 Minnesotans, Minneapolis will absolutely surround each other with comfort and support in the days and weeks ahead and certainly law enforcement under the direction of chief Ohera, but the Minneapolis Police Department will continue this investigation.

明尼苏达人、明尼阿波利斯绝对会在未来的几天和几周内用安慰和支持包围彼此，当然还有在奥赫拉局长领导下的执法部门，但明尼阿波利斯警察局将继续这项调查。

 Obviously, the shooters deceased, but they're going to investigate to get as much evidence and information as they can to try to get a profile of this individual and what caused or what was the motive for why he did what he did.

显然，枪手已死，但他们将进行调查，尽可能收集证据和信息，试图描绘出这个人的形象，以及是什么原因或动机导致他做出了这样的事情。

也许您可以根据您的经验谈谈这一点。

🎧 And also importantly, Claire, they'll be interviewing and in-depth interviews with family members, the neighbors, co-workers, friends, everyone to try to get a snapshot and a clear profile and picture of a motive behind this tragedy today.

同样重要的是，克莱尔，他们将进行访谈和深入访谈，与家庭成员、邻居、同事、朋友、每个人交谈，试图获取今天这场悲剧背后动机的快照、清晰的轮廓和画面。

 00:06:44

🎧 We also know that FBI is investigating this as an act of domestic terrorism and also a hate crime targeting Catholics.

我们还知道联邦调查局正将此作为国内恐怖主义行为以及针对天主教徒的仇恨犯罪进行调查。

🎧 How will that come into play as police go about their work here?

这将如何影响警方在这里开展工作？

🎧 Well, obviously right now in terms of the localized level, manyapolis police will leave the investigation in terms of the homicides and shooting assault that took place today in their jurisdiction.

嗯，显然就地方层面而言，明尼阿波利斯警方将负责其管辖范围内发生的谋杀和枪击袭击事件的调查。

 00:07:08

🎧 But they lean on the federal agencies, the FBI here.

但他们倚重联邦机构，即这里的联邦调查局。

🎧 If in fact there is a federal hate crime that was committed, they have to obviously determine that.

如果确实存在联邦仇恨犯罪，他们显然必须确定这一点。

🎧 And if there's any other sorts of federal crimes associated with this, so it'll be a layered approach in terms of in terms of what a prosecution will ultimately not a prosecution that the person is deceased.

如果还有任何其他类型的与此相关的联邦犯罪，那么这将是一种分层的方法，就起诉而言最终...由于此人已死，并非起诉。

bilibili 00:07:30

▶ But they will look at if there's other individuals who might have supported, aided and abetted this shooter.

但他们将调查是否还有其他可能支持、协助和教唆这名枪手的个人。

▶ And so manyapolis will take the lead on terms of the crime that occurred, the homicides and the shootings in the city of Minneapolis.

因此，明尼阿波利斯警方将牵头处理在明尼阿波利斯市发生的犯罪、凶杀和枪击事件。

▶ But the federal FBI will also look at if there were any federal sorts of violations that occurred.

但联邦调查局也会调查是否发生了任何类型的联邦违法行为。

bilibili 00:07:48

▶ As our correspondent said, this is something that every family fears for their child.

正如我们的记者所说，这是每个家庭都为自己孩子担心的事情。

▶ When you look at how police handled the immediate response, are there lessons that could be learned in other cities across the US or other communities for the future?

当您审视警方如何处理即时响应时，美国其他城市或其他社区未来可以从中吸取哪些教训？

▶ Well, one thing for sure, Minneapolis police department, you know, trains all the time in terms of preparing themselves for these active shooter incidents.

嗯，有一点是肯定的，明尼阿波利斯警察局一直在进行培训，为应对这些活跃枪手事件做准备。

bilibili 00:08:11

▶ They train actually very well with other mutual agencies.

他们实际上与其他互助机构训练得非常好。

▶ It's part of that training clear that you train repetitively over and over again, hoping you never have to respond to a situation like this.

