunity for the United States to step in.

因此，这似乎是一个有利时机，这两个行为体都被削弱，而美国有机会介入。

🎧 If Russia or Iran were to try and jeopardize this agreement in the short or longer term, what form could that take?

如果俄罗斯或伊朗试图在短期或长期内破坏这一协议，可能会采取什么形式？

 00:25:10

🎧 I think Russia in particular has the capability to stir political instability in the region.

我认为俄罗斯尤其有能力在该地区煽动政治不稳定。

🎧 There are particular vulnerabilities in Armenia where there have been accusations of Russian support for coup plots targeting the government of Prime Minister Pashinyan.

亚美尼亚存在特别的脆弱性，有人指控俄罗斯支持针对帕希尼扬总理政府的政变阴谋。

🎧 Azerbaijan has also had a pretty serious diplomatic rout with Russia since the downing of an Azerbaijanic passenger plane by Russian air defense a couple of months ago.

阿塞拜疆与俄罗斯的外交关系也因几个月前俄罗斯防空系统击落一架阿塞拜疆客机而严重受挫。

 00:25:41

🎧 I think we could see plenty of Russian grey zone activities targeting one or both of those countries.

我认为我们可能会看到大量针对这两个国家或其中之一的俄罗斯灰色地带活动。

🎧 Again, I think that the vulnerabilities are greatest in Armenia, but right now, again, Russia is probably at a low ed and is less willing and able to take really strong steps to disrupt this

agreement compared to what it could have done say before February 2022.

再次强调，我认为亚美尼亚的脆弱性最大，但目前俄罗斯可能处于低谷，与2022年2月之前相比，它不太愿意也较难采取真正强有力的措施来破坏这一协议。

⏮ And just in the last few minutes, the Kremlin has confirmed the summit in Alaska, calling it quite logical, and says it's invited President Trump to Russia that meeting between the two men confirmed in Alaska on Friday.

就在几分钟前，克里姆林宫确认了阿拉斯加峰会，称其非常合理，并表示已邀请特朗普总统前往俄罗斯，两人将于周五在阿拉斯加会晤。
