Two days after aid began entering Gaza, the United Nations says that none of the supplies have yet reached local people.

联合国表示，援助物资进入加沙两天后，仍未送达当地居民手中。

And that is despite the easing of Israel's 11-week blockade.

尽管以色列已放松持续11周的封锁。

The UN says despite trucks reaching the Palestinian side of the Keram Shalom crossing, no aid has been distributed so far.

联合国称，尽管卡车已抵达凯雷姆沙洛姆过境点的巴勒斯坦一侧，但援助物资至今未分发。

They say they've been waiting for Israeli military permission to collect the supplies, but this has not been given.

他们表示一直在等待以色列军方批准接收物资，但尚未获准。

A BBC correspondent also says that lorry drivers have slept overnight in their vehicle cabins.

一名BBC记者还提到，卡车司机在驾驶室过夜。

周二有93辆卡车进入加沙，运送面粉、婴儿食品、医疗设备和药品等援助物资。

Well, meanwhile, Palestinian media are reporting that deadly air strikes have continued.

与此同时，巴勒斯坦媒体报道致命空袭仍在持续。

While the blockade of aid has drawn sharp condemnation from Western allies, the UK is pausing free trade negotiations with Israel and it announced sanctions on individuals and entities involved in the settler movement in the occupied West Bank.

援助封锁引发西方盟友强烈谴责，英国暂停与以色列的自由贸易谈判，并宣布对约旦河西岸定居点运动的个人和实体实施制裁。

Well, let's cross over live to our Middle East correspondent, Yolan Nell, who joins us from Jerusalem.

现在连线我们在耶路撒冷的中东记者约兰·内尔。

And I think Yolan, should we just start with where the aid is at the moment?

约兰，我们是否该从当前援助物资的位置说起？

Our understanding is it's crossed over into the Palestinian side of the KM Shalom crossing, but it is currently stuck there.

据我们了解，物资已越过凯雷姆沙洛姆过境点的巴勒斯坦侧，但目前滞留该处。

Do we know why?

知道原因吗？

Well, the system requires that once these lorry loads of aid have undergone um security checks, they just take them through Israel's main crossing um the KM Shalom crossing into Gaza.

该流程要求卡车载运的援助物资通过安全检查后，经以色列主要过境点凯雷姆沙洛姆进入加沙。

That aid is then offloaded and it requires lries um which are hired by the UN with local drivers inside the Gaza Strip to come and pick up that aid.

物资随后卸货，需由联合国雇用的加沙境内当地司机驾驶卡车前来接收。

Now, what we've been told is that those UN teams in Gaza waited for hours yesterday, but were not given the green light by the Israeli military to advance and access um those

supplies, to take them off to warehouses and to those who really need them.

据悉，加沙的联合国团队昨日等待数小时，但以色列军方未批准其前进接触物资，未能将其运往仓库和急需者手中。

Um, we have been asking for updates this morning, but we've not heard anything yet um from either the UN or from the Israeli military or from the Israeli military body that controls the crossings to indicate what is going on.

今晨我们持续询问进展，但尚未收到联合国、以色列军方或过境点管控部门的任何回应。

Um, of course, you know, there are these big logistical and safety issues.

当然存在重大物流与安全问题。

The UN has been highlighting that about picking up the aid and distributing it at a time when Israel has been intensifying its military offensive in the Gaza Strip.

联合国强调，在以色列加强加沙军事攻势之际接收和分发援助面临困难。

from one of my colleagues who was at this crossing yesterday said that they did see, you know, heavy bombardment going on not far away from there.

And this is this what is the Israeli army is describing as a large-scale offensive in Gaza.

这正是以色列军方所称的加沙大规模攻势。

So what are we expecting?

那么我们预期会怎样？

So, what we've continued to see is uh Israel bombing parts of the Gaza Strip um overnight um with more people killed across the strip um at least 20 of them according to the Hamas-run civil defense.

我们看到以色列持续轰炸加沙部分地区，夜间又有至少20人死亡（哈马斯管理的民防部门数据）。

Is there even a humanitarian area now in Gaza given the destruction of the whole strip?

鉴于加沙全境遭毁，是否存在人道主义区域？