训练的一部分很清楚，就是你反复地、一遍又一遍地训练，希望永远不必应对这样的情况。

▶ From at least the initial accounts from dispatch, MPD officers derived within a very, not to the victims at the scene.

至少从调度的最初报告来看，MPD警员在非常...（的时间内赶到），对现场的受害者来说不是（很久）。

bilibili 00:08:31

▶ It seems like forever.

感觉像永远。

▶ But they arrived at a very quick amount of time.

但他们到达的时间非常快。

▶ And even the mass casualty alert that was alerted back to our level one trauma centers, they got that about 14 minutes after what appears to be the initial call to dispatch.

甚至大规模伤亡警报反馈到我们的一级创伤中心，他们是在大约接到最初调度电话的14分钟后得到的。

▶ So the response, they're going to look at the response and everything else.

所以响应，他们会审视响应及其他一切。

bilibili 00:08:49

▶ Certainly, it looks like the school at least preliminarily.

当然，看起来学校至少初步地。

▶ They did a decent enough job to try to secure the school.

他们做了足够好的工作来试图保护学校安全。

▶ And so the shooter, at least, again, initial information stood outside on the campus grounds of an unceasing and fired into the school as mass was attending.

因此枪手，至少根据初步信息，是站在学校校园的场地上，不间断地向正在举行弥撒的学校内部开枪。

▶ So they're going to look at all of those things and look at the response.

所以他们将审视所有这些事情并审视响应。

 00:09:13

▶ They're also going to, again, look at the motive of this shooter and what the evidence comes from that, Claire.

他们还将再次调查这名枪手的动机以及证据所显示的内容，克莱尔。

▶ Well, sir, thank you so much for taking the time to speak with us today.

好的，先生，非常感谢您今天抽出时间与我们交谈。

▶ We've been talking to Madera Aradondo, who was chief of the Minneapolis Police Department.

我们一直在与明尼阿波利斯警察局前局长梅德拉·阿雷达多交谈。

▶ Thank you.

非常感谢你，克莱尔。

 00:09:31

▶ Well, President Trump has shared a meeting in Washington to discuss plans for Gaza once the war ends around the table.

嗯，特朗普总统在华盛顿主持了一次会议，围绕桌子讨论战争结束后的加沙计划。

▶ His son-in-law, the former Middle East envoy, Jared Kushner and former British Prime Minister Tony Blair.

他的女婿、前中东特使贾里德·库什纳以及英国前首相托尼·布莱尔出席了会议。

▶ The White House has provided little detail on the plan that was discussed, described by US Special Envoy.

白宫对讨论的计划提供的细节很少，该计划被美国特使...

bilibili 00:09:51

▶ Steve Witt cough as comprehensive.

史蒂夫·(此处录音可能为人名误听或口误, 按原文转录) ... 描述为全面的。

▶ Remember the last time we heard of a US postwar plan for Gaza was in February, when President Trump talked about developing what he called the Riviera of the Middle East.

记得我们上次听到美国关于加沙的战后计划是在二月份, 当时特朗普总统谈到要开发他所谓的“中东里维埃拉”。

▶ Now, that plan would have forced the displacement of Palestinians living there.

该计划本会迫使居住在那里的巴勒斯坦人流离失所。

▶ It was supported by Israel, but prompted international outcry, described as a gross violation of international law.

它得到了以色列的支持, 但引发了国际社会的强烈抗议, 被描述为严重违反国际法。

bilibili 00:10:14

▶ Well, Arab nations instead endorsed a \$53 billion Egyptian proposal to rebuild the enclave with the Palestinian Authority eventually governing it.

而阿拉伯国家则认可了一项价值530亿美元的埃及提案, 该提案旨在重建该飞地, 并最终由巴勒斯坦权力机构管理。

▶ The US and Israel rejected that plan.

