 00:22:26

▶ The project we're working on particularly Richard is called Miles Without Stiles.

我们正在进行的这个项目，理查德，尤其叫做“无阶梯英里”。

▶ It kind of says it is on the moor really creating miles of access for people, getting rid of stiles because they're almost impossible for a lot of people to climb over and winter their slippy.

这个名字本身就说明了它的内容，真正为人们创造数英里的无障碍通道，移除阶梯式栅栏门，因为对很多人来说爬过它们几乎是不可能的，而且在冬天它们会很滑。

▶ It means everyone can enjoy the benefits of the great outdoors.

这意味着每个人都可以享受户外活动的好处。

 00:23:09

▶ And they say that even a small amount of that money can make a huge difference.

他们说，即使是这笔钱中的一小部分也能产生巨大的影响。

▶ Quite cheap intervention really with some spare granite, with great little clapper bridge and a fellow bridge just a few hundred metres that way, which now provides a circular route for the group.

这确实是相当廉价的干预，用一些多余的花岗岩，建了一座很棒的小石板桥，那边几百米处还有一座同类桥梁，现在为该团体提供了一条环形路线。

▶ It is.

是的。

▶ We haven't had a lot of rain Victoria.

▶ Thank you, good evening.

谢谢，晚上好。

▶ And we probably aren't going to get much rain this week, although we've certainly had a lot of cloud once again today.

▶ We've had fairly grey skies.

天空相当灰暗。

▶ We've had some brightness.

▶ We'll see some sunshine as we head through tomorrow, but there was a lot of cloud earlier today.

▶ We've got plenty of cloud around.

▶ So the sun was trying to make an appearance and it did brighten up across some parts of Cornwall.

所以太阳试图露面，康沃尔郡的一些地方确实放晴了。

▶ Actually further east there was not more cloud and we did still have that breeze, that northeasterly breeze.

实际上，更东边的地方云并没有更多，我们确实还有那阵微风，那阵东北风。

 00:24:59

▶ So that was noticeable today.

所以今天这风很明显。

▶ You can see the flags blowing and I think that wind will start to ease as we head through the coming days.

你可以看到旗帜在飘扬，我认为随着未来几天过去，风会开始减弱。

▶ And hopefully we should see a little bit more in the way of sunshine.

希望我们应该能看到多一点阳光。

▶ So we haven't had a great deal of brightness.

所以我们没有遇到非常晴朗的天气。

▶ Our models haven't handled the cloud well.

我们的模型没有很好地处理云层。

▶ I'm just going to put that out there now because I know a few people have been complaining about the lack of sunshine.

我现在就把这话说出来，因为我知道有几个人一直在抱怨缺乏阳光。

 00:25:17

▶ But tomorrow there's a little bit more agreement that we should see some brightness.

但明天，我们更一致地认为应该会看到一些阳光。

▶ I think it will start off cooler.

我认为天气会以更凉爽开始。

▶ We've got largely clear rings guys overnight tonight.

伙计们，今晚夜间大部分时间天空晴朗。

▶ And that means a cooler start, dry, sunny and those winds should ease a little bit coming the afternoon.

这意味着开局更凉爽、干燥、晴朗，下午风应该会减弱一点。

▶ Now we've got a ridge of high pressure trying to build and it should be a bit more successful over the next few days building in from the south west.

现在我们有一个高压脊正在试图建立，未来几天从西南部建立过来应该会更成功一些。

 00:25:40

▶ So the winds will become lighter.

所以风会变得更轻。

▶ We start to get a normally air flow much cleaner air, much less cloud I think trapped underneath that high pressure.

我们开始得到正常的气流，更清洁的空气，我认为被困在高压下的云层会少得多。

▶ So we should see a lot more in the way of sunshine.

所以我们应该会看到更多的阳光。

▶ No real rainfall in the forecast for the bank holiday weekend.

预报银行假日周末没有真正的降雨。

▶ But I think we'll see a bit more cloud on Saturday.

