

Golden Monkeys Return to Shennongjia, Kim Jong-un to Visit China for Victory Day

【BBC News Singapore 20250828 中国神农架金丝猴数量回升 | 金正恩将出席中国下周的抗战胜利纪念活动】

Summary: In central China's Shennongjia mountains, the golden snub-nosed monkeys—once nearly wiped out by deforestation—are making a strong comeback thanks to decades of conservation efforts. National park protection, reforestation, and scientific monitoring have helped this unique species thrive again, showcasing China's ecological achievements. Meanwhile, North Korea has announced that leader Kim Jong-un will attend China's upcoming Victory Day celebrations marking Japan's surrender in World War II. His attendance highlights close China–North Korea ties and draws international attention to regional dynamics. For Chinese audiences, these stories represent both a proud example of environmental recovery and a significant signal in global diplomacy.

▶ The remainder are the remaining 14 are all children school aged to middle teenagers.

其余14人都是学龄儿童到中学生。

▶ They're all expected to survive their injuries though.

不过，预计他们的伤情都能存活。

▶ They've been in a range from pretty serious condition initially and some have been discharged official said one of the hospitals haven't been county medical center that multiple children were taken there in critical condition.

他们的伤势最初从相当严重到不等，有些人已经出院，一位官员说，其中一家医院是黑文县医疗中心，多名儿童被送往那里时情况危急。

bilibili 00:07:31

🎵 Several other children were taken to another hospital children's Minnesota seven admitted there four had been discharged by around 430 central time this afternoon.

其他几名儿童被送往另一家医院——明尼苏达儿童医院，七人在那里住院，其中四人已在今天下午中部时间4点30分左右出院。

🎵 And the police chief Brian O'Hara said that it was timed to post to YouTube around the time of the shooting but the FBI worked with Google with YouTube to have it taken down.

警察局长布莱恩·奥哈拉说，视频是在枪击事件发生前后定时发布到YouTube的，但联邦调查局与谷歌和YouTube合作将其删除。

🎵 And also searching for evidence in the church to put together a timeline of how the shooting unfolded as well as three residences that are connected with Robin Westman the 23 year old who has been identified as the shooter and died of a self inflicted gunshot wound in the back of that church this morning.

同时还在教堂内搜寻证据，以拼凑出枪击事件发生的时间线，以及搜查与23岁的罗宾·韦斯特曼有关的三处住所，韦斯特曼已被确认为枪手，今天早上在那座教堂后部因自残枪伤死亡。

 00:08:31

🎵 The shootings like this do occur in America relatively frequently does they happen in Minnesota though.

像这样的枪击事件在美国确实相对频繁发生，但在明尼苏达州呢？

🎵 They have 20 years ago there was a shooting at red lake high school in far northern Minnesota that was probably the most significant school shooting that has taken place in this state.

20年前，在明尼苏达州最北部的红湖高中发生过一起枪击案，那可能是该州发生的最严重的校园枪击案。

🎵 But there are shootings almost every other day it seems we had a state of them here in Minneapolis yesterday in fact I was at the scene of one yesterday afternoon that was also near a school it did not involve anyone at this high school just several miles from this church where these children were killed there was one person killed in this shooting yesterday and six others wounded.

但几乎每隔一天就有枪击事件发生，昨天在明尼阿波利斯我们就发生了几起，事实上我昨天下午就在其中一起现场，那也发生在一所学校附近，没有涉及这所高中的人，离这些孩子遇害的教堂只有几英里远，昨天的这起枪击事件中有一人死亡，六人受伤。

 00:09:21

⌂ Followed by two other shootings one late yesterday and one in the small hours this morning near downtown Minneapolis it's a regular occurrence with so many people with such easy access to both legal and illegal firearms in this country.

随后又发生了另外两起枪击事件，一起在昨天深夜，另一起在今天凌晨靠近明尼阿波利斯市中心的地方，这是常有的事，在这个国家，如此多的人能够如此轻易地获得合法和非法的枪支。

⌂ Yeah that was my next question about the gun laws in Minnesota that make it so easily and so accessible.

是的，这就是我下一个关于明尼苏达州枪支法律的问题，是什么让它如此容易和方便获得。

⌂ Well the gun laws are you know they tend to vary a little bit by state but Supreme Court precedent has really made it very easy to get any sort of legal firearm if you can pass a basic background check if you don't have a criminal record and from what we were told by the police chief Robyn Westman 23 years old did not have a criminal record and was of legal age certainly old enough.

嗯，枪支法律你知道各州略有不同，但最高法院的先例确实使得获得任何合法枪支变得非常容易，只要你能通过基本的背景调查，如果你没有犯罪记录，而且根据警察局长告诉我们的，23岁的罗宾·韦斯特曼没有犯罪记录，并且已达到法定年龄，当然足够大了。

 00:10:14

⌂ So they would not have had much trouble obtaining firearms from a licensed dealer so the investigation into how this shooter got their guns there's not really a whole lot to say about that because they were able to go into a store presumably or buy them online and obtain those weapons legally and these are you know the weapon used to fire into that church is a high powered rifle which is legal.