美国和以色列拒绝了该计划。

▶ And in the month since, a ceasefire in Gaza has fallen apart and negotiations between Israel and Hamas have stalled.

自那以后的一个月里, 加沙的停火协议破裂, 以色列和哈马斯之间的谈判陷入停滞。

bilibili 00:10:34

▶ It's understood no Israeli or Palestinian representatives participated in the meeting at the White House today, but Mr. Trump, Secretary of State Marco Rubio has been holding talks with his Israeli counterpart, Gideon Sar in Washington.

据了解，没有以色列或巴勒斯坦代表参加今天在白宫举行的会议，但特朗普先生，（此处录音可能为人名或职务误听，按原文转录）国务卿马可·鲁比奥一直在华盛顿与以色列对口官员吉迪恩·萨尔举行会谈。

⏮ As to afterward about prospects for a Palestinian state, Mr. Sar told reporters there would not be one.

关于之后巴勒斯坦国的前景，萨尔先生告诉记者不会有一个（巴勒斯坦国）。

⏮ Like comprehensive deal to end the war is what Hamas has been demanding for months before it was pressed into a phased ceasefire proposal put forward by Egypt.

像结束战争的全面协议是哈马斯数月来一直要求的，之后它才被迫接受埃及提出的分阶段停火提案。

 00:11:03

⏮ Now, that proposal mirrors an earlier deal that Israel signed on to, but Israel's Prime Minister Benjamin Netanyahu has now changed his stance, saying he'll only end the war on specific conditions, one of which is to block the Palestinian Authority from any role in post-war Gaza.

该提案反映了一项以色列之前同意的早期协议，但以色列总理本杰明·内塔尼亚胡现已改变立场，表示他只会在特定条件下结束战争，其中之一是阻止巴勒斯坦权力机构在战后加沙发挥任何作用。

⏮ Our Middle East correspondent Lucy Williamson has been speaking to the PA's security spokesman in Ramallah.

我们的中东记者露西·威廉姆森一直在拉马拉与巴勒斯坦权力机构的安全发言人交谈。

⏮ Netanyahu does not want this war to stop.

内塔尼亚胡不想让这场战争停止。

 00:11:30

⏮ Unfortunately, Hamas is facilitating this.

不幸的是，哈马斯正在助长这一点。

⏮ First, the war must stop, and people must be given shelter, electricity, and water.

首先，战争必须停止，必须为人民提供住所、电力和水。

⏮ Given the enormous scale of the task that won't happen without international efforts and Arab support, the Palestinian Authority cannot carry out its responsibilities alone in the Gaza Strip.

鉴于任务的庞大规模，没有国际努力和阿拉伯支持就无法实现，巴勒斯坦权力机构无法独自在加沙地带履行职责。

bilibili 00:11:51

⏮ But if neither Hamas nor Israel want you involved, isn't there a risk that the PA will be sidelined from any post-war plan in Gaza?

但如果哈马斯和以色列都不希望你参与，巴勒斯坦权力机构难道没有在加沙任何战后计划中被边缘化的风险吗？

⏮ Are you not worried about that?

你难道不担心这一点吗？

⏮ These attempts have been ongoing since the beginning of the war and have never ceased.

这些企图从战争开始以来就一直在进行，从未停止。

⏮ We will do whatever necessary to reclaim our role in the Gaza Strip.

我们将采取一切必要措施，以恢复我们在加沙地带的作用。

bilibili 00:12:12

⏮ We will be as flexible as possible.

我们将尽可能保持灵活。

⏮ But the one principle we will not compromise on is that Palestinian Authority must be present in the Gaza Strip in its current form and not hiding behind another label.

但我们不会妥协的一个原则是，巴勒斯坦权力机构必须以当前形式存在于加沙地带，而不是隐藏在另一个标签后面。

▶ If there's no deal and Israel forces a surrender from Hamas, would you work with Israel to secure Gaza?