但我认为周六我们会看到更多云。

 00:25:55

▶ And we have still got quite a bit of cloud out there through tonight.

而且今晚我们外面仍然有相当多的云。

▶ Certainly the first part of the night, but really it's only the cloud left in the far south west by dawn.

当然是夜晚的前半部分，但实际上到黎明时只剩下远西南部的云了。

▶ Further east we should start to see some clear skies.

更东边的地方我们应该开始看到一些晴朗的天空。

▶ So I think it will be a little bit cooler, a little bit fresher than recent nights less humid as well with temperatures coming down in single figures in some rural spots.

所以我认为会比最近几天夜晚更凉爽一点，更清新一点，湿度也更低，一些乡村地区的气温会降到个位数。

 00:26:15

▶ But that does mean we should see some early sunshine tomorrow.

但这确实意味着我们明天应该会看到一些清晨的阳光。

▶ Don't be disappointed if you are in the far south west of Cornwall, the hours of silly.

如果你在康沃尔郡的远西南部，锡利群岛，不要失望。

▶ I think it will even brighten up here.

我认为这里甚至也会放晴。

▶ So we should all see more sunshine than we've seen over the last couple of days.

所以我们都应该能看到比过去几天更多的阳光。

▶ Now we'll be breezy, but the winds gradually easing into the afternoon.

现在会有微风，但风势会在下午逐渐减弱。

 00:26:29

▶ Temperature wise, probably similar to what we had today, but with that extra bit of sunshine, it may well feel a little bit warmer.

温度方面，可能和今天差不多，但多了一点阳光，很可能会感觉暖和一点。

▶ Now it could be quite a great start for the hours of silly tomorrow.

现在，明天对锡利群岛来说可能是一个相当好的开始。

▶ But I think it will be a dry day and it should brighten up as the day goes on.

但我认为会是一个干燥的天气，并且随着一天的推移会逐渐放晴。

▶ Still quite breezy here, but the winds gradually easing into the afternoon.

这里风还是很大，但下午风会逐渐减弱。

▶ Here are your times of high water.

以下是你们的涨潮时间。

▶ Your high tide at bidaford tomorrow is at 1741.

比迪福德明天的涨潮时间是17点41分。

▶ So if you're heading to the coast, I think particularly the south coast, it could be some early cloud.

所以如果你要去海岸，我认为特别是南海岸，可能早上会有一些云。

▶ But even here, it should start to brighten up as the day goes on.

但即使在这里，随着一天的推移，天气也应该开始放晴。

▶ So there should be some decent sunny spells.

所以应该会有一些不错的阳光时段。

▶ The winds slowly becoming lighter and becoming more north to north easterly as the day goes on.

风会慢慢变轻，并在一天中逐渐转为北风到东北风。

▶ And temperatures in the sea at the moment to around 17 or 18 degrees.

目前海里的温度在17或18度左右。

▶ So I know we do need some rain.

所以我知道我们确实需要一些雨。

▶ It doesn't look like we're going to see any of the next few days.

看起来未来几天我们不会看到任何降雨。

▶ But there's a chance we could see some showers into next week.

但我们有可能在下周遇到一些阵雨。

▶ Certainly for the foreseeable and into the bank holiday weekend, it will be dry.

当然，在可预见的未来，直到银行假日周末，天气都会是干燥的。

bilibili 00:27:20

▶ A bit more cloud on Saturday.

周六云会多一点。

▶ That could give the odd spot of drizzle.

那可能会带来零星的小雨。

▶ But it will start to warm up, actually, particularly on Sunday and Monday.

但天气实际上会开始变暖，特别是在周日和周一。

▶ We'll start to get a bit more humidity, a bit more warmth, breezier.

我们会开始感到湿度更大，更暖和，风更大。

▶ And then I think we will start to see a greater chance of seeing some showers as we head through Tuesday and Wednesday next week.

然后我认为，随着下周周二和周二的过去，我们看到阵雨的可能性会开始增大。

bilibili 00:27:37

▶ Victoria.

我让你诚实。
