▶ What have we heard from Prime Minister Kier Starmer?

我们从基尔·斯塔默首相那里听到了什么？

▶ More what we've been hearing all day is really this determined, and as you say, coordinated diplomatic efforts from not just the British Prime Minister Sir Kier Starmer, but European allies.

更多是我们整天听到的，不仅是英国首相基尔·斯塔默爵士，还有欧洲盟友坚定且协调的外交努力。

 00:06:00

▶ And the aim of that diplomatic effort is to ensure that Ukraine's demands, Europe's demands are ringing in the ears of Donald Trump as he heads into that meeting with Russia's President Putin on Friday.

这一外交努力的目标是确保乌克兰的要求、欧洲的要求在特朗普周五与俄罗斯总统普京会晤时回响在他耳边。

▶ There had been fears among many European leaders that the US President could strike a deal with Russia or reiterate Russia's demands, at least coming out of that meeting without their involvement, without their say-so.

许多欧洲领导人曾担心美国总统可能与俄罗斯达成协议或重申俄罗斯的要求，至少在没有他们参与和同意的情况下从会晤中得出结果。

▶ Some of those fears appear to have been eased a little bit.

其中一些担忧似乎有所缓解。

bilibili 00:06:31

▶ Hearing from the different European leaders coming out of the talks today, they sound a little bit more confident that the US President agrees with their position, understands their arguments.

对英国首相而言，这是对他与特朗普关系的真正考验，这是他努力培养的关系。

bilibili 00:06:58

▶ And he is back in his position of walking a tightrope between praising Donald Trump, thanking him for his efforts on the peace deal, while also making very clear Europe's demands.

他又回到了走钢丝的立场，既要赞扬特朗普、感谢他为和平协议所做的努力，又要明确表达欧洲的要求。

🎧 As we've heard, the Europeans have long been worried about not having a seat at the table when it comes to deciding the future of Ukraine.

正如我们所听到的，欧洲人长期以来一直担心在决定乌克兰未来时没有席位。

 00:08:53

🎧 They won't be in Alaska, but do you think they got Trump's ear today in this phone call?

他们不会在阿拉斯加，但你认为他们今天在这次电话中得到了特朗普的倾听吗？

🎧 I think today was a very important opportunity for the Europeans to try to convince Trump to speak not only behalf of himself in the United States, but on behalf of the free world of the transatlantic relationship in this meeting.

我认为今天对欧洲人来说是一个非常重要的机会，试图说服特朗普不仅代表自己和美国，而且代表跨大西洋关系的自由世界参加这次会议。

▶ This is a big question that hangs over the Alaska Summit.

这是悬在阿拉斯加峰会上的一大问题。

bilibili 00:09:16

▶ Is this going to be about two major powers sitting together in the Arctic on the Pacific side of the world?

这是关于两个大国在世界太平洋一侧的北极坐在一起吗？

▶ Or is this going to be a transatlantic relationship discussion with a major aggressor against transatlantic security, Russia?

或者这将是一次与对跨大西洋安全的主要侵略者俄罗斯的跨大西洋关系讨论？

▶ And this was Europe's opportunity to have a sincere conversation to make sure that the Europeans, Zelensky and Ukraine and the United States are on the same page.

这是欧洲进行真诚对话的机会，以确保欧洲人、泽连斯基和乌克兰以及美国达成一致。

bilibili 00:09:43

▶ And it seems to have been fairly successful.

而且看起来相当成功。

▶ That doesn't guarantee that in Anchorage and Alaska on Friday, all of those points are going to be the last points that Trump is going to rest with.

这并不能保证周五在安克雷奇和阿拉斯加，所有这些要点都将是特朗普最终坚持的要点。

▶ But this has been the most successful the Europeanians could be thus far aside from having a seat at that table themselves, or Frisalensky to have a seat at that table.

但这是欧洲人迄今为止最成功的，除了自己在那张桌子上有席位，或者弗里斯兰斯基在那张桌子上有席位。

bilibili 00:10:06

▶ Indeed, Trump will be hearing Putin's side of things in Alaska as well.

事实上，特朗普也将在阿拉斯加听取普京的观点。

▶ But after this meeting by Foam Zelensky said that Trump had told European leaders that he supports security guarantees for Ukraine.

但在这次会议之后，泽连斯基表示，特朗普告诉欧洲领导人他支持对乌克兰的安全保障。

▶ I mean, this is something the U.S. would on some level have to be involved in.

我的意思是，这是美国在某种程度上必须参与的事情。

▶ Is it clear what it might look like?

清楚它可能是什么样子吗？

bilibili 00:10:26

▶ We don't know that yet.

我们还不知道。

▶ I think a lot of the details here have yet to be worked out.