如果没有协议，以色列迫使哈马斯投降，你会与以色列合作以确保加沙的安全吗？

bilibili 00:12:34

▶ Certainly.

当然。

▶ This is what we are striving for.

这正是我们努力争取的。

▶ We demand that the war comes to an end.

我们要求战争结束。

▶ The Israeli army withdraws from the Gaza Strip and the Palestinian Authority and security forces take over all with Arab and international support.

以色列军队从加沙地带撤出，巴勒斯坦权力机构和安全部队在阿拉伯和国际支持下接管一切。

▶ So you're prepared to coordinate with the Israelis on that over securing Gaza and the day after.

所以你准备在确保加沙安全和战后安排方面与以色列人协调。

bilibili 00:12:55

▶ You're prepared to work with the Israelis on that.

你准备在这件事上与以色列人合作。

▶ But within a clear political vision, certainly, we have previously cooperated with them.

但当然是在一个清晰的政治愿景之内，我们以前曾与他们合作过。

▶ But what is the nature of this cooperation?

但这种合作的性质是什么？

▶ And what are its limits?

它的界限又是什么？

▶ This is the most important question.

这是最重要的问题。

▶ And for more, I'd like to welcome Aaron David Miller, who's previously worked in the State Department as a Middle East negotiator in both Democratic and Republican administrations.

更多内容，我想欢迎亚伦·戴维·米勒，他此前曾在国务院工作，在民主党和共和党政府中担任中东谈判代表。

bilibili 00:13:20

▶ He's now a senior fellow at the Carnegie Endowment for International Peace.

他现在是卡内基国际和平基金会的高级研究员。

▶ It is good to see you.

很高兴见到你。

▶ Again, first of all, looking at our correspondence interview with the Palestinian Authority Security Services, I'm curious to get your view on how realistic a role for the Palestinian Authority is in a possible post-war Gaza.

再次，首先，看了我们与巴勒斯坦权力机构安全部门的通讯采访，我很好奇您如何看待巴勒斯坦权力机构在战后加沙可能扮演的角色的现实性。

bilibili 00:13:39

▶ And not very at this stage.

现阶段不太现实。

▶ I mean, Palestinians are faced with an impalatable choice.

我的意思是，巴勒斯坦人面临着一个难以接受的选择。

▶ On one hand, you've got Hamas.

一方面，你有哈马斯。

▶ On the other, you have Mahmoud Abbas.

另一方面，你有马哈茂德·阿巴斯。

🎧 I think a man who issues violence, but who is accused of corruption, authoritarian behavior.

我认为他是一个诉诸暴力的人，但被指控腐败、专制行为。

🎧 He's feckless.

他软弱无能。

🎧 He controls no more than 40 percent of the West Bank, no small part as a consequence of Israel's efforts to undermine him.

他控制的西岸地区不超过40%，这在很大程度上是以色列努力削弱他的结果。

 00:14:06

🎧 And you've done an Israeli government that was right-wing in Israel's history, which essentially has said no PA role.

而你面对的是以色列历史上最右翼的政府，它基本上已经排除了巴勒斯坦权力机构的作用。

🎧 So at best, we're talking about a reform Palestinian Authority, even the UAE, insist on that.

所以充其量，我们谈论的是一个改革后的巴勒斯坦权力机构，甚至连阿联酋也坚持这一点。

🎧 And it would probably have to follow kind of technocratic government, which will be supported by the International Community, Keirab States, which would have a link to the Palestinian Authority.

它可能必须遵循某种技术官僚政府的形式，这将得到国际社会、阿拉伯国家的支持，并与巴勒斯坦权力机构保持联系。

 00:14:33

🎧 But the prospects of its coming back to govern Gaza, let alone to secure it, I think, are slim to none right now.

但它回来治理加沙的前景，更不用说保障其安全了，我认为目前微乎其微。

🎧 I also want to ask you about this meeting chaired by Trump on post-war Gaza.