所以他们从有执照的经销商那里获得枪支不会有太大困难，因此关于这名枪手如何获得枪支的调查，其实没什么好多说的，因为他们大概可以走进商店或在线购买，合法获得这些武器，而且你知道，用于向教堂开枪的武器是一支大威力步枪，这是合法的。

▶ And the United States.

在美国是合法的。

▶ Matt thanks for getting us across those details on that epic news correspondent for Minnesota public radio you're welcome.

马特，感谢您为我们提供了这些细节，明尼苏达公共广播电台的史诗新闻记者，不客气。

 00:10:54

▶ The US President Donald Trump has a chair to meeting in Washington to discuss plans for Gaza once the war ends around the table the sun and all and former Middle East envoy Jared Kushner and former British Prime Minister Tony Blair White House has provided little detail on the plan that was discussed described by US special envoy Steve Whitcough from the US.

美国总统唐纳德·特朗普在华盛顿主持一次会议，讨论战争结束后加沙的计划，围坐在桌边的有他的儿子等人、前中东特使贾里德·库什纳和英国前首相托尼·布莱尔，白宫对讨论的计划提供的细节很少，该计划由美国特使史蒂夫·惠特克夫描述。

▶ And the last time we heard of a US post war plan for Gaza was in February when President Trump talked about developing what he called the Riviera of the Middle East.

我们上次听到美国加沙战后计划是在二月份，当时特朗普总统谈到要发展他所谓的“中东里维埃拉”。

▶ The plan would force the displacement of Palestinians living there it was supported by Israel but prompted international our cry.

该计划将迫使居住在那里的巴勒斯坦人流离失所，得到了以色列的支持，但引发了国际社会的强烈抗议。

 00:11:30

▶ Arab nations instead endorsed a \$53 billion Egyptian proposal to rebuild the enclave with the Palestinian Authority eventually governing it.

阿拉伯国家反而认可了一项价值530亿美元的埃及提案，旨在重建该地区，并最终由巴勒斯坦权力机构管理。

▶ The US and Israel rejected that plan is understood know Israeli or Palestinian representatives participated in the meeting at the White House for Trump's Secretary of State Marco Rubio has been holding talks with his Israeli counterpart Gideon Sir in Washington when asked afterwards about the prospects of the Palestinian state is Sir told reporters there would not be one.

据了解，美国和以色列拒绝了该计划，没有以色列或巴勒斯坦代表参加白宫的会议，因为特朗普的国务卿马可·卢比奥一直在华盛顿与以色列外长吉迪恩·瑟尔举行会谈，当被问及巴勒斯坦国前景时，瑟尔告诉记者不会有一个巴勒斯坦国。

▶ Now a comprehensive deal to end the war is exactly what Hamas has been demanding for months before it was pressed into a faced ceasefire proposal put forward by Egypt.

现在，一项全面结束战争的协议正是哈马斯几个月来一直要求的，在此之前它被迫接受埃及提出的停火提案。

 00:12:07

▶ Now that proposal mirrors an earlier deal Israel signed up to but Israel's Prime Minister Benjamin Netanyahu has now changed his stance saying he will only end the war on specific conditions one of which is to block the Palestinian Authority from any role in post war Gaza.

该提案反映了以色列之前签署的一项协议，但以色列总理本杰明·内塔尼亚胡现在改变了立场，表示他只会在特定条件下结束战争，其中之一是阻止巴勒斯坦权力机构在战后加沙发挥任何作用。

▶ I'm in the least correspondent you see Williamson has been speaking to the PAs security spokesman in Ramallah.

我是记者尤尔·威廉姆森，他一直在拉马拉与巴勒斯坦权力机构的安全发言人交谈。

▶ Netanyahu does not want this war to stop unfortunately Hamas is facilitating this first the war must stop and people must be given shelter electricity and water given the enormous scale of the task that won't happen without international efforts and Arab support.

内塔尼亚胡不希望这场战争停止，不幸的是哈马斯正在助长这一点；首先，战争必须停止，必须为人民提供住所、电力和水；考虑到任务的巨大规模，没有国际努力和阿拉伯国家的支持，这是不可能实现的。

 00:12:47

▶ The Palestinian Authority cannot carry out its responsibilities alone in the Gaza Strip.

巴勒斯坦权力机构无法独自在加沙地带履行其职责。

▶ For more on this I'm joined by Amin Saikal Emeritus professor of Middle East and Central Asian and Islamic Studies Australian National University.