我认为这里很多细节还有待解决。

▶ It would be very difficult for the Europeans to have a meaningful force that would help ensure Ukrainian security without a U.S. presence.

如果没有美国的参与，欧洲人很难拥有一支有意义的部队来帮助确保乌克兰的安全。

▶ And in many ways, the question of the depth, the duration of U.S. presence in Europe is also a little bit under a question mark.

而且在很多方面，美国在欧洲存在的深度和持续时间的问题也有点悬而未决。

bilibili 00:10:46

▶ There is a question here in Washington as the Pentagon undergoes a global force posture review about where America troops should go and what are the priorities.

华盛顿有一个问题，因为五角大楼正在进行全球部队态势审查，关于美国军队应该去哪里以及优先事项是什么。

▶ And on the one hand, there's definitely a look to China.

一方面，肯定要关注中国。

▶ But on the other hand, Trump has been very committed to solving these European security challenges.

但另一方面，特朗普一直非常致力于解决这些欧洲安全挑战。

bilibili 00:11:03

▶ So what that looks like and what is the American role very much is yet to be determined.

所以那是什么样子，美国的角色是什么，还有待确定。

▶ And I highly doubt that that is going to be something that will know more about this week next week.

我非常怀疑这将是下周会了解更多的事情。

▶ But instead, we'll be in many months long negotiation.

相反，我们将进行长达数月的谈判。

▶ What tools does the United States have in its belt?

美国手中有哪些工具？

▶ Trump says that the consequences for Russia, if they fail to find a deal will be severe, but he hasn't elaborated what exactly that looks like.

特朗普表示，如果俄罗斯未能达成协议，后果将是严重的，但他没有详细说明具体是什么。

bilibili 00:11:29

▶ Are we talking about possible sanctions?

我们是在谈论可能的制裁吗？

▶ So economic tools are certainly going to be the quickest tools that Trump can use.

因此，经济工具肯定是特朗普可以使用的快速工具。

▶ Already, we've seen a bunch of secondary sanctions, tariff measures lined up that could be used against those countries that are currently purchasing Russian crude oil in particular.

我们已经看到了一系列二级制裁、关税措施，可以用来对付那些目前购买俄罗斯原油的国家。

▶ So these are the punishments against India or China in particular for their current support of the Russian economy, which in turn is fueling the war in Ukraine.

因此，这些是对印度或中国的惩罚，特别是因为他们目前支持俄罗斯经济，这反过来又助长了乌克兰的战争。

 00:11:58

▶ But you could also look at direct measures against Russia itself, more different penalties.

但你也可以看看针对俄罗斯本身的直接措施，更多不同的惩罚。

▶ And you could also look at additional support to Ukraine as another tool in the American toolkit.

你也可以看看对乌克兰的额外支持，作为美国工具箱中的另一个工具。

▶ We haven't seen the kind of supplemental packages that Congress passed in the Biden administration for support for Ukraine.

我们没有看到国会在拜登政府期间通过的那种支持乌克兰的补充方案。

 00:12:18

▶ There's also a question of frozen assets, most of which are in Europe.

还有一个冻结资产的问题，其中大部分在欧洲。

▶ These are Russian frozen assets that were held outside of Russia at the beginning of the full-scale invasion.

这些是在全面入侵开始时在俄罗斯境外持有的俄罗斯冻结资产。

▶ Some are also in the US.

有些也在美国。

▶ So the questions would be, how does the United States administration, how does Trump try to turn off the financing for Putin's war machine, and how does the US administration support Ukraine's war effort?

因此，问题将是，美国政府如何，特朗普如何试图切断对普京战争机器的资助，以及美国政府如何支持乌克兰的战争努力？

 00:12:45

▶ There are certainly both tools available and there are measures that could be taken in order to make sure that Ukraine can fight more and that Russia can fight less.

当然有可用的工具，也可以采取措施确保乌克兰能更多地战斗，而俄罗斯能更少地战斗。

▶ Christine Berzina with the German Marshall Fund, thank you so much for speaking with us on BBC News.

⌂ And in Cairo, a delegation of Hamas leaders has been meeting with Egyptian mediators for preliminary talks to revive negotiations.

在开罗，哈马斯领导人代表团与埃及调解人举行初步会谈，以重启谈判。

⌂ I spoke earlier with Joel on Yekhavi, Gaza head of operations for the organization, saved the children, and he told me what the conditions in Gaza are like right now on the ground.

早些时候，我与该组织加沙行动负责人乔尔·叶卡维交谈，他向我描述了加沙目前的地面情况。

⌂ Joel starvation and malnutrition in Gaza are at their worst points that we've seen in almost three years.

乔尔表示，加沙的饥饿和营养不良问题已达到近三年来最严重的程度。

 00:15:45

⌂ To start us off, could you just paint a picture of what you are seeing there on the ground?