我还想问你关于特朗普主持的这次关于战后加沙的会议。

▶ We don't have a lot of details of what was discussed, but what is the fact that former Prime Minister Tony Blair was present telling you about what might have been discussed?

我们没有很多讨论细节，但前首相托尼·布莱尔在场这一事实告诉你可能讨论了什么？

bilibili 00:14:58

▶ Well, Blair has been involved in this since 2007.

嗯，布莱尔自2007年以来就一直参与其中。

▶ He was representative of the so-called Quad.

他是所谓“四方机制”的代表。

▶ I think his instincts, he knows the issues.

我认为他的直觉，他了解这些问题。

▶ He has been criticized for having too much of a pro-Israeli sensibility, and that shouldn't surprise anyone given the fact that he's now attending meetings with Donald Trump, who has shown him as no propensity to fundamentally oppose Benjamin Netanyahu's tactics or strategy in Gaza.

他一直因过于亲以色列的敏感性而受到批评，考虑到他现在与唐纳德·特朗普一起参加会议，这不应该让任何人感到惊讶，特朗普表现出根本没有从根本上反对本雅明·内塔尼亚胡在加沙的战术或战略的倾向。

bilibili 00:15:28

▶ The other figure you didn't mention, of course, is Jared Kushner, the president, son-in-law, who pushed the Abraham Accords with great success in Trump 1.0, but also as responsible for the Trump peace plan 2020, the so-called deal of the century, which was dead on arrival, actually even before it arrived.

当然，你没有提到的另一个人物是贾里德·库什纳，总统的女婿，他在特朗普第一任期内非常成功地推动了《亚伯拉罕协议》，但也负责2020年的特朗普和平计划，即所谓的“世纪协议”，该计划实际上在出台前甚至出台时就已夭折。

▶ So I suspect the challenge here is trying to square a triangle, if that makes sense.

所以我怀疑这里的挑战是试图“化圆为方”（调和三方），如果这说得通的话。

🎧 How to reconcile Israeli interests with Palestinian interests, and the interests of Arab states who were expected not only to bankroll and pay for the reconstruction of Gaza, but perhaps even participate in a peacekeeping force.

如何调和以色列的利益与巴勒斯坦的利益，以及阿拉伯国家的利益，这些国家不仅被期望出资并支付加沙的重建费用，甚至可能参与一支维和部队。

 00:16:07

🎧 And their demands and requirements of the Israelis and even the Palestinians are going to be very high.

他们对以色列人甚至巴勒斯坦人的要求和条件将会非常高。

🎧 We have, we're facing a galactic lift here, Claire.

我们，我们在这里面临着一个巨大的挑战（galactic lift），克莱尔。

🎧 It's great, they're focused on this, but the question is, do we have a leadership, the political will?

这很好，他们专注于这一点，但问题是，我们是否有领导力，是否有政治意愿？

🎧 Somebody has to own this, and that means Washington.

必须有人主导这件事，这意味着华盛顿。

 00:16:27

🎧 And frankly, Washington is really not the track record in the first six months of the Trump administration, for only negotiations following through on them, isn't it terribly inspiring or a lifting one?

坦率地说，华盛顿在特朗普政府前六个月的表现记录，对于仅仅进行谈判并坚持到底而言，难道不是非常令人鼓舞或振奋吗？

🎧 Well, tell me more about the role of Arab states in this and how much they've been clued into conversations that have been taking place in Washington.

那么，请多告诉我一些阿拉伯国家在这方面的作用，以及他们对在华盛顿进行的对话了解多少。

🎵 Well, they're present, although they're not in the room.

嗯，他们参与其中，尽管他们不在房间里。

 00:16:55

🎵 The Qataris, the Egyptians, the Emirates have all been involved in various degrees, through the Egyptians, the Qataris, and negotiating cease fires.