关于这一点，澳大利亚国立大学中东、中亚和伊斯兰研究荣休教授阿明·萨卡尔加入了我的讨论。

▶ I mean the Palestinian Authority is we heard there says they want to be involved but why is that problematic for Israel?

我的意思是，巴勒斯坦权力机构，我们听到他们说想参与，但为什么这对以色列来说是个问题？

bilibili 00:13:10

▶ Well Israel really does not trust the Palestinian Authority and also it wants to control Gaza on its own.

以色列确实不信任巴勒斯坦权力机构，而且它还想自己控制加沙。

▶ I think all this talk about the possibility of having a third force coming in in order to govern Gaza is just a smoke screen for Prime Minister Netanyahu to achieve his ultimate goal of annexing Gaza.

我认为所有关于可能让第三方力量介入来治理加沙的讨论，都只是内塔尼亚胡总理为实现其最终吞并加沙目标而放的烟幕弹。

▶ It would be very interesting to see what's going to come out of the current meeting that President Trump is sharing at the moment and the White House.

看看特朗普总统目前正在白宫参加的会议会有什么结果，将会非常有趣。

bilibili 00:13:48

▶ Netanyahu has said that a two state solution isn't on the cards and what you're saying is that he doesn't want Hamas he doesn't want the Palestinian Authority and he ultimately won't accept any other entity in charge of Gaza.

内塔尼亚胡说过两国方案不在考虑范围内，而你的意思是，他既不要哈马斯，也不要巴勒斯坦权力机构，他最终不会接受任何其他实体来掌管加沙。

🔍 I mean that's right and I don't think that he I mean at one point he had mentioned that probably an Arab coalition could possibly govern Gaza but he keeps changing his mind and I think the ultimate objective is to basically annex Gaza.

我的意思是，没错，而且我认为他.....我是说，他曾经提到过一个阿拉伯联盟或许可以治理加沙，但他不断改变主意，我认为最终目标基本上就是吞并加沙。

🔍 But I think the most important thing at the moment is White House is holding a meeting on post the war Gaza plan.

但我认为目前最重要的是，白宫正在举行一场关于战后加沙计划的会议。

 00:14:37

🔍 What is urgently needed to stop killing and starvation in Gaza and I think that can be done instantly by President Trump to stop supply of arms to Israel and to the financial assistance that Israel gets.

当务之急是停止加沙的杀戮和饥荒，我认为特朗普总统可以立即做到这一点，停止向以色列供应武器以及以色列获得的财政援助。

🔍 Something like 30% Israeli defense budget comes from the United States and I think President Trump has a strong leverage and he can't exercise that right now.

以色列大约30%的国防预算来自美国，我认为特朗普总统有很强的筹码，但他现在没有行使这个权力。

🔍 He doesn't really need to support or advise or former Prime Minister Tony Blair or for that matter.

他其实并不需要前首相托尼·布莱尔或其他人的支持或建议。

 00:15:11

🔍 He's a son-in-law.

他是女婿。

🔍 I think he can achieve that objective without much support from anybody.

我认为他可以在没有太多人支持的情况下实现那个目标。

🎵 Well he's had this power in his hands to do so.

嗯，他手握这个权力来做这件事。

🎵 For months now I've been since this contract really began and he came to office so why don't you think he hasn't?

几个月来，自从这场冲突真正开始，他上任以来，所以你为什么认为他还没有这么做？

🎵 Well because I think he's got very deep commitment to security of Israel and the deeper commitment in many ways to his relationship with Prime Minister Benjamin Nakanyahu.

嗯，因为我认为他对以色列的安全有着非常深的承诺，并且在很多方面更深的承诺是他与本杰明·内塔尼亚胡总理的关系。

 00:15:44

🎵 He has praised Nakanyahu as a war hero in the region and of course Prime Minister Nakanyahu has been very persuasive in meetings that he has had with President Trump.

他曾称赞内塔尼亚胡是该地区的战争英雄，当然，内塔尼亚胡总理在他与特朗普总统的会晤中一直非常有说服力。

🎵 So I think what President Trump has really caught between his commitment to the state of Israel and friendship with Prime Minister Nakanyahu and of course I also at the same time the need for a resolution of this conflict which has become so disturbing and destructive not only for the Palestinians but also a major issue of concern around the world.

所以我认为特朗普总统真正陷入两难的是，他对以色列国的承诺、与内塔尼亚胡总理的友谊，当然同时我也认为，需要解决这场冲突，这场冲突不仅对巴勒斯坦人来说如此令人不安和具有破坏性，也是全世界关注的一个主要问题。

🎵 I mean thanks very much for your thoughts as always I'm in Cycle there, I was from the Australian National University.

我的意思是非常感谢你的见解，和往常一样，我是Cycle，来自澳大利亚国立大学。

 00:16:34

🎵 Thank you.