首先，您能否描述一下您在地面看到的情况？

⌂ Well, certainly children currently run to primary healthcare facilities where we carry out screening and treatments of children with malnutrition.

目前，许多儿童前往我们的初级医疗设施，我们在那里对营养不良儿童进行筛查和治疗。

⌂ And in the last few months, since we had the siege on humanitarian aid coming to Gaza, we've seen a surge in the number of malnutrition children within Gaza.

过去几个月，由于人道主义援助进入加沙受阻，我们看到加沙营养不良儿童数量激增。

 00:16:16

⌂ This doesn't stop at the children as well.

问题不仅限于儿童。

⌂ We also have mothers, pregnant and breastfeeding mothers who turn up at our IYCF, which is infant and young child feeding centers, who actually turn out to be malnutrition as well.

我们还发现，前往婴幼儿喂养中心的孕妇和哺乳期母亲也存在营养不良问题。

🎧 Four out of every 10 women will show up at our health care facility for these sessions, turn out to be malnutrition.

每10名女性中就有4人在我们的医疗设施中被诊断为营养不良。

 00:16:39

🎧 The same applies to their children as well.

她们的孩子也是如此。

🎧 To compound the issues on the ground, due to the embargo on bringing in the much needed humanitarian aid, which also encompasses nutrition supplies for children, mothers have had to feed their children sometimes with just water or missing water with whatever they find.

由于急需的人道主义援助（包括儿童营养物资）被封锁，母亲们有时只能用清水或能找到的任何东西（如鹰嘴豆或芝麻酱）喂养孩子。

🎧 Sometimes chickpeas or tahini just to make sure that the children have something in just to mag.

有时用鹰嘴豆或芝麻酱，只为让孩子肚子里有点东西。

 00:17:04

🎧 But these also increases the risk of malnutrition.

但这也会增加营养不良的风险。

🎧 The recent independence phase classification data that we have at least as of now postulates that at least every child in Gaza is at risk of famine with over 70,000 children under five, malnourished and over 17,000 pregnant and breastfeeding women malnourished currently in Gaza.

最新独立阶段分类数据显示，加沙至少每名儿童都面临饥荒风险，其中5岁以下营养不良儿童超过7万，营养不良的孕妇和哺乳期妇女超过1.7万。

🎧 Now that's the state of things on the ground.

这就是地面的现状。

 00:17:30

 I mean, those are just staggering numbers that you're citing there.

您提到的数字令人震惊。

 If you could tell me a little bit more about efforts to get that aid into Gaza, I understand your organization has trucks at the ready to go across the border while when allowed.

能否请您谈谈向加沙运送援助的努力？据我所知，贵组织的卡车已准备就绪，一旦获准即可越境。

 Could you let us know kind of what supplies they would contain that could be helpful for these people?

能否告诉我们这些卡车装载了哪些对当地人有帮助的物资？

 00:17:48

 Yes, so currently, some of the children has medicines, you know, outside the shores of Gaza waiting to come in.

目前，一些儿童药品等在加沙海岸外等待进入。

 Medicines that would actually support our primary health care facilities to function more efficiently.

这些药品将支持我们的初级医疗设施更高效运转。

 We have family hygiene kits.

▶ An international outrage, it must be said, has been growing over the past months as people see these images of hungry starving children.

必须指出，过去几个月，随着人们看到饥饿儿童的形象，国际社会的愤怒情绪不断高涨。

▶ Has that had any impact on your ability to operate within Gaza?

这是否影响了你们在加沙的运作能力？

bilibili 00:18:35

▶ Well, we continue to do what we can do.

我们仍在尽力而为。

▶ We are currently providing, like I said, we have two primary health care centers which are currently running and we are getting gift in kinds from our UM partners who are able to bring in one supply or the other.

如我所说，我们目前运营着两家初级医疗中心，并从能零星运送物资的联合国合作伙伴那里获得实物捐赠。

▶ You know, give us the supplies and we keep our health facilities running.

他们提供物资，我们维持医疗设施运转。

▶ We are also running 10 different motor baby areas where we are carrying our training and treatment of children with malnutrition and still, you know, dependent on agencies like UNICEF who are able to bring in nutrition supplies and we get, you know, those supplies from them and then we're able to use it to keep our programs running.

我们还运营着10个不同的小儿营养治疗点，开展营养不良儿童的治疗培训，但仍依赖联合国儿童基金会等机构提供营养物资。

bilibili 00:19:15

▶ Safety children is also providing a life-saving water trucking services across Gaza, drinking water and as well as domestic water to, you know, the population as we all know, what does a very essential need and safety children has continued to provide this water trucking, you know, to the very vulnerable families across the street.