卡塔尔人、埃及人、阿联酋人都以不同程度参与其中，通过埃及人、卡塔尔人谈判停火。

🎵 The Emirates, as early as the Biden administration, with Tony Blair and Jared Kushner, have been involved over the last several years in trying to promote something that looks to normal humans like a day after in Gaza, where you have, you'd have better governance, the prospect of prosperity, freedom for the hostages, their families, and a better future for the two million Palestinians now crammed into 25 percent of an area roughly twice the size of the existence of Colombia.

阿联酋，早在拜登政府时期，就与托尼·布莱尔和贾里德·库什纳一起，在过去几年里一直参与尝试推动一些在普通人看来像是加沙“战后”的安排，在那里会有更好的治理、繁荣的前景、人质及其家人的自由，以及为现在挤在仅占（加沙）原面积25%区域内的两百万巴勒斯坦人创造更美好的未来，该区域原面积大约是两个哥伦比亚那么大（此处原文表述可能指代不清，按字面翻译）。

🎵 Arab states are critical here, because regional peace, where the aspiration of regional peace, is an incentive it would seem to an Israeli government that was serious about ending the war and then moving forward along the lines of a possible Israeli Saudi normalization deal, which would in Donald Trump's mind win him a Nobel Peace Prize.

阿拉伯国家在这里至关重要，因为地区和平，对地区和平的渴望，似乎是对一个认真结束战争、然后沿着可能的以色列-沙特关系正常化协议路线前进的以色列政府的一种激励，而这在唐纳德·特朗普心中会为他赢得诺贝尔和平奖。

 00:18:02

🎵 But we're a long way away from that, and Arab states are not going to pay for this, and there's certainly not going to contribute their forces, unless certain requirements are met.

但我们离那还很远，而且阿拉伯国家不会为此买单，也肯定不会派出他们的部队，除非某些要求得到满足。

▶ Number one, you'll have to have legitimate Palestinian representation, some role for the PA, however reformed.

第一，必须有合法的巴勒斯坦代表，巴勒斯坦权力机构必须发挥某种作用，无论其如何改革。

▶ And number two, that the higher tougher lift, you're going to have to have a bridge between the end of the war in Gaza, and some pathway forward to deal with the broader Israeli-Palestinian conflict.

第二，那个更艰巨的任务（higher tougher lift），必须在加沙战争结束和解决更广泛的巴以冲突的某种前进道路之间建立一座桥梁。

 00:18:32

▶ Arab states want two states, the state of Palestine living in peace and security alongside the state of Israel, current Israeli government wants no part of that.

阿拉伯国家想要两国方案，巴勒斯坦国与以色列国和平安全地共处，而当前以色列政府完全不要这个。

▶ So again, I think as in my experience in Israeli-Palestinian negotiations, you have two speeds slow and slower.

所以再次，根据我在巴以谈判中的经验，我认为有两种速度：慢和更慢。

▶ Let's hope they get serious about this.

让我们希望他们能认真对待这件事。

 00:18:51

▶ We'll even test that proposition.

我们甚至会检验这个命题。

▶ Well, thank you so much for sharing your insights with us today.

嗯，非常感谢您今天与我们分享您的见解。

▶ We can speak into our own David Miller.

我们可以和我们自己的大卫·米勒谈谈。

 Thank you.

 Denmark's foreign minister summoned the top US diplomat in Copenhagen over reports of covert American influence operations in Greenland.

因有关美国在格陵兰进行秘密影响力行动的报道，丹麦外交部长召见了美国驻哥本哈根最高外交官。

 00:20:22

 Reports by a Danish broadcaster say three US citizens have been involved in operations aimed at promoting Greenland's secession from Denmark.

一家丹麦广播公司的报道称，三名美国公民参与了旨在促进格陵兰从丹麦分离的行动。

 In response to these reports, the US State Department told the BBC in a statement, we have no comment to provide on the actions of private US citizens in Greenland, but that the United States values its relationships with Denmark, a NATO ally, and with the government of the people of Greenland, adding, quote, the US respects the right of the people of Greenland to determine their own future.

针对这些报道，美国国务院在一份声明中告诉BBC，我们对美国私人公民在格陵兰的行动不予置评，但美国重视与北约盟友丹麦以及与格陵兰人民和政府的关系，并补充说，“美国尊重格陵兰人民决定自己未来的权利”。

 Earlier, I spoke to Rosmos at Yalo, a Danish MP and chairman of Denmark's Defence Committee.

早些时候，我与丹麦议员、国防委员会主席拉斯穆斯·雅洛（Rosmos at Yalo 音译，应为 Rasmus Jarlov）进行了交谈。

 00:20:58

⏮ First of all, I'm wondering whether you can confirm these media reports that at least three Americans with connections to President Donald Trump have been carrying out covert influence operations in Greenland.

首先，我想知道您能否证实这些媒体报道，即至少三名与唐纳德·特朗普总统有联系的美国人一直在格陵兰进行秘密的影响力行动。

⏮ And do you have any insight into whether these individuals were acting independently or on behalf of the US government?

您是否了解这些人是独立行动还是代表美国政府行动？

⏮ I don't have any more details.

我没有更多细节。

 00:21:49

⏮ I don't think the details will be published, but we believe that it is people with a connection to the United States government, and that's also why the foreign minister of Denmark has called the Tchaosha Färft in the second, the deputy of the ambassador in Copenhagen for conversation, to tell him that Denmark does not accept these types of operations in Greenland.

我认为细节不会被公布，但我们相信这些人与美国政府有联系，这也是为什么丹麦外交部长召见了（此处Tchaosha Färft可能为拼写错误或特定称谓，按语境理解为美国驻丹麦副馆长或类似职位）进行谈话，告诉他丹麦不接受在格陵兰进行此类行动。

⏮ Indeed, the Danish government seems to be taking this seriously.

确实，丹麦政府似乎对此非常重视。

⏮ What's your view on all of this?

您对这一切有何看法？

 00:22:18

▶ What do you make of this?

您怎么看这件事？

▶ Well, it is very serious because it builds on the express desire of the Trump administration to take control of Greenland.

嗯，这非常严重，因为这是基于特朗普政府明确表示想要控制格陵兰的愿望。

▶ There is disregard for Greenland's rights to choose their own future.

这是对格陵兰选择自己未来权利的无视。

▶ There is regard for international borders and for the treaties that they have signed with Denmark throughout centuries, where they have recognized that Greenland is owned by Denmark.

这是对国际边界以及他们几个世纪以来与丹麦签署的条约的漠视，这些条约承认格陵兰属于丹麦。

 00:22:46

▶ And we take it very seriously that we can't trust Americans, for the treaties that they've signed, we cannot trust them to respect international borders.

我们非常严肃地对待这一点，我们不能信任美国人，不能信任他们会遵守他们签署的条约，不能信任他们会尊重国际边界。

▶ It's very difficult to uphold the good cooperation to support each other, to work together, and to be allies if you don't agree on where the border is.

如果你们在边界在哪里上都无法达成一致，就很难维持良好的合作、相互支持、共同努力并成为盟友。

▶ We can't work across borders if you don't agree where the United States stops and Denmark and Greenland stops.

如果你们不认同美国在哪里结束，丹麦和格陵兰在哪里开始，我们就无法进行跨境合作。

 00:23:09

▶ So just to be clear, do you see this as part of a longer term strategy from the Trump administration to play up grievances with Denmark within Greenland, to try to build momentum to board independence as a way for Trump to ultimately acquire Greenland?

那么明确一下，您是否认为这是特朗普政府长期战略的一部分，即在格陵兰内部煽动对丹麦的不满，试图为（格陵兰）独立制造势头，以此作为特朗普最终获得格陵兰的一种方式？

▶ Yeah, that's probably what it is.

是的，很可能就是这样。

▶ I think the strategy from the Americans is not going to be a military invasion of Greenland, even for the Trump administration that will probably be too much.

我认为美国人的策略不会是对格陵兰进行军事入侵，即使对特朗普政府来说，那可能也太过分了。

 00:23:40

▶ But I think we can expect that they will link up with separatists and the strategy will be to try to get Denmark out of Greenland.

但我认为我们可以预料，他们会与分裂分子联系，策略将是试图把丹麦赶出格陵兰。

▶ And then the United States can take over as a second step, or probably be quite easy once they get Denmark out, probably be quite easy for them to really take control of Greenland.

然后美国可以第二步接管，或者一旦他们把丹麦赶出去，可能就很容易真正控制格陵兰了。

▶ So that's what they're trying to do.

所以这就是他们正在尝试做的事情。

 00:24:00

▶ And therefore they're trying to discredit Denmark's president in Greenland.

因此，他们正试图破坏丹麦在格陵兰的声誉。

▶ We already saw that in this spring with misinformation about how Denmark is not taking care of Greenland, how we're not protecting it militarily, how China is threatening Greenland,

all of which is absolutely not true.

今年春天我们已经看到了这一点，散布关于丹麦如何没有照顾好格陵兰、我们没有在军事上保护它、中国如何威胁格陵兰的错误信息，所有这些都绝对不是真的。

🎧 So those kinds of stories are going to be told to pave the way and legitimize the American intention to take control of Greenland, which would be a total disaster for the Greenland is because they will lose, they will become a minority in their own country very quickly, and they will lose the independence that they have today.

所以将会散布这类故事来铺平道路，并使美国控制格陵兰的意图合法化，这对格陵兰人来说将是一场彻底的灾难，因为他们将失去，他们将很快在自己的国家成为少数群体，并将失去他们今天拥有的独立。

 00:24:35

🎧 What you've said about this broken trust between Denmark and the United States is really remarkable.

您所说的关于丹麦和美国之间信任破裂的话确实非常引人注目。

🎧 And you're review what is an appropriate response from the Danish government to this.

您认为丹麦政府对此的适当回应是什么？

🎧 We are responding by telling the truth about what's going on in Greenland that China is not taking over the country, that there's no military threat against Greenland except for the United States itself, and that the Greenlanders do not want to become part of the United States, and that the United States already have access to everything that they could possibly want in Greenland, including military access and including the option to do mining in Greenland if they want to put up the investments they can just go ahead.

我们通过说明格陵兰岛的真实情况来回应，即中国并没有接管该国，除了美国本身之外，格陵兰岛并不面临军事威胁，格陵兰人也不想成为美国的一部分，而且美国已经拥有他们在格陵兰岛可能想要的一切，包括军事准入，包括如果他们愿意投资就可以在格陵兰岛进行采矿的选项。

 00:25:14

🎧 So that's what we're doing, and we're also telling Americans that we really resist this, and we're not going to give up regardless of what pressure is put on us.

这就是我们正在做的事情，而且我们也在告诉美国人我们真的抵制这种行为，无论对我们施加什么压力，我们都不会放弃。

🎵 And then recently we've also invited other countries to Greenland, France is now opening a concert in Greenland, so the Americans are really getting the opposite of what they thought they would get because so far they've had a pretty much monopoly on being present in Greenland.

然后最近我们还邀请了其他国家来格陵兰岛，法国现在正在格陵兰岛开设一个领事馆，所以美国人真正得到的与他们以为会得到的恰恰相反，因为到目前为止，他们几乎垄断了在格陵兰岛的存在。

🎵 It has only really been Denmark and the United States that have had a presence, but now others are coming, and this will benefit Greenland and be very good for them, but we just can't accept that the Americans disrespect international borders like they're doing at the moment.

过去真正存在的只有丹麦和美国，但现在其他国家也来了，这将使格陵兰岛受益，对他们非常有利，但我们就是不能接受美国人像他们现在这样不尊重国际边界。
